PART ONE

ITEM 1 - DESCRIPTION OF BUSINESS

DESCRIPTION OF BUSINESS: E & S was incorporated on June 20, 2001 under the laws of the State of Nevada. It has not been involved in any bankruptcy, receivership or similar proceedings, nor has it been a party to any merger, consolidation or purchase or sale of a significant amount of assets not in the ordinary course of business.

E & S is a corporation that is in its developmental stages, since its inception in June, 2001. E & S was formed to produce a locking pliers tool which is being marketed as the "Portable Pipe Vise". The jaws of the locking pliers have a patented design. The tool is intended to secure cylindrical objects to a flat surface. At the present time, E & S is in the process of marketing the first production run of 5,000 high quality Portable Pipe Vises. E & S intends to initially focus its marketing efforts on the welding industry and the plumbing industry, since both industries require portable tools to secure pipes to

Edgar Filing: E & S HOLDINGS INC - Form 10KSB

objects for modification or attachment to a flat surface.

Since the time that E & S took possession of the first production run, it has stepped up its marketing efforts through direct mailing fliers. In addition, it is processing orders from independent tool retailers. The Portable Pipe Vise is currently offered in catalog retailer's catalogs, both in print and online.

Since obtaining the initial production run, E & S has sold a limited number of Portable Pipe Vises. E & S has employed Mrs. Suzanne Barth for the purpose of managing E & S's day-to-day operations.

E & S will be competing for market share with well established hand tool manufacturers both within the United States and abroad. While the specific design of the locking pliers is patented, there are many other hand tools which are currently marketed which can perform a similar function as the locking pliers and which will be in direct competition in the marketplace with the locking pliers. In addition, unless future steps are taken to secure patents worldwide, foreign manufacturers may be able to produce and market a locking pliers of a similar design in foreign markets. Further, the lack of a brand name for E & S's locking pliers may adversely affect the public's confidence in the tool and its success in the marketplace. The presence of established competitors could adversely affect the ability of E & S to successfully implement its business plan and sell the locking pliers.

E & S has limited financial, marketing, technical and other resources that are necessary to implement its business plan. Many of E & S's competitors have significantly greater financial, marketing, technical and other resources than E & S. These competitors may be able to devote greater resources to the development, promotion and sale of competing tools. Moreover, due to the size of these competitors, they may be able to produce a tool with a different design, but with a similar function which can be marketed at a price lower than which E & S can market its locking pliers.

Although E & S is seeking suppliers within the United States to manufacture its Portable Pipe Vise, the first production run was contracted through Nation Technik, Ltd. a Hong Kong manufacturer. E & S currently holds an assignment of the patent for the locking pliers. The patent was granted by the United States Patent and Trademark Office on November 6, 2001 and is patent number 6,311,589. This patent will restrict other domestic competitors from manufacturing a locking pliers with the same or similar jaw configuration as the locking pliers to be manufactured by E & S. Further, no foreign manufacturer will be able to enter the United States market with a similar product. A patent lasts for 16 years from the date of filing. The date of filing of the patent was April 8, 1999. Therefore, E & S will enjoy protection for the patented portion of the locking pliers, until April 8, 2015. The patent covering the locking pliers was

3

purchased from the inventor. E & S has a royalty agreement with the inventor whereby the inventor receives 5% of gross sales as additional compensation for the sale of the patent.

E & S does not anticipate the need to receive any government approval for its Portable Pipe Vise. E & S does not believe that there are any significant government regulations that would affect the ability of E & S to sell its product. In addition, due to the nature of its product and the fact that it does not manufacture its product, E & S does not anticipate that its operation will result in the need to comply with any environmental laws. Therefore, there are no costs allocated to the environmental law compliance.

During the last three fiscal years, a minimal amount of time and expense has been utilized in developing the Portable Pipe Vise for marketing. All research

Edgar Filing: E & S HOLDINGS INC - Form 10KSB

and development efforts were conducted by Mr. Edward A. Barth, who is not separately compensated for these efforts.

