**Proxy Statement and
Notice of Annual Meeting of Stockholders
To Be Held September 12, 2007**

Dear Stockholder:

On Wednesday, September 12, 2007, we will hold our 2007 annual meeting of stockholders at the Atlanta Athletic Club, 1930 Bobby Jones Drive, Duluth, Georgia 30097. The meeting will begin at 1:30 p.m. Eastern daylight time.

We are holding this meeting to:

1. Elect seven directors to hold office for one-year terms expiring in 2008; and
 2. Attend to other business properly presented at the meeting.
- Your board of directors has selected June 15, 2007 as the record date for determining stockholders entitled to vote at the meeting.

This proxy statement, proxy card, and our 2006 annual report to stockholders are being mailed to you on or about June 29, 2007.

Whether you plan to attend the meeting and vote in person or not, we urge you to have your vote recorded as early as possible. Stockholders have the following three options for submitting their votes by proxy: (1) over the Internet; (2) by telephone; or (3) by mail, using the enclosed proxy card. Because we are a widely held REIT with more than 105,000 stockholders, your vote is very important! Your immediate response will help avoid potential delays and may save us significant additional expenses associated with soliciting stockholder votes.

By Order of the Board of Directors

Leo F. Wells, III
Chairman

Atlanta, Georgia
June 19, 2007

QUESTIONS AND ANSWERS

We are providing you with this proxy statement, which contains information about the items to be voted on at our annual stockholders meeting. To make this information easier to understand, we have presented some of the information in a question-and-answer format.

Q: Why did you send me this proxy statement?

A: We sent you this proxy statement and the enclosed proxy card because our board of directors is soliciting your proxy to vote your shares at the 2007 annual stockholders meeting. This proxy statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission (SEC) and is designed to assist you in voting.

Q: What is a proxy?

A: A proxy is a person who votes the shares of stock of another person who could not attend a meeting. The term "proxy" also refers to the proxy card. When you return the enclosed proxy card, you are giving your permission to vote your shares of common stock at the annual meeting. The people who will vote your shares of common stock at the annual meeting are Leo F. Wells, III, Douglas P. Williams, or Randall D.

Fretz, each of whom are our officers. They will vote your shares of common stock as you instruct, unless you return the proxy card and give no instructions. In this case, they will vote FOR all of the director nominees. With respect to any other proposals to be voted on, they will vote in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in their discretion. They will not vote your shares of common stock if you do not return the enclosed proxy card. This is why it is important for you to return the proxy card to us (or vote by proxy via Internet or by telephone) as soon as possible whether or not you plan on attending the meeting in person.

Q: When is the annual meeting and where will it be held?

A: The annual meeting will be held on Wednesday, September 12, 2007, at 1:30 p.m. at the Atlanta Athletic Club, 1930 Bobby Jones Drive, Duluth, Georgia 30097.

Q: How many shares of common stock can vote?

A: As of June 15, 2007, there were 325,717,344 shares of our common stock issued and outstanding. Every stockholder is entitled to one vote for each whole share of common stock held.

Q: What is a "quorum"?

A: A "quorum" consists of the presence in person or by proxy of stockholders holding a majority of the outstanding shares. There must be a quorum present in order for the annual meeting to be a duly held meeting at which business can be conducted. If you submit a properly executed proxy card, even if you abstain from voting, then you will at least be considered part of the quorum.

1

Q: What may I vote on?

A: You may vote on the election of nominees to serve on the board of directors and on any other proposal to be voted on.

Q: How does the board of directors recommend I vote on the proposal?

A: The board of directors recommends a vote FOR each of the nominees for election as director who are named as such in this proxy statement.

Q: Who is entitled to vote?

A: Anyone who owned our common stock at the close of business on June 15, 2007, the record date, is entitled to vote at the annual meeting.

Q: How do I vote?

A: You may vote your shares of common stock either in person or by proxy. Whether you plan to attend the meeting and vote in person or not, we urge you to have your proxy vote recorded in advance of the meeting. **Stockholders have the following three options for submitting their votes by proxy: (1) over the Internet; (2) by telephone; or (3) by mail, using the enclosed proxy card.** If you have Internet access, we encourage you to vote by proxy on the Internet. It is convenient and it saves us significant postage and

processing costs. In addition, when you vote by proxy via the Internet or by phone prior to the meeting date, your proxy vote is recorded immediately and there is no risk that postal delays will cause your proxy vote to arrive late and, therefore, not be counted. For further instructions on voting, see your enclosed proxy card in this proxy statement. If you attend the annual meeting, you also may submit your vote in person, and any previous proxy votes that you submitted, whether by Internet, phone, or mail, will be superseded by the vote that you cast at the annual meeting. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares of common stock will be voted (i) FOR the nominees for director and (ii) with respect to any other proposals to be voted on, in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in the discretion of Messrs. Wells, Williams, or Fretz.

Q: What if I vote by proxy and then change my mind?

A: You have the right to revoke your proxy at any time before the meeting by:

- (1) notifying Douglas P. Williams, our Secretary;
- (2) attending the meeting and voting in person;
- (3) returning another proxy card dated after your first proxy card if we receive it before the annual meeting date; or
- (4) recasting your proxy vote on the proxy voting Web site or by telephone. Only the most recent proxy vote will be counted, and all others will be discarded regardless of the method of voting.

2

Q: Will my vote make a difference?

A: Yes. As discussed immediately below, your vote could affect the composition of our board of directors. Moreover, your vote is needed to ensure that the proposal can be acted upon. Because we are a widely held REIT (with more than 105,000 record holders of our stock), **YOUR VOTE IS VERY IMPORTANT! Your immediate response will help avoid potential delays and may save us significant additional expenses associated with soliciting stockholder votes.**

Q: What are the voting requirements to elect the board of directors?

A: Under our charter a plurality of the votes cast is required for the election of the directors. This means that the director nominee with the most votes for a particular board seat is elected for that seat. Because the number of nominees does not exceed the number of board seats, a nominee need only receive a single "for" vote to be elected. Abstentions and "withhold" votes should have no effect on the outcome of the election, but they will count toward the establishment of a quorum.

However, in order to enhance your ability to influence the composition of the board of directors in an uncontested election such as this, we have adopted a policy requiring each of the nominees to agree to offer to resign should he receive fewer "for" votes than "withhold" votes. If a director must offer to resign because of "withhold" vote totals, a committee of all of our independent directors (the "Conflicts Committee") must accept or reject the offer of resignation within 90 days following certification of the stockholder vote. If the Conflicts Committee accepts the offer, then the resignation will be effective upon acceptance. If the Conflicts Committee rejects the offer, it must publicly disclose its reasons for doing so. The offer of resignation also may be accepted at a stockholder meeting duly called for the express purpose of accepting such resignation and electing

a successor to fill the vacancy created thereby. More details of this policy are set out under "Proposal 1. Election of Directors." The policy is set forth in our Corporate Governance Guidelines, a copy of which is available on our Web site at www.wellsref.com.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the annual meeting other than the election of directors, if any other business is properly presented at the annual meeting, your signed proxy card gives authority to Leo F. Wells, III, our President; Douglas P. Williams, our Executive Vice President and Secretary; and Randall D. Fretz, our Senior Vice President; and each of them, to vote on such matters in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in their discretion.

Q: When are the stockholder proposals for the next annual meeting of stockholders due?

A: Stockholders interested in nominating a person as a director or presenting any other business for consideration at our annual meeting of stockholders in 2008 may do so by following the procedures prescribed in Section 2.12 of our Bylaws and in SEC Rule 14a-8. To be eligible for presentation to and action by the stockholders at the 2008 annual meeting, director nominations and other stockholder proposals must be received by Douglas P. Williams, our Secretary, no later than May 15, 2008. To also be eligible for inclusion in our proxy statement for the 2008 annual meeting, director nominations and other stockholder proposals must be received by Mr. Williams by March 1, 2008.

3

Q: Who pays the cost of this proxy solicitation?

A: We will pay all the costs of soliciting these proxies. We also will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to our stockholders.

Q: Is this proxy statement the only way that proxies are being solicited?

A: No. In addition to mailing proxy solicitation material, our directors and employees, as well as third-party proxy service companies we retain, also may solicit proxies in person, over the Internet, by telephone, or by any other electronic means of communication we deem appropriate. We currently have no arrangements with paid solicitors.

Q: If I share my residence with another stockholder, how many copies of the Annual Report and Proxy Statement should I receive?

A: In accordance with a notice previously sent to our stockholders, we are sending only a single set of the annual report and proxy statement to any household at which two or more stockholders reside if they share the same last name or we reasonably believe they are

members of the same family, unless we have received instructions to the contrary from any stockholder at that address. This practice is known as "householding" and stems from rules adopted by the SEC. This practice reduces the volume of duplicate information received at your household and helps us reduce costs. Each stockholder subject to householding will continue to receive a separate proxy card or voting instruction card. We will deliver promptly, upon written or oral request, a separate copy of the annual report or proxy statement, as applicable, to a stockholder at a shared address to which a single copy of the document was previously delivered. If you received a single set of these documents for this year, but you would prefer to receive your own copy, you may direct requests for separate copies to the following address: Wells Client Services Department, P.O. Box 2828, Norcross, Georgia 30091-2828 or call us at 1-800-557-4830. If you are a stockholder who receives multiple copies of our proxy materials, you may request householding by contacting us in the same manner and requesting a householding consent form.

Q: What if I consent to have one set of materials mailed now but change my mind later?

A: You may withdraw your householding consent at any time by contacting our Client Services department at the address and telephone number provided above. We will begin sending separate copies of stockholder communications to you within 30 days of receipt of your instruction.

Q: The reason I receive multiple sets of materials is because some of the shares belong to my children. What happens if they move out and no longer live in my household?

A: When we receive notice of an address change for one of the members of the household, we will begin sending separate copies of stockholder communications directly to the stockholder at his or her new address. You may notify us of a change of address by contacting our Client Services department at the address and telephone number provided above.

4

Q: If I plan to attend the annual meeting in person, should I notify anyone?

A: While you are not required to notify anyone in order to attend the annual meeting, if you do plan to attend the meeting, we would appreciate it if you would mark the appropriate box on the enclosed proxy card to let us know how many stockholders will be attending the meeting so that we will be able to prepare a suitable meeting room for the attendees.

Q: Where can I find more information?

A: We file annual, quarterly, and special reports; proxy statements and other information with the Securities and Exchange Commission (SEC). You may read and copy any reports, statements, or other information we file with the SEC on the Web site maintained by the SEC at www.sec.gov. Our SEC filings also are available to the public at the SEC's Public Reference Room located at 100 F Street, N.E., Washington, DC 20549. You also may obtain copies of the documents

at prescribed rates by writing to the Public Reference Section of the SEC at 100 F Street, N.E., Washington, DC 20549. Please call the SEC at 1-800-SEC-0330 for further information regarding the public reference facilities.

CERTAIN INFORMATION ABOUT MANAGEMENT

The Board of Directors

Our board of directors has oversight responsibility for our operations and makes all major decisions concerning our business. We currently have eight directors and two vacant board positions. If all of the seven nominees are elected at the annual meeting, we expect to have three vacant board positions immediately following the annual meeting. Our board of directors held 10 meetings during 2006. For biographical information regarding our directors, see "Executive Officers and Directors" on page 17.

Our board has established the following committees: Audit Committee; Conflicts Committee; Nominating and Corporate Governance Committee; Asset Management Committee; Finance and Planning Committee; and Stockholder Relations, Communication, and Development Committee. Information regarding each of the committees is set forth below.

Director Independence

Although our shares are not listed for trading on any national securities exchange, a majority of the members of our board of directors, and all of the members of the Audit Committee, the Conflicts Committee, and the Nominating and Corporate Governance Committee are "independent" as defined by the New York Stock Exchange (NYSE). The NYSE standards provide that to qualify as an independent director, in addition to satisfying certain bright-line criteria, the board of directors must affirmatively determine that a director has no material relationship with us (either directly or as a partner, shareholder, or officer of an organization that has a relationship with us). The board of directors has determined that Charles R. Brown, Richard W. Carpenter, Bud Carter, E. Nelson Mills, Jack M. Pinkerton, and Neil H. Strickland each satisfies the bright-line criteria and that none has a relationship with us that would interfere with such person's ability to exercise independent judgment as a member of the board. For a discussion of transactions and relationships between our directors and our affiliates that were considered by the board under the applicable independence definitions in determining that these directors are independent, see "Certain Relationships and Related Transactions." None of these directors has ever served as (or is related to) an employee of our company or any of our predecessors or acquired companies or received any compensation from us or any such other entities except for compensation directly related to service as a director. Therefore, we believe that all of these directors are independent directors.

Changes to our Board of Directors in Connection with the Wells Real Estate Investment Trust, Inc. Internalization Transaction

On April 16, 2007, Wells Real Estate Investment Trust, Inc. ("Wells REIT") acquired entities affiliated with Wells Real Estate Funds (the "Internalization Transaction") and became a self-advised REIT. In connection with the Internalization Transaction, Donald S. Moss and W. Wayne Woody, two of our independent directors, resigned from the board of directors effective April 16, 2007. Messrs. Moss and Woody also serve on the board of Wells REIT and had previously notified us of their intent to resign effective and conditioned upon the closing of the Internalization Transaction. Messrs. Moss and Woody have resigned to avoid conflicts of interest that could arise as a result of serving on the boards of Wells REIT and Wells REIT II following the Internalization Transaction.

To fill one of the vacancies on the board of directors created by the departures of Messrs. Moss and Woody, on April 18, 2007, our board of directors elected E. Nelson Mills to serve as an independent director until our 2007 annual meeting.

The Audit Committee

General

The Audit Committee's primary function is to assist our board of directors in fulfilling its responsibilities by overseeing our independent auditors and reviewing the financial information to be provided to our stockholders and others, the system of internal control over financial reporting that our management has established, and our audit and financial reporting process. The Audit Committee also is responsible for overseeing our compliance with applicable laws and regulations and for establishing procedures for the ethical conduct of our business. The Audit Committee fulfills these responsibilities primarily by carrying out the activities enumerated in the Audit Committee Charter adopted by our board of directors in 2003. The Audit Committee Charter is available on our Web site at www.wellsref.com.

The members of the Audit Committee are E. Nelson Mills (Chairman), Neil H. Strickland, and Charles R. Brown. Donald S. Moss and W. Wayne Woody served on the Audit Committee throughout the 2006 fiscal year and during the current year until their respective resignations from the board of directors on April 16, 2007. Walter W. Sessoms served on the Audit Committee during the 2006 fiscal year until he passed away on July 2, 2006. All of the members of the Audit Committee are "independent" as defined by the NYSE. The board of directors has determined the E. Nelson Mills satisfies the SEC's requirements for an "audit committee financial expert." Until his resignation, Mr. Woody was an audit committee financial expert. During 2006, the Audit Committee met nine times.

