This Proxy Statement, the attached Notice of Annual Meeting and the enclosed proxy card will first be sent on or about December 29, 2014 to all shareholders entitled to vote. Shareholders who owned the Trust's shares of beneficial interest on the record date of December 15, 2014 are entitled to vote. On this record date, there were 13,324,117 shares outstanding. Each share of the Trust that you own entitles you to one vote. (A fractional share has a

corresponding fractional vote.)

We have previously sent to shareholders the Company's 2014 Annual Report including financial statements. If you have not received such report or would like to receive an additional copy, please contact Gary I. Levine at 65 Madison Avenue, Morristown, NJ 07960 or call (800) 914-1177. The Trust will furnish such report free of charge. The report is also available online at www.ellsworthfund.com.

Time and Place of Meeting

We are holding the Annual Meeting on Monday, February 9, 2015 at 10:00 a.m., Eastern Standard Time, at The Madison Hotel located at 1 Convent Road, Morristown, New Jersey 07960.

Proposal Table

The following table summarizes each proposal to be presented at the Annual Meeting and the page number of this proxy statement where you will find a description of the proposal:

	<u>Proposal</u>	Page Number
1.	Electing trustees	2
2.	Ratifying the Audit Committee's Appointment of Tait, Weller & Baker LLP as independent registered public accountants	12
3.	Considering a shareholder proposal that would request that the trustees of the Fund begin the process of amending the Declaration of Trust	13

The Board of Trustees, including all of the independent trustees, recommends that you vote **for** Proposals 1 and 2 but **AGAINST** Proposal 3.

How to Vote

You do not need to attend the Annual Meeting in person to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card or use any of the available alternative proxy voting methods specified in the instructions that accompany this Proxy Statement.

If you are the record owner of your shares, the available alternative proxy voting methods are telephone and Internet voting. If your shares are held by a broker, the alternative proxy voting methods may include telephone, Internet and any alternative method of voting permitted by your broker. Please see "Additional Information on Voting" on page 15 below for a further discussion of how to vote your shares.

Broker Voting

Under rules applicable to broker-dealers, if your broker holds your shares in its name, we expect that the broker will be entitled to vote your shares on Proposals 1 and 2 even if it has not received instructions from you. A "broker

non-vote” occurs when a broker has not received voting instructions from a shareholder and is barred from voting the shares without shareholder instructions because the proposal is considered to be non-routine. Because Proposals 1 and 2 are considered routine, the Trust does not expect to receive any broker non-votes with respect to those proposals. However, Proposal 3 is considered non-routine. Therefore, if you do not vote your shares, and do not provide voting instructions to your broker with respect to Proposal 3, a broker non-vote will occur with respect to your shares for Proposal 3. Any broker non-vote will have no effect on the outcome of Proposal 3.

PROPOSAL 1

ELECTION OF TRUSTEES

Board Leadership Structure

The primary responsibility of the Board of Trustees (the Board) is to represent the interests of the shareholders of the Trust and to provide oversight of the management of the Trust. The Trust’s day-to-day operations are managed by Dinsmore Capital Management Co. (Dinsmore Capital), the Trust’s investment adviser.

The Board is divided into three classes for purposes of election. One class is elected at each annual meeting of shareholders. Trustees in each class serve for a three-year term. Classifying the Board for election may be regarded as an “anti-takeover provision” because it has the effect of maintaining the continuity of the Board and requiring at least two years to change a majority of the Board.

The Board currently consists of six persons. Four of the trustees are “independent,” meaning they are not “interested persons” of the Trust within the meaning of the Investment Company Act of 1940, as amended (the Investment Company Act). Two of the Trust’s trustees are “interested persons” because of their business and financial relationships with the Trust and Dinsmore Capital. The Independent Trustees are represented by independent legal counsel at Board and committee meetings. Generally, the Board acts by majority vote of all the trustees, including a majority vote of the Independent Trustees if required by applicable law.