E & S is currently operating with no paid employees. Mrs. Suzanne Barth, who is responsible for all day-to-day operations of E & S is currently working for E&S for no compensation. Mr. Edward A. Barth and Mr. Eugene H. Swearengin have also agreed to work for the corporation for no compensation until such time as the company commences to receive revenues from its Portable Pipe Vise. Both individuals have previously received compensation, either directly or accrued, for services rendered. However, due to the unforeseen length of time necessary establish a market for the company's product, both individuals have agreed to forego any further compensation, either paid or accrued until E & S commences to recognize revenues from the sale of its product.

ITEM 2 - DESCRIPTION OF PROPERTY

At the present time, E & S's principal offices are located at 5046 East Boulevard NW, Canton, Ohio 44718. These offices are being utilized, rent free, by E & S and are owned by Mr. Edward A. Barth. Commencing February 1, 2006, E & S rented one office and 500 square feet of warehouse space at 7484 Strauss Avenue NW, North Canton, Ohio 44720. This location will serve as the sales office and warehouse for E & S. It is currently operating under an oral sub-lease on a month-to-month basis from Mr. Herbert Barth. The monthly rental fee of \$500.00 has been waived until such time as E & S has sufficient cash flow to pay rent. Management for E & S believes that the rented space will be sufficient for the needs of the Corporation for at least the next 12 months.

ITEM 3 - LEGAL PROCEEDINGS

At the present time, E & S is not a party to any legal proceedings and is unaware of any claims that may result in future legal proceedings against it or that it may have against third-parties.

ITEM 4 - SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

No matters were presented for a vote to the shareholders of E & S during the fourth quarter of its fiscal year.

ITEM 5 - MARKET FOR COMMON EQUITY AND RELATED STOCKHOLDER MATTERS

The shares of common stock of E & S commenced trading over the counter during the company's third-quarter. Its symbol is ESHI. Since the commencement of trading of the shares of E & S over the counter, the high and low sales prices have been as follows.

4

2006	High	Low
----	----	---
First Quarter	--	--
Second Quarter	--	--
Third Quarter	0.14	0.03
Fourth Quarter	0.09	0.08

There has been no unregistered sales of securities by E & S in its past fiscal year. The only sales of unregistered securities that have been made by E & S were the initial sales, in which Mr. Edward A. Barth received 700,000 shares of common stock in exchange for the transfer of the option to purchase the locking pliers patent. Furthermore, E & S raised approximately \$30,000 from the sale of 300,000 shares of common stock in a private offering in December of 2001.

E & S has only one class of stock, it is the \$0.001 par value common stock. As

Edgar Filing: E & S HOLDINGS INC - Form 10KSB

of May 31, 2006 there were 24 shareholders of record of the Registrant's common stock.

E & S has not declared any dividends to its shareholders. It will not be able to declare dividends until after it commences to receive revenue from sales. At present, the directors have made no decision with regard to future dividend declarations, although there are currently no restrictions on the future declaration of dividends.

ITEM 6 - MANAGEMENT'S DISCUSSION AND ANALYSIS FOR PLAN OF OPERATION

Over the past two fiscal years, E & S has received negligible revenues from sale of product. During the past two fiscal years, E & S has had operations losses of \$41,108 for 2005 and \$40,567 for 2006. These losses were incurred as a result of continuing operating expenses and negligible revenues being received by E & S. E & S now has been operating for three years and is beginning to receive repeat orders for its product, however, due to the slow product sales it is doubtful that over the next twelve months, it will receive revenues in an amount that would be sufficient to pay current operating expenses.

When revenues increase, E & S will incur additional liabilities in the form of employee and officer salaries, which are currently being waived by the company's employee and its officers.

Due to the continued poor sales of the "Portable Pipe Vise", management has decided to review other means of increasing revenues in order to improve the shareholders' equity.