Independent Auditors

During the year ended December 31, 2006, Ernst & Young LLP served as our independent auditor and provided certain tax and other services. Ernst & Young has served as our independent auditor since our formation. Ernst & Young representatives will be present at the annual meeting of stockholders and will have the opportunity to make a statement if they desire to do so. In addition, the Ernst & Young representatives will be available to respond to appropriate questions posed by any stockholders. The Audit Committee has engaged Ernst & Young as our independent auditor to audit our financial statements for the year ended December 31, 2007. The Audit Committee may, however, select new auditors at any time in the future in its discretion if it deems such decision to be in our best interest. Any such decision would be disclosed to the stockholders in accordance with applicable securities laws.

Preapproval Policies

The Audit Committee Charter imposes a duty on the Audit Committee to preapprove all auditing services performed for us by our independent auditors, as well as all permitted nonaudit services (including the fees and terms thereof) in order to ensure that the provision of such services does not impair the auditors' independence. Unless a type of service to be provided by the independent auditors has received "general" preapproval, it will require "specific" preapproval by the Audit Committee.

All requests or applications for services to be provided by the independent auditor which do not require specific preapproval by the Audit Committee will be submitted to management and must include a detailed description of the services to be rendered. Management will determine whether such services are included within the list of services that have received the general preapproval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent auditors.

Requests or applications to provide services that require specific preapproval by the Audit Committee will be submitted to the Audit Committee by both the independent auditors and the Principal Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. The Chairman of the Audit Committee has been delegated the authority to specifically preapprove all services not covered by the general preapproval guidelines up to an amount not to exceed \$75,000 per occurrence. Amounts requiring preapproval in excess of \$75,000 per occurrence require specific preapproval by all members of the Audit Committee prior to engagement of Ernst & Young. All amounts specifically preapproved by the Chairman of the Audit Committee in accordance with this policy are to be disclosed to the full Audit Committee at the next regularly scheduled meeting.

All services rendered by Ernst & Young for the year ended December 31, 2006 were preapproved in accordance with the policies and procedures described above.

Principal Auditor Fees

The Audit Committee reviewed the audit and nonaudit services performed by Ernst & Young, as well as the fees charged by Ernst & Young for such services. In its review of the nonaudit service fees, the Audit Committee considered whether the provision of such services is compatible with maintaining the independence of Ernst & Young. The aggregate fees billed to us for professional accounting services, including the audit of our annual financial statements by Ernst & Young for the years ended December 31, 2006 and 2005, are set forth in the table below.

	2006	2005
Audit fees	\$542,842	\$607,180
Audit-related fees	-0-	-0-
Tax fees	\$179,875	\$224,884
All other fees	-0-	-0-
Total	\$722,717	\$832,064

For purposes of the preceding table, Ernst & Young’s professional fees are classified as follows:

- Audit fees □ These are fees for professional services performed for the audit of our annual financial statements and the required review of quarterly financial statements and other procedures performed by Ernst & Young in order for them to be able to form an opinion on our consolidated financial statements. These fees also cover services that are normally provided by independent auditors in connection with statutory and regulatory filings or engagements.
- Audit-related fees □ These are fees for assurance and related services that traditionally are performed by independent auditors that are reasonably related to the performance of the audit or review of the financial statements, such as due diligence related to acquisitions and dispositions, attestation services that are not required by statute or regulation, internal control reviews, and consultation concerning financial accounting and reporting standards.
- Tax fees □ These are fees for all professional services performed by professional staff in our independent auditor’s tax division, except those services related to the audit of our financial statements. These include fees for tax compliance, tax planning, and tax advice, including federal, state, and local issues. Services also may include assistance with tax audits and appeals before the IRS and similar state and local agencies, as well as federal, state, and local tax issues related to due diligence.
- All other fees □ These are fees for any services not included in the above-described categories, including assistance with internal audit plans and risk assessments.

Report of the Audit Committee

The Audit Committee reviews the financial reporting process on behalf of the board of directors. Our management has the primary responsibility for the financial statements and the reporting process, including the system of internal control over financial reporting. Membership on the Audit Committee does not call for the professional training and technical skills generally associated with career professionals in the field of accounting and auditing. In addition, the independent auditors devote more time and have access to more information than does the Audit Committee. Accordingly, the Audit Committee’s role does not provide any special assurance with regard to our financial statements, nor does it involve a professional evaluation of the quality of the audits performed by the independent auditors. In this context, the Audit Committee reviewed the 2006 audited financial statements with management, including a discussion of the quality and acceptability of our financial reporting, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with Ernst & Young, which is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, their judgments as to the quality and the acceptability of the financial statements and such other matters as are required to be discussed with the Audit Committee under Statement on Auditing Standards No. 61 (*Communication with Audit Committees*). The Audit Committee received from and discussed with Ernst & Young the written disclosures and the letter required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*) relating to that firm's independence from us. In addition, the Audit Committee considered whether Ernst & Young's provision of nonaudit services is compatible with Ernst & Young's independence.

The Audit Committee discussed with Ernst & Young the overall scope and plans for the audit. The Audit Committee meets periodically with the internal auditor and Ernst & Young, with and without management present, to discuss the results of their examinations, their evaluations of our internal controls, and the overall quality of our financial reporting.

In reliance on these reviews and discussions, the Audit Committee recommended to the board of directors and the board approved, the inclusion of the 2006 audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission.

The Conflicts Committee

The members of our Conflicts Committee are Neil H. Strickland (Chairman), Charles R. Brown, Richard W. Carpenter, Bud Carter, E. Nelson Mills, and Jack M. Pinkerton, all of whom are independent directors. Donald S. Moss and W. Wayne Woody served on the Conflicts Committee throughout the 2006 fiscal year and during the current year until their respective resignations from the board of directors on April 16, 2007. Walter W. Sessoms served on the Conflicts Committee until he passed away in July 2006. Our charter empowers the Conflicts Committee to act on any matter permitted under Maryland law if the matter at issue is such that the exercise of independent judgment by affiliates of our advisor could reasonably be compromised. Among the duties of the Conflicts Committee are the following:

- reviewing and reporting on our policies (see below);

9

- approving transactions with affiliates and reporting on their fairness to us (see below);
- supervising and evaluating the performance and compensation of our advisor;
- reviewing our expenses and determining that they are reasonable and within the limits prescribed by our charter;
- approving borrowings in excess of limits set forth in our charter;
- approving acquisitions and dispositions;
- evaluating the performance of our officers; and
- considering plans with respect to the succession of our president in the event of his sudden incapacitation, death, or departure.

In addition, our Conflicts Committee discharges the board's responsibilities relating to compensation of our executives and directors. In this regard, the Conflicts Committee administers the granting of stock options to selected employees of Wells Capital, Inc., our advisor, and Wells Management Company, Inc., our property manager, based upon recommendations from Wells Capital, and sets the terms and conditions of such options in accordance with the 2003 Stock Option Plan. To date, no employee stock options have been issued. The Conflicts Committee is also responsible for administering the terms of the Independent Director Stock Option Plan, the terms of which are discussed in detail below under "Compensation to Directors" Independent Director Stock Option Plan.

Under the terms of the 2003 Stock Option Plan, and only to the extent permissible under Maryland law, the Conflicts Committee may expressly delegate to any individual or group of individuals some or all of the committee's authority to administer the plan, including authority to designate participants, determine terms, conditions and amounts of option awards, and to grant awards. However, no delegation of duties and responsibilities may be made to eligible participants in the plan who are, or who are anticipated to become, persons subject to the short-swing profit rules of Section 16 of the 1934 Act.

The primary responsibilities of the Conflicts Committee are enumerated in our charter. The Conflicts Committee does not have a separate committee charter. The Conflicts Committee met 13 times during 2006.

Report of the Conflicts Committee

Review of Our Policies

The Conflicts Committee has reviewed our policies and determined that they are in the best interest of our stockholders. Set forth below is a discussion of the basis for that determination.

Investment Policies. We focus our investment efforts on the acquisition of high-quality, income-generating office and industrial properties leased to creditworthy tenants. Although we may acquire other types of real estate, this focus is preferred because we believe it will best enable us to achieve our goal of preserving investor capital and generating current income. We also believe that there are sufficient acquisition opportunities that meet this investment focus. Our advisor, Wells Capital, has extensive expertise with this type of real estate.

10

Working Capital Reserves. We do not intend to set aside offering proceeds for working capital purposes. Setting aside funds for this purpose would decrease the amount we can invest in real estate and hence reduce our opportunities to earn current income. We believe that debt proceeds and our cash flow from operations will be sufficient to meet our needs for working capital.

Borrowing Policies. Over the long-term, we have a policy of keeping our debt at no more than 50% of the cost of our assets (before depreciation) and, ideally, at significantly less than this 50% leverage ratio. This conservative leverage goal could reduce the amount of current income we can generate for our stockholders, but it also reduces their risk of loss. We believe that preserving investor capital while generating stable current income is in the best interest of our stockholders. As of March 31, 2007, our leverage ratio was approximately 21%.

Policies Regarding Operating Expenses. We have the responsibility of limiting total operating expenses to no more than the greater of 2% of average invested assets or 25% of net income, as these terms are defined in our charter. For the four consecutive quarters ended March 31, 2007, total operating expenses represented 1.3% of average invested assets and 12.3% of net income.

Offering Policies. We are conducting a public offering of up to 300 million shares of common stock at \$10 per share (with discounts available for certain categories of investors). We also are offering shares under our dividend reinvestment plan. We believe these offerings are in the best interest of our stockholders because they increase the likelihood that we will be able to acquire a diverse portfolio of income-producing properties, thereby reducing risk in our portfolio.

Listing Policy. We believe it is in the best interest of our stockholders for our common shares to remain unlisted on a national exchange at this time. First, we are in the fundraising and property-acquisition stage of our life cycle, and remaining unlisted improves our ability to continue to raise new equity and purchase additional properties so that the real estate portfolio can achieve greater size and diversification. Second, we believe it is more cost effective to remain unlisted and utilize Wells Capital as our external advisor at the present time than it would be to internalize all the resources necessary to operate a listed company. Third, our shares are offered as a long-term investment. We believe that the ability to provide our stockholders with liquidity in the near-term is outweighed by the longer-term benefits of completing the current offering, allowing the portfolio to mature and then listing the shares at a price that is anticipated to be higher than the price at which they would likely trade today.

Transactions with Affiliates

Our charter requires our Conflicts Committee to review and approve all transactions involving our affiliates and us. Prior to entering into a transaction with an affiliate, a majority of the Conflicts Committee must conclude that transaction is fair and reasonable to us and on terms and conditions not less favorable to us than those available from unaffiliated third parties. In addition, our Code of Ethics lists examples of types of transactions with affiliates that would create prohibited conflicts of interest. Under the Code of Ethics, our officers and directors are required to promptly bring potential conflicts of interest to the attention of the chairman of our Audit Committee. The Conflicts Committee has reviewed the material transactions between our affiliates and us since the beginning of 2006 as well as any such currently proposed transactions. Set forth below is a description of such transactions and the committee's report on their fairness.

11

Our Relationship with Wells Capital. Our executive officers, Leo F. Wells, III, Douglas P. Williams, and Randall D. Fretz, also are executive officers of Wells Capital, our advisor. Mr. Wells is the sole director of our advisor and indirectly owns 100% of its equity. Since 2003, our advisor has provided our day-to-day management. Among the services provided by our advisor under the terms of an advisory agreement are the following:

- real estate acquisition services;
- asset management services;
- real estate disposition services;
- property management oversight services; and
- administrative services.

Our advisor is at all times subject to the supervision of our board of directors and only has such authority as we may delegate to it as our agent. Our advisory agreement has a one-year term expiring October 20, 2007, subject to an unlimited number of successive one-year renewals upon mutual consent of the parties. From January 1, 2006 through the most recent date practicable, which was March 31, 2007, we have compensated our advisor as set forth below.

We have incurred acquisition fees payable to our advisor equal to 2.0% of gross proceeds from our public offerings of common stock for services in connection with the selection, purchase, development, or construction of real property. We incur such acquisition fees upon receipt of proceeds from the sale of shares. Acquisition fees from January 1, 2006 through March 31, 2007 totaled approximately \$22.2 million.

Our advisor bears substantially all of our organization and offering costs other than our payment of selling commissions and dealer-manager fees. We reimburse our advisor for up to 2.0% of our gross offering proceeds for organization and offering costs, including legal, accounting, printing, and other accountable offering costs. From January 1, 2006 through March 31, 2007, we incurred approximately \$12.6 million of organization and offering expenses.

For asset management services, we pay our advisor a monthly fee equal to one-twelfth of 0.75% of the cost of (i) the occupied properties we own and (ii) our investments in joint ventures. These fees are limited to 1.0% of the net asset value of the properties included in the above calculation, calculated on a quarterly basis. Asset management fees incurred from January 1, 2006 through March 31, 2007 totaled approximately \$26.0 million.

Additionally, we reimburse our advisor for all costs and expenses it incurs in fulfilling its asset-management and administrative duties, which may include wages, salaries, taxes, insurance, benefits, information technology, legal, travel, and other out-of-pocket expenses of employees engaged in ongoing management, administration, operations, and marketing functions on our behalf. We do not, however, reimburse our advisor for personnel costs in connection with services for which our advisor receives acquisition fees or real estate commissions. Administrative reimbursements from January 1, 2006 through March 31, 2007 totaled approximately \$7.7 million.

The Conflicts Committee considers our relationship with the advisor during 2006 to be fair. The Conflicts Committee evaluated the performance of the advisor and the compensation paid to the advisor in connection with its decision to renew the advisory agreement until October 20, 2007. The Conflicts Committee believes that the amounts payable to the advisor under the advisory agreement are similar to those paid by other publicly offered, unlisted, externally advised REITs and that this compensation is necessary in order for the advisor to provide the desired level of services to us and our stockholders. The Conflicts Committee bases its evaluation of the advisor on factors such as (a) the amount of the fees paid to the advisor in relation to the size, composition, and performance of our portfolio; (b) the success of the advisor in generating opportunities that meet our investment objectives; (c) rates charged to other REITs and to investors other than REITs by advisors performing the same or similar services; (d) additional revenues realized by the advisor and its affiliates through their relationship with us, including loan administration, underwriting, or broker commissions; servicing; engineering; inspection; and other fees; (e) the quality and extent of service and advice furnished by the advisor; (f) the performance of our portfolio, including income, conservation, or appreciation of capital, frequency of problem investments, and competence in dealing with distress situations; and (g) the quality of our portfolio relative to the investments generated by the advisor for its own account.

Our Relationship with WIS. Mr. Wells indirectly owns 100% of our dealer-manager, Wells Investment Securities, Inc. (["WIS"]). In addition, Messrs. Fretz and Williams are directors of WIS. Our dealer-manager is entitled to receive selling commissions of 7% of aggregate gross offering proceeds. Commencing with the dividends paid in December 2005, we ceased paying selling commissions in connection with the sale of our shares under the dividend reinvestment plan (["DRP"]). Previously, we had paid selling commissions of 5% of aggregate gross offering DRP proceeds. WIS reallows 100% of these selling commissions to broker/dealers participating in our public offering. In the event of the sale of shares through an investment advisory representative in which the representative is compensated on a fee-for-service basis by the investor (or through a bank acting as a trustee or fiduciary), the dealer-manager waives its right to a commission, with a corresponding reduction in the purchase price of shares sold in our offering. From January 1, 2006 through March 31, 2007, we incurred selling commissions of \$72.5 million to WIS, of which approximately 100% was reallocated to participating broker/dealers.

