ANNUAL MEETING OF STOCKHOLDERS

PROXY STATEMENT

This proxy statement contains information related to our annual meeting of stockholders to be held on Friday, June 27, 2003, beginning at 10:00 a.m. local time, at the Wyndham Garden Hotel, 2641 West Union Hills Drive, Phoenix, Arizona 85027 and at any adjournments or postponements thereof. The purpose of this proxy statement is to solicit proxies from the holders of our common stock for use at the meeting. This proxy statement, the accompanying notice of annual meeting, and the enclosed form of proxy are being sent to stockholders on or about May 27, 2003. You should review this information in conjunction with our 2002 Annual Report to Stockholders, which accompanies this proxy statement.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At the annual meeting, stockholders will vote on the election of directors. In addition, our management will report on our performance during 2002 and respond to questions from our stockholders.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on the record date, May 6, 2003, are entitled to receive notice of the annual meeting and to vote the shares of our common stock that they held on that date at the meeting, or any postponements or adjournments of the meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

Who may attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Please note that if you hold shares in "street name" (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of all of the shares of common stock outstanding on the record date will constitute a quorum, permitting the board of directors to conduct its business. As of the record date, 27,409,338 shares of our common stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting but will not be counted as votes cast "for" or "against" any given matter.

If less than a majority of the outstanding shares of common stock entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time, or place, and notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before an adjournment is taken.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with us either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. Each of the board's recommendations is set forth together with the description of each item in this proxy statement. In summary, the board recommends a vote for election of its nominees for directors.

Our board of directors does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate board nominees for directors. In the event that any other matter should properly come before the meeting or any nominee for director is not available for election, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, in accordance with their best judgment.

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the meeting by each holder of common stock (either in person or by proxy) is required for the election of directors. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to cumulate their votes for directors.

Other Items. For each other item, the affirmative vote of a majority of the votes cast at the meeting by each holder of common stock (either in person or by proxy) will be required for approval. A properly executed proxy marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

What are the effects of "broker non-votes"?

If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters. Shares represented by these "broker non-votes" will, however, be counted in determining whether there is a quorum. As a result, "broker non-votes" will have the effect of a negative vote on some matters.

Who will pay for the preparation of the proxy?

We will pay the cost of preparing, assembling, and mailing the proxy statement, notice of meeting, and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers, and other custodians, nominees, and fiduciaries to forward copies of the proxy material to the beneficial owners of our common stock and to request authority for the execution of proxies, and we may reimburse such persons for their expenses incurred in connection with these activities.

Our principal executive offices are located at 2501 West Grandview Road, Phoenix, Arizona 85023 and our telephone number is (602) 789-6600. A list of stockholders entitled to vote at the annual meeting will be available at our offices for a period of 10 days prior to the meeting and at the meeting itself for examination by any stockholder.

ELECTION OF DIRECTORS

Directors and Nominees

Our board of directors is divided into three classes and each class of directors serves for a three-year term or until successors of that class have been elected and qualified. At the annual meeting, our stockholders will elect three directors, each of whom will serve for a term expiring at the 2006 annual meeting, or until his successor has been duly elected and qualified.

Our board of directors has no reason to believe that any nominee will refuse to act or be unable to accept election. However, if any of them are unable to accept election or if any other unforeseen contingencies should arise, our board of directors may designate a substitute nominee. If our board of directors designates a substitute nominee, the persons named as proxies will vote for the substitute nominee designated by our board of directors.

Our board of directors has nominated Douglas P. McCormick, Jose S. Medeiros, and James C. Van Horne, each of whom are currently serving as directors, to stand for re-election. The terms of Fred A. Breidenbach, Jeffrey W. Goettman, and John C. Walker expire at the annual meeting of stockholders in 2004. The terms of James K. Bass, Allen S. Braswell, Jr., and Richard L. Meetings and Committees of the Board of Directors

Our board of directors held five meetings during the fiscal year ended December 31, 2002 and took action by written consent. All of our directors attended more than 75% of the meetings of the board of directors and the committees of the board of directors held during fiscal year 2002.

Our board of directors has established three standing committees: an audit committee, a compensation committee, and a corporate governance committee. The audit committee reviews and monitors our corporate financial reporting and our external audits, including, among other things, our internal audit and control functions, the results and scope of the annual audit and other services provided by our independent auditors, and our compliance with legal requirements that have a significant impact on our financial reports. The audit committee also consults with our management and our independent auditors regarding the preparation of financial statements and, as appropriate, initiates inquiries into aspects of our financial affairs. In addition, the audit committee has the responsibility to consider and recommend the appointment of, and to review fee arrangements with, our independent auditors. The current members of the audit committee are Messrs. Van Horne (chairman), Goettman, and Breidenbach. The audit committee met five times during fiscal year 2002.

