PARTNER COMMUNICATIONS ANNOUNCES UPGRADE OF ITS BONDS RATING TO AA- WITH A POSITIVE OUTLOOK AWARDED BY MAALOT

ROSH HA AYIN, Israel, September 25, 2007 Partner Communications Company Ltd. (Partner) (NASDAQ and TASE: PTNR; LSE: PCCD), a leading Israeli mobile communications operator, announces that Maalot, The Israel Securities Rating Company Ltd., strategic partner of Standard & Poor s, announced the upgrade of Partner s series A bonds rating outlook to AA-/Positive.

In its report, Maalot stated that: Partner s positive rating outlook is based on the high and stable business positioning of the Company and on the Maalot assessment that the Company will continue to present high cash flows in the future as well. Maintaining financial ratios after number portability implementation, which are not significantly different from those presented in the financial reports today, might positively impact the bond rating. The rating outlook might be adversely affected to the extent that the impact of number portability is higher than expected by Maalot or as a result of other legal or regulatory changes.

About Partner Communications