The Board has established four committees (Audit, Governance, Investment and Pricing, as described below). The Audit, Governance and Investment Committees are comprised solely of Independent Trustees. The Board and its committees meet periodically throughout the year to oversee the Trust’s activities, review contractual arrangements with service providers, review the Trust’s financial statements, oversee compliance with regulatory requirements, and review pricing of fair value securities. The Board has determined that this leadership structure, including having an Interested Trustee serve as

chairperson, a supermajority of Independent Trustees serve on the Board, Audit and Governance committee membership limited to Independent Trustees, and not having a lead independent trustee is appropriate because it allows the Board to exercise informed and independent judgment over the matters under its purview, and it allocates areas of responsibility among committees of Trustees and the full Board in a manner that enhances effective oversight.

Board’s Role in Risk Oversight

The day-to-day management of various risks relating to the administration and operation of the Trust is the responsibility of the Trust's investment adviser, Dinsmore Capital, and other service providers retained by the Trust. The Board oversees this risk management function consistent with and as part of its oversight duties. The Board performs this risk management oversight function directly and, with respect to various matters, through committees established by the Board. Each committee reports its activities to the Board on a regular basis. The following description provides an overview of many, but not all, aspects of the Board's oversight of risk management for the Trust. The Board does not believe it is practicable to identify all of the risks that may impact the Trust or to develop procedures or controls that are designed to eliminate all such risk exposures and that applicable securities law regulations do not contemplate that all such risks be identified and addressed.

The Board, working with personnel of Dinsmore Capital and other service providers, has endeavored to identify the primary risks that confront the Trust. In general, these risks include, among others, investment risks, credit risks, liquidity risks, valuation risks, operational risks, reputational risks, regulatory risks, risks related to potential legislative changes and the risk of conflicts of interest affecting affiliates of Dinsmore Capital in managing the Trust. The Board has adopted and periodically reviews various policies and procedures that are designed to address these and other risks confronting the Trust. A current copy of the Trust's Code of Ethics for Principal Officers is available at the Trust's website at www.ellsworthfund.com/ECFcorp.htm. In addition, the officers of the Trust, the Trust's investment adviser and other service providers to the Trust have implemented a variety of processes, procedures and controls designed to address particular risks to the Trust. The Board and persons retained to render advice and service to the Board periodically review and/or monitor changes to and developments relating to the effectiveness of these policies and procedures.

The Board requires officers of the Trust to report to the full Board on a variety of matters at regular and special meetings of the Board and its committees, as applicable, including matters relating to risk management. The Audit Committee also receives reports from the Trust's independent registered public accounting firm on internal control and financial reporting matters. The Board meets with the Trust's Chief Compliance Officer periodically to discuss compliance matters and, on a quarterly basis, receives a report from the Chief Compliance Officer regarding compliance matters. The Independent Trustees meet in executive session with the Trust's Chief Compliance Officer at least annually. The Board, with the assistance of the Trust's management, reviews investment policies and risks in connection with its review of the Trust's performance. In addition, the Board receives reports from Dinsmore Capital on the investments and securities trading of the Trust. With respect to valuation, the Board has approved fair valuation procedures applicable to valuing the Trust's securities, which the Board and the Audit Committee periodically review. The Board also requires Dinsmore Capital to report to the Board on other matters relating to risk management on a regular and as-needed basis.

Information About the Trust's Nominees

At the 2015 Annual Meeting, the terms of two trustees are expiring. The Governance Committee of the Board nominated those two trustees, whose terms are expiring in 2015, as set forth below, to serve for terms that expire in 2018. Included below is a discussion regarding such nominees' recent employment or principal occupation, a summary of their specific experience, qualifications, attributes or skills that led to the conclusion that they are qualified to serve as a trustee, the names of other public

companies for which they currently serve as board members or have served as a board member within the past five years, their period of service as a trustee and their age.

Other trustees will not stand for election this year and will continue in office for the rest of their respective terms.

Each of the nominees is willing to serve as a trustee. However, if a nominee becomes unavailable for election, proxies will vote for another nominee proposed by the Board or, as an alternative, the Board may keep the position vacant or reduce the number of trustees.