WIS also earns a dealer-manager fee of 2.5% of aggregate gross offering proceeds. WIS may re-allow up to 1.5% of aggregate gross offering proceeds to participating broker/dealers. There is no dealer-manager fee for shares sold under the dividend reinvestment program. In the event of the sale of shares through an independent investment advisor (or bank acting as trustee or fiduciary), the dealer-manager reduces its dealer-manager fee to 1.5% of gross offering proceeds with a corresponding reduction in the purchase price of the shares. WIS earned dealer-manager fees from us of approximately \$27.9 million from January 1, 2006 through March 31, 2007, of which approximately \$12.3 million was reallocated to participating broker/dealers.

The Conflicts Committee believes that this arrangement with WIS is fair. The compensation payable to WIS reflects our belief that such selling commissions and dealer-manager fees will maximize the likelihood that we will be able to achieve our goal of acquiring a large, diversified portfolio of high-quality, income-producing properties.

Our Relationship with Wells Management. On November 24, 2006, our property management, leasing, and construction management agreement with Wells Management Company, Inc. (["Wells Management"]) automatically renewed for another one-year term. Mr. Wells indirectly owns 100% of Wells Management. In consideration for supervising the management, leasing, and construction of certain of our properties, we pay the following fees to

Wells Management:

- For each property for which Wells Management provides property management services, we pay Wells Management a market-based property management fee based on gross monthly income of the property.
- For each property for which Wells Management provides leasing agent services, Wells Management is entitled to: (i) a one-time fee in an amount not to exceed one-month's rent for the initial rent-up of a newly constructed building; (ii) a market-based commission based on the net rent payable during the term of a new lease; (iii) a market-based commission based on the net rent payable during the term of any renewal or extension of any tenant lease; and (iv) a market-based commission based on the net rent payable with respect to expansion space for the remaining portion of the initial lease term.

13

- For each property for which Wells Management provides construction management services, Wells Management is entitled to receive from us that portion of lease concessions for tenant-directed improvements that are specified in the lease or lease renewal, subject to a limit of 5% of such lease concessions and a management fee to be determined for other construction management activities.

In connection with the Wells REIT Internalization Transaction, Wells REIT employed personnel previously employed by our advisor and by Wells Management. Some of the personnel who became employees of Wells REIT in the Internalization Transaction had primary responsibility for the management of six properties owned by us. To ensure continuity of property management services, on April 16, 2007, we entered into a property management agreement with a subsidiary of Wells REIT to provide property management services to us for the six properties. Wells Management and unaffiliated third parties, however, continue to provide leasing services for the six properties. The terms of the agreement with Wells REIT for property management services are substantially similar to the terms under which we engaged Wells Management for property management services. Also on April 16, 2007, we amended our existing Master Property Management, Leasing, and Construction Management Agreement with Wells Management so that Wells Management no longer provides property management services for the six properties effective upon consummation of the Internalization Transaction.

The Conflicts Committee believes that these arrangements with Wells Management and with the subsidiary of the Wells REIT are fair and reasonable and on terms and conditions no less favorable to us than those available from unaffiliated third parties. Property management fees incurred from January 1, 2006 through March 31, 2007 were \$931,000.

Section 1031 Exchange Program. Wells Management has developed a program to facilitate real estate acquisitions for persons ("1031 Participants") who seek to reinvest proceeds from a real estate sale and qualify that reinvestment for like-kind exchange treatment under Section 1031 of the Internal Revenue Code ("Section 1031 Exchange Program"). The Section 1031 Exchange Program involves a private placement of co-tenancy interests in real estate. We provide certain financial guarantees to subsidiaries of Wells Management in the event co-tenancy interests in such offerings are not sold.

Under the terms of the Take-Out Purchase and Escrow Agreements ("Take-Out Agreements"), we receive a fee in exchange for committing to purchase any of the co-tenancy interests described above that remain unsold to 1031 Participants on the maturity date of the interim financing obtained to acquire the properties. In consideration for the exposure created under the three Take-Out Agreements to which we were a party in 2006, we earned fees of approximately \$317,000 from January 1, 2005 through the respective obligation end dates. Information on the Take-out Agreements is as follows (in thousands):

Location of Property	Property Acquisition Date	Obligation End Date	Initial Maximum Exposure	Fee Earned
Lisle, IL	December 14, 2005	December 14, 2006	\$12,080	\$100
Bellevue, NE	December 16, 2005	December 16, 2006	\$21,610	\$170
Bellevue, NE	December 16, 2005	September 16, 2006	\$14,440	\$47

The Conflicts Committee believes that these Take-out Agreements are fair. As of March 31, 2007, we had no outstanding commitments under Take-Out Agreements related to the Wells Section 1031 Exchange Program.

The Conflicts Committee of the Board of Directors:
*Neil H. Strickland (Chairman), Charles R. Brown, Richard W. Carpenter,
Bud Carter, E. Nelson Mills, and Jack M. Pinkerton*

The Nominating and Corporate Governance Committee

General

The members of our Nominating and Corporate Governance Committee are Richard W. Carpenter, Bud Carter, and Neil H. Strickland. Donald S. Moss served on the Nominating and Corporate Governance Committee throughout the 2006 fiscal year and during the current year until his resignation from the board of directors on April 16, 2007. Walter W. Sessoms served on the Nominating and Corporate Governance Committee until he passed away in July 2006. The members of the Nominating and Corporate Governance Committee are [independent] as defined by the NYSE.

The primary functions of the Nominating and Corporate Governance Committee are: (i) identifying individuals qualified to serve on the board of directors and recommending that the board of directors select a slate of director nominees for election by the stockholders at the annual meeting; (ii) developing and recommending to the board of directors a set of corporate governance guidelines and periodically reevaluating such guidelines for the purpose of suggesting amendments to them; and (iii) overseeing an annual evaluation of the board of directors and each of its committees. The Nominating and Corporate Governance Committee held six meetings during 2006. A copy of the Nominating and Corporate Governance Committee charter is available on our Web site at www.wellsref.com.

Board Membership Criteria

The Nominating and Corporate Governance Committee annually reviews with the board of directors the appropriate experience, skills, and characteristics required of board members in the context of the then-current membership of the board. This assessment includes, in the context of the perceived needs of the board at that time, issues of knowledge, experience, judgment, and skills such as an understanding of the real estate industry or brokerage industry or accounting or financial management expertise. Other considerations include the candidate[s] independence from conflict with us and the ability of the candidate to attend board meetings regularly and to devote an appropriate amount of effort in preparation for those meetings. It also is expected that independent directors nominated by the board of directors shall be individuals who possess a reputation and hold (or have held) positions or affiliations befitting a director of a large publicly held company and are (or have been) actively engaged in their occupations or professions or are otherwise regularly involved in the business, professional, or academic community. Moreover, as required by our charter, at least one of our independent directors must have at least three years of relevant real estate experience, and each director who is not an independent director must have at least three years of relevant experience demonstrating the knowledge and experience required to successfully acquire and manage the type of assets we acquire and manage.

Selection of Directors

The board of directors is responsible for selecting its own nominees and recommending them for election by the stockholders. Pursuant to our charter, however, the independent directors must nominate replacements for any vacancies among the independent director positions. The board delegates the screening process necessary to identify qualified candidates to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee annually reviews director suitability and the continuing composition of the board; it then recommends director nominees who are voted on by the full board of directors. All director nominees then stand for election by the stockholders annually.

In recommending director nominees to the board of directors, the Nominating and Corporate Governance Committee solicits candidate recommendations from its own members, other directors, and management of Wells Capital. The Nominating and Corporate Governance Committee may engage the services of a search firm to assist in identifying potential director nominees. The Nominating and Corporate Governance Committee also will consider recommendations made by stockholders for director nominees who meet the established director criteria set forth above. In order to be considered by the Committee, recommendations made by stockholders must be submitted within the timeframe required to request a proposal to be included in the proxy materials. See [Stockholder Proposals](#) below. In evaluating the persons recommended as potential directors, the Nominating and Corporate Governance Committee will consider each candidate without regard to the source of the recommendation and take into account those factors that the Nominating and Corporate Governance Committee determines are relevant. Stockholders may directly nominate potential directors (without the recommendation of the Committee) by satisfying the procedural requirements for such nomination as provided in Article II, Section 2.12, of our Bylaws. Any stockholder may request a copy of our Bylaws free of charge by calling our Client Services department at 1-800-577-4830.

The Asset Management Committee

The members of the Asset Management Committee are Charles R. Brown (Chairman), Richard W. Carpenter, Bud Carter, and Jack M. Pinkerton, all of whom are independent directors. Walter W. Sessoms served as a member of the Asset Management Committee until he passed away on July 2, 2006. The primary function of the Asset Management Committee is to advise the board of directors on investment criteria and acquisition policies, the general economic environment in various real estate markets, existing or prospective properties or tenants, and portfolio diversification goals. The Asset Management Committee held seven meetings in 2006.

The Stockholder Relations, Communication, and Development Committee

The members of the Stockholder Relations, Communication, and Development Committee are Bud Carter (Chairman), Jack M. Pinkerton, and Neil H. Strickland, all of whom are independent directors. Donald S. Moss served on the Stockholder Relations, Communication, and Development Committee throughout the 2006 fiscal year and during the current year until his resignation from the board of directors on April 16, 2007. The primary function of the Stockholder Relations, Communication, and Development Committee is to advise the board of directors on various stockholders' issues including market conditions, issues relating to net proceeds raised from stockholders and communications with stockholders. Through guidance and oversight, the Stockholder Relations, Communication, and Development Committee encourages communications that provide stockholders with timely information in a cost-effective and user-friendly format. In addition, the Stockholder Relations, Communication, and Development Committee advises the board on market trends and competitive analysis. During 2006, the Stockholder Relations, Communication, and Development Committee held six meetings.

The Finance and Planning Committee

The members of the Finance and Planning Committee are Richard W. Carpenter (Chairman), Charles R. Brown, and E. Nelson Mills, all of whom are independent directors. W. Wayne Woody served on the Finance and Planning Committee throughout the 2006 fiscal year and during the current year until his resignation from the board of directors on April 16, 2007. The primary function of the Finance and Planning Committee is to review and advise the board of directors on our overall financial performance, which includes issues related to net proceeds raised, fees and expenses, operating earnings, dividends, capital structure, and budgetary and reporting processes. The Finance and Planning Committee held five meetings in 2006.

Stockholder Communications with the Board of Directors

We have established several means for stockholders to communicate concerns to the board of directors. If the concern relates to our financial statements, accounting practices, or internal controls, stockholders should submit the concern in writing to the Chairman of our Audit Committee in care of our Secretary at our headquarters address. If the concern relates to our governance practices, business ethics, or corporate conduct, stockholders

should submit the concern in writing to the Chairman of our Nominating and Corporate Governance Committee in care of our Secretary at our headquarters address. If uncertain as to which category a concern relates, a stockholder may communicate the concern to any one of the independent directors in care of our Secretary.

Stockholders also may communicate concerns with our directors at our annual meeting. All of our directors were in attendance at our 2006 annual meeting. We expect all of the directors to be present at our 2007 annual meeting.

Executive Officers and Directors

We have provided below certain information about our executive officers and directors. All of our directors have terms expiring on the date of the 2007 annual meeting, and seven of our directors are being nominated to be re-elected to serve until the 2008 annual meeting and until their successors are elected and qualified.

Leo F. Wells, III is our President and one of our directors. He also is the President and a director of Institutional REIT, Inc. (["Institutional REIT"]) and Wells Timberland REIT, Inc. (["Wells Timberland REIT"]), which, like us, are public programs sponsored by Wells Real Estate Funds, Inc., and not listed on a securities exchange. He also is the sole stockholder, sole director, President, and Treasurer of Wells Real Estate Funds, Inc., which directly or indirectly owns Wells Capital, Wells Management, Wells Investment Securities, Wells & Associates, Inc., Wells Development Corporation, and Wells Asset Management, Inc. He also is the President, Treasurer and sole director of Wells Capital; Wells Management; Wells Development Corporation, a company organized in 1997 to develop real estate properties; and Wells Asset Management, Inc., a company organized in 1997, which serves as an investment adviser to the Wells Family of Real Estate Funds. Mr. Wells is a trustee of the Wells Family of Real Estate Funds. He is the President, Treasurer, and a director of Wells & Associates, Inc., a real estate brokerage and investment company formed in 1976 and incorporated in 1978, for which Mr. Wells serves as the principal broker. From 1998 to 2007, Mr. Wells served as President and Chairman of the Board of Wells Real Estate Investment Trust, Inc. (["Wells REIT"]), a public REIT sponsored by Wells Real Estate Funds until the Internalization Transaction.

Mr. Wells was a real estate salesman and property manager from 1970 to 1973 for Roy D. Warren & Company, an Atlanta-based real estate company, and he was associated from 1973 to 1976 with Sax Gaskin Real Estate Company, during which time he became a Life Member of the Atlanta Board of Realtors Million Dollar Club. From 1980 to February 1985 he served as Vice President of Hill-Johnson, Inc., a Georgia corporation engaged in the construction business. Mr. Wells holds a Bachelor of Business Administration degree in economics from the University of Georgia. Mr. Wells is a member of the Financial Planning Association (FPA).

On August 26, 2003, Mr. Wells and Wells Investment Securities entered into a Letter of Acceptance, Waiver, and Consent (["AWC"]) with the NASD relating to alleged rule violations. The AWC set forth the NASD's findings that Wells Investment Securities and Mr. Wells had violated conduct rules relating to the provision of noncash

compensation of more than \$100 to associated persons of NASD member firms in connection with their attendance at the annual educational and due diligence conferences sponsored by Wells Investment Securities in 2001 and 2002. Without admitting or denying the allegations and findings against them, Wells Investment Securities and Mr. Wells consented in the AWC to various findings by the NASD, which are summarized in the following paragraph:

In 2001 and 2002, Wells Investment Securities sponsored conferences attended by registered representatives who sold its real estate investment products. Wells Investment Securities also paid for certain expenses of guests of the registered representatives who attended the conferences. In 2001, Wells Investment Securities paid the costs of travel to the conference and meals for many of the guests, and paid the costs of playing golf for some of the registered representatives and their guests. Wells Investment Securities later invoiced registered representatives for the cost of golf and for travel expenses of guests, but was not fully reimbursed for such. In 2002, Wells Investment Securities paid for meals for the guests. Wells Investment Securities also conditioned most of the 2001 conference invitations on attainment by the registered representatives of a predetermined sales goal for Wells Investment Securities products. This conduct violated the prohibitions against payment and receipt of noncash compensation in connection with the sales of these products contained in NASD's Conduct Rules 2710, 2810, and 3060. In addition, Wells Investment Securities and Mr. Wells failed to adhere to all of the terms of their written undertaking, made in March 2001, not to engage in the conduct described above, thereby failing to observe high standards of commercial honor and just and equitable principles of trade in violation of NASD Conduct Rule 2110.