At present, it is not anticipated that E & S will require any additional capital expenditures during the next twelve-month period. In addition, E & S does not believe it will be necessary to seek additional capital through the offering of additional shares in the corporation to the public.

OFF - BALANCE SHEET ARRANGEMENTS

At present, E & S has no off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on E & S's financial condition.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders
of E and S Holdings, Inc.
Canton, Ohio

We have audited the balance sheets of E and S Holdings, Inc. (a development stage company) as of May 31, 2006 and 2005, and the related statements of operations, stockholders' equity (deficit), and cash flows for the years then ended, and the period beginning June 20, 2001 (inception) and ended May 31, 2006. These financial statements are the responsibility of the Company's

Edgar Filing: E & S HOLDINGS INC - Form 10KSB

management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of E and S Holdings, Inc. as of May 31, 2006 and 2005, and the results of its operations and its cash flows for the years then ended, and the period beginning June 20, 2001 (inception) and ended May 31, 2006 in conformity with U.S. generally accepted accounting principles.

As discussed in Note 1, the Company has been in the development stage since its inception on June 20, 2001. Realization of a major portion of its assets is dependent upon the Company's ability to successfully develop and market its product, meet its future financing requirements, and the success of future operations. These factors raise substantial doubt about the Company's ability to continue as going concern.

On September 27, 2001, 700,000 shares of stock were issued at a value of \$1,899 in return for contribution of the patent option. The patent was subsequently purchased for \$10,800 in March 2002.

In March of 2003, interest accrued on stockholder loans payable in the amount of \$1,296 was added to the outstanding loan balance when the stockholder notes due March 2003 were renewed.

In November of 2004, certain officers, directors, and shareholders of the company forgave accrued wages, director's fees, and rents totaling \$96,700. These transactions are reflected as increases to paid-in capital.

In February of 2006, a shareholder of the company forgave accrued wages of \$17,000. This transaction is reflected as an increase to paid-in capital. Also, the shareholder acquired 100,000 shares of stock in exchange for accrued wages of \$8,000 and \$2,000 of compensation. These transactions are reflected as increases to common stock and paid-in capital.

E AND S HOLDINGS, INC.
(A DEVELOPMENT STAGE COMPANY)
NOTES TO FINANCIAL STATEMENTS
MAY 31, 2006 AND 2005

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of E and S Holdings, Inc. (hereinafter the "Company"), is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Company's management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

NATURE OF OPERATIONS

The Company sells specialized locking pliers which are used primarily by the plumbing and welding industries. The Company's product is sold primarily to wholesalers. The Company recognizes its revenue when the product is shipped to the customer.

ACCOUNTS RECEIVABLE

The Company grants credit to its customers in the ordinary course of business. The Company provides for an allowance for uncollectible receivables based on prior experience. The allowance was \$ 0 at May 31, 2006 and 2005.

INVENTORIES

Inventories which consist of specialized locking pliers are recorded at the lower of cost (first-in, first-out) or market.

ADVERTISING AND MARKETING

Advertising and marketing costs are charged to operations when incurred.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

DEVELOPMENT STAGE COMPANY

E and S Holdings, Inc. (a Nevada corporation) has been in the development stage since its formation on June 20, 2001. It is primarily engaged in the development and marketing of new products on which it holds the patent. Realization of a major portion of its assets is dependent upon the Company's ability to successfully develop and market the products, meet its future financing requirements, and the success of future operations. These factors raise substantial doubt about the Company's ability to continue as a going concern. These financial statements do not include any adjustments that might result from the outcome of this uncertainty. The Company's majority stockholder has agreed to advance funds necessary to meet the Company's near-term cash needs.