The Board has approved the nomination of the following individuals to serve as trustees until the annual meeting of shareholders to be held in 2018. The business address of each nominee and/or trustee listed below is c/o Ellsworth Fund Ltd., 65 Madison Avenue, Suite 550, Morristown, NJ 07960. All of the Trustees of the Trust are also trustees of another investment company, Bancroft Fund Ltd. (Bancroft Fund) for which Dinsmore Capital also serves as investment adviser. The two registered investment companies therefore make up a “fund complex” (Fund Complex), and if re-elected, each nominee would oversee the two registered investment companies in the Fund Complex.

Ms. O’Keeffe is an interested person (within the meaning of the Investment Company Act) of the Trust and Dinsmore Capital because she is an officer of the Trust and officer, director and holder of more than 5% of the outstanding shares of voting common stock of Dinsmore Capital.

Required Vote

Trustees are elected by a plurality vote of shares cast at the Annual Meeting, meaning that the trustee nominee with the most affirmative votes for a particular seat on the Board is elected for such seat. In an uncontested election for trustees, the plurality requirement is not a factor. Abstentions will not count as votes cast and will have no effect on the outcome of this proposal. We expect that brokers will be entitled to vote on this proposal even without instructions from shareholders; however, any broker non-vote will have no effect on the outcome of this proposal.

The Board recommends that you vote FOR these nominees.

Committees of the Board of Trustees

The Board has four committees: an Audit Committee; a Governance Committee; an Investment Committee; and a Pricing Committee.

Audit Committee

The Trust has an Audit Committee that is separately designated and established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Committee is comprised entirely of independent trustees (Mr. Bizzell, Dr. Bogan and Mr. Harding, serving as Chairman). All such members are independent as such term is defined by the NYSE MKT LLC Company Guide.

In accordance with its charter, the Audit Committee oversees the Trust’s accounting and financial reporting policies

and practices, as well as the quality and objectivity of the Trust's financial statements and the independent audit of the financial statements. Among other duties, the Committee is responsible for: (i) the appointment, compensation, retention and oversight of any independent registered public accountants employed by the Trust (including monitoring the independence qualifications and performance of such accountants and resolution of disagreements between the Trust's management and the accountants regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services; (ii) overseeing the accounting and financial reporting process of the Trust; (iii) monitoring management's preparation of financial statements of the Trust to promote accuracy and integrity of such financial statements and asset valuation; (iv) assisting the Board in its oversight of the Trust's compliance with legal and regulatory requirements that relate to the Trust's accounting and financial reporting, internal control over financial reporting and independent audits; (v) pre-approving all permissible audit and non-audit services provided to the Trust by its independent accountants, to the extent required by Section 10A of the Exchange Act; (vi) pre-approving, in accordance with Item 2.01(c)(7)(ii) of Regulation S-X, certain non-audit services provided by the Trust's independent registered public accountants to the Trust's investment adviser and certain other affiliated entities if the Trust's independent registered public accountants are the same as, or affiliated with, the investment adviser's or affiliated entities' accountants; and (vii) to the extent required by Regulation 14A under the Exchange Act, preparing an audit committee report for inclusion in the Trust's annual proxy statement.

A current copy of the Charter of the Audit Committee is available at the Trust's website at www.ellsworthfund.com/ECFcorp.htm.

Audit Committee Report

The Audit Committee reviewed and discussed the Trust's audited financial statements with management and its independent registered public accountants, Tait, Weller & Baker LLP (Tait Weller). The Audit Committee has also discussed with Tait Weller the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board. These discussions included the accountant's judgments about the quality, not just acceptability, of the Trust's accounting principles as applied in its financial reporting. Tait Weller, the Audit Committee, and management also discussed matters such as the clarity, consistency and completeness of the accounting policies and disclosures, with a particular focus on critical accounting policies.

The Audit Committee has received written disclosures and a letter from Tait Weller required by the Public Company Accounting Oversight Board disclosing all relationships between Tait Weller and its related entities and the Trust. The Audit Committee discussed with Tait Weller its independence as the Trust's independent registered public accountants. In addition, the Audit Committee has considered

whether the provision by Tait Weller of non-audit services to the Trust and to Bancroft Fund is compatible with the continuing independence of Tait Weller. The Audit Committee also reviewed and discussed the Trust's audited financial statements with management.

