IEH Corporation (the "Registrant") files this report for a 5-day extension for filing its Quarterly Report on Form 10-Q for the period ended September 23, 2016 ("Form 10-Q"). The Registrant will not be in position to file its Form 10-Q by the prescribed filing date without unreasonable effort or expense due to the delay experienced by the Registrant in completing its financial statements for the period ended September 23, 2016. This has resulted in a delay by the Registrant in obtaining the review of such financial statements by its independent registered public accounting firm. Therefore, Registrant's management is unable to finalize the financial statements and prepare its discussion and analysis in sufficient time to file the Form 10-Q by the prescribed filing date. The Registrant anticipates that it will file its Form 10-Q no later than fifth calendar day following the prescribed filing date.

Net sales for the quarter ended September 23, 2016 is anticipated to increase as compared with the quarter ended September 25, 2015 in which we reported net sales of \$5,094,267. However, we anticipate that net sales for the three-month period ended September 23, 2016 will be in the range of \$5,200,000 to \$5,300,000. The increase in revenues for the current three-month period can be attributable to an increase in commercial orders during the quarter.

Net sales for the six months ended September 23, 2016 is anticipated to decrease as compared with the six-month period ended September 25, 2015 in which we reported net sales of \$10,269,162. However, we anticipate that net sales for the six-month period ended September 23, 2016 will be in the range of \$9,700,000 to \$9,800,000. The decrease in revenues for the current six-month period can be attributable to lower sales in the current first quarter as compared to the first quarter of the prior year.
