Brasil Telecom creates Investor and Shareholders Relations Management Position

Brasília, Brazil, September 24, 2003 Brasil Telecom Participações S.A. (BOV: BRTP3/BRTP4; NYSE: BRP) and Brasil Telecom S.A. (BOV: BRTO3/BRTO4; NYSE: BTM) announce the creation of the Investor and Shareholders Relations Management Position. Given the expansion of Brasil Telecom's Group, with the acquisitions of iBest and Globenet and the establishment of Brasil Telecom Celular, it became essential a broader and more efficient communication to shareholders and investors. As a result, Brasil Telecom has assigned Marcos Tourinho as the Head of that new position. Until then, Tourinho was in charge of Brasil Telecom's Capital Market and Asset Management Department.

Graduated in Business Administration from the University of Bahia, Marcos Tourinho holds a post-graduation degree in Finance from McGill University, Canada, and a MBA degree with emphasis in Finance, from Hawaii University. Before March, when he joined Brasil Telecom, Tourinho has worked for large Brazilian companies in outstanding positions.

Renata Fontes keeps her position as Investor Relations Manager and Flávio Bernardes is assigned as the Coordinator of the Shareholders Relations Department, both reporting directly to Marcos Tourinho.
