**Item 8.01 Other Events**

On May 26, 2005, Embarcadero Technologies, Inc. (Embarcadero) entered into a Settlement Agreement and Mutual Release with The Client Server Factory and related parties (TCSF). The Settlement Agreement relates to the lawsuit filed by TCSF against Embarcadero and other parties. The agreement also settles Embarcadero's cross-complaint against TCSF. The suit related to alleged activities associated with Engineering Performance, Inc., an entity Embarcadero acquired in November 2000. None of the parties made any admission regarding fault or liability, and the settlement agreement resolves all outstanding matters among the parties. Embarcadero expects that its share of this settlement will result in a charge of approximately \$600,000 which is expected to occur in the current quarter.

A copy of the press release announcing this Settlement Agreement and Mutual Release is attached hereto as Exhibit 99.1 and is hereby incorporated by reference.
