This Amendment No. 1 to Prospectus Supplement (the "**Amendment**") amends the Prospectus Supplement dated March 10, 2017 and should be read in conjunction with such Prospectus Supplement and the prospectus dated March 10, 2017, each of which are to be delivered with this Amendment. This Amendment amends only those sections of the Prospectus Supplement listed in this Amendment; all other sections of the Prospectus Supplement remain as is.

We are only filing this Amendment because we agreed with the holders of 2,850,000 of our common share purchase warrants (the "**2015 Warrants**") to extend the exercise period of the 2015 Warrants an additional ninety-one (91) days to September 24, 2018. This Amendment extends the expiry date of the 2015 Warrants to allow an additional ninety-one (91) days for the exercise of the 2015 Warrants.

Our shares of common stock are traded on the NYSE American LLC (which we refer to as the "**NYSE American**") under the symbol "UEC." On June 21, 2018, the closing price of our shares of common stock on the NYSE American was \$1.67 per share of common stock. ABOUT THIS AMENDMENT NO. 1 TO PROSPECTUS SUPPLEMENT

On June 24, 2015, we filed a prospectus supplement (which we refer to as the "**2015 Unit Supplement**") with the United States Securities and Exchange Commission (which we refer to herein as the "**SEC**") and an MJDS prospectus supplement with the securities commission or similar regulatory authority in each of the provinces of Canada, except Quebec, relating to the offering (which we refer to herein as the "**2015 Unit Offering**") by us to the public in Canada and the United States of 5,000,000 units (which we refer to as the "**2015 Units**") each consisting of one share of the Company's common stock (which we refer to as a "**2015 Unit Share**") and one-half of one 2015 Warrant, each whole 2015 Warrant exercisable to purchase one 2015 Warrant Share at a price of \$2.35 per 2015 Warrant Share for a period of three years from the date of issuance. The 2015 Units were sold at a negotiated price of \$2.00 per 2015 Unit. The 2015 Unit Shares and 2015 Warrants were issued separately but could only be purchased together in the 2015 Unit Offering. In connection with the 2015 Unit Offering, the Company also issued 350,000 common share purchase warrants to the placement agents and financial advisors (the "**2015 Agent Warrants**", which together with the 2015 Warrants forming part of the 2015 Units are collectively, the 2015 Warrants), which have the same terms as the 2015 Warrants. The 2015 Unit Offering was completed on June 25, 2015. The exercise price of the 2015 Warrants was determined by negotiation between us and the placement agents for the 2015 Unit Offering.

Since our shelf registration statement on Form S-3, which was declared effective on January 10, 2014 (the "**2014 Shelf**") (Registration File No. 333-193104) was expiring, we filed a new shelf registration statement on Form S-3 on January 5, 2017, which was declared effective on March 10, 2017 (the "**2017 Shelf**") (Registration File No. 333-215444). On March 10, 2017 we filed a prospectus supplement in accordance with Rule 424(b)(2) of the Securities Act of 1933, as amended, whereby we offered for sale to the public certain shares of our common stock underlying warrants that were offered pursuant to registered offerings in 2015, 2016 and 2017, which included the 2015 Warrant Shares.

The sole purpose of this Amendment No. 1 to the March 10, 2017 Prospectus Supplement is to disclose the extension of the exercise period of the 2015 Warrants by ninety-one (91) days.

The prospectus supplement relates to a registration statement that we filed with the SEC utilizing a shelf registration process. Under this shelf registration process, we may, from time to time, offer, sell and issue any of the securities or any combination of the securities described in the related base prospectus in one or more offerings. The related base prospectus provides you with a general description of the securities we may offer.

In this prospectus supplement we provide you with specific information about the securities we sold in the 2015 Unit Offering, and about the amendment to the exercise period of the 2015 Warrants issued in the 2015 Unit Offering. This

Amendment No. 1 to prospectus supplement and any free writing prospectus filed by us (unless otherwise specifically stated therein) may add, update or change information contained in the prospectus supplement and the related base prospectus and the documents incorporated by reference herein and therein. You should read this prospectus supplement, the related base prospectus and any free writing prospectus filed by us together with the information described under the sections entitled "Incorporation of Certain Information by Reference" in this prospectus supplement and any additional information you may need to make your investment decision. We have also filed this Amendment No. 1 to prospectus supplement with the securities regulatory authorities in each of the provinces of Canada, except Quebec, pursuant to the multi-jurisdictional disclosure system (which the Canadian-filed prospectus supplement and the related prospectus we refer to as the "Canadian Prospectus").

Prospective investors should be aware that the acquisition of the Warrant Shares described herein may have tax consequences both in the United States and Canada, as applicable. Such consequences for investors who are resident in, or citizens of, the United States or Canada may not be described fully in the prospectus supplement, the related base prospectus or the Canadian Prospectus. See "Material U.S. Federal Income Tax Consequences" in the related base prospectus.