Wells Investment Securities consented to a censure, and Mr. Wells consented to suspension from acting in a principal capacity with an NASD member firm for one year. Wells Investment Securities and Mr. Wells also agreed to the imposition of a joint and several fine in the amount of \$150,000. Mr. Wells' one-year suspension from acting in a principal capacity ended on October 6, 2004.

Douglas P. Williams is our Executive Vice President, Secretary, and Treasurer and one of our directors. He also is Executive Vice President, Secretary, and Treasurer and a director of Institutional REIT and Wells Timberland REIT. He also is a Senior Vice President of our advisor and a Vice President, Chief Financial Officer, Treasurer, and a director of Wells Investment Securities, our dealer-manager. Mr. Williams also is a Vice President of Wells Real Estate Funds, Inc. and Wells Asset Management, Inc. From 2000 to 2007, Mr. Williams served as Executive Vice President, Secretary, and Treasurer and a director of Wells REIT.

From 1996 to 1999, Mr. Williams served as Vice President and Controller of OneSource, Inc., a leading supplier of janitorial and landscape services, where he was responsible for corporate-wide accounting activities and financial analysis. Mr. Williams was employed by ECC International Inc., a supplier to the paper industry and to the paint, rubber, and plastic industries, from 1982 to 1995. While at ECC, Mr. Williams served in a number of key accounting positions, including: Corporate Accounting Manager, U.S. Operations; Division Controller, Americas Region; and Corporate Controller, America/Pacific Division. Prior to joining ECC and for one year after leaving ECC, Mr. Williams was employed by Lithonia Lighting, a manufacturer of lighting fixtures, as a Cost and General Accounting Manager and Director of Planning and Control. Mr. Williams started his professional career as an auditor for a predecessor firm of KPMG Peat Marwick LLP. Mr. Williams is a member of the American Institute of Certified Public Accountants and the Georgia Society of Certified Public Accountants and is licensed with the NASD as a Financial and Operations Principal (Series 27 and 63).

Randall D. Fretz has been our Senior Vice President since 2003 and is a Senior Vice President of Wells Capital. He also is the Chief of Staff and a Vice President of Wells Real Estate Funds and of Institutional REIT and Wells Timberland REIT, and a director of Wells Investment Securities. From 2002 to 2007, Mr. Fretz served as Vice President of Wells REIT. Mr. Fretz is primarily responsible for corporate strategy and planning and advising and coordinating the executive officers of Wells Capital on corporate matters and special projects. Mr. Fretz holds a bachelor's degree in each of Sociology and Physical Education from McMaster University in Hamilton, Ontario. He also earned a Master's of Business Administration degree from the Ivey School of Business in London, Ontario.

See "Certain Relationships and Related Transactions" below. Mr. Carter serves on the board of

directors of Creative Storage Systems, Inc., The Springs Newspapers, and The Rockbridge Commercial Bank; earlier board service includes The DiversiTech Corporation and WaveBase9. He is a graduate of the University of Missouri, where he earned degrees in Liberal Arts and Journalism.

E. Nelson Mills is one of our independent directors. He also is an independent director of Wells Timberland REIT and Institutional REIT. Since December 2004, Mr. Mills has served as the president and chief operating officer of Williams Realty Advisors, LLC, where he is responsible for investment and financial strategy and is in charge of the design, formation, and operation of a series of real estate investment funds.

Prior to joining Lend Lease, Mr. Mills was a tax partner with KPMG LLP.

Mr. Mills received a Bachelor of Science degree in Business Administration from the University of Tennessee and a Master's of Business Administration degree from the University of Georgia. Mr. Mills also is a Certified Public Accountant.

Mr. Pinkerton's current activities include Director of Construction for Early Learning Property Management (construction and development of Early Learning Centers). Mr. Pinkerton served as Chairman of the Board of Enterprise National Bank before it was sold to Regions Bank in 1999. Mr. Pinkerton also has served as Chairman of the Board of numerous nonprofit organizations. He received his Civil Engineering degree from Vanderbilt University and a Master of Theology Studies degree from Emory University.

Neil H. Strickland is one of our independent directors. He also is a trustee of the Wells Family of Real Estate Funds. He was employed by Loyalty Group Insurance (which subsequently merged with America Fore Loyalty Group and is now known as The Continental Group) as an automobile insurance underwriter. From 1957 to 1961, Mr. Strickland served as Assistant Supervisor of the Casualty Large Lines Retrospective Rating Department. Compensation of Executive Officers

Our executive officers do not receive compensation from us for services rendered to us. Our executive officers also are officers of Wells Capital, our advisor, and its affiliates and are compensated by these entities, in part, for

their services to us. See [Certain Information about Management] [The Conflicts Committee] [Report of the Conflicts Committee] [Transactions with Affiliates] for a discussion of the fees paid to Wells Capital and its affiliates.

Compensation of Directors

We have provided below certain information regarding compensation paid to our directors during the 2006 fiscal year. E. Nelson Mills has been omitted from the table because he was appointed to our board of directors on April 18, 2007, and he earned no compensation from us during the 2006 fiscal year.

Name	Fees Earned or Paid in Cash (\$)	Option Awards (\$) (1)	Total (\$)
Leo F. Wells, III (2)	-	-	-
Douglas P. Williams (2)	-	-	-
Charles R. Brown	50,750	-	50,750
Richard W. Carpenter	58,000	-	58,000

Jack M. Pinkerton	49,000	-	49,000
Donald S. Moss	62,750	-	62,750
Walter W. Sessoms	20,250	-	20,250
Neil H. Strickland	56,500	-	56,500
W. Wayne Woody	60,000	-	60,000

(1) On July 19, 2006, we granted options to purchase 1,000 shares of our common stock at \$12.00 per share to each of our independent directors (with the exception of Walter W. Sessoms, who passed away on July 2, 2006) pursuant to our Independent Director Stock Option Plan. In accordance with FAS 123R, we estimated the fair value of each stock option granted as of the date of the grant using the Black-Scholes-Merton model. Based on the assumptions discussed in footnote 6, [Stockholder's Equity], to our financial statements for the year ended December 31, 2006, the fair value of the options granted during the year ended December 31, 2006 was insignificant. As of December 31, 2006, options to purchase a total of 40,000 of our shares of common stock were outstanding (options to purchase 1,500 shares held by the estate of Walter W. Sessoms and options to purchase 5,500 shares held by each of our remaining independent directors). The weighted-average exercise price of all outstanding options is \$12.00 per share.

(2) Directors who also are our executive officers do not receive compensation for services rendered as a director.

Cash Compensation

We pay each of our independent directors:

- an annual retainer of \$18,000;
- \$2,500 per regularly scheduled board meeting attended;
- \$1,500 per regularly scheduled committee meeting attended (committee chairpersons receive an additional \$500 per committee meeting for serving in that capacity); and
- \$250 per special board meeting attended whether held in person or by telephone conference.

Members of our Audit Committee are paid \$2,500 rather than \$1,500 per meeting attended for each of the four meetings necessary to review our quarterly and annual financial statements. In addition, we have reserved 100,000 shares of common stock for future issuance upon the exercise of stock options granted to the independent directors pursuant to our Independent Director Stock Option Plan (described below).

All directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with attendance at meetings of the board of directors.

Independent Director Stock Option Plan

We have adopted an Independent Director Stock Option Plan. To date, we have issued stock options to purchase 43,000 shares of common stock to our independent directors pursuant to this plan. Of these, options to purchase 40,000 shares of common stock remain outstanding. Options to purchase 3,000 shares were terminated in 2006 and are available for future issuance under the plan. We issued options to purchase 2,500 shares to each independent director at the time they first joined our board of directors and issued options to purchase 1,000 shares to each independent director on the date of our first and second annual stockholders' meetings. We expect to issue additional options to purchase 1,000 shares to each independent director then in office on the date of each subsequent annual stockholders' meeting. We may not grant options at any time when the issuance of the shares underlying the grant, when combined with those issuable upon exercise of outstanding options or warrants granted to our advisor, directors, officers, or any of their affiliates, would exceed 10% of our outstanding shares.

The exercise price for all options granted to date is \$12.00 per share. The exercise price for subsequent options will be the greater of \$12.00 per share or the fair market value of the shares on the date they are granted. Fair market value is generally defined to mean (i) the closing sales price on the immediately preceding date on which sales were reported if the shares are listed on a securities exchange or (ii) the mean between the bid and offered prices as quoted by Nasdaq for such immediately preceding trading date if the shares are not listed on a securities exchange. However, if the Conflicts Committee determines that the fair market value of our shares is not properly reflected by such Nasdaq quotations, or if our shares are not quoted by Nasdaq, then the Conflicts Committee will determine fair market value in good faith.

We have authorized and reserved a total of 100,000 shares for issuance under the plan. If the number of outstanding shares is changed into a different number or kind of shares or securities through a reorganization or merger in which we are the surviving entity, or through a combination, recapitalization, or otherwise, we will make an appropriate adjustment in the number and kind of shares that may be issued pursuant to exercise of the options. We also will make a corresponding adjustment to the exercise price of the options granted prior to any change. Any such adjustment, however, will not change the total payment, if any, applicable to the portion of the options not exercised but will change only the exercise price for each share.

Options will lapse on the first to occur of (i) the tenth anniversary of the date we grant them, (ii) the removal for cause of the independent director as a member of the board of directors, or (iii) three months following the date the independent director ceases to be a director for any reason other than death or disability. Options may be exercised by payment of cash or through the delivery of common stock. Options are generally exercisable in the case of death or disability for a period of one year after death or the disabling event. No option issued may be exercised if such exercise would jeopardize our status as a REIT under the Internal Revenue Code. The independent directors may not sell, pledge, assign, or transfer their options other than by will or the laws of descent or distribution.

The term of the plan is 10 years. Upon our earlier dissolution or liquidation; upon our reorganization, merger or consolidation with one or more corporations as a result of which we are not the surviving corporation; or upon sale of all or substantially all of our properties, the plan will terminate, and any outstanding options will terminate and be forfeited. The board of directors may provide in writing in connection with any such transaction for any or all of the following alternatives:

- for the assumption by the successor corporation of the options granted or the replacement of the options with options covering the stock of the successor corporation, or a parent or subsidiary of such corporation, with appropriate adjustments as to the number and kind of shares and exercise prices;
- for the continuance of the plan and the options by such successor corporation under the original terms; or
- for the payment in cash or shares of common stock in lieu of and in complete satisfaction of such options.

Equity Compensation Plan Information

We have reserved 750,000 shares of common stock for issuance under our Stock Option Plan and 100,000 shares of common stock under the Independent Director Stock Option Plan. Both plans were approved by our stockholders in 2003 before we commenced our initial public offering. The following table provides summary information about securities issuable under our equity compensation plans.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants, and rights	Weighted-average exercise price of outstanding options, warrants, and rights	Number of securities remaining available for future issuance under equity compensation plans
Equity compensation plans approved by security holders	42,500	\$12.00	807,500
Equity compensation plans not approved by security holders			
Total	42,500	\$12.00	807,500

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

For a discussion of the material transactions since the beginning of 2006 and any currently proposed transactions involving us and any of our officers or directors or their affiliates, see "Certain Information about Management" "The Conflicts Committee" "Report of the Conflicts Committee" "Transactions with Affiliates" above. In addition, set forth below is information regarding transactions not involving us which are between our independent directors and our affiliates.

Donald S. Moss, who served as one of our independent directors until April 16, 2007, also is an independent director of the Wells REIT and Wells Timberland REIT and is a trustee of the Wells Family of Real Estate Funds. W. Wayne Woody, who served as one of our independent directors until April 16, 2007, also is an independent director of the Wells REIT and is a trustee of the Wells Family of Real Estate Funds.

Three of our independent directors, Richard W. Carpenter, Bud Carter, and Neil H. Strickland, also are trustees of the Wells Family of Real Estate Funds. Furthermore, Mr. Carpenter, Mr. Carter and Mr. Strickland also served as independent directors of the Wells REIT until resigning from that board on April 16, 2007.

E. Nelson Mills also is an independent director of Wells Timberland REIT and Institutional REIT, Inc. Charles Brown also is an independent director of Institutional REIT, Inc.

In addition, Mr. Carter serves as a chairman for Vistage International, an organization designed to aid corporate executives through the sharing of ideas on ways to improve the management and profitability of their

respective companies. As a chairman, Mr. Carter facilitates monthly meetings for three 15-member groups of executives and meets individually with each member of the group on a monthly basis. Three executives of Wells Real Estate Funds and its affiliates, including Leo F. Wells, III and Randall D. Fretz, are members in groups chaired by Mr. Carter. Wells Capital paid Vistage International the following amounts over the last two years: \$20,580 in 2005 and \$39,300 in 2006. Mr. Carter has no equity interest in Vistage International.

Section 16(a) Beneficial Ownership Reporting Compliance

Under U.S. securities laws, directors, executive officers, and any persons beneficially owning more than 10% of our common stock are required to report their initial ownership of the common stock and most changes in that ownership to the SEC. The SEC has designated specific due dates for these reports, and we are required to identify in this proxy statement those persons who did not file these reports when due. Based solely on our review of copies of the reports filed with the SEC and written representations of our directors and executive officers, we believe all persons subject to these reporting requirements filed the reports on a timely basis in 2006 except as follows: one report disclosing three transactions was filed late by Mr. Wells and one report disclosing one transaction was filed late by Mr. Fretz.

The SEC now permits corporations to send a single set of annual disclosure documents to any household at which two or more stockholders reside, unless contrary instructions have been received, but only if the corporation provides advance notice and follows certain procedures. In such cases, each stockholder continues to receive a separate notice of the meeting and proxy card. This householding process reduces the volume of duplicate information and reduces printing and mailing expenses. If your family has multiple accounts holding shares of our common stock, you should have already received a householding notification from us. If you have any questions or require additional copies of the annual disclosure documents, please contact our Client Services department by mail at Wells Client Services Department, P.O. Box 2828, Norcross, Georgia 30091-2828 or by telephone at 1-800-557-4830. We will arrange for delivery of a separate copy of this proxy statement or our annual report promptly upon your written or oral request. You may decide at any time to revoke your decision to household, and thereby receive multiple copies.

PROPOSAL 1. ELECTION OF DIRECTORS

Whether you plan to attend the meeting and vote in person or not, we urge you to have your vote recorded. Stockholders have the following three options for submitting their votes by proxy: (1) over the Internet, (2) by telephone, or (3) by mail, using the enclosed proxy card. Your vote is very important! Your immediate response will help avoid potential delays and may save us significant additional expenses associated with soliciting stockholder votes.

At the annual meeting, you and the other stockholders will vote on the election of seven nominees to our board of directors. Those persons elected will serve as directors until the 2008 annual meeting and until their successors are duly elected and qualified. The board of directors has nominated the following people for re-election as directors:

<input type="checkbox"/>	Charles R. Brown	<input type="checkbox"/>	Neil H. Strickland
<input type="checkbox"/>	Richard W. Carpenter	<input type="checkbox"/>	Leo F. Wells, III
<input type="checkbox"/>	Bud Carter	<input type="checkbox"/>	Douglas P. Williams
<input type="checkbox"/>	E. Nelson Mills		

Each of the nominees for director is a current member of our board of directors. Detailed information on each nominee is provided on pages 17 through 21.

