Rosh Ha ayin, Israel, February 1st, 2007 Partner Communications Company Ltd. (Partner) (NASDAQ and TASE: PTNR; LSE: PCCD), a leading Israeli mobile communications operator, announced that a claim of NIS 10.61 billion, together with a request for a certification as a class action, were filed against the Company and against Bezeq -The Israeli Telecommunication Co. The claim and the request for a certification as a class action were filed with the Jerusalem District Court, by three plaintiffs who claim to be customers of some of the defendants.

The claim is that the defendants have not implemented number portability and are in violation of the Communication Law, mandating the implementation of telephone number portability on September 1st, 2006. It is claimed that the defendants are thus harming the claimants and consumers of telephone services in general.

The claimants are demanding NIS 1,000 for each customer and relate to Partner 2,626,000 customers. The claimants reserve their right to increase the amount of the lawsuit as long as the claimed violation continues.
