*Entry into Employment Agreement*

On January 28, 2019 (the “Effective Date”), ClearSign Combustion Corporation (the “Company”) and Colin James Deller entered into an employment agreement (the “Agreement”) pursuant to which the Company will employ Dr. Deller as its President until April 1, 2019, at which time Dr. Deller will become the Company’s Chief Executive Officer. Pursuant to the Agreement, the Company will pay Dr. Deller an annual salary of \$350,000. As an inducement to accept employment with the Company, Dr. Deller was also granted an option to purchase 400,000 shares of the Company’s common stock at an exercise price of \$1.16 per share and an option to purchase 200,000 shares of the Company’s common stock at an exercise price of \$2.25 per share. The \$2.25 exercise price reflects the price paid for shares of the Company’s common stock in the underwritten public offering that closed on February 27, 2018 and the private offering that closed on July 20, 2018. Each option has a term of 10 years and will vest as follows: the right to purchase one-third of the shares of common stock subject to the option will vest on the Effective Date; the right to purchase one-third of the shares will vest on the first anniversary of the grant date; and the right to purchase one-third of the shares will vest on the second anniversary of the grant date. The Company has agreed to pay certain expenses, not to exceed the sum of \$100,000, related to Dr. Deller’s move from Tulsa, Oklahoma to Seattle, Washington, including reasonable expenses related to the sale of his home in Tulsa. As a temporary adjustment for the difference in the cost of living between Tulsa and Seattle (the “Relocation Adjustment”), for a period of four years (the “Payment Period”) from the Effective Date, the Company has also agreed to pay up to \$6,000 a month to Dr. Deller for expenses related to temporary housing and travel to and from Tulsa to Seattle. If Dr. Deller purchases a home in the Seattle area, the Relocation Adjustment will continue to be paid through the expiration of the Payment Period, although the Relocation Adjustment may be adjusted or terminated upon mutual agreement of Dr. Deller and the Company. The Agreement may be terminated by the Company for cause, as defined in the Agreement, due to Dr. Deller’s death or disability, upon 30 days’ notice to Dr. Deller or as a result of a change in control, as defined in the Agreement. With the exception of a termination for cause, if Dr. Deller’s employment is terminated by the Company, aside from accrued but unpaid salary, bonus (if any) and business expenses, Dr. Deller will receive the balance of the unpaid Relocation Adjustment and 6 months of his annual salary.

Dr. Deller, age 50, began his career at Hamworthy Combustion while also completing his Ph.D. In 1996, Dr. Deller joined Callidus, where he was employed in Project Engineering and Sales, and over the course of ten years advanced to serve as Chief Combustion Engineer and Manager of Burner Order Execution before being promoted to oversee

Callidus' entire burner business. Since 2010, following the acquisition of Callidus by Honeywell, Dr. Deller has served as General Manager with full profit and loss accountability for the Honeywell UOP Callidus burner business worldwide. During that time, he led his team in developing new international markets, including developing a leading market position in China. Since May 2018, Dr. Deller has also been serving as the interim Global Operations Director for the entire Honeywell International UOP Callidus business, which includes flares and thermal oxidizers in addition to burners.

Dr. Deller has a Bachelor of Engineering in mechanical engineering from Portsmouth Polytechnic, U.K., a doctorate in flame chemistry from the University of Portsmouth, U.K., and an MBA from The University of London.

There is no family relationship between Dr. Deller and the Company's officers and directors and there is no transaction, other than the Agreement, currently proposed to be entered into or that has been entered into between the Company and Dr. Deller that would require disclosure pursuant to Item 404(a) of Regulation S-K.