If you return a properly executed proxy card, unless you direct them to withhold your votes, the individuals named as proxies will vote your shares FOR the election of the nominees listed above. If any nominee becomes unable or unwilling to stand for re-election, the board may reduce its size or designate a substitute. If a substitute is designated, proxies voting on the original nominee will be cast for the substituted nominee.

Vote Required

A plurality of the votes cast is required for the election of the directors. This means that the director nominee with the most votes for a particular board seat is elected for that seat. Because the number of nominees does not exceed the number of board seats, a nominee need only receive a single for vote to be elected. Abstentions and withhold votes should have no effect on the outcome of the election, but they will count toward the establishment of a quorum.

However, in order to enhance your ability to influence the composition of the board of directors in an uncontested election such as this, we have recently adopted a policy requiring all of the nominees to agree to offer to resign should he receive fewer for votes than withhold votes in an uncontested election. If a director must offer to resign because of withhold vote totals, the Conflicts Committee must accept or reject the offer of resignation within 90 days following certification of the stockholder vote. If the Conflicts Committee accepts the offer, then the resignation will be effective upon acceptance. If the Conflicts Committee rejects an offer, it must disclose the reasons for doing so in a Form 8-K filed with the Securities and Exchange Commission.

Any director who tenders his or her resignation pursuant to this provision shall not participate in any Conflicts Committee action regarding whether to accept his or her offer of resignation or whether to accept any other

director's resignation. However, if the nonparticipation of resigning directors would leave fewer than three directors participating in the decision, then all Conflicts Committee members may participate other than the director whose resignation is at issue.

28

The offer of resignation also may be accepted at a stockholder meeting duly called for the express purpose of accepting such resignation and electing a successor to fill the vacancy created thereby. Unless previously accepted by the Conflicts Committee, such resignation shall be effective immediately prior to the stockholders' election of a successor at such meeting. If no successor is elected and qualified at such meeting, then the resignation shall not be deemed to be accepted.

The policy is set forth in our Corporate Governance Guidelines, a copy of which is available on our Web site at www.wellsref.com.

Recommendation

Your board of directors unanimously recommends a vote FOR all nominees listed for reelection as directors.

STOCKHOLDER PROPOSALS

Any proposals by stockholders for inclusion in proxy solicitation material for the next annual meeting must be received by our secretary, Mr. Douglas P. Williams, at our executive offices no later than March 1, 2008. However, if we hold our annual meeting before August 13 or after October 12, stockholders must submit proposals for inclusion in our 2008 proxy statement within a reasonable time before we begin to print our proxy materials. If a stockholder wishes to present a proposal at the 2008 annual meeting, whether or not the proposal is intended to be included in the 2008 proxy materials, our bylaws require that the stockholder give advance written notice to our secretary by May 15, 2008.

OTHER MATTERS

As of the date of this proxy statement, we know of no business that will be presented for consideration at the annual meeting other than the items referred to above. If any other matter is properly brought before the meeting for action by stockholders, proxies in the enclosed form returned to us will be voted in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in accordance with the discretion of the proxy holder.

When the merger is completed, each share of SunGard common stock issued and outstanding immediately prior to the effective time of the merger (other than shares held in the treasury of the Company, owned by Merger Co or any direct or indirect wholly owned subsidiary of Merger Co or the Company or held by stockholders who are entitled to and who properly exercise appraisal rights under Delaware law) will be converted into the right to receive \$36.00 in cash. The merger agreement provides that immediately prior to the effective time of the merger, all outstanding options to acquire SunGard common stock will become fully vested and immediately exercisable unless otherwise agreed between the holder of any such options and Merger Co. All such options (other than certain options held by certain executive officers and other members of senior management who will invest in equity securities of the holding company or holding companies of the surviving corporation) not exercised prior to the merger will be converted into a right to receive, upon the exercise of the option and payment of the applicable exercise price, an amount of cash equal to \$36.00 multiplied by each share of stock subject to the option. Any option not so exercised will, immediately following such conversion, be cancelled in exchange for an amount in cash (without interest), equal to the product of (1) the total number of shares of SunGard common stock subject to the option multiplied by (2) the excess of \$36.00 over the exercise price per share of SunGard common stock under such option, less any applicable withholding taxes.

In connection with the merger, the management participants will receive benefits and be subject to obligations in connection with the merger that are different from, or in addition to, the benefits and obligations of SunGard stockholders generally. These incremental benefits include the right and obligation to make an agreed upon minimum equity investment in SunGard by exchanging a portion of their SunGard shares and options for equity interests in, and options to acquire equity interests in, the surviving corporation, as well as the option to make additional equity investments (up to an amount and at a time to be determined) on the same terms and conditions as the agreed upon equity investments. These equity interests will be illiquid and subject to a stockholders' agreement restricting the ability of the management participants to sell such equity. Additional incremental benefits include continuing as executive officers of the surviving corporation and executing employment and related agreements with the surviving corporation. Furthermore, it is contemplated that Cristóbal Conde will continue as chief executive officer and as a director of the surviving corporation.

At the effective time of the merger, current SunGard stockholders, other than the management participants and the future management participants, will cease to have ownership interests in SunGard or rights as SunGard stockholders. Therefore, such current stockholders of SunGard (other than the management participants and the future management participants) will not participate in any future earnings or growth of SunGard and will not benefit from any appreciation in value of SunGard.

SunGard's common stock is currently registered under the Exchange Act and is quoted on the New York Stock Exchange under the symbol SDS. As a result of the merger, SunGard will be a privately held corporation, and there will be no public market for its common stock. After the merger, the common stock will cease to be quoted on the New York Stock Exchange, and price quotations with respect to sales of shares of common stock in the public market will no longer be available. In addition, registration of the common stock under the Exchange Act will be terminated. This termination will make certain provisions of the Exchange Act, such as the requirement of furnishing a proxy or information statement in connection with stockholders' meetings, no longer applicable to SunGard. After the effective time of the merger, SunGard will also no longer be required to file periodic reports with the SEC on account of its common stock.

At the effective time of the merger, the directors of Merger Co together with Cristóbal Conde will become the directors of the surviving corporation and the officers of the surviving corporation will be

Table of Contents

the current officers of SunGard, although James L. Mann will no longer serve as chairman of the board of directors. The certificate of incorporation of SunGard will be amended to be the same as the certificate of incorporation of Merger Co as in effect immediately prior to the effective time of the merger, except that the name of the surviving corporation shall continue to be SunGard Data Systems Inc. The bylaws of Merger Co in effect immediately prior to the effective time of the merger will become the bylaws of the surviving corporation.

A benefit of the merger to the investor group, the management participants and the future management participants is that our future earnings and growth will be solely for their benefit and not for the benefit of our current stockholders. These equity interests will be illiquid and subject to a stockholders' agreement restricting the ability of the management participants and future management participants to sell such equity. The detriments to these investors are the lack of liquidity for SunGard's capital stock following the merger, the risk that SunGard will decrease in value following the merger, the incurrence by it of significant additional debt as described below under Special Factors - Financing and the payment by it of approximately \$400.7 million in estimated fees and expenses related to the merger and financing transactions. See Special Factors - Merger Financing and Special Factors - Fees and Expenses of the Merger.

The benefit of the merger to our stockholders (other than the management participants and the future management participants) is the right to receive \$36.00 in cash per share for their shares of SunGard common stock. The detriments are that our stockholders, other than the management participants and the future management participants, will cease to participate in our future earnings and growth, if any, and that the receipt of the payment for their shares will be a taxable transaction for federal income tax purposes. See Special Factors - Material U.S. Federal Income Tax Consequences.

Effects on the Company if the Merger is Not Completed

In the event that the merger agreement is not adopted by SunGard's stockholders or if the merger is not completed for any other reason, stockholders will not receive any payment for their shares in connection with the merger. Instead, SunGard will remain an independent public company and its common stock will continue to be listed and traded on the New York Stock Exchange. In addition, if the merger is not completed, we expect that management will operate the business in a manner similar to that in which it is being operated today and that SunGard stockholders will continue to be subject to the same risks and opportunities as they currently are, including, among other things, the nature of the financial services industry on which the Company's business largely depends, and general industry, economic and market conditions. Accordingly, if the merger is not consummated, there can be no assurance as to the effect of these risks and opportunities on the future value of your SunGard shares. From time to time, SunGard's board of directors will evaluate and review the business operations, properties, dividend policy and capitalization of SunGard, among other things, make such changes as are deemed appropriate and continue to seek to identify strategic alternatives to maximize stockholder value. In particular, if the merger is not consummated, SunGard's board of directors will consider whether to proceed with the Company's previously announced plan to spin off its availability services business into a separate publicly traded company. If the merger agreement is not adopted by SunGard's stockholders or if the merger is not consummated for any other reason, there can be no assurance that any other transaction acceptable to SunGard will be offered, that the Company's previously announced plan to spin off its availability services business will be implemented, or that the business, prospects or results of operations of SunGard will not be adversely impacted.

If the merger agreement is terminated under certain circumstances, the Company will be obligated to pay a termination fee of \$300 million at the direction of Merger Co, unless such termination is in

Table of Contents

connection with the receipt by the Company of an acquisition proposal contemplating only the sale of the Company's availability services business, in which case the termination fee payable is \$200 million.

Financing

The total amount of funds necessary to complete the merger and the related transactions is anticipated to be approximately \$11.4 billion, consisting of (i) approximately \$11 billion to pay SunGard's stockholders and option holders the amounts due to them under the merger agreement, assuming that no SunGard stockholder validly exercises and perfects its appraisal rights and (ii) approximately \$400.7 million to pay related fees and expenses in connection with the merger, the financing arrangements and the transactions described in this paragraph.

The above expenditure for payment of the merger consideration estimated by SunGard and the investor group will be reduced by the amount of shares or stock options held by managers that will be converted into stock or stock options of the holding company or holding companies of the surviving corporation.

The following arrangements are intended to provide the necessary financing for the merger.

Equity Financing

Pursuant to an equity commitment letter with each member of the investor group, the proceeds of which would constitute the equity portion of the merger financing, such members have severally agreed to contribute an aggregate of up to \$3.5 billion in cash to Merger Co. This amount may be reduced and replaced by equity contributions made by other investors who participate as equity investors in the transaction with the investor group in Merger Co. The commitment of each member of the investor group pursuant to the equity commitment letters are as follows:

Equity Investor	Commitment
Silver Lake Partners II, L.P.	\$ 540,000,000
Bain Capital Fund VIII, L.P.	\$ 540,000,000
Blackstone Capital Partners IV L.P.	\$ 270,000,000
Blackstone Communications Partners I L.P.	\$ 270,000,000
GS Capital Partners 2000, L.P.	\$ 250,000,000
GS Capital Partners V, L.P.	\$ 250,000,000
KKR Millennium Fund, L.P.	\$ 540,000,000
Providence Equity Partners V LP	\$ 300,000,000
TPG Partners IV, L.P.	\$ 540,000,000
Total	\$ 3,500,000,000

The commitment of each member of the investor group is subject to the consummation of the merger. Each member's equity commitment will terminate upon the earliest of:

termination of the merger agreement;

if Merger Co breaches any representation, warranty, covenant or agreement under the merger agreement and members of the investor group whose aggregate dollar commitments as set forth above constitute a majority of the aggregate dollar commitments made by the entire investment group as set forth above agree to terminate the commitments; and

SunGard or any of its affiliates asserts in any litigation or other proceeding any claim under any limited guarantee of any member of the investor group issued in connection with the equity commitments.

(CGMI), Deutsche Bank Trust Company Americas, Deutsche Bank AG Cayman Islands Branch (DBCI), Deutsche Bank AG New York Branch (DBNY), Deutsche Bank Securities Inc. (DBSI), Goldman Sachs Credit Partners L.P. (GSCP) and Morgan Stanley Senior Funding, Inc. to a wholly-owned, bankruptcy-remote, special purpose subsidiary of the surviving corporation, one or more trade receivables commercial paper co-purchase conduit facilities with an aggregate availability not to exceed \$500 million (provided that to the extent the amount available under this receivables facility at the closing of the merger is less than \$500 million, the Debt Financing Sources have agreed that the aggregate amount of the term facilities under the senior secured credit agreement will be increased by the amount of such shortfall); and

to a direct, holding company parent (Holdings) of the surviving corporation, up to \$500 million of pay-in-kind senior loans under a bridge facility for the purpose of financing the merger, repaying or refinancing certain existing indebtedness of SunGard and its subsidiaries and paying fees and expenses incurred in connection with the merger.

The debt commitments expire on October 10, 2005. The documentation governing the senior secured facilities, the bridge facilities and the receivables facility has not been finalized and, accordingly, their actual terms may differ from those described in this proxy statement. Except as described herein, there is no current plan or arrangement to finance or repay the debt financing arrangements.

Conditions Precedent to the Debt Commitments

The availability of the senior secured credit facilities, the bridge facilities and the receivables facility are subject, among other things, to satisfaction of conditions corresponding to the company material adverse effect and market MAC conditions in the merger agreement, consummation of the merger in accordance with applicable law and the merger agreement (and no provision thereof being waived or modified in a manner material and adverse to the lenders without the consent of the Debt Financing Sources), payment of required fees and expenses and the negotiation, execution and delivery of definitive documentation.

Table of Contents

Senior Secured Credit Facilities

General. The borrowers under the senior secured credit facilities will be Merger Co or SunGard, initially, and the surviving corporation, upon consummation of the merger, and one or more of its subsidiaries. The senior secured credit facilities will be comprised of a \$1 billion revolving credit facility (decreased to \$750 million if the Holdings bridge or Holdings notes described below are funded at closing of the merger) with a term of six years and a \$4 billion term loan facility (increased to the extent availability under the receivables facility described below is less than \$500 million at the closing of the merger) with a term of seven years and six months. The revolving credit facility will include sublimits for the issuance of letters of credit and swingline loans and will be available in dollars, sterling and euros. No alternative financing arrangements or alternative financing plans have been made in the event that the senior secured credit facilities are not available as anticipated.

JPMorgan and CGMI have been appointed as co-lead arrangers for the senior secured credit facilities and each of JPMorgan, CGMI and DBSI have been appointed joint bookrunners for the senior secured credit facilities. JPMCB will be the sole administrative agent and each of DBSI and CGMI will be co-syndication agents for the senior secured credit facilities. In addition, additional agents or co-agents for the senior secured credit facilities may be appointed prior to completion of the merger.

Interest Rate and Fees. Loans under the senior secured facilities will, at the option of the borrowers, bear interest at (1) a rate equal to LIBOR (London interbank offer rate) plus an applicable margin expected to be 2.50% initially or (2) a rate equal to the higher of (a) the prime rate of JPMorgan Chase Bank, N.A. and (b) the federal funds effective rate plus 0.50%, plus an applicable margin expected to be 1.50% initially. After the surviving corporation's delivery of financial statements for the first full fiscal quarter ending after the effective date of the merger, the applicable margins will be subject to decrease pursuant to a leverage-based pricing grid.