The compensation committee reviews and monitors our compensation and benefit plans to ensure that they meet corporate objectives including the administration of our stock option plan. In fulfilling this function, the compensation committee will review the recommendations of the chief executive officer regarding changes to the major compensation policies and practices and the compensation provided to our officers. The compensation committee then reports its recommendations to the whole board of directors for approval. Its current members include Messrs. Breidenbach, Goettman, Walker (chairman), and Monfort. The compensation committee met four times during the fiscal year 2002.

The corporate governance committee makes recommendations to the full board for approval of (1) the slate of director nominees to be proposed by the board to the stockholders (and any director nominees to be elected by the board to fill director vacancies); (2) the board committee structure, additional committees, size of each committee, responsibilities delegated to each committee, and committee member and committee chair appointments; (3) board meeting policies, including meeting schedule, location, agenda and presence and participation of non-director senior executives, and the written materials distributed in advance of the meetings; (4) director policies, including non-employee director compensation and indemnification issues; and (5) corporate governance principles, guidelines, or policies. The corporate governance committee has not established procedures for considering nominees recommended by stockholders. The current members of the corporate governance committee include Messrs. Braswell, Goettman (chairman), and Walker. The corporate governance committee did not meet in fiscal year 2002.

Director Compensation and Other Information

We pay each of our non-employee directors an annual fee of \$15,000, which is paid quarterly. Each non-employee director is entitled to receive, in lieu of the cash retainer fee, quarterly stock options having a Black-Scholes value as of the granted date equal to \$3,750 at an exercise price per share equal to the closing price on the grant date. Additionally, we pay members of our audit committee and our compensation committee a fee for each committee meeting they attend. Each audit committee member receives \$1,000 per meeting (\$500 in the case of telephonic meetings), and the Chairman receives an additional \$500 per meeting (\$250 in the case of telephonic meetings). Each compensation committee member receives \$500 per meeting (\$250 in the case of telephonic meetings), and the Chairman receives no additional payment. We will also pay \$10,000 to each member of any "special committee" created to represent the interest of the minority stockholders. We also reimburse our directors for all out-of-pocket expenses incurred in the performance of their duties as directors.

Edgar Filing: SUNTRON CORP - Form DEF 14A

All of our directors are eligible to receive grants of stock options under our stock option plan. Upon election to our board of directors, each non-employee director will receive an option to purchase 4,000 shares of our common stock at an exercise price per share equal to the closing price on the grant date. At the end of each fiscal quarter, each non-employee director will receive an option to purchase 250 shares of our common stock at an exercise price per share equal to the closing price on the grant date, provided the director has served as a non-employee director for at least two months. 1. 3. Potential realizable value assumes that the stock price increases from the date of the grant until the end of the option term (10 years) at the annual rate specified (0%, 5%, and 10%). The 0%, 5%, and 10% assumed annual rates of appreciation are mandated by SEC rules and do not represent our estimate or projection of the future price of our common stock. We do not believe this method accurately illustrates the potential value of a stock option.

Stock Option Exercises and Values for Fiscal 2002

The following table sets forth information with respect to Suntron's Chief Executive Officer and the executive officers named in the Summary Compensation Table concerning options exercised in 2002 and unexercised options held by them as of the end of such fiscal year:

Employment Agreements and Change of Control Arrangements

James K. Bass, our Chief Executive Officer and President, has entered into an employment agreement that provides for him to be employed as our Chief Executive Officer for a term ending on December 31, 2003, which term automatically extends for successive one-year periods until the agreement is terminated. Mr. Bass' agreement provides for a minimum annual base salary of \$300,000 and incentive-based bonus compensation in an amount determined by the compensation committee of our board of directors. We may terminate his employment agreement with or without cause. In the case of a termination without cause, however, we must continue to pay Mr. Bass' base salary and prorated bonus compensation for a period of one year from the date of termination.

R. Michael Gibbons, one of our Vice Presidents, has entered into an employment agreement that provides for an initial term that ended on March 9, 2002, but has been extended until the agreement is terminated by Mr. Gibbons or Suntron. Mr. Gibbons' agreement provides for a minimum annual base salary of \$220,000. From July 2001 through August 2002, Mr. Gibbons participated in a cost reduction program, along with several other executives of the Company, whereby salaries were reduced by 10%. Suntron may terminate his employment agreement with or without cause. In the case of a termination without cause, Suntron must continue to pay Mr. Gibbons' base salary and prorated bonus compensation for a period of one year from the date of termination. In the case of a termination with cause, however, Suntron must continue to pay Mr. Gibbons' base salary for a period of six months.