Based on the review and discussions described above, the Audit Committee has recommended to the Board that the audited financial statements be included in the Trust's annual report to shareholders for

the fiscal year ended September 30, 2014 for filing with the U.S. Securities and Exchange Commission.

Daniel D. Harding, Chairman
Kinchen C. Bizzell
Elizabeth C. Bogan, Ph.D.

Governance Committee

The Governance Committee is comprised entirely of independent trustees (Dr. Bogan and Mr. Platt, serving as Chairman). In addition, all such members are independent as such term is defined by the NYSE MKT LLC Company Guide.

In accordance with its charter, the Committee, among other duties, is responsible for: (i) nominating persons for election or appointment: (a) as additions to the Board; (b) to fill vacancies which, from time to time, may occur on the Board; and (c) for election by shareholders of the Trust at meetings called for the election of trustees; (ii) nominating persons for appointment as members of each committee of the Board, including, without limitation, the Audit Committee, the Governance Committee, and the Pricing Committee; (iii) reviewing from time to time the compensation, if any, payable to the trustees and making recommendations to the Board regarding compensation; (iv) reviewing and evaluating from time to time the functioning of the Board and the various committees of the Board; (v) overseeing the selection of independent legal counsel to the independent trustees; and (vi) monitoring the performance of independent legal counsel employed by the Trust and the independent trustees.

A current copy of the Governance Committee's Charter is available at the Trust's website at www.ellsworthfund.com/ECFcorp.htm.

Prior to a meeting of the shareholders of the Trust called for the purpose of electing trustees, the Governance Committee will nominate one or more persons for election as trustees at such meeting. The Governance Committee is also responsible for nominating trustees to fill vacancies resulting from an increase in the size of the Board or as a result of the resignation, death or removal of a trustee. The independent trustees are generally authorized to elect nominees to fill such vacancies.

Evaluation by the Governance Committee of a person as a potential nominee to serve as a trustee, including a person nominated by a shareholder, should result in the following findings by the Governance Committee: (i) with respect to the nomination of independent trustees only, upon advice of independent legal counsel to the independent trustees, that the person will qualify as an independent trustee, and that the person is otherwise not disqualified under the Investment Company Act or the rules of the NYSE MKT LLC stock exchange from serving as a trustee of the Trust; (ii) with respect to the nomination of independent trustees only, that the person is free of any material relationship with the Trust (other than as a shareholder of the Trust), that would interfere with the exercise of independent judgment; (iii) that the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a trustee; (iv) that the person can make a positive contribution to the Board and the Trust, with consideration being given to the person's education, business experience, and such other factors as the Governance Committee may consider relevant; (v) that the person is of good character and high integrity; (vi) that the person has desirable personality traits including independence, leadership and the ability to work with the other members of the Board; and (vii) that the person is not an NYSE MKT LLC stock exchange employee or floor member. Although the Board does not have a formal written policy with

regard to the consideration of diversity in identifying nominees, the Governance Committee considers diversity as to educational background, skills, business experience, viewpoints, occupation, gender and race when considering potential nominees.

Consistent with the Investment Company Act, the Governance Committee can consider recommendations from management in its evaluation process.

The Governance Committee will consider nominees recommended by a shareholder to serve as trustee, provided that: (i) such nominating person is a shareholder of record at the time he or she submits the name of such nominee, (ii) such person is a shareholder of record at the time of the meeting at which shareholders are elected, (iii) such shareholder is entitled to vote at the meeting of shareholders at which trustees will be elected; and (iv) the Governance Committee shall make the final determination of persons to be nominated. The Governance Committee will evaluate nominees recommended by a shareholder to serve as trustees in the same manner as they evaluate nominees identified by the Governance Committee.

