BUNZL ACQUIRES RETAIL RESOURCES IN THE US

Bunzl plc, the international distribution and outsourcing Group, today announces that it has acquired the business of Retail Resources LP from a privately owned company controlled by Harry Katz and Mikel Eisenberg.

Retail Resources provides non-food retail stores across the US with distribution services including store supplies such as checkout and merchandise bags, jan/san items, labels, boxes and other paper products as well as specialised expense control systems. Based in New York City, the business operates from facilities in Philadelphia, Chicago, Los Angeles and Atlanta. Revenues in the year ended 31 December 2004 were \$29.5 million and gross assets acquired are estimated to be \$6 million.

Commenting on the acquisition, Anthony Habgood, Chairman of Bunzl, said:

"The acquisition of Retail Resources fits well with our strategy of continuing to grow our business in the US in certain specialist areas such as non-food retail. It will broaden our platform for servicing this interesting and growing sector of our business."
