ABOUT THE 2016 Annual Meeting

General: Date, Time and Place

We are providing this Proxy Statement to you in connection with the solicitation, on behalf of our Board, of proxies to be voted at our 2016 Annual Meeting of Stockholders (the “2016 Annual Meeting”) or any postponement or adjournment of that meeting. The 2016 Annual Meeting will held on June 27, 2016, at 10:00 a.m. local time at our principal executive offices, located at 12/F, Tower A, Chang An International Building, No. 88 Nan Guan Zheng Jie, Xi’an City, Shaanxi Province, 710068 China.

Matters to be Considered and Voted Upon

At the 2016 Annual Meeting, stockholders will be asked to consider and vote (i) to elect the nominees named herein as directors, (ii) to ratify the selection of our independent registered public accounting firm, and (iii) to conduct an advisory vote on the compensation of our named executive officers. The Board does not know of any matters to be brought before the meeting other than as set forth in the notice of meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Stock Outstanding and Entitled to Vote

Our Board has established April 28, 2016 as the record date. Only holders of shares of the Company's common stock, par value \$.001 per share ("Common Stock"), as of the record date are entitled to notice of, and to vote at, the 2016 Annual Meeting. Each share of common stock entitles the holder thereof to one vote per share on each matter presented to our stockholders for approval at the 2016 Annual Meeting. At the close of business on April 25, 2016, we had 83,084,035 shares of common stock outstanding. We expect the same number of shares to be outstanding as of the record date.

Quorum; Required Vote

A quorum of stockholders is required for the transaction of business at the 2016 Annual Meeting. The presence of at least one-third of all of our shares of common stock issued and outstanding and entitled to vote at the meeting, present in person or represented by proxy, will constitute a quorum at the meeting. Votes cast by proxy or in person at the 2016 Annual Meeting will be tabulated by an election inspector appointed for the meeting and will be taken into account in determining whether or not a quorum is present. Abstentions and broker non-votes, which occur when a broker has not received customer instructions and indicates that it does not have the discretionary authority to vote on a particular matter on the proxy card, will be included in determining the presence of a quorum at the 2016 Annual Meeting.

Assuming that a quorum is present, our stockholders may take action at the annual meeting with the votes described below.

Election of Directors. Under Nevada law and the Fourth Amended and Restated Bylaws of the Company ("Bylaws"), the affirmative vote of a plurality of the votes cast by the holders of our shares of common stock is required to elect each director. Consequently, only shares that are voted in favor of a particular nominee will be counted toward such nominee's achievement of a plurality. Stockholders do not have any rights to cumulate their votes in the election of directors. Abstentions and broker non-votes will not be counted toward a nominee's total.

Ratification of the selection of MJF and Associates, APC as our independent registered public accounting firm. The affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote at the annual meeting is required to ratify the selection of MJF and Associates, APC as our independent registered public accounting firm. Abstentions and broker non-votes will have the effect of a vote "against" the ratification of the appointment of MJF and Associates, APC as our independent registered public accounting firm.

Non-binding advisory vote regarding the compensation of our named executive officers. The affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote at the annual meeting is required to approve the compensation of our named executive officers. Abstentions and broker non-votes will not be counted as votes approving the compensation of our named executive officers.

Abstentions and Broker Non-Votes

Under applicable regulations, if a broker holds shares on your behalf, and you do not instruct your broker how to vote those shares on a matter considered “routine,” the broker may generally vote your shares for you. A “broker non-vote” occurs when a broker has not received voting instructions from you on a “non-routine” matter, in which case the broker does not have authority to vote your shares with respect to such matter. Rules that govern how brokers vote your shares have recently changed. Unless you provide voting instructions to a broker holding shares on your behalf, your broker may no longer use discretionary authority to vote your shares on any of the matters to be considered at the 2016 Annual Meeting other than the ratification of our independent registered public accounting firm. Please vote your proxy so your vote can be counted.

Voting Procedure; Voting of Proxies; Revocation of Proxies

If your shares are registered directly in your name with our transfer agent, Securities Transfer Corporation, you are considered the “stockholder of record” with respect to those shares. As the stockholder of record, you may vote in person at the 2016 Annual Meeting or vote by proxy using the accompanying proxy card. Whether or not you plan to attend the annual meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the 2016 Annual Meeting and vote in person even if you have already voted by proxy.