A shareholder may, at the 2016 annual meeting of shareholders, nominate an individual for election to the Board at such meeting if the shareholder: (i) is a shareholder of record at the time of giving notice to the Trust as described in (iv) below; (ii) is a shareholder of record at the time of the 2016 Annual Meeting, (iii) is entitled to vote at the 2016 Annual Meeting; and (iv) has complied with the notice procedures in the Trust's bylaws. Such notice procedures require that a shareholder submit the nomination in writing to the Secretary of the Trust no earlier than October 12, 2015 but no later than November 11, 2015. The notice must contain all information relating to the nominee required for proxy solicitations by Regulation 14A under the Exchange Act (including the individual's written consent to being named in the proxy statement as a nominee and to serving as a trustee if elected). The notice must also contain the shareholder's name and address as they appear on the Trust's books (and the name and address of any beneficial owner, on whose behalf the nomination is made) and the number of shares of beneficial interest owned beneficially and of record by such shareholder and beneficial owner.

Investment Committee

The Investment Committee is comprised of one member, Mr. Harding, who is an independent trustee. In accordance with its charter, the Committee assists the Board in the oversight, monitoring, and evaluation of the investment advisory services provided by the adviser of the Trust and to Bancroft Fund, and reviews from time to time materials supplied by the adviser regarding investment performance and expenses. The Committee meets periodically with the portfolio managers of the Trust and of Bancroft Fund and obtains from them information on such investment related matters as it deems appropriate, including by way of example and not by way of limitation: (i) performance attribution, (ii) trading practices, and (iii) asset allocation.

Pricing Committee

The Pricing Committee is comprised of four members, three of whom are independent trustees (Mr. Bizzell, Mr. Harding and Mr. Platt, serving as Chairman) and one of whom is an interested person (Mr. Dinsmore). In accordance with its charter, the Committee assists the Trust's investment adviser, Dinsmore Capital, in its valuation of the Trust's portfolio securities when pricing anomalies arise and the full Board is not available to assist Dinsmore Capital in making a fair value determination, and is also responsible for the fair value pricing of any securities held by the Trust as necessary.

Board and Committee Meeting Attendance

During the 2014 fiscal year, the Board met eight times, the Audit Committee met four times, the Governance Committee met three times, the Pricing Committee met two times and the Investment Committee met eight times. During the 2014 fiscal year, each trustee attended at least 75% of meetings of the Board and of each Committee on which such trustee served. The Trust's policy regarding trustee

attendance at annual meetings of shareholders is that trustees are encouraged but not required to attend such annual meetings. Each of the Trust's then current trustees attended the Trust's 2014 annual meeting of shareholders.

Shareholder Communications with the Board of Trustees

The Trust adopted Shareholder Communication Procedures (the Procedures) that set forth the process by which shareholders of the Trust may send communications to the Board. If a shareholder sends a recommendation of a nominee to the Board or to an individual trustee, such communication would be covered by the Procedures. Shareholder proposals submitted pursuant to Rule 14a-8 under the Exchange Act, and communications made in connection with such proposals, are not subject to the Procedures. The Trust's bylaws also contain provisions requiring a shareholder to provide advance notice of his or her intention to nominate, at the Trust's annual meeting of shareholders, an individual for election as trustee.

Pursuant to the Procedures, shareholders should send their communications to the Trust's Shareholder Relations Group. Communications may be sent by regular mail or delivery service to the following address: 65 Madison Avenue, Suite 550, Morristown, NJ 07960. Email communications may be sent to: info@ellsworthfund.com. All shareholder communications that are directed to the Board or an individual trustee of the Trust in his or her capacity as trustee and received by the Shareholder Relations Group shall be promptly forwarded to the individual trustee of the Trust to whom they were addressed or to the full Board, as applicable. Copies of all such shareholder communications will also be distributed to the Chairs of the Trust's Audit Committee and Governance Committee, and to counsel for the Trust and for the independent trustees. Counsel for the Trust and for the independent trustees, upon receipt of its copy of a shareholder communication, shall work with such Chairs and counsel for the independent trustees to determine whether such shareholder communication should be distributed to any trustees to whom it was not sent and whether and in what manner the trustees should respond to such shareholder communication. Responses, if any, to shareholder communications shall be coordinated by counsel for the Trust and for the independent trustees, working with the Chairs.