ITEM 8 - CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

None

Edgar Filing: E & S HOLDINGS INC - Form 10KSB

ITEM 8A - CONTROLS AND PROCEDURES

The management of E & S recognizes its responsibility for establishing and maintaining adequate internal controls over financial reporting for E & S. Due to the small size of E & S, the company's Chief Executive Officer and Chief Operating Officer are aware of all matters pertaining to the operations of E & S and have reviewed all aspects of the financial information included in the company's financial reporting. At the present time, management is of the opinion that the company's internal controls over financial reporting for the past fiscal year are adequate. However, management has identified a material weakness in its procedures in that the small size of management causes a lack of segregation of duties and limits management's ability to recognize potential inadequacies of the internal controls over the financial reporting.

ITEM 8B - OTHER INFORMATION

None

PART THREE

ITEM 9 - DIRECTORS, EXECUTIVE OFFICERS, PROMOTERS AND CONTROL PERSONS; COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

The Executive Officers and Directors and their respective ages as of June 1, 2006 are as follows:

Directors

Name of Director: -----	Age: ----	Term in office -----	Other directorships held -----
Edward A. Barth	47	2001-2006	None
Eugene H. Swearingin	52	2001-2006	None

Executive Officers

Executive Officer: -----	Age: ----	Office: -----	Term in office -----
Edward A. Barth	47	President, Chief Executive Officer and Treasurer	2001-2005
Eugene H. Swearingin	52	Vice-President and Secretary	2002-2005

Edward A. Barth, age 47, is the Founder and Officer of Registrant, and serves as a Director. Mr. Barth received a Bachelor of Science degree in civil engineering technology from Youngstown State University in 1984. He has been employed by the City of North Canton, Ohio, Michael Baker Engineering Corporation and in 1990 returned to the family construction business where he served as President of Barth Construction Co., Inc. In August 2001 Mr. Barth changed the name of the corporation to Stark Concrete Leveling, Inc. and presides as President of the leveling and concrete rehabilitation business. Mr. Barth continues to be employed by Stark Concrete Leveling, Inc. He resides in Canton, Ohio.

Eugene H Swearingin, age 52, has been a Director of the Registrant since June 21, 2001. He is Vice-president and secretary of the Corporation. Mr. Swearingin started his carrier as an apprentice carpenter. He successfully obtained his journeyman's card in 1977. In 1998 he purchased a 50% interest in Callahan Door Sales, Inc. Mr. Swearingin has managed a successful career in the garage and entrance door business for the past 25 years. He resides in North Canton, Ohio.

There has been a change in the ownership interest or beneficial interest of Mr. Eugene H. Swearingin, Director of the Corporation. During the past fiscal year, Mr. Swearingin was granted an option to purchase common shares of E & S in exchange for accrued wages. Mr. Swearingin, in exercising the option acquired

Edgar Filing: E & S HOLDINGS INC - Form 10KSB

100,000 shares of E & S's common stock in exchange for \$8,000 of accrued wages and \$2,000 of compensation.

At the present time, E & S has not developed a code of ethics that applies to E & S's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. E & S

16

maintains that the fact that all major management functions, both executive and financial are centered in one individual, it is not practical to establish a code of ethics at this time.

At present, E & S does not maintain an audit committee, instead the company's board of directors is responsible to review all audit matters. The Board of Directors, acting as audit committee, does not have an audit committee financial expert serving on the Board.

ITEM 10 - EXECUTIVE COMPENSATION

The table below summarizes all compensation awarded to, earned by, or paid to the executive officers of E & S by any person for all services rendered in any capacity to E & S for the present fiscal year.

Name and principal position	Year	Salary (\$)	Bonus	Other Annual Compensation (\$)	Restricted Stock Award(s) (\$)	Securities Underlying Options/SARs (\$)	LTIP Payouts (\$)	All Co sa

	2005	\$0*	0.00	0.00	0.00	0.00	0.00	
	2006	\$0*	0.00	0.00	0.00	0.00	0.00	

* Because E and S has experienced a delay in commencing production, both Mr. Barth and Mr. Swarengin waived any compensation for their services commencing January 1, 2003.