In addition, the surviving corporation will pay customary commitment fees (subject to decreases based on leverage) and letter of credit fees under the senior secured credit facilities. Upon the initial funding of the senior secured credit facilities, Merger Co has also agreed to pay an underwriting fee to the Debt Financing Sources.

Prepayments and Amortization. The borrowers will be permitted to make voluntary prepayments at any time, without premium or penalty, and required to make mandatory prepayments of term loans with (1) net cash proceeds of non-ordinary course asset sales (subject to reinvestment rights and other exceptions), (2) issuances of debt (other than permitted debt) and (3) a percentage of the surviving corporation's excess cash flow (to be defined). The term loans are expected to be repaid in equal quarterly installments on the last day of each March, June, September and December, commencing with the first such date to occur after the closing of the senior credit facilities, in an aggregate annual amount equal to 1% of the original principal amount thereof, with the balance payable on the final maturity date of the term loans.

Guarantors. All obligations under the senior secured credit facilities will be guaranteed by Holdings and each of the existing and future direct and indirect, wholly-owned domestic subsidiaries of the surviving corporation and the obligations of any U.K. subsidiary borrower under the revolving credit facility will also be guaranteed by each wholly-owned U.K. subsidiary of the surviving corporation, in each case other than certain immaterial subsidiaries and only to the extent permitted by applicable law. If the guarantee is not provided at closing despite the use of commercially reasonable efforts to do so, the delivery of the guarantee will not be a condition precedent to the availability of the senior secured credit facilities on the closing date, but instead will be required to be delivered following the closing date.

Table of Contents

Security. The obligations of the borrowers and the guarantors under the senior secured credit facilities will be secured, subject to permitted liens (including any pari passu liens required by the terms of the existing Senior Notes) and other agreed upon exceptions, by all the capital stock of the surviving corporation and its subsidiaries (limited, in the case of foreign subsidiaries, to 65% of the capital stock of such subsidiaries) and substantially all present and future assets of Holdings, the surviving corporation and each other domestic guarantor. In addition, obligations of U.K subsidiary borrowers under the revolving credit facility will be secured, subject to permitted liens and other agreed upon exceptions, by all the capital stock of each wholly-owned U.K. subsidiary of the surviving corporation and substantially all present and future assets of the U.K. borrowers and guarantors to the extent it would not result in adverse tax consequences to the surviving corporation. If the security is not provided at closing despite the use of commercially reasonable efforts to do so, the delivery of the security will not be a condition precedent to the availability of the senior secured credit facilities on the closing date, but instead will be required to be delivered following the closing date.

Other Terms. The senior secured credit facilities will contain customary representations and warranties and customary affirmative and negative covenants, including, among other things, restrictions on indebtedness, investments, sales of assets, mergers and consolidations, prepayments of subordinated indebtedness, capital expenditures, liens and dividends and other distributions and a minimum interest coverage ratio and a maximum total leverage ratio. The senior secured facilities will also include customary events of defaults, including a change of control to be defined.

High Yield Debt Financing

Either Merger Co or SunGard is expected to issue \$3 billion aggregate principal amount of senior unsecured and/or senior subordinated notes and Holdings may, at its option, issue senior unsecured discount notes yielding up to \$500 million. The notes will not be registered under the Securities Act and may not be offered in the United States absent registration or an applicable exemption from registration requirements. Either SunGard or Merger Co, and a parent entity of Merger Co, if applicable, are expected to offer the notes to qualified institutional buyers, as defined in Rule 144A under the Securities Act and to non-U.S. persons outside the United States in compliance with Regulation S under the Securities Act.

Bridge Facilities

If the offering of notes by the surviving corporation is not completed on or prior to the closing of the merger, the Debt Financing Sources have committed to provide up to \$3 billion in loans under a senior subordinated bridge facility to Merger Co or SunGard. After consummation of the merger, the surviving corporation will be the borrower under the senior subordinated bridge facility. If Holdings chooses and the offering of notes by Holdings is not completed on or prior to the closing of the merger, the Debt Financing Sources have committed to provide up to \$500 million pay-in-kind loans under a senior bridge facility to Holdings.

If the bridge loans are not paid in full on or before the first anniversary of the merger, the holders of the outstanding bridge loans may choose to exchange such loans for exchange notes that the surviving corporation or Holdings, as applicable, would be required to register for public sale under a registration statement in compliance with applicable securities laws. The maturity of any bridge loans that are not exchanged for exchange notes will be automatically extended to the tenth anniversary of the closing of the merger and any exchange notes will mature nine years after the date of exchange.

Table of Contents

DBSI and CGMI have been appointed as joint lead arrangers for the bridge facilities and each of DBSI, CGMI, JPMorgan, GSCP and MSSF have been appointed joint bookrunners for the bridge facilities. In addition, DBCI will act as the sole administrative agent for the bridge facilities. In addition, additional agents or co-agents for the bridge facilities may be appointed prior to completion of the merger.

Receivables Facility

General. Under the receivables facility, the surviving corporation will set up a wholly-owned, bankruptcy-remote, special purpose subsidiary that will purchase trade receivables generated by certain domestic subsidiaries of the surviving corporation (sellers) utilizing funding provided through the sale of undivided interests in such receivables on an uncommitted basis to commercial paper conduits sponsored by JPMorgan Chase Bank, N.A., Citibank North America, Inc. and Deutsche Bank AG New York Branch that is backed up by purchase commitments from the conduit sponsors. The receivables facility is expected to provide for funding of up to \$500 million at the closing of the merger based on availability of eligible receivables and other customary factors. If availability under the receivables facility is less than \$500 million at the closing of the merger, the amount of the term loan funded under the senior secured credit facility is expected to be increased in an amount equal to such deficiency.

Maturity. The obligation of the conduit sponsors to purchase receivables under the receivables facility will expire on the sixth anniversary of the closing of the merger.

Interest and Fees. The commercial paper conduits will provide funding at their quoted costs of funds for issuing commercial paper on a matched or pool-funded basis. When not funded by the commercial paper conduits (but directly through conduit sponsors), the receivables facility will provide funding at the then-current spread under the senior secured revolving credit facility plus a rate equal to either (1) LIBOR or (2) the higher of (a) the prime rate of JPMorgan Chase Bank, N.A. and (b) the federal funds effective rate plus 0.50%.

The receivables facility fees will include a usage fee equal to 1.50% per annum of the amount funded and a commitment fee of 0.50% on the unused portion of the commitments. The usage fee will be subject adjustment based upon the surviving corporation's leverage ratio. Merger Co has also agreed that an underwriting fee will be paid to the relevant Debt Financing Sources based on the aggregate amount of the receivables facility available at the closing of the merger.

Recourse. The purchasers under the receivables facility will have recourse for credit losses on the purchased receivables under the receivables facility only to the receivables and related assets held by the receivables subsidiary. Recourse to the sellers will be limited to breaches of representations, warranties and covenants customary for limited recourse facilities of this type. The receivables facility lenders will have a security interest in the receivables and related proceeds. The sellers will continue to service the receivables. The surviving corporation will guaranty the servicing and certain other performance obligations of the sellers under the receivables facility.

Existing Senior Notes

In January 2004, SunGard issued \$250 million aggregate principal amount of 3.750% senior notes due 2009 and \$250 million aggregate principal amount of 4.875% senior notes due 2014 under a single indenture. The entire principal amount of the existing senior notes will remain outstanding after completion of the merger and will be equally and ratably secured by the collateral securing obligations under the new senior secured credit facilities described above under Special Factors Debt Financing Senior Secured Credit Facilities to the extent required pursuant to

the terms of the indenture governing the existing senior notes.

Guarantee; Remedies

In connection with the merger agreement, the members of the investor group have agreed to guarantee the due and punctual observance, performance and discharge of certain of the payment obligations of Merger Co under the merger agreement, up to a maximum amount equal to their respective pro rata share of \$300 million. Each guarantee will remain in full force and effect until the effective time of the merger or, if the merger agreement is terminated, until the second anniversary of the date of such guarantee.

We cannot seek specific performance to require Merger Co to complete the merger, and our exclusive remedy for the failure of Merger Co to complete the merger is a termination fee of \$300 million payable to us in the circumstances described under The Merger Agreement Fees and Expenses. The merger agreement also provides that in no event can we seek to recover in excess of \$300 million for a breach of the merger agreement by Merger Co.

Interests of the Company's Directors and Executive Officers in the Merger

In considering the recommendations of the board of directors, SunGard's stockholders should be aware that some of SunGard's executive officers and one member of its board of directors have interests in the transaction that are different from, and/or in addition to, the interests of SunGard stockholders generally. Although the restricted stock or unvested stock options held by each director will vest as a result of the merger, the members of the board of directors (excluding Mr. Conde) are independent of and have no economic interest or expectancy of an economic interest in Merger Co or its affiliates, and will not retain an economic interest in the surviving corporation or its holding company or holding companies following the merger. These members of the board of directors (which excludes Mr. Conde) evaluated and negotiated the merger agreement and evaluated whether the merger is in the best interests of SunGard's unaffiliated stockholders (other than certain executive officers and other members of senior management who will invest in equity securities of the holding company or holding companies of the surviving corporation). The board of directors was aware of these differing interests and considered them, among other matters, in evaluating and negotiating the merger agreement and the merger and in recommending to the stockholders that the merger agreement be adopted.

Silver Lake Partners and the other members of the investor group indicated in their discussions regarding the transaction that they would not proceed with the transaction unless Mr. Conde and a sufficient number of SunGard's other executive officers and members of senior management made significant investments in the surviving corporation or its holding company or holding companies. Accordingly, Mr. Conde and certain of SunGard's other executive officers and members of senior management (the management participants) have entered into management agreements with the investor group that are described below. Pursuant to the management agreements, the management participants have agreed among other things, to invest an aggregate of approximately \$109.8 million to purchase equity interests in the surviving corporation or its holding company or holding companies. Additional executive officers and members of senior management of SunGard may also invest in the surviving corporation or its parent (any such additional executive officers and members of senior management being the future management participants). Additionally, it is contemplated that Mr. Conde will serve as a director of the surviving corporation and the holding company or holding companies of the surviving corporation.

Management Agreements

In connection with entering into the merger agreement and in contemplation of the merger, as of March 28, 2005, the management participants entered into substantially identical agreements (referred to as the

Table of Contents

management agreements) with the investor group. The management agreements would terminate upon the termination of the merger agreement. The material terms of the management agreements are as follows:

Upon the closing of the merger, the management participant has agreed to make a minimum equity investment in the surviving corporation or its holding company or holding companies in the amount specified in the management agreement. That equity investment includes the intrinsic value of the performance-based stock options granted to the management participant in 2005. The agreed upon equity investment may be made by paying cash, by contributing SunGard shares to Merger Co, or by not exercising existing options for SunGard shares, which will be converted into options for shares in the surviving corporation or its holding company or holding companies.

Upon the closing of the merger, the surviving corporation or its holding company or holding companies will grant new awards of equity under the equity plan of the surviving corporation or its holding company or holding companies to the management participant in a percentage interest specified in the management agreement.

The surviving corporation and the management participant have agreed to enter into a definitive employment agreement and related agreements to be effective as of the closing of the merger, which will contain the terms and conditions of the management participant's employment after the closing of the merger, and the terms and conditions relating to the management participant's equity investment and new equity award. Certain of these terms and conditions are more fully described below under Special Factors Employment Agreements with the Surviving Corporation.

Effective as of the closing of the merger, and conditioned upon the closing of the merger and entering into a definitive employment agreement and related agreements, the Change in Control Agreement previously entered into as of December 15, 2004 or January 13, 2005, as the case may be, between the management participant and SunGard will terminate, except with respect to the management participant's right to receive certain gross-up payments for excise taxes imposed on the management participant by reason of the merger.

It is anticipated that any future management participants will enter into similar management agreements.

SunGard Stock Options and Restricted Stock

The merger agreement provides that immediately prior to the effective time of the merger, all outstanding options for SunGard common stock (including those held by our executive officers) will become fully vested and immediately exercisable. Directors of SunGard who are not employees of SunGard do not hold any options for SunGard common stock.

The table below sets forth, as of April 1, 2005, for each of SunGard's executive officers, (a) the number of shares subject to vested options for SunGard common stock, (b) the value of such vested options, calculated by multiplying (i) the excess of \$36.00 over the per share exercise price of the option by (ii) the number of shares subject to the option, and without regard to deductions for income taxes and other withholding, (c) the number of additional options that will vest upon effectiveness of the merger, (d) the value of such additional options, calculated by multiplying (i) the excess of \$36.00 over the per share exercise price of the option by (ii) the number of shares subject to the option, and without regard to deductions for income taxes and other withholding, (e) the aggregate number of shares subject to vested options and options that will vest as a result of the merger for such person and (f) the aggregate value of all such vested options and options that will vest

as a result of the merger, calculated by multiplying (i) the excess of \$36.00 over the per share exercise price of the option by (ii) the number of shares subject to the option, and without regard to deductions for income taxes and other withholding. With certain limited exceptions, performance-based SunGard stock options granted in 2005 will not become exercisable by reason of the merger and will convert into options for stock of the holding company or companies of SunGard.

All executive officers who are not management participants or future management participants will receive cash in respect of their options in the amounts set forth above, less applicable withholding taxes. Executive officers who are management participants or future management participants will also be able to receive cash in respect of their options in the amounts set forth above (less applicable withholding taxes) by exercising their options immediately prior to the completion of the merger, and receiving in the merger the \$36.00 per share merger consideration for the shares received upon such exercise. To the extent that a management participant wishes to exercise existing stock options, Credit Suisse First Boston has agreed to facilitate that exercise by being available, immediately prior to closing, to purchase the shares of SunGard common stock issuable upon exercise of such option from the management participant. This purchase will provide the management participant with immediately available funds to satisfy the exercise price owed to the Company as well as withholding taxes. Credit Suisse First Boston will purchase the option shares for the \$36.00 per share merger price less a small discount principally to reflect the cost of capital during the anticipated delay between the closing of the merger and the time Credit Suisse First Boston receives the merger consideration in exchange for the purchased option shares. Options held by management participants or future management participants that are not exercised prior to the completion of the merger will be counted toward such management participants' agreed upon or permitted equity investment in the holding company or holding companies of the surviving corporation.

Directors of SunGard who are not employees of SunGard participate in the SunGard Data Systems Inc. Restricted Stock Award Plan for Outside Directors. Pursuant to the terms of that plan, all restrictions on shares held by participants lapse upon the occurrence of a change in control as defined in the plan, including the merger. Accordingly, any restricted shares held by the directors under the plan will fully vest and become unrestricted as a result of the merger. These shares, once fully vested and unrestricted, will be treated the same as all other outstanding shares of SunGard's common stock under the merger agreement. The table below sets forth for each non-employee director of SunGard (a) the number of shares that will fully vest and become unrestricted as a result of the merger (excluding any currently restricted shares that are scheduled to vest and become unrestricted at the annual meeting other than as a result of the merger), and (b) the total payment to the directors with respect to those shares, calculated by multiplying (i) the \$36.00 per share merger consideration by (ii) the number of shares described in clause (a).