PROPOSAL 2

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Although not required to do so, the Board seeks your ratification of the Audit Committee’s appointment of Tait Weller as the Trust’s independent registered public accountants for the 2015 fiscal year. The Board believes that shareholders should have the opportunity to vote on this matter. If the appointment is not ratified, the Audit Committee will meet to select new independent registered public accountants for the Trust’s 2015 fiscal year. We do not expect that a representative from Tait Weller will be present at the Annual Meeting. However, should a Tait Weller representative choose to attend, he or she will have an opportunity to make a statement and to respond to appropriate questions.

Fees Billed by Tait Weller Related to the Trust

Set forth in the table below are the aggregate fees billed to the Trust by Tait Weller for services rendered to the Trust during the Trust’s last two fiscal years ended September 30, 2013 and September 30, 2014.

Fiscal Year Ended September 30	Audit Fees	Audit-Related Fees ⁽¹⁾	Tax Fees ⁽²⁾	All Other Fees
2013	\$37,500	\$ 0	\$3,500	\$ 0
2014	\$38,500	\$ 0	\$3,600	\$ 0

Tait Weller billed the Trust aggregate non-audit fees of \$3,600 for the fiscal year ended 2014, and \$3,500 for the fiscal year ended 2013, for non-audit services rendered to the Trust.

The Trust’s Audit Committee pre-approves all Audit-Related Fees. For the Trust’s last two fiscal years ended (1) September 30, 2013 and 2014, no Audit-Related Fees were approved by the Trust’s Audit Committee pursuant to section 2-01(c)(7)(i)(C) of Regulation S-X, which waives the pre-approval requirement for certain de minimis fees. “Tax Fees” include those fees billed by Tait Weller in connection with their review of the Trust’s income tax returns for the fiscal years ended September 30, 2013 and 2014. The Trust’s Audit Committee pre-approves all Tax Fees. (2) For the Trust’s last two fiscal years ended September 30, 2013 and 2014, no Tax Fees were approved by the Trust’s Audit Committee pursuant to section 2-01(c)(7)(i)(C) of Regulation S-X, which waives the pre-approval requirement for certain de minimis fees.

Non-Audit Services Billed to Dinsmore Capital

During each of the last two fiscal years ended September 30, 2013 and September 30, 2014, Tait Weller did not provide any non-audit services to Dinsmore Capital or its affiliates or otherwise bill Dinsmore Capital or its affiliates for any non-audit services.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and permissible non-audit services that are proposed to be provided to the Trust by its independent registered public accountants before they are provided to the Trust. Such pre-approval also includes the proposed fees to be charged by the independent registered public accountants for such services. The Audit

Committee may delegate the pre-approval of audit and permissible non-audit services and related fees to one or more members of the Audit Committee who are “independent,” as such term is defined in Rule 10A-3(b)(1)(iii) under the Exchange Act. Any such member’s decision to pre-approve audit and/or non-audit services and related fees shall be presented to the full Audit Committee, solely for informational purposes, at its next scheduled meeting.

The Audit Committee also pre-approves non-audit services to be provided by the Trust’s independent registered public accountants to the Trust’s investment adviser if the engagement relates directly to the operations and financial reporting of the Trust and if the Trust’s independent registered public accountants are the same as, or affiliated with, the investment adviser’s registered public accountants.

Required Vote

The affirmative vote of the majority of votes cast is needed to approve the ratification of the Audit Committee’s appointment of the independent registered public accountants. Abstentions will not count as votes cast and will have no effect on the outcome of this proposal. We expect that brokers will be entitled to vote on this proposal, but any broker non-vote will have no effect on the outcome of this proposal.

The Board recommends that you vote FOR Proposal 2.

PROPOSAL 3

SHAREHOLDER PROPOSAL

A shareholder, Mr. Robert H. Daniels (the Proponent), has informed the Trust that he intends to submit a proposal at the Annual Meeting and has requested that the Trust include the proposal in this year’s proxy material. The Board of Trustees unanimously recommends that you vote **AGAINST** the proposal. The proposal and the Proponent’s supporting statement, exactly as received from the Proponent, are set forth below and are followed by the Board’s explanation of its reasons for opposing the proposal. The Trust will provide promptly to any shareholder, upon receipt of any oral or written request, the Proponent’s address and the number of shares of the Trust’s Shares of Beneficial Interest held by him.