On June 28, 2002, the stockholders approved our 2002 Stock Option Plan.

REPORT OF THE COMPENSATION COMMITTEE

The following Report of the Compensation Committee, the Report of the Audit Committee, and Performance Graph included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference in any other filing of ours under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate either Report or the Performance Graph by reference therein.

Under rules established by the Securities and Exchange Commission, we are required to provide a report explaining the rationale and considerations that led to fundamental compensation decisions affecting our executive officers (including the executive officers named in the Summary Compensation Table above) during the past fiscal year. The report of our compensation committee is set forth below.

James K. Bass became our President and Chief Executive Officer in May 2001. In July 2000, Mr. Bass entered into an employment contract with EFTC, which we assumed as part of the business combination of EFTC and K*TEC. The agreement terminates in December 2003, but may be automatically extended for successive one-year periods until terminated. The employment agreement provides for a minimum base salary of \$300,000, which the committee believes to be consistent with industry parameters, and incentive-based bonus compensation determined by the compensation committee. The employment agreement also provides customary benefits. The compensation committee believes that the attributes of Mr. Bass's compensation package provide appropriate performance-based incentives.

The compensation committee's general philosophy with respect to the compensation of our other executive officers has been to recommend competitive compensation programs designed to attract and retain key executives critical to our long-term success and to recognize an individual's contribution and personal performance. In addition, we have a stock option plan designed to attract and retain executive officers and other employees and to reward them for delivering long-term value to us. In fiscal year 2002 the compensation committee did not award bonuses to the executive officers, but did approve option grants to certain executive officers.

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a federal income tax deduction to public companies for certain compensation in excess of \$1 million paid to a corporation's chief executive officer or any of its four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the deduction limit if certain requirements are met. Our equity-based compensation plan does not satisfy these requirements as the members of our compensation committee do not satisfy the definition of an "outside director" under Section 162(m). Accordingly, the compensation income deemed to be received upon the exercise of stock options granted under the plan does not qualify as performance-based compensation and may be subject to the deduction limit. The compensation committee intends to review the potential effects of Section 162(m) periodically and in the future may decide to structure additional portions of our compensation programs in a manner designed to permit unlimited deductibility for federal income tax purposes. We are not currently subject to the limitations of Section 162(m) because none of our executive officers received compensation during 2002 in excess of \$1 million.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended December 31, 2002, our compensation committee consisted of Messrs. Breidenbach, Goettman, Walker, and Monfort. None of these individuals had any contractual or other relationships with us during such fiscal year except as directors and those transactions discussed elsewhere in this Proxy Statement. See "Certain Relationships and Related Transactions." No interlocking relationship exists between any member of our compensation committee and any member of any other company's board of directors or compensation committee.

REPORT OF THE AUDIT COMMITTEE

The board of directors has appointed an audit committee consisting of three directors. All members of the audit committee are able to read and understand fundamental financial statements, including our balance sheet, income statement, and cash flow statement. At least one member of the audit committee has past employment experience in financial or accounting, requisite professional certification in accounting, or other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibility. Our board of directors has determined that Messrs. Van Horne and Briedenbach are "independent," as defined by Rule 4200(a)(14) of the NASD's listing standards. The NASD's listing standards permit one member to be appointed to the audit committee who is not independent. Mr. Goettman is not independent under the NASD's listing standards. Mr. Goettman is the managing partner of Thayer Capital, a private investment company. Thayer Capital, and its affiliates, beneficially own up to 24,582,191 of our common shares, or 89.7% of our outstanding shares. For more information, see "Security Ownership of Principal Stockholders, Directors and Officers" above beginning on page 6. Mr. Goettman is also a director of Thayer-Blum Funding III, LLC. We have entered into a management agreement with Thayer-Blum affiliates. For more information, please see "Certain Relationships and Related Transactions" below beginning on page 15.

Our board of directors considered Mr. Goettman's professional, financial, and industry experience and has determined that it is in the best interests of the corporation and its stockholders that Mr. Goettman, the chairman of our board, serve as a member of the audit committee under Rule 4350(d)(2)(b) of the NASD's listing standards, an exception to the requirements that the board be comprised solely of independent directors, for a term of 12 months.