By Internet – stockholders may vote on the internet by logging on to www.proxyvote.com and following the instructions given.

By Telephone – stockholders may vote by calling 1-800-690-6903 (toll-free) with a touch tone telephone and following the recorded instructions.

By Mail – stockholders must request a paper copy of the proxy materials to receive a proxy card and follow the instructions given for mailing. A paper copy of the proxy materials may be obtained by logging onto www.proxyvote.com and following the instructions given. To vote using the proxy card, simply print the proxy card, complete, sign and date it and return it promptly to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717. In the alternative, the proxy card can be mailed directly to the Company: Mr. Jackie Shi, Chief Financial Officer, at 12/F, Tower A, Chang An International Building, No. 88 Nan Guan Zheng Jie, Xi'an City, Shaanxi Province, 710068 China.

If you vote by telephone or via the Internet, you do not need to return your proxy card. Telephone and Internet voting are available 24 hours a day and will close at 11:59 P.M. Eastern Time on Sunday, June 26, 2016.

In Person - stockholders may vote in person at the 2016 Annual Meeting. To vote in person, come to the 2016 Annual Meeting and we will give you a ballot when you arrive. The Board recommends that you vote using one of the other voting methods, since it is not practical for most stockholders to attend the 2016 Annual Meeting.

Please note that the notice letter you received directing you to the website at which the proxy materials are available is not the proxy card and should not be used to submit your vote.

If you do not return a signed proxy card and do not attend the meeting and vote in person, your shares will not be voted. Shares of our common stock represented by properly executed proxies that are received by us and are not revoked will be voted at the 2016 Annual Meeting in accordance with the instructions contained therein. If you return a signed and dated proxy card and instructions are not given, such proxies will be voted **FOR** election of each nominee for director named herein, **FOR** ratification of the selection of MJF and Associates, APC as our independent registered public accounting firm, and **FOR** approval of the compensation of our named executive officers described in this Proxy Statement. In addition, we reserve the right to exercise discretionary authority to vote proxies, in the manner determined by us, in our sole discretion, on any matters brought before the 2016 Annual Meeting for which we did not receive adequate notice under the proxy rules promulgated by the Securities and Exchange Commission ("SEC").

If you hold your shares in “street name” through a stockbroker, bank or other nominee rather than directly in your own name, you are considered the “beneficial owner” of such shares. Because a beneficial owner is not a stockholder of record, you may not vote these shares in person at the 2016 Annual Meeting unless you obtain a “legal proxy” from the broker, bank or nominee that holds your shares, giving you the right to vote those shares at the meeting. If you wish to attend the 2016 Annual Meeting and vote in person, you will need to contact your broker, bank or nominee to obtain a legal proxy.

Your proxy is revocable at any time before it is voted at the 2016 Annual Meeting in any of the following three ways:

1. You may submit another properly completed proxy bearing a later date.
2. You may send a written notice that you are revoking your proxy to Mr. Jackie Shi, our Chief Financial Officer, at 12/F, Tower A, Chang An International Building, No. 88 Nan Guan Zheng Jie, Xi'an City, Shaanxi Province, 710068 China.
3. You may attend the annual meeting and vote in person. However, simply attending the annual meeting will not, by itself, revoke your proxy.

Dissenters' Right of Appraisal

Stockholders are not entitled to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the 2016 Annual Meeting.

Proxy Solicitation

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

Householding

SEC rules permit us to deliver a single proxy statement and annual report to one address shared by two or more of our stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one proxy statement and annual report to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of this Proxy Statement and annual report to any stockholder at the shared address to which a single copy of those documents were delivered. If you prefer to receive separate copies of the proxy statement and annual report, contact Mr. Jackie Shi, our Chief Financial Officer, at 12/F, Tower A, Chang An International Building, No. 88 Nan Guan Zheng Jie, Xi'an City, Shaanxi Province, 710068 China.

