Calculation of Filing Fee

Transaction valuation*

Amount of filing fee

Edgar Filing: MICROSOFT CORP - Form SC TO-I

\$1,209,758,657

\$97,869

* Calculated solely for purposes of determining the filing fee. This amount assumes that options to purchase 623,577,566 shares of common stock of Microsoft Corporation having an aggregate value of \$1,209,758,657 as of October 14, 2003, will be tendered by eligible Microsoft employees into the Stock Option Transfer Program. The aggregate value of such options was calculated using \$28.625, which was the average of the high and low per share price of Microsoft's common stock as reported on the Nasdaq National Market on October 14, 2003, and based on the pricing structure determined by Microsoft for any of a range of anticipated average prices of Microsoft common stock over an averaging period, such pricing structure for any given average price of Microsoft common stock generating a specific price for each option with the same exercise price per share and the same expiration date (as amended in accordance with the Stock Option Transfer Program). The amount of the filing fee, calculated in accordance with Rule 0-11(b) of the Securities Exchange Act of 1934, as amended, equals \$80.90 per million dollars of the value of the transaction.

.. Check box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.