The primary responsibility of the audit committee is to assist our board of directors in fulfilling its responsibility to oversee management's conduct of our financial reporting process, including overseeing the financial reports and other financial information provided by us to governmental or regulatory bodies (such as the Securities and Exchange Commission), the public, and other users thereof; our systems of internal accounting and financial controls; and the annual independent audit of our financial statements.

Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for auditing the financial statements and expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America.

In fulfilling its oversight responsibilities, the audit committee reviewed the audited financial statements with management and the independent auditors. The audit committee discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61. This included a discussion of the auditors' judgments as to the quality and the acceptability of the company's accounting principles and such other matters as are required to be discussed with the audit committee under generally accepted auditing standards. In addition, the audit committee received from the independent auditors written disclosures and the letter required by Independence Standards Board Standard No. 1. The audit committee also discussed with the independent auditors the auditors' independence from us and our management, including the matters covered by the written disclosures and letter provided by the independent auditors.

The audit committee discussed with the company's independent auditors the overall scope and plans for their audits. The audit committee met with the independent auditors, with and without management present, to discuss the results of their quarterly reviews and annual audits, their evaluations of the company, the internal controls, and the overall quality of the financial reporting. The audit committee met five times during the fiscal year ended December 31, 2002.

Based on the reviews and discussions referred to above, the audit committee recommended to the board of directors, and the board or directors approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

The board of directors has adopted a written charter for the audit committee. We have reviewed the adequacy of the written charter and certify that it is in compliance with Rule 4350(d)(1) of the NASD's listing standards.

PERFORMANCE GRAPH

Our common stock has been listed on the Nasdaq National Market since March 1, 2002. Accordingly, the following graph compares, for the period from March 1, 2002 to December 31, 2002, the cumulative total stockholder return on our common stock against the cumulative total return of:

- ◆ the Nasdaq Composite Index; and
- ◆ a peer group consisting of us and six other publicly traded electronic manufacturing services companies that we have selected.

The graph assumes \$100 was invested in our common stock on March 1, 2002, the date on which our common stock became listed on the Nasdaq National Market and an investment in each of the peer group and the Nasdaq Composite Index, and the reinvestment of all dividends. The companies included in the peer group were Benchmark Electronics, Inc. (NYSE: BHE), IEC Electronics Corp. (Nasdaq NM: IECE), Jabil Circuit, Inc. (NYSE: JBL), Plexus Corp. (Nasdaq NM: PLXS), Sanmina Corporation (Nasdaq NM: SANM), and Solectron Corporation (NYSE: SLR).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Sale

/Leaseback Transaction

Richard L. Monfort, currently a member of our board of directors, entered into a sale/leaseback transaction with EFTC Corporation in December 1998 whereby EFTC sold manufacturing facilities located in Newberg, Oregon and Tucson, Arizona to Mr. Monfort for \$10.5 million. Mr. Monfort leased these manufacturing facilities back to us for a term of five years with aggregate monthly payments of \$90,000.

Combination

with K*TEC

On October 10, 2000, K*TEC Operating Company, L.L.C. (formerly known as Thayer-Blum Funding II, L.L.C.) acquired all of the issued and outstanding capital stock of K*TEC Electronics Holding Corporation. Pursuant to the combination of EFTC and K*TEC on February 28, 2002, each of K*TEC and EFTC merged with a separate, wholly owned subsidiary of Suntron. K*TEC and EFTC continued as the surviving operating companies and are wholly owned subsidiaries of Suntron.

Thayer

-Blum Management Fees

During the first two months of 2002, EFTC and K*TEC paid Thayer-Blum affiliates management fees of \$42,000 and \$167,000, respectively. These management fee arrangements were terminated on February 28, 2002 and a new agreement between Suntron and Thayer-Blum affiliates was put in place. Under this new agreement, Thayer-Blum is entitled to annual fees of \$750,000. During 2002, we incurred management fees of \$625,000 pursuant to this new

agreement, resulting in total fees paid to Thayer-Blum affiliates in 2002 of approximately \$834,000.

In addition, in 2001 we accrued advisory fees payable to Thayer-Blum affiliates of \$750,000 in connection with the combination of EFTC and K*TEC. This fee was paid to Thayer-Blum in 2002.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

KPMG LLP served as our independent public accountants for the year ended December 31, 2002 and will serve in that capacity for the 2003 fiscal year unless the audit committee of our board of directors deems it advisable to make a substitution. We anticipate that representatives of KPMG LLP will attend the annual meeting, will have the opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

Audit Fees

The following is a summary of fees billed by KPMG LLP for audit and other professional services during the year ended December 31, 2002:

Audit fees	\$300,000
Audit-related fees	\$ 19,050
Tax fees	\$217,551