Stockholder List

For at least ten days prior to the meeting, a list of stockholders entitled to vote at the 2016 Annual Meeting, arranged in alphabetical order, showing the address of and number of shares registered in the name of each stockholder, will be open for examination by any stockholder, for any purpose related to the 2016 Annual Meeting, during ordinary business hours at our principal executive offices. The list will also be available for examination at the 2016 Annual Meeting.

Other Business

The Board is not aware of any other matters to be presented at the 2016 Annual Meeting other than those mentioned in this Proxy Statement and our accompanying Notice of Annual Meeting of Stockholders. If, however, any other matters properly come before the 2016 Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment.

CORPORATE GOVERNANCE

Leadership Structure and Role in Risk Oversight

The Company's current board leadership structure separates the board chair and principal executive officer roles into two positions. Mr. Ku has served as both Chairman of the Board and CEO of the Company since April 1, 2009. Our

Board continues to believe there are important advantages to Mr. Ku serving in both roles at this time. Mr. Ku is the director most familiar with our business and industry and is best situated to propose Board agendas and lead Board discussions on important matters. Mr. Ku provides a strong link between management and the Board, which promotes clear communication and enhances strategic planning and implementation of corporate strategies. Another advantage is the clarity of leadership provided by one person representing us to employees, stockholders and other stakeholders. The Board has not named a lead independent director.

Our Board is responsible for oversight of the Company's risk management practices while management is responsible for the day-to-day risk management processes. In the Board's opinion, this division of responsibilities is the most effective approach for addressing the risks facing the Company. The Board receives periodic reports from management regarding the most significant risks facing the Company. In addition, the Audit Committee assists the Board in its oversight of our risk assessment and risk management policies. Narrative to Summary Compensation Table

In fiscal year 2015, the primary components of our executive compensation programs were base salary and equity compensation. We use base salary to fairly and competitively compensate our executives, including the named executive officers, for the jobs we ask them to perform. We view base salary as the most stable component of our executive compensation program, as this amount is not at risk. We believe that the base salaries of our executives should be targeted at or above the median of base salaries for executives in similar positions with similar responsibilities at comparable companies, consistent with our compensation philosophy. Because of our emphasis on performance-based compensation for executives, base salary adjustments are generally made only when we believe there is a significant deviation from the market or an increase in responsibility. Our Compensation Committee reviews the base salary levels of our executives each year to determine whether an adjustment is warranted or necessary.

Employment Contracts

Mr. Guohua Ku entered into an employment agreement with the Company to serve as its CEO on December 10, 2008. The agreement had a two-year term, starting December 10, 2008, that included a one-month probationary period. Mr. Ku receives a salary of \$17,876 annually for his service as CEO. The Company may terminate the employment agreement at any time without any prior notice to the employee if Mr. Ku engages in certain conduct, including, but not limited to (i) the violation of the rules and procedures of the Company or breaches the terms of the employment agreement; (ii) neglecting his duties or engages in malpractice for personal gain that damages the Company; (iii) entering into an employment relationship with any other employer during his employment with the Company; or (iv) the commission of a crime. The Company also may terminate the employment agreement upon 30 days written notice to Mr. Ku under certain other conditions, including but not limited to (i) inability to continue position due to non-work-related sickness or injury; (ii) incompetence; and (iii) the need for mass layoffs or other restructuring. The term of the employment agreement is for two years, starting on May 16th, 2015. Nonstatutory Stock Option Plan – Equity Compensation

In August, 2008 and November, 2009, the Company granted certain employees stock options under the Company's 2007 Non-Statutory Stock Option Plan, which was later amended and restated in 2010, to acquire 3,000,000 shares of the Company's common stock. The options had a life of five years and the options granted in 2008 and 2009 expired in 2013 and 2014. On August 13, 2010, the Company granted 2,200,000 options to acquire the Company's common stock at \$3.05 per share to 36 managerial and non-managerial employees as new equity awards pursuant to the Company's Amended and Restated 2007 plan. According to the vesting terms, the options granted were divided into three tranches, (i) 1/3 (one third) of the total number of shares subject to the options were to vest and become exercisable if the Company met its minimum revenue and earnings goals in the Company's guidance for 2010 as delivered in its earnings releases and/or conference calls in the first quarter of 2010, such vesting to occur immediately upon completion of the annual audit confirming the financial results for 2010; and (ii) an additional 1/3 (one third) of the total number of shares subject to the options were to vest and become exercisable if the Company met certain financial goals of 2011 as set out and decided by the Compensation Committee, such vesting to occur immediately upon the Compensation Committee's determination that the Company had met such goals for 2011; and (iii) the remaining 1/3 (one third) of the total number of shares subject to the options were to vest and become exercisable if the Company met certain financial goals of 2012 as set out and decided by the Compensation Committee, such vesting to occur immediately upon the Compensation Committee's determination that the Company had met such goals for 2012. The options could only be exercised to the extent that such options became vested and exercisable. The Company did not meet the financial goals of 2012 and 2011; accordingly, the second and third tranches (two-thirds of the total number of 2,200,000 options) were forfeited.

