On September 20, 2006, the Board increased the annual cash retainers payable to each of the Chairpersons of the Audit Committee and the Compensation Committee of the Board of Directors from \$10,000 to \$15,000 per fiscal year, effective October 29, 2006. Equity Compensation

On September 20, 2006, the Board established the following stock option grant policy for non-employee members of the Board of Directors, effective October 29, 2006:

Initial Grants. Each newly elected non-employee Director shall automatically be granted a Non-Qualified Stock Option to purchase 15,000 shares of Common Stock of the Registrant under the Registrant's 2006 Stock Incentive Plan (the "2006 Plan") on the 15th day of the month following the date of initial election as a Director, or if the New York Stock Exchange is closed on that day, the next succeeding business day that the New York Stock Exchange is open, at an option exercise price equal to the fair market value of the Common Stock on the date of grant (which shall equal the closing price of the Common Stock on the date of grant, unless otherwise determined by the Compensation Committee), and vesting and becoming exercisable with respect to the shares covered thereby in three equal installments on each of the first, second and third anniversaries of the date of grant. Upon the occurrence of a Change in Control Event (as defined in the 2006 Plan), the vesting of each such option shall be fully accelerated and the option shall thereafter be exercisable in full over the remaining term thereof.

Annual Grants. On an annual basis, each incumbent non-employee Director shall automatically be granted a Non-Qualified Stock Option to purchase 15,000 shares of Common Stock of the Registrant under the 2006 Plan (with the number of shares subject to the first annual option granted to a Director to be on a pro rata basis based on the length of service during the calendar year in which such Director was elected) on the second business day following January 1 that the New York Stock Exchange is open, at an option exercise price equal to the fair market value of the Common Stock on the date of grant (which shall equal the closing price of the Common Stock on the date of grant, unless otherwise determined by the Compensation Committee), and vesting and becoming exercisable with respect to the shares covered thereby in three equal installments on each of the first, second and third anniversaries of the date of grant. Upon the occurrence of a Change in Control Event (as defined in the 2006 Plan), the vesting of each such option shall be fully accelerated and the option shall thereafter be exercisable in full over the remaining term thereof.