Proposal:

RESOLVED: The shareholders of Ellsworth Fund request that the Trustees begin the process of amending the Declaration of Trust to provide that:

If the shares of Ellsworth Fund Ltd. have traded at an average discount to net asset value of more than 10% during a fiscal year of the Fund, then the Fund will promptly make an [sic] self-tender offer to

all shareholders to repurchase 20% of its outstanding shares for cash at 98% of net asset value, with proration if more

than 20% are tendered.

Proponent's Supporting Statement:

Fellow long-term shareholders

The market price of our fund has languished far too long at discounts of 15% or more below net asset value. Ellsworth Fund regularly appears high on the list of closed-end funds ranked by market discount to NAV.

These excessive discounts are not in the interest of long-term holders, for "long-term" does not mean "forever". Someday we may decide to sell - to pay tuition, to fund retirement, to meet redemption requests. And while anyone can buy shares trading far below market, those selling at depressed prices are by definition existing shareholders. Someday we may be in their position.

We commend the Trustees for their recent decision to buy back 3% of the shares through open market purchases. It is time to follow up. This resolution sets a target of a 10% discount, and lets the Trustees and the Adviser decide how best to achieve it. If -- and only if -- they fall short, the fund would then make a self-tender for 20% of its shares at 98% of NAV. If, as I hope, the Trustees and Adviser succeed in managing the discount, then no self-tender would be required.

Thank you for your support.

End of Shareholder Proposal

The Board of Trustees opposes the Shareholder Proposal for the reasons discussed below, and recommends that you vote AGAINST Proposal 3.

The Board's Statement of Opposition

After careful and thoughtful consideration, the Board, including all of the independent Trustees, has unanimously concluded that the Shareholder Proposal is not in the best interests of, and would, in fact, be harmful to, the Trust and you, its shareholders. The self-tender offer contemplated by the Shareholder Proposal would require the Trust to purchase up to 20% of its outstanding shares at a price equal to 98% of their net asset value per share ("NAV"). The Board does not believe that such a tender offer balances the interests of all shareholders and does not believe it is appropriate to benefit shareholders with shorter-term investment horizons to the detriment of shareholders with longer-term investment horizons. The Board believes that implementing the tender offer as contemplated by the Shareholder Proposal would have significant adverse effects, including those mentioned below, which would be borne completely or disproportionately by those shares not tendered or taken.

The Board believes that a tender offer for 20% of the Trust's outstanding shares of beneficial interest, as set forth in the Shareholder Proposal:

- Would make the Trust less economical to operate because some expenses cannot be reduced even though the Trust will be smaller. Further since the Management Contract contains a significant break point at \$100 million in assets, the average cost per dollar managed will increase if the assets are reduced;
- Could pressure the Trust to quickly sell a large portion of its portfolio and the Trust might be forced to sell securities for lower prices than if it were able to sell those securities over a longer period of time;

Could force the Trust to sell attractive positions at a time when the Portfolio Managers believe such sales would be inadvisable from an investment perspective;

Would require the Trust to incur significant costs and transactional expenses, resulting from the sale of securities that consequently, to the extent these costs and expenses are not accrued prior to expiration of the proposed tender offer, would be borne either completely or disproportionately by shareholders who do not tender their shares in the proposed tender offer. A significant decrease in assets would lead to an increase in the Trust's expense ratio, which would affect long-term shareholders who do not tender their shares;

Would make it possible for some short-term shareholders to pressure the price of the shares to remain at a high discount in order to force the Trust to tender; and

Could lead to a series of detrimental self-liquidating 20% annual tenders, which would sharply reduce Trust assets, and affect the Trust's ability to retain an investment manager and continue operations.

Additionally, the Board has proactively sought to improve share valuation. It authorized a 3% share buy-back program in 2013 that was executed and completed in 2014. The Board also authorized on October 20, 2014 a substantial \$0.35 per share distribution of net investment income and long-term capital gains payable November 26, 2014. Further on November 19, 2014, the Board announced a 5% minimum distribution policy effective in calendar year 2015, and a second 3% share repurchase program that was recently increased to 7%.