Equity Investment in the Holding Company or Holding Companies of the Surviving Corporation by Executive Officers

Pursuant to the management agreements described above, the management participants have agreed to participate in the merger by making an equity investment in the surviving corporation or its holding company or holding companies and acquiring shares of stock or options to acquire such shares in the surviving corporation or its holding company or holding companies on the same basis as that of the other non-employee equity investors in the surviving corporation or its holding company or holding companies. Such equity investment includes the intrinsic value (the number of option shares multiplied by the difference between \$36.00 and the option exercise price) of the performance-based SunGard stock options granted to the management participant in 2005. The agreed upon equity investment may be made by paying cash for stock of the surviving holding company or holding companies of the corporation, by contributing SunGard shares in exchange for stock of the holding company or holding companies of the surviving corporation, or by not exercising existing options for SunGard shares and having them converted into options for stock of the holding company or holding companies of the surviving corporation. Any option so converted will have the same intrinsic value as it had prior to conversion, and the other terms of such option will remain substantially the same. In addition, the management participants will be permitted to make additional equity investments (up to an amount and at a time to be determined) on the same terms and conditions as those of the agreed upon equity investments described above. The total aggregate equity investment agreed to be made by all of the management participants is approximately \$109.8 million, or approximately 3% of the total equity of the holding company or holding companies of the surviving corporation.

Table of Contents

The table below sets forth the approximate amount of the agreed upon equity investment for each of the management participants. These amounts assume that all of the agreed upon investment will be made on a tax deferred basis (for example, by rolling over stock options), and may be reduced if a cash investment must be made because a tax deferred investment is not feasible or practical. Such investment may also be reduced if the aggregate equity investment in the surviving corporation or its holding company or holding companies (including the investment of the management participants and the investment by the investor group) falls below 24% of the total capitalization of the surviving corporation or its holding company or holding companies or if the final purchase price is less than \$36.00 per share.

Option Awards in the Holding Company or Holding Companies of the Surviving Corporation

In connection with the merger, the holding company or holding companies of the surviving corporation will adopt an option plan under which employees (including the executive officers) will be eligible to receive awards of stock options for stock of the holding company or holding companies of the surviving corporation. The aggregate shares issuable pursuant to grants under that plan are expected to be approximately 15% of the fully diluted equity of the holding company or holding companies of the surviving corporation immediately after consummation of the merger. Of the contemplated 15% of such stock, 6% of the fully diluted stock will be subject to awards of options that will vest solely upon the continued performance of services by the option holder over time, and 9% of the fully diluted stock will be subject to awards of options that will vest upon the achievement of predetermined performance targets over time, subject to the option holder's continued performance of services. Options granted at the time of the merger will have a per share exercise price based on the equity value of the holding company or holding companies of the surviving corporation at the time of closing. Options granted after the completion of the merger will have a per share exercise price based on fair market value of the underlying shares of the holding company or holding companies of the surviving corporation at the time of the grant.

Time-based options vest solely on the basis of a person's continued employment, with 25% of the award vesting one year after closing, and 1/48 of the remaining balance vesting each month thereafter for 48 months. Of the 6% time-based options to be granted, 4.643% will be granted to executive officers and senior management of SunGard (collectively, "senior management") at the time of the merger, 1% will be granted to other key employees, and 0.357% are reserved for future hires, promotions and rebalancing. To the extent that the 0.357% reserve is not used for future hires, promotions, or rebalancing, an additional 0.0714% will be awarded to senior management (other than

Table of Contents

the chief executive officer, or CEO) at the end of each of 2006 and 2007. Thereafter, if unused in each such year, the remaining 0.2142% will be awarded by the CEO in consultation with the compensation committee of the board of directors of the holding company or holding companies of the surviving corporation (the compensation committee).

Performance-based options vest on the basis of a person s continued employment and the attainment of certain pre-determined earnings goals for the surviving corporation during the six-year period beginning January 1, 2005. Of the 9% performance-based options to be granted, 8.357% will be granted to senior management (other than the CEO) at the time of the merger, and 0.643% are reserved for future hires, promotions and rebalancing. From the 0.643% reserve, if not used for promotions, new hires, or rebalancing an additional 0.1286% will be awarded to senior management (other than the CEO) at the end of each of 2006, 2007 and 2008. Thereafter, if unused in each such year, the remaining 0.2572% will be awarded by the CEO in consultation with the compensation committee.

As explained above, 5% of the 6% time-based option pool and all of the 9% performance-based option pool will be allocated to senior management, providing a total pool of 14% for senior management. The table below sets forth the anticipated percentage of this 14% option pool to be granted to the executive officers of SunGard.

Employment Agreements with the Holding Company of the Surviving Corporation

Pursuant to the management agreements, each management participant has agreed to enter into a definitive employment agreement (in accordance with the terms and conditions of such management participant s respective management agreement) with the surviving corporation (or its parent) that will govern the terms of each management participant s employment after the closing of the merger, to be effective upon closing of the merger. The terms include the following:

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form DEF 14A

the management participant will retain the same position as that held with SunGard prior to the merger, unless otherwise mutually agreed with the surviving corporation;

the term of the new employment agreement with the surviving corporation will be through December 31, 2010, with one-year renewals automatically effective one year before expiration, unless terminated on one year's advance notice by either party;

Table of Contents

the management participant will retain the same base salary as that payable by SunGard prior to the merger, subject to annual adjustments, if any, made by the board of directors of the surviving corporation or its holding company or holding companies, in consultation with the CEO;

the management participant will be provided the opportunity to earn an annual cash bonus provided that the aggregate bonus opportunity for the management participants as a group will be consistent with that provided by SunGard to executives as a group prior to the merger, although the board of directors of the surviving corporation or its holding company or holding companies may re-align the performance metrics and other terms in consultation with the CEO;

the management participant will be provided employee benefits consistent with those provided by SunGard to executives prior to the merger;

the management participant will participate in the option plan of the surviving corporation or its holding company or holding companies as described above;

the management participant will have the right to receive certain severance payments and benefits from the surviving corporation or its holding company or holding companies, including upon a termination without cause, a resignation for good reason or a change in control, consistent with the severance payments and benefits provided for under the management participant's existing change in control agreement; and

the management participant will be subject to certain restrictive covenants (noncompetition, confidentiality and nonsolicitation) with the surviving corporation or its holding company or holding companies that are consistent with those to which the management participant is subject under his or her existing change in control agreement.

Change in Control Payments to Management Participants

The management participants and future management participants of SunGard will not be entitled to any change in control severance payments or benefits under the terms of their existing change in control agreements as a result of the merger. Pursuant to the terms of the management agreements, effective as of the closing of the merger, and conditioned upon the closing of the merger and entering into a definitive employment agreement and related agreements with the surviving corporation or its holding company or holding companies, the change in control agreement previously entered into by each management participant and future management participant as of December 15, 2004 or January 13, 2005, as the case may be, with SunGard will terminate, and the management participants and future management participants will have no further rights or entitlements under such agreements, except with respect to the right to receive certain gross-up payments for excise taxes, if any, imposed under Section 4999 of the Internal Revenue Code on the management participant or future management participant by reason of accelerated vesting of stock options held by the management participants. The change in control agreements of those executive officers and members of senior management of SunGard who do not enter into management agreements will continue in full force and effect following the merger.

Indemnification and Insurance

The merger agreement provides that the certificate of incorporation of the surviving corporation will contain provisions no less favorable with respect to exculpation and indemnification of our directors, officers, employees, fiduciaries or agents than those set forth in the Company's bylaws. The indemnification provisions in the surviving corporation's certificate of incorporation will not be

Table of Contents

amended or repealed in any manner adverse to persons entitled to rights under those provisions on or prior to the effective time for a period of six years following the effective time of the merger.

The surviving corporation has agreed to indemnify, to the same extent as provided in our bylaws or any other applicable contract in effect on March 27, 2005 each of our present and former directors and officers against all expenses, losses and liabilities incurred in connection with any claim, proceeding or investigation arising out of any act or omission in their capacity as an officer or director occurring on or before the effective time of the merger.

The merger agreement requires that the surviving corporation either:

obtain tail directors and officers insurance policies in an amount and scope at least as favorable as the Company's existing policies and with a claims period of at least six years from the effective time of the merger for claims arising from facts or events that occurred on or prior to the effective time; or

maintain in effect, for a period of six years after the effective time of the merger, our current directors and officers liability insurance policies with respect to matters occurring prior to the effective time or obtain policies of at least the same coverage, subject to a maximum annual premium of 250% of our current premium. If the annual premiums of insurance coverage exceed 250% of our current annual premium, the surviving corporation must obtain a policy with the greatest coverage available for a cost not exceeding 250% of the current annual premium paid by us.

The obligations described above regarding directors and officers indemnification and insurance must be assumed by any successor entity to Merger Co or the surviving corporation as a result of any consolidation, merger or transfer of all or substantially all properties and assets.

Amendment to the Company's Rights Agreement

On January 18, 2000, SunGard entered into a rights agreement with Wells Fargo Bank, N.A., as rights agent, in order to ensure that any strategic transaction undertaken by SunGard would be one in which all stockholders can receive fair and equal treatment and to guard against coercive or other abusive takeover tactics that might result in unequal treatment of SunGard's stockholders. In general, the rights agreement imposes a significant penalty upon any person or group that acquires 15% or more of SunGard's outstanding common stock without the approval of our board of directors.

On March 27, 2005, immediately prior to the execution of the merger agreement, the Company and the rights agent entered into an amendment to the rights agreement which provides that neither the execution of the merger agreement nor the consummation of the merger will trigger the provisions of the rights agreement.

In particular, the amendment to the rights agreement provides that neither Merger Co nor any of its affiliates (the exempted persons) shall be deemed to be an Acquiring Person, and neither a Distribution Date nor a Shares Acquisition Date shall be deemed to have occurred, in each case solely by virtue of or as a result of:

any agreements, arrangements or understandings among the exempted persons in connection with the merger agreement or the merger;

the execution and delivery of the merger agreement; or

the acquisition of any shares of SunGard common stock pursuant to the merger agreement or the consummation of the merger.

The amendment to the rights agreement also redefines *Expiration Date* to include a potential earlier date and time immediately before the merger becomes effective.

Material U.S. Federal Income Tax Consequences

The following discusses, subject to the limitations stated below, the material U.S. federal income tax consequences of the merger to U.S. holders of our common stock whose shares of our common stock are converted into the right to receive cash in the merger (whether upon the receipt of the merger consideration or pursuant to the proper exercise of appraisal rights), as well as the material U.S. federal income tax consequences in the merger to SunGard, Merger Co and the management participants who hold (actually or constructively) an equity interest in the surviving corporation following the Merger. Non-U.S. holders of our common stock may have different tax consequences than those described below and are urged to consult their tax advisors regarding the tax treatment to them under U.S. and non-U.S. tax laws. We base this summary on the provisions of the Internal Revenue Code of 1986, as amended (the *Code*), applicable current and proposed U.S. Treasury Regulations, judicial authority, and administrative rulings and practice, all of which are subject to change, possibly on a retroactive basis.

U.S. Holders

For purposes of this discussion, we use the term *U.S. holder* to mean a beneficial owner of SunGard common stock that is:

a citizen or individual resident of the U.S. for U.S. federal income tax purposes;

a corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the U.S. or any State or the District of Columbia;

a trust if it (1) is subject to the primary supervision of a court within the U.S. and one or more U.S. persons have the authority to control all substantial decisions of the trust or (2) has a valid election in effect under applicable U.S. Treasury Regulations to be treated as a U.S. person; or

an estate the income of which is subject to U.S. federal income tax regardless of its source.

The U.S. federal income taxes of a partner in a partnership holding our common stock will depend on the status of the partner and the activities of the partnership. Partners in a partnership holding shares of our common stock should consult their own tax advisors.

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form DEF 14A

This discussion assumes that you hold the shares of our common stock as a capital asset within the meaning of Section 1221 of the Code (generally, property held for investment). This discussion does not address all aspects of U.S. federal income tax that may be relevant to you in light of your particular circumstances, or that may apply to you if you are subject to special treatment under the U.S. federal income tax laws (including, for example, insurance companies, dealers in securities or foreign currencies, tax-exempt organizations, financial institutions, mutual funds, partnerships or other pass

Table of Contents

through entities for U.S. federal income tax purposes, non-U.S. persons, stockholders who hold shares of our common stock as part of a hedge, straddle, constructive sale or conversion transaction, stockholders who acquired their shares of our common stock through the exercise of employee stock options or other compensation arrangements or stockholders (other than the management participants, to the extent described below) who hold (actually or constructively) an equity interest in the surviving corporation after the merger). In addition, the discussion does not address any tax considerations under state, local or non-U.S. laws or U.S. federal laws other than those pertaining to the U.S. federal income tax that may apply to you. **We urge you to consult your own tax advisor to determine the particular tax consequences to you, including the application and effect of any state, local or non-U.S. income and other tax laws, of the receipt of cash in exchange for our common stock pursuant to the merger.**

The receipt of cash in the merger (whether as merger consideration or pursuant to the proper exercise of appraisal rights) by U.S. holders of our common stock will be a taxable transaction for U.S. federal income tax purposes (and may also be a taxable transaction under applicable state, local and foreign tax laws). In general, for U.S. federal income tax purposes, a U.S. holder of our common stock will recognize gain or loss equal to the difference between:

the amount of cash received in exchange for such common stock and

the U.S. holder's adjusted tax basis in such common stock.

Such gain or loss will be capital gain or loss. If the holding period in our common stock surrendered in the merger is greater than one year as of the date of the merger, the gain or loss will be long-term capital gain or loss. The deductibility of a capital loss recognized on the exchange is subject to limitations under the Code. Certain U.S. holders, including individuals, are eligible for preferential rates of U.S. federal income tax in respect of long-term capital gains. If you acquired different blocks of our common stock at different times and different prices, you must calculate your gain or loss and determine your adjusted tax basis and holding period separately with respect to each block of our common stock.

Under the Code, as a U.S. holder of our common stock, you may be subject to information reporting on the cash received in the merger unless an exemption applies. Backup withholding may also apply (currently at a rate of 28%) with respect to the amount of cash received in the merger, unless you provide proof of an applicable exemption or a correct taxpayer identification number, and otherwise comply with the applicable requirements of the backup withholding rules. Backup withholding is not an additional tax and any amounts withheld under the backup withholding rules may be refunded or credited against your U.S. federal income tax liability, if any, provided that you furnish the required information to the Internal Revenue Service in a timely manner. Each U.S. holder should consult its own tax advisor as to the qualifications for exemption from backup withholding and the procedures for obtaining such exemption.

SunGard, Merger Co and Management Participants

Under general U.S. federal income tax principles, the Merger should not be a taxable event in which gain is recognized to SunGard, Merger Co or the surviving corporation for U.S. federal income tax purposes.