Unless otherwise stated, currency amounts in this Amendment No. 1 to prospectus supplement are stated in United States dollars. The financial statements incorporated by reference in this Amendment No. 1 to prospectus supplement, the prospectus supplement and the related base prospectus, and the selected consolidated financial data derived therefrom included in the prospectus supplement, are presented in United States dollars. The financial statements incorporated by reference in this Amendment No. 1 to prospectus supplement, the prospectus supplement and the related base prospectus, and the selected consolidated financial data derived therefrom included in the prospectus supplement, have been prepared in accordance with United States Generally Accepted Accounting Principles.

DESCRIPTION OF SECURITIES

Warrant Shares

The Warrant Shares, which include the 2015 Warrant Shares, 2016 Warrant Shares and 2017 Warrant Shares, will have all of the characteristics, rights and restrictions of our shares of common stock. We are authorized to issue 750,000,000 shares of common stock, of which 160,397,532 shares are issued and outstanding. Our shares of common stock are entitled to one vote per share on all matters submitted to a vote of the stockholders, including the election of directors. Except as otherwise required by law, the holders of our shares of common stock will possess all voting power. Generally, all matters to be voted on by stockholders must be approved by a majority (or, in the case of election of directors, by a plurality) of the votes entitled to be cast by holders of our common stock that are present in person or represented by proxy. Holders of our shares of common stock representing 33 1/3% of our capital stock issued, outstanding and entitled to vote, represented in person or by proxy, are necessary to constitute a quorum at any meeting of our stockholders. A vote by the holders of a majority of our outstanding shares of common stock is required to effectuate certain fundamental corporate changes such as liquidation, merger or an amendment to our Articles of Incorporation. Our Articles of Incorporation do not provide for cumulative voting in the election of directors.

The holders of our shares of common stock will be entitled to such cash dividends as may be declared from time to time by our board of directors from funds available therefor.

Upon liquidation, dissolution or winding up, the holders of our shares of common stock will be entitled to receive pro rata all assets available for distribution to such holders.

In the event of any merger or consolidation with or into another company in connection with which our shares of common stock are converted into or exchangeable for shares of stock, other securities or property (including cash), all holders of our shares of common stock will be entitled to receive the same kind and amount of shares of stock and other securities and property (including cash).

Holders of our shares of common stock have no pre-emptive rights or conversion rights and there are no redemption provisions applicable to our shares of common stock.

Warrants

The material terms and provisions of the 2015 Warrants, 2016 Warrants, and 2017 Warrants are summarized below. This summary is subject to and qualified in its entirety by the forms of warrant, which were filed as exhibits to Current Reports on Form 8-K on June 25, 2015 in connection with the 2015 Unit Offering, March 10, 2016 in connection with the 2016 Unit Offering and January 17, 2017 in connection with the 2017 Unit Offering, which are incorporated by reference herein.

General Terms of the Warrants

The 2015 Warrants represent the right to purchase up to 2,850,000 Warrant Shares at an initial exercise price of \$2.35 per Warrant Share until September 24, 2018. The 2016 Warrants represent the right to purchase up to 6,594,348 Warrant Shares at an initial exercise price of \$1.20 per Warrant Shares for a period of three years from the date of issuance. The 2017 Warrants represent the right to purchase up to 9,571,934 Warrant Shares at an initial exercise price of \$2.00 per Warrant Share for a period

starting six (6) months from the date of issuance until three years from the date of issuance. For purposes of the discussion below in this section "Description of Securities", the term "Warrants" should be read to include the 2015 Warrants, 2016 Warrants and 2017 Warrants.

Exercise

Holders of the Warrants may exercise their Warrants to purchase Warrant Shares by delivering (i) notice of exercise, appropriately completed and duly signed, and (ii) if such holder is not utilizing the cashless exercise provisions with respect to the Warrants, payment of the exercise price for the number of Warrant Shares with respect to which the Warrant is being exercised. Warrants may be exercised in whole or in part, but only for full shares of common stock.

The Warrant holders are entitled to a "cashless exercise" option if, at any time of exercise, there is no effective registration statement registering, or no current prospectus available for, the issuance or resale of the Warrant Shares. This option entitles the Warrant holders to elect to receive fewer shares of common stock without paying the cash exercise price. The number of shares to be issued would be determined by a formula based on the total number of shares with respect to which the Warrant is being exercised, the volume weighted average of the prices per share of our common stock on the trading date immediately prior to the date of exercise, and the applicable exercise price of the Warrant.

The Warrant Shares will be, when issued and paid for in accordance with the Warrants, duly and validly authorized, issued and fully paid and non-assessable. We have authorized and reserved at least that number of Warrant Shares equal to the number of Warrant Shares issuable upon exercise of all outstanding Warrants.

Delivery of Warrant Shares

Upon the holder's exercise of a Warrant, we will promptly, but in no event later than the third trading day after the exercise date, issue and deliver, or cause to be issued and delivered, the Warrant Shares. We will, if the holder provides the necessary information to us, issue and deliver the shares electronically by crediting the account of the Warrant holder's prime broker with the Depository Trust Company through its Deposit or Withdrawal at Custodian system (commonly referred to as "DWAC").

