Enclosure: Partner Communications Announces Submission of Application to Approve Agreed Settlement with
Respect to Series "A" Notes

PARTNER COMMUNICATIONS ANNOUNCES SUBMISSION OF
APPLICATION TO APPROVE AGREED SETTLEMENT WITH
RESPECT TO SERIES "A" NOTES

ROSH HA'AYIN, Israel, February 8, 2010 - Partner Communications Company Ltd. ("Partner" or "the Company") (NASDAQ and TASE: PTNR), a leading Israeli mobile communications operator, announces that following the application submitted on December 31, 2009 to approve a dividend distribution of a total amount of NIS 1.4 billion exceeding the surpluses for distribution (Hereinafter: the "Distribution Application"), and following various applications and objections submitted to the Court on behalf of a few series "A" notes holders of the Company, a notice regarding the removal of the objections and the various applications and regarding an agreed settlement (Hereinafter: the "Settlement") was submitted on February 7, 2010 to the Court. According to the Settlement, the opponents withdraw their objections to the Distribution Application and to its approval by the Court, provided that in the event of a reduction in the current credit rating of the Series "A" notes by the credit rating company " S&P Maalot ", there will be an increase to the annual linked interest rate that the Series "A" notes will bear in the year 2010, in the amount of 1% for each reduction of one rating category, effective from the date of publication of the credit downgrading, and as long as the credit downgrading is valid. The said increase in the interest rate will be abolished in case of a credit upgrade or by the end of the year 2010, upon the earliest, provided that the period during which the increase interest rate applies, shall be at least three months.

The validity of the Settlement is subject to and contingent upon the approval of the Distribution Application by the Court.