From the time the Trust was founded through 2006 the Trust had a provision in its charter that was similar, but not exactly the same as the Shareholder Proposal. This provision required a vote allowing the possible presentment of shares in each year that the discount exceeded 5% for a specified period of time. The provision did not seem to affect the discount and never received as much as 20% of the shares in favor.

Although the Board believes the Shareholder Proposal is not in the best interests of the Trust and its shareholders, the Board has examined and continues to examine options to enhance long-term shareholder value, including ways to address the Trust's discount from NAV, in a suitable manner in light of the current economic environment.

FOR THESE REASONS, THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS PROTECTING THE LONG-TERM INTERESTS OF THE SHAREHOLDERS OF THE TRUST BY VOTING "AGAINST" THE SHAREHOLDER PROPOSAL.

Required Vote

The vote of a majority of the shares cast is needed to adopt the proposed resolution in Proposal 3. Abstentions will not count as votes cast, and will have no effect on the outcome of Proposal 3. Any broker non-vote will have no effect on the outcome of Proposal 3.

ADDITIONAL INFORMATION ON VOTING

Voting by Proxy

Whether you plan to attend the Annual Meeting or not, we urge you to complete, sign and date the enclosed proxy card and to return it promptly in the envelope provided. If you are the record owner of your shares on the books of the Trust's transfer agent, then you may also submit your proxy vote by telephone or via the Internet, by following the instructions accompanying this Proxy Statement. If your

broker holds your shares in its name, you may submit your proxy vote by any other means specified in the instructions that accompany this Proxy Statement. Returning the proxy card or using any of the available alternative proxy voting methods will not affect your right to attend the Annual Meeting and vote.

If you properly fill in your proxy card and send it to us in time to vote or use any of the available alternative proxy voting methods, your “proxy” (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card or use any of the available alternative proxy voting methods but do not make specific choices, your proxy will vote your shares as recommended by the Board as follows and in accordance with management’s recommendation on other matters:

FOR the election of all nominees for trustees.

FOR ratification of the appointment of the independent registered public accountants for 2015.

AGAINST the shareholder proposal that would request that the trustees of the Trust begin the process of amending the Declaration of Trust.

Your proxy will also have authority to vote and act on your behalf at any adjournment of the meeting.

If you authorize a proxy to vote for you, you may revoke the authorization at any time before it is exercised. You can do this in one of four ways:

You may send in another proxy with a later date.

If you submitted a proxy by telephone, via the Internet or via an alternative method of voting permitted by your broker, you may submit another proxy by telephone, via the Internet, or via such alternative method of voting, or send in another proxy with a later date.

- You may notify the Trust’s Secretary in writing before the Annual Meeting that you have revoked your proxy.
- You may vote in person at the Annual Meeting if you were the record owner of your shares on the record date.

Voting in Person

If you do attend the Annual Meeting, were the record owner of your shares on the record date, and wish to vote in person, we will give you a ballot when you arrive. **However, if your shares were held in the name of your broker, bank or other nominee on the record date, you must bring a letter from the nominee indicating that you were the beneficial owner of the shares on December 15, 2014, the record date for voting, and authorizing you to vote. The letter must also state whether you authorized a proxy to vote for you before the Annual Meeting and, if so, how you instructed such proxy to vote.**

Quorum Requirement

A quorum of shareholders is necessary to hold a valid meeting. A quorum will exist if shareholders entitled to vote a majority of all shares outstanding on the record date are present in person or by proxy. Broker non-votes, if any, and abstentions will count as present for establishing a quorum.

Adjournments

If a quorum is not present at the Annual Meeting or a quorum is present but sufficient votes to approve a proposal are not received, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy.

The persons named as proxies will vote those proxies they are entitled to vote “for” a proposal in favor of such an adjournment and will vote those proxies required to be voted “against” such proposal against such an adjournment. A shareholder vote may be taken on a proposal in this Proxy Statement prior to any such adjournment if sufficient votes have been received and it is otherwise appropriate.