The vesting terms of options granted under the 2007 Plan are subject to certain nonstatutory stock option agreements. The exercise price of each option granted under the 2007 Plan is at least 100% of the fair market value of a share of our common stock on the date of grant. For purposes of option awards, fair market value of a share of our common stock means the closing sale price of a share of our common stock on the relevant date on the principal exchange on which the common stock is then listed or admitted to trading. If no reported sale of common stock takes place on the relevant date on the principal exchange, then the reported closing asked price of a share of our common stock on such date on the principal exchange shall be the fair market value. If our common stock is not at the time listed or admitted to trading on a stock exchange, the fair market value of a share of our common stock means between the lowest reported bid price and highest reported asked price of a share of our common stock on the relevant date in the over-the-counter market, as such prices are reported in a publication of general circulation selected by the Board or the Compensation Committee and regularly reporting the market price of a share of our common stock. If our common stock is not listed or admitted to trading on any stock exchange or traded in the over-the-counter market, the Board shall determine the fair market value in good faith.

The Company's 2007 Non-Statutory Stock Option Plan expired in November, 2012.

In June of 2015, the stockholders of the Company approved the China Recycling Energy Corporation Omnibus Equity Plan (the "2015 Equity Plan") at its annual meeting. The total aggregate shares of common stock authorized for issuance during the term of the 2015 Equity Plan is 12,462,605 shares. The 2015 Equity Plan will terminate on the earliest to occur of (i) the 10th anniversary of the Equity Plan's effective date, or (ii) the date on which all shares available for issuance under the Equity Plan shall have been issued as fully-vested shares.

Potential Payments Upon Termination or Change of Control

Employment Agreements

Certain of our executive officers, including our CEO, have an employment agreement with the Company. Under Chinese law, we may only terminate employment agreements without cause and without penalty by providing notice of non-renewal one month prior to the date on which the employment agreement is scheduled to expire. If we fail to provide this notice or if we wish to terminate an employment agreement in the absence of cause, as defined in the agreement, then we are obligated to pay the employee one month's salary for each year we have employed the employee. We are, however, permitted to terminate an employee for cause without penalty pursuant to the employment agreement.

2007 Plan

On August 13, 2010, the Company granted 2,200,000 options to acquire the Company's common stock at \$3.05 per share to 36 managerial and non-managerial employees as new equity awards pursuant to the Corporation's Amended and Restated 2007 plan. According to the vesting terms, the options granted were divided into three tranches, (i) 1/3 (one third) of the total number of shares subject to the options shall vest and become exercisable if the Company meets its minimum revenue and earnings goals in the Company's guidance for 2010 as delivered in its earnings releases and/or conference calls in the first quarter of 2010, such vesting to occur immediately upon completion of the annual audit confirming the financial results for 2010; and (ii) an additional 1/3 (one third) of the total number of shares subject to the options shall vest and become exercisable if the Company meets certain financial goals of 2011 which will be set out and decided by the Compensation Committee, such vesting to occur immediately upon Compensation Committee's determination that the Company has met such goals for 2011; and (iii) the remaining 1/3 (one third) of the total number of shares subject to the options shall vest and become exercisable if the Company meets certain financial goals of 2012 which is set out and decided by the Compensation Committee, such vesting is to occur immediately upon Compensation Committee's determination that the Company has met such goals for 2012. The options may only be exercised to the extent that such options have become vested and exercisable.

