Item 1.01 Entry into a Material Definitive Agreement.

On December 28, 2006, the Registrant entered into a Credit and Security Agreement (the "Credit Agreement") with Baena Advisors, LLC ("Baena") pursuant to which Baena advanced \$4,750,000 to the Registrant (the "Loan"). The Registrant's obligations with respect to the Loan under the Credit Agreement are

evidenced by a \$4,750,000 promissory note from the Registrant to Baena. The terms and conditions of the Credit Agreement are described below under Item 2.03 of this Form 8-K.

On December 29, 2006, the Registrant entered into an Amendment to Credit and Security Agreement with Mercantile Capital, L.P. (the "Mercantile Amendment"), the effect of which was to reduce the Registrant's credit facility with Mercantile from \$7,000,000 to \$2,525,000 and convert it from a revolving credit facility to a term loan. The terms and conditions of this facility are described under Item 2.03 of this Form 8-K.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On December 28, 2006, the Registrant entered into the Credit Agreement described above and borrowed \$4,750,000 from Baena. The proceeds of the Loan were used to repay outstanding indebtedness, including amounts due to Mercantile Capital to reflect the amendments to the Mercantile credit facility described below.

The Loan bears interest at a rate equal to 30-day LIBOR plus 13%. Interest on the outstanding balance is payable monthly. The principal amount of the Loan, together with accrued but unpaid interest, is due and payable February 28, 2009; provided that Baena may extend the term of the Loan to February 28, 2011. In addition, the Registrant shall pay Baena a Loan Fee of \$3,000 per month. The Registrant's obligations under the Credit Agreement, including without limitation the Loan, are secured by the grant of a security interest in all of the Registrant's assets and are guaranteed by the Registrant's Chief Executive Officer and his wife. This guaranty is secured by a pledge of all of the shares of the Registrant's common stock held by its Chief Executive Officer.

The Loan is subject to earlier repayment at the option of the holder upon an event of default, which includes:

- (a) If the Registrant shall fail to pay when due any installment of principal, interest, fees, costs, expenses or any other sum payable to Baena;
- (b) If any representation or warranty made to Baena is false or misleading in any material respect when made;
- (c) If the Registrant defaults in the payment or performance of any obligation or indebtedness after the expiration of any applicable notice or cure periods;
- (d) If the Borrowing Base (as defined in the Credit Agreement) has a thirty (30) day average below \$5,500,000 for any month or is below \$5,000,000 at any one time;
- (e) If the Registrant defaults in the performance of any other agreement or covenant contained in any document executed or delivered to Baena, and such default continues uncured for thirty (30) days after notice;
- (f) If custody or control of any substantial part of the property of the Registrant is assumed by any governmental agency or court at the instance of any governmental agency; if any material license or franchise is suspended, revoked or otherwise terminated; or if any governmental regulatory authority or judicial body makes any other final non-appealable determination the effect of which would be to affect materially and adversely the operations of the Registrant as now conducted;
- (g) If certain specified acts of bankruptcy occur;

(h) any execution is levied against any part of Baena's collateral or against any other property of the Registrant and continues unstayed and in effect for fifteen (15) days after notice thereof by Baena; or

(i) any change of ownership of the Registrant that effectively changes control of the Registrant from its ownership as of the date of the Credit Agreement.

Pursuant to the Mercantile Amendment, the outstanding balance due to Mercantile was reduced from \$6,844,009 to \$2,525,000 by the application of proceeds from the Loan and the Registrant issued its Amended and Restated Promissory Note to Mercantile in that amount (the "Mercantile Note"). Interest accrues at the rate of 12.75%, payable monthly. The principal balance of and all accrued interest on the Mercantile Note are payable December 31, 2008.

The Mercantile Note is secured by a security interest in all of the Registrant's assets.

Item 3.02. Unregistered Sales of Equity Securities.

In connection with the making of the Loan, the Registrant issued to Baena warrants to purchase an aggregate of 2,000,000 shares of the Registrant's common stock at an exercise price of \$0.01 per share. The warrants expire February 28, 2011.
