Item 2.01. Completion of Acquisition or Disposition of Assets.

On April 11, 2005, Williams Industrial Services Group, L.L.C., a wholly owned subsidiary of Global Power Equipment Group Inc. (GEG), completed the acquisition of all of the outstanding limited liability company interests of Williams Specialty Services, LLC (Specialty Services), Williams Plant Services, LLC (Plant Services) and Williams Industrial Services, LLC (Industrial Services), all Georgia limited liability companies, pursuant to that certain Purchase Agreement dated November 23, 2004, between GEG and Williams Group International LLC, a Georgia limited liability company (Seller), as amended (the WISG Purchase Agreement). Specialty Services, Plant Services and Industrial Services are collectively referred to as WISG. WISG is a private company that provides routine and specialty maintenance services to firms engaged in power generation and pulp and paper manufacturing and to government agencies, primarily the Department of Energy.

The purchase price consisted of an Equity Purchase Price, which was paid at closing and a Deferred Purchase Price. The Equity Purchase Price was \$65.0 million, subject to certain customary adjustments. Of the total Equity Purchase Price, approximately \$61.0 million (including estimated adjustments) was paid in cash to Seller at closing, \$6.5 million was deposited by GEG with an escrow agent as an Indemnity Escrow Amount to be held and released pursuant to the terms and provisions of the WISG Purchase Agreement and an escrow agreement entered into at closing, and an additional \$0.5 million was placed into escrow and will be released upon a final determination of the Equity Purchase Price. Payment of the Deferred Purchase Price is contingent on the attainment by WISG of certain gross profit targets for 2005. The Deferred Purchase Price payable to Seller will range from zero to \$0.9 million and will be payable by GEG in cash in 2006.

Other than in respect of this transaction, there are no material relationships between Seller and GEG or any of GEG's affiliates or any of GEG's directors or officers and any of their associates. The purchase price was determined through arms-length negotiation between the Seller and GEG.

Item 9.01. Financial Statements and Exhibits.

It is impracticable to provide any of the required financial statements for WISG and pro forma financial information relative to WISG at the time of this filing. The required financial statements and pro forma information will be filed as soon as practicable.
