Item 4. Purpose of Transaction.

Item 4 is hereby supplemented by the following:

On October 17, 2003, the Company entered into a Purchase and Subscription Agreement (the "Agreement"), with Moneyline Networks, certain other investors in the Company (collectively, the "Investor Group") and Moneyline. Pursuant to this Agreement, (i) the Investor Group invested cash in the Company in exchange for receipt of (a) an aggregate of 4,875,000 newly issued shares of Common Stock (the "New Shares") and (b) notes of the Company (the "Convertible Notes") which are convertible into newly issued shares of Common Stock and are secured by certain assets of the Company and (ii) Moneyline Networks sold an aggregate of 20,642,493 shares (the "Shares") of Common Stock to the Investor Group (collectively, the "Investment Transactions"). The Convertible Notes are convertible into fully paid and nonassessable shares of Common Stock at any time upon the investor's election and upon the Company's election following the occurrence of certain events. In addition, as part of the Investment Transactions, Moneyline Networks cancelled all of the outstanding warrants it owned relating to the Common Stock in exchange for consideration of \$1.00 paid by the Company to Moneyline Networks. The purpose of the

Investment Transactions is to inject additional cash into the Company for working capital and general corporate purposes. Consequently, as of October 17, 2003, Moneyline Networks beneficially owns 12,547,331 shares of Common Stock, representing 19.9% of the now outstanding Common Stock.

In connection with the Investment Transactions, Moneyline Networks and the Company have entered into a distribution agreement (the Distribution Agreement) substantially in the form attached to the Agreement as an exhibit. Pursuant to the Distribution Agreement, Moneyline Networks has agreed to deploy its sales and marketing organization to sell, market and distribute products and services developed by the Company to customers in markets serviced by Moneyline Networks. The Company has agreed that Moneyline Networks shall be its authorized non-exclusive distributor of Company products and services to customers worldwide in the financial services industry and Moneyline Networks shall have preferred distribution rights. The Distribution Agreement has a term of ten years and shall automatically renew for additional two year terms, unless earlier terminated by Moneyline Networks after January 1, 2005 or terminated at the end of any term by either party.

In addition, pursuant to the Agreement, upon the consummation of the Investment Transactions, that certain Secured Credit Agreement (the Secured Credit Agreement), dated as of August 12, 2003, by and between Moneyline and the Company, and the related Security Agreement, dated as of August 12, 2003, by and between Moneyline and the Company, were terminated. No loans were outstanding under the Secured Credit Agreement.

Similarly, that certain Stockholders Agreement (the Stockholders Agreement, as more fully described in the Statement), dated as of May 16, 2002, by and among Moneyline Networks, the Company and the management stockholders party thereto, also terminated upon consummation of the Investment Transactions. In light of Moneyline Networks' sale of the Shares and the termination of the Stockholders Agreement, simultaneously with the Investment Transactions all of the Moneyline Nominees, Mr. Charles F. Auster, Mr. Bernard Battista, Mr. Alexander Russo and Mr. David A. Walsh, resigned from the Board and any committees of the Board upon which they served.

The description of the Agreement contained herein is qualified in its entirety by reference to the Purchase and Subscription Agreement attached hereto as Exhibit C, which Agreement is hereby incorporated by reference.

Item 5. Interest in Securities of the Issuer.

Item 5 is hereby amended by the following:

(a) Pursuant to the Agreement, as described above, Moneyline Networks beneficially owns an aggregate of 12,547,331 shares of Common Stock, or approximately 19.9% of the Company's now outstanding Common Stock (based on 58,176,919 shares reported by the Company to be outstanding as of August 14, 2003, in the Company's Quarterly Report on Form 10-Q for the Period Ended June 30, 2003 and the new issuance pursuant to the Investment Transactions of 4,875,000 shares of Common Stock).