As of December 31, 2012 and 2011, the Company did not meet the financial goals of 2012 and 2011; accordingly, the second and third tranche (two thirds of the total number of 2,200,000 options) was forfeited.

The options have a life of five years. The FV of the options was calculated using the following assumptions; estimated life of five years, volatility of 92%, risk free interest rate of 3.54%, and dividend yield of 0%. Each tranche of the options is deemed to be independent of the others. Therefore, the FV of the first tranche of options was expensed during 2011; the second and third tranche of options were forfeited due to the non-achievement of established financial benchmarks. The options granted pursuant to the 2007 Plan expired in August 2015 and all such options have been cancelled.

2015 Plan

In June of 2015, the stockholders of the Company approved the China Recycling Energy Corporation Omnibus Equity Plan (the “2015 Equity Plan”) at its annual meeting. The total aggregate shares of common stock authorized for issuance during the term of the 2015 Equity Plan is 12,462,605 shares. The 2015 Equity Plan will terminate on the earliest to occur of (i) the 10th anniversary of the Equity Plan's effective date, or (ii) the date on which all shares available for issuance under the Equity Plan shall have been issued as fully-vested shares. No share or option has been granted to any executive officers under the 2015 Equity Plan as of December 31, 2015

The independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present our financial position, results of operations and cash flows in conformity with U.S. generally accepted accounting principles, and discusses with the Audit Committee any issues they believe should be raised with the Audit Committee. These discussions include a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Audit Committee monitors our processes, relying, without independent verification, on the information provided to it and on the representations made by management and the independent registered public accounting firm.

In 2015, the Audit Committee held 4 meetings. Representatives of MJF and Associates, APC, our independent registered public accounting firm, attended each meeting of the Audit Committee that involved the discussion of financial statements. The Audit Committee also received the written disclosures and the letter from MJF and Associates, APC required by applicable requirements of the Public Company Accounting Oversight Board regarding the firm’s independence from our management and has discussed with MJF and Associates, APC its independence. The members of Audit Committee considered whether the services provided by MJF and Associates, APC, for the year ended December 31, 2015, are compatible with maintaining their independence. The Board has delegated to the Audit Committee the authority to approve the engagement of our independent registered public accounting firm.

Proposal No. 3--ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) requires that we provide our stockholders a non-binding, advisory vote to approve the compensation of our named executive officers. This vote is sometimes referred to as a “say-on-pay vote.” Although this advisory vote is nonbinding, the Compensation Committee of our Board will review and consider the voting results when making future decisions regarding our named executive officer compensation and related executive compensation programs.

As described in more detail above, our executive compensation program is comprised principally of salary, equity and performance-based cash compensation, designed to: (i) attract, motivate and retain key executives who are critical to our success, (ii) align the interests of our executives with stockholder value and our financial performance and (iii) achieve a balanced package that would attract and retain highly qualified senior officers and appropriately reflect each such officer’s individual performance and contributions. In addition, the Company regularly reviews its compensation program and the overall compensation package paid to each of its senior executives to assess risk and to ensure that the program is structured appropriately in order to obtain our strategic goals.

Before you vote on the resolution below, please read the entire “Executive Compensation” section, including the tables, together with the related narrative disclosure and footnotes, beginning on page 11 of this Proxy Statement. Note, as a “smaller reporting company,” we are obligated to provide compensation disclosures pursuant to Item 402 (m) through (q) of Regulation S-K promulgated under the Security Exchange Act of 1934 (“Regulation S-K”). Even though, as a smaller reporting company, we are exempt from compensation discussion and analysis by the executive compensation requirements of Item 402(b) of Regulation S-K, we continue to elect to provide information regarding our objectives and practices regarding executive compensation in order to give our stockholders transparency into our compensation philosophy and practices.

For the reasons provided, the Board is asking stockholders to cast a non-binding, advisory vote FOR the following resolution:

“RESOLVED, that stockholders approve the compensation paid to our named executive officers as disclosed in this Proxy Statement pursuant to Item 402(m) through (q) of Regulation S-K (which includes the compensation tables and related narrative discussion).”

The Board recommends that the stockholders vote “FOR” THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS as described in this proxy statement.