Rescission and Buy-In Rights

We provide certain rescission rights and buy-in compensation to a holder if we fail to deliver the Warrant Shares by the third trading day after the date on which we receive notice of exercise of such Warrants.

A-6

With respect to the rescission rights, the holder has the right to rescind the exercise if the Warrant Shares are not timely delivered.

The buy-in compensation rights apply if, due to our failure to make timely delivery of the Warrant Shares, the Warrant holder purchases (in an open market transaction or otherwise) shares of our common stock to deliver in satisfaction of a sale by the holder of the Warrant shares that the holder anticipated receiving from us upon exercise of the Warrant. In this event, we will:

- pay in cash to the holder the amount equal to the excess (if any) of the buy-in price over the product of (A) such number of Warrant Shares that we were required to deliver to the holder, times (B) the price at which the sell order giving rise to holder's purchase obligation was executed; and
- at the election of holder, either (A) reinstate the portion of the Warrant as to such number of shares of common stock, or (B) deliver to the holder such number of shares of common stock.

Fundamental Transactions

If, at any time while the Warrants are outstanding, we (1) consolidate or merge with or into another corporation, (2) sell, lease, license, assign, transfer or otherwise dispose of all or substantially all of our assets, (3) are subject to or complete a tender or exchange offer pursuant to which holders of our common stock are permitted to tender or exchange their shares for other securities, cash or property, and which has been accepted by the holders of 50% or more of our outstanding common stock, (4) effect any reclassification of our common stock or any compulsory share exchange pursuant to which our common stock is converted into or exchanged for other securities, cash or property, or (5) engage in one or more transactions with another party that results in that party acquiring more than 50% of our outstanding shares of common stock (each, a "**Fundamental Transaction**"), then the Warrant holder shall have the right thereafter to receive, upon exercise of the Warrant, the same amount and kind of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of the number of Warrant Shares then issuable upon exercise of the Warrant, and any additional consideration payable as part of the Fundamental Transaction. We must cause any successor to us, or any surviving entity, to assume the obligations under the Warrants.

Certain Adjustments

The exercise price and the number of shares of common stock purchasable upon the exercise of the Warrants are subject to adjustment upon the occurrence of specific events, including stock dividends, stock splits, combinations and reclassifications of our common stock.

Notice of Corporate Action

We will provide notice to holders of the Warrants to provide them with the opportunity to exercise their Warrants and hold common stock in order to participate in or vote on the following corporate events:

- if we shall take a record of the holders of our common stock for the purpose of entitling them to receive (1) a dividend or other distribution, (2) a special nonrecurring cash dividend on or a redemption of our common stock, or (3) any right to subscribe for or purchase any shares of stock of any class or any other right;
- if we shall take a record of the holders of our common stock for the purpose of entitling them to vote on (1) any reclassification of our capital stock, or (2) any consolidation or merger with, or any sale or transfer of all or substantially all of our assets to, another party; or
- a voluntary or involuntary dissolution, liquidation or winding up of our Company.

Limitations on Exercise

The number of Warrant Shares that may be acquired by any holder upon any exercise of the Warrant shall be limited to the extent necessary to insure that, following such exercise (or other issuance), the total number of shares of common stock then beneficially owned by such holder and its affiliates and any other persons whose beneficial ownership of common stock would be aggregated with the holder's for purposes of Section 13(d) of the Exchange Act, does not exceed 4.99% of the total number of issued and outstanding shares of common stock (including for such purpose the shares of common stock issuable upon such exercise), or beneficial ownership limitation. The holder may elect to change this beneficial ownership limitation from 4.99% to 9.99% of the total number of issued and outstanding shares of common stock (including for such purpose the shares of common stock issuable upon such exercise) upon 61 days' prior written notice.

A-7

Additional Provisions

We are not required to issue fractional shares upon the exercise of the Warrants. No holders of the Warrants will possess any rights as a stockholder under those Warrants until the holder exercises those Warrants, except as set forth in the Warrants. The Warrants may be transferred independent of the common stock they were issued with, on a form of assignment, subject to all applicable laws.

PLAN OF DISTRIBUTION

This prospectus supplement and the related base prospectus relate to: (i) up to 2,850,000 Warrant Shares issuable from time to time on exercise of the 2015 Warrants issued by the Company on June 25, 2015 as part of the 2015 Unit Offering; (ii) up to 6,594,348 Warrant Shares issuable from time to time on exercise of the 2016 Warrants issued by the Company on March 10, 2016 as part of the 2016 Unit Offering; and (iii) up to 9,571,934 Warrant Shares issuable from time to time on exercise of the 2017 Warrants issued by the Company on January 20, 2017 as part of the 2017 Unit Offering. Each whole 2015 Warrant entitles the holder to purchase one Warrant Share, subject to adjustment, until September 24, 2018 at a price of \$2.35. Each whole 2016 Warrant entitles the holder to purchase one Warrant Share, subject to adjustment, for a period of three years from the date of issuance at a price of \$1.20. Each whole 2017 Warrant entitles the holder to purchase one Warrant Share, subject to adjustment, for a period starting six (6) months from the date of issuance until three years from the date of issuance at a price of \$2.00.