ITEM 11 - SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

There are no securities authorized for issuance under any equity compensation plans. The following table provides the names and addresses of each person known to own directly or beneficially more than a 5% of the outstanding common stock as of June 1, 2006 and by the officers and directors, individually and as a group. Except as otherwise indicated, all shares are owned directly.

The percent of class is based on 15,100,000 shares of common stock issued and outstanding as of June 1, 2006.

17

ITEM 12 - CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Mr. Edward A. Barth is the sole promoter of E & S, further, he currently holds a control position in the business, owning a total of 47.33% of the outstanding common stock (directly and beneficially). Prior to January 1, 2003, Mr. Barth was accruing a salary at the rate of \$5,000 per month for all services which he rendered to E & S. Since January 1, 2003, Mr. Barth has waived any compensation, until such time as E & S commences to receive sustained revenues. Mr. Barth advanced the Corporation the sum of \$1,212.00 in order to pay for incorporation costs. This amount was subsequently repaid to Mr. Barth on January 9, 2002 without interest, from proceeds received out of the \$30,000.00 which E & S received in stock subscriptions. In addition, Mr. Barth has advanced the corporation the sum of \$20,000 in order to commence the first production run of the Portable Pipe Vise. Since that time, Mr. Barth has advanced various sums to provide E&S with necessary operating funds. To date, E & S has repaid a portion of the amount, however, the amount of \$20,603 remains outstanding as of the end of the corporation's fiscal year.

Mr. Barth received the 700,000 shares of common stock in E & S in exchange for transferring to E & S the option to purchase the patent rights to the locking pliers. This amount increased to 7,000,000 shares as the result of a stock split which occurred during the past fiscal year. At the time Mr. Barth purchased the option, the patent had not yet been granted and was in danger of being lost as a result of the inventor's lack of necessary funds to continue the patent process. A portion of the personal funds which Mr. Barth utilized in the obtaining of the patent option was utilized to file the necessary documentation with the United States Patent and Trademark Office so that the patent could issue.

Mr. Herbert Barth, the father of Edward A. Barth, owns 3% of the outstanding shares of the Corporation. Mr. Herbert Barth is the owner of the real estate from which E & S is subletting its offices. Mr. Barth is currently waiving any rental charge for the space. The agreed upon rent for the office space was \$500 per month. E & S maintains that the space leased from Mr. Barth is leased at the fair market value for similar commercial space in Canton, Ohio. In addition, Mr. Herbert Barth has recently loaned E & S \$12,250 for operating capital. The note evidencing this loan bears interest at the rate of 10% per annum.

With the exception of the above referred to transactions, there are no contractual agreements between Mr. Barth or any other individual, whether a shareholder or not, and E & S.

ITEM 14 - PRINCIPAL ACCOUNTANT FEES AND SERVICES

The following information concerns the aggregate fees billed for each of the last two fiscal years for professional services rendered by Hobe & Lucas Certified Public Accountants, Inc., the principal accountant for E & S.

	2005	2006
	----	----
1. Audit Fees	\$11,160	\$12,350
2. Audit-Related Fees	0	0
3. Tax Fees	\$ 500	\$ 500
4. All Other Fees*	0	0

* There were no other fees billed to E & S by its principal accountant for the last two fiscal years for any products or services not covered in items 1, 2 or 3 above.

Because E & S has only two directors, none of whom are outside directors, E & S does not maintain a standing audit committee. As such, E & S does not have pre-approval policies and procedures regarding the engagement of an independent auditor for its year-end financial statements. Instead, the engagement of an auditor is approved by the ad hoc audit committee of the Board of Directors prior to the commencement of the audit. The balance of the services described in Items 2 or 3 above were pre-approved by the audit committee, only to the extent that discussions were held with the principal independent accountant for E & S prior to the commencement of any services by the accountant, during which time all services to be performed by the accountant on behalf of E & S were outlined.