As described above in *Special Factors* *Interests of the Company's Directors and Executive Officers in the Merger*, the management participants will acquire equity interests in the holding company or

Table of Contents

holding companies of the surviving corporation by paying cash (possibly acquired through settling their respective SunGard stock options), contributing shares of SunGard common stock or by not exercising existing SunGard stock options, which will be converted into options for stock in the holding company or holding companies of the surviving corporation. These various transactions may be taxable to management participants, either as ordinary income or capital gain if, for example, they receive and retain cash in the Merger, or tax-free to them if, for example, they transfer or are treated as transferring in a nonrecognition transaction SunGard common stock for stock of the surviving corporation or its holding company or holding companies, in each case depending upon the consideration used by the participant and type of transaction in which new equity investment is acquired. Since the U.S. federal tax treatment will be particular to each management participant, they are urged to discuss their treatment with their own tax advisors.

Regulatory Approvals

The Hart-Scott-Rodino Antitrust Improvements Act of 1976 and related rules (the HSR Act) provide that transactions such as the merger may not be completed until certain information has been submitted to the Federal Trade Commission and the Antitrust Division of the U.S. Department of Justice and specified waiting period requirements have been satisfied. On April 15, 2005, the Company and Merger Co made the required filings with the Antitrust Division and the Federal Trade Commission, and the applicable waiting period expired on May 16, 2005. In addition, Merger Co made the required antitrust filing under Brazilian law on April 15, 2005.

At any time before or after consummation of the merger, the Antitrust Division or the Department of Justice or the Federal Trade Commission may, however, challenge the merger on antitrust grounds. Private parties could take antitrust action under the antitrust laws, including seeking an injunction prohibiting or delaying the merger, divestiture or damages under certain circumstances. Additionally, at any time before or after consummation of the merger, notwithstanding the expiration or termination of the applicable waiting period, any state could take action under its antitrust laws as it deems necessary or desirable in the public interest. There can be no assurance that a challenge to the merger will not be made or that, if a challenge is made, the Company and Merger Co will prevail.

On May 9, 2005, the Company made the filings required under the rules of the National Association of Securities Dealers, or NASD, and the New York Stock Exchange, or NYSE, in respect of the change in control of three of the Company's subsidiaries that are U.S.-registered broker-dealers and members of one or more of such regulatory organizations. The completion of requirements with respect to applicable NASD and NYSE rules is not expected to delay the closing.

Under the merger agreement, the Company and Merger Co have agreed to use their reasonable best efforts to obtain all required governmental approvals in connection with the execution of the merger agreement and completion of the merger. In addition, Merger Co has agreed to take whatever action as may be necessary to resolve any objections asserted on antitrust grounds with respect to the merger.

Except as noted above with respect to the required filings under the HSR Act and the antitrust laws of Brazil, the filings with the NYSE, NASD and certain other regulatory organizations, and the filing of a certificate of merger in Delaware at or before the effective date of the merger, we are unaware of any material federal, state or foreign regulatory requirements or approvals required for the execution of the merger agreement or completion of the merger.

Table of Contents**Fees and Expenses of the Merger**

SunGard estimates that it will incur, and will be responsible for paying, transaction-related fees and expenses, consisting primarily of financial advisory fees, SEC filing fees, HSR Act filing fees, fees and expenses of attorneys and accountants and other related charges, totaling approximately \$50.7 million. This amount consists of the following estimated fees and expenses:

Description	Amount
Financial advisory fees and expenses	\$ 38,800,000
Legal, accounting and tax advisory fees and expenses	\$ 8,000,000
HSR Act filing fees	\$ 280,000
SEC Filing fees	\$ 1,300,000
Printing, proxy solicitation and mailing costs	\$ 365,000
Miscellaneous	\$ 2,000,000

In addition, if the merger agreement is terminated under certain circumstances, the Company will be obligated to pay a termination fee of \$300 million as directed by Merger Co (unless such termination is in connection with the sale of the Company's availability services business, in which case the termination fee payable will be \$200 million), and will be obligated under certain circumstances to pay the expenses of Merger Co, up to \$25 million (in addition to any termination fee otherwise payable).

Litigation Related to the Merger

SunGard is aware of three purported class action lawsuits related to the merger filed against SunGard, each of its directors and Merger Co in the Court of Chancery of the State of Delaware, in and for New Castle County. The lawsuits and dates of filing are as follows: *Garco Investments, LLP v. SunGard Data Systems Inc., et al.*, C.A. No. 1221-N (filed on April 1, 2005), *Nick Sanna v. SunGard Data Systems, Inc., et al.*, C.A. No. 1327-N (filed on May 6, 2005) and *Jeffrey P. Jannett v. SunGard Data Systems, Inc., et al.*, C.A. No. 1331-N (filed on May 9, 2005). The complaints allege, among other things, that the merger consideration to be paid to the stockholders of SunGard in the merger is unfair and inadequate. In addition, the complaints allege that the directors of SunGard violated their fiduciary duties by, among other things, failing to engage in a fair sale process and invite other bidders, failing to conduct an active market check of SunGard's value, and agreeing, under certain circumstances, to pay a termination fee to Merger Co. Two of the complaints (*Sanna* and *Jannett*) also allege, among other things, that the defendants have failed to provide adequate disclosures in this proxy statement regarding the timing of, and the reasons behind, the Company's decision to abandon its previously announced plan to spin off its availability services business. The complaints seek, among other relief, class certification of the respective lawsuits, an injunction preventing completion of the merger (or rescinding the merger if it is completed prior to the receipt of such relief), compensatory and/or rescissory damages to the class, attorneys' fees and expenses, along with such other relief as the court might find just and proper. These three actions were consolidated on May 24, 2005. SunGard believes these lawsuits are without merit and plans to defend them vigorously. The defendants must answer or respond to these complaints by June 27, 2005. Additional lawsuits pertaining to the merger could be filed in the future.

Certain Projections

In connection with the investor group's review of SunGard and in the course of the negotiations between SunGard and the investor group described in Special Factors' Background of the Merger, SunGard provided the investor group and its financing sources with the Company's budget for 2005. Additionally, SunGard provided Credit Suisse First Boston and Lazard with projections for fiscal years 2005 through 2009 for

use by them in their respective fairness analyses as summarized under Special

Table of Contents

Factors Opinion of Credit Suisse First Boston LLC and Special Factors Opinion of Lazard Frères & Co. LLC. The non-public information SunGard provided included projections of SunGard's operating performance for fiscal years 2005 through 2009 (the projections), which do not give effect to the merger or the financing of the merger.

SunGard does not, as a matter of course, publicly disclose projections of future revenues or earnings. The projections were not prepared with a view to public disclosure and are included in this proxy statement only because such information was made available to the investor group in connection with their respective due diligence investigations of SunGard and to Credit Suisse First Boston and Lazard for use by them in their respective fairness analyses. The projections were not prepared with a view to compliance with published guidelines of the Securities and Exchange Commission or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. The projections included in this proxy statement have been prepared by, and are the responsibility of, SunGard's management. PricewaterhouseCoopers LLP has neither examined nor compiled the projections and, accordingly, PricewaterhouseCoopers LLP does not express an opinion or any other form of assurance with respect thereto. The PricewaterhouseCoopers LLP report incorporated by reference in this proxy statement relates to SunGard's historical financial information. It does not extend to the projections and should not be read to do so. In compiling the projections, SunGard's management took into account historical performance, combined with estimates regarding revenues, operating income, EBITDA and capital spending. The projections were developed in a manner consistent with management's historical development of budgets and were not developed for public disclosure. Although the projections are presented with numerical specificity, these projections reflect numerous assumptions and estimates as to future events made by SunGard's management that SunGard's management believed were reasonable at the time the projections were prepared. In addition, factors such as industry performance and general business, economic, regulatory, market and financial conditions, all of which are difficult to predict and beyond the control of SunGard's management, may cause the projections or the underlying assumptions to be inaccurate. Accordingly, there can be no assurance that the projections will be realized, and actual results may be materially greater or less than those contained in the projections. The inclusion of this information should not be regarded as an indication that the investor group, Credit Suisse First Boston, Lazard or any other recipient of this information considered, or now considers, it to be a reliable prediction of future results.

SunGard does not intend to update or otherwise revise the projections to reflect circumstances existing after the date when made or to reflect the occurrence of future events even in the event that any or all of the assumptions underlying the projections are shown to be in error.

SunGard provided the investor group with 2005 budget information, as shown below.

SunGard management developed the 2005 budget from budget information provided by each of SunGard's individual business units, which in each case was based in part on revenue assumptions and estimates made on a customer-by-customer basis. The 2005 budget also incorporates assumptions regarding expenses (based in part on detailed employee cost analyses) and capital expenditure assumptions reflected in the budget information from the individual business units. In compiling the business unit budget information to develop the 2005 budget, SunGard management took into account growth rate and margin assumptions that were consistent with recent actual results and with current expectations in light of market conditions. These customer revenue assumptions made by SunGard's individual business units and the assumptions made by SunGard management regarding growth rates and margins represent all of the material assumptions and estimates made in connection with the preparation of the 2005 budget.

In conjunction with providing the investor group the 2005 budget information, SunGard management advised the investor group that in preparing projections for 2006 and 2007, the investor group could target an organic growth rate assumption for SunGard as a whole of between 5% and 7% per year and an operating income margin assumption for SunGard as a whole of between 21% and 23%.

Additionally, SunGard provided Credit Suisse First Boston, Lazard and the investor group with projections for fiscal years 2005 through 2009, as shown below.

THE ANNUAL MEETING

Time, Place and Purpose of the Annual Meeting

This proxy statement is being furnished to our stockholders as part of the solicitation of proxies by our board of directors for use at the annual meeting to be held on _____, 2005, starting at _____ a.m. New York time, at _____. The purpose of the annual meeting is for our stockholders to consider and vote upon a proposal to adopt the merger agreement, to adjourn or postpone the meeting, if necessary or appropriate, to solicit additional proxies, to elect nominees to serve on our board of directors, to ratify the appointment of SunGard's independent registered public accounting firm and to act on other matters and transact other business, as may properly come before the meeting. A copy of the merger agreement is attached to this proxy statement as Annex A. This proxy statement, the notice of the annual meeting and the enclosed form of proxy are first being mailed to our stockholders on _____, 2005.

Record Date, Quorum and Voting Power

The holders of record of SunGard's common stock at the close of business on _____, 2005, the record date for the annual meeting, are entitled to receive notice of, and to vote at, the annual meeting. As of the record date, there were _____ shares of our common stock issued and outstanding, all of which are entitled to be voted at the annual meeting.

Each outstanding share of our common stock on the record date entitles the holder to one vote on each matter submitted to stockholders for a vote at the annual meeting.

The holders of a majority of the outstanding common stock on the record date, represented in person or by proxy, will constitute a quorum for purposes of the annual meeting. A quorum is necessary to hold the annual meeting. Once a share is represented at the annual meeting, it will be counted for the purpose of determining a quorum at the annual meeting and any adjournment or postponement of the annual meeting. However, if a new record date is set for the adjourned annual meeting, then a new quorum will have to be established.

Required Vote

For us to complete the merger, stockholders holding at least a majority of the shares of our common stock outstanding at the close of business on the record date must vote FOR the adoption of the merger agreement. The director nominees will be elected by a plurality of the votes cast at the annual meeting. The proposal to adjourn or postpone the meeting, if necessary or appropriate, to solicit additional proxies and the ratification of our independent registered public accounting firm each requires the affirmative vote of a majority of the shares present and entitled to vote.

In order for your shares of our common stock to be included in the vote, if you are a stockholder of record, you must vote your shares by returning the enclosed proxy, by voting over the Internet or by telephone, as indicated on the proxy card, or by voting in person at the annual meeting.

If your shares are held in street name by your broker, you should instruct your broker how to vote your shares using the instructions provided by your broker. If you have not received such voting instructions or require further information regarding such voting instructions, contact your broker and it can give you directions on how to vote your shares. A broker non-vote generally occurs when a

Table of Contents

broker, bank or other nominee holding shares on your behalf does not vote on a proposal because the nominee has not received your voting instructions and lacks discretionary power to vote the shares. Generally, nominees have the discretion to vote for directors and the ratification of the appointment of our independent registered public accounting firm, unless you instruct otherwise. Broker non-votes and abstentions will not count as votes cast on a proposal, but will count for the purpose of determining whether a quorum is present.

As a result, broker non-votes and abstentions will have the same effect as a vote against the adoption of the merger agreement. Broker non-votes and abstentions will also have the same effect as a vote against the adjournment or postponement of the meeting, if necessary or appropriate, to solicit additional proxies and the ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm, but will not affect the outcome of the vote relating to the election of directors.

Voting by Directors and Executive Officers

As of _____, 2005, the record date, the directors and executive officers of SunGard held and are entitled to vote, in the aggregate, _____ shares of our common stock, representing approximately _____ % of the outstanding shares of our common stock. The directors and executive officers have informed SunGard that they intend to vote all of their shares of our common stock FOR the adoption of the merger agreement, FOR the adjournment or postponement of the meeting, if necessary or appropriate, to solicit additional proxies, FOR the election of the nominated directors and FOR the ratification of PricewaterhouseCoopers LLP as SunGard's independent registered public accounting firm.

Proxies; Revocation

If you vote your shares of our common stock by signing a proxy, or by voting over the Internet or by telephone as indicated on the proxy card, your shares will be voted at the annual meeting in accordance with the instructions given. If no instructions are indicated on your signed proxy card, your shares will be voted FOR the adoption of the merger agreement, FOR adjournment or postponement of the meeting, if necessary or appropriate to solicit additional proxies, FOR each of the nominees for director, FOR ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm, and in accordance with the recommendations of the Company's board of directors on any other matters properly brought before the meeting for a vote.

You may revoke your proxy at any time before the vote is taken at the annual meeting. To revoke your proxy, you must either advise our Corporate Secretary in writing, deliver a new proxy or submit another vote over the Internet or by telephone, in each case dated after the date of the proxy you wish to revoke, or attend the annual meeting and vote your shares in person. Attendance at the annual meeting will not by itself constitute revocation of a proxy.

If you have instructed your broker to vote your shares, the above-described options for revoking your proxy do not apply and instead you must follow the directions provided by your broker to change these instructions.

SunGard does not expect that any matter other than the proposals to adopt the merger agreement, elect directors and ratify the appointment of our independent registered public accounting firm will be brought before the annual meeting. If, however, an adjournment or postponement of the annual meeting is necessary or appropriate to solicit additional proxies or if another matter is properly

Table of Contents

presented at the annual meeting or any such adjournment or postponement of the annual meeting, the persons appointed as proxies will vote the shares in accordance with the recommendations of the Company's board of directors.

Expenses of Proxy Solicitation

SunGard will pay the cost of this proxy solicitation. In addition to soliciting proxies by mail, directors, officers and employees of SunGard may solicit proxies personally and by telephone, facsimile or other electronic means of communication. These persons will not receive additional or special compensation for such solicitation services. In addition, D. F. King & Co., Inc. will provide solicitation services to us for a fee of approximately \$15,000 plus out-of-pocket expenses. SunGard will, upon request, reimburse brokers, banks and other nominees for their expenses in sending proxy materials to their customers who are beneficial owners and obtaining their voting instructions.

Adjournments and Postponements

Any adjournment or postponement may be made without notice by an announcement made at the annual meeting by the chairman of the meeting. If persons named as proxies by you are asked to vote for one or more adjournments or postponements of the meeting for matters incidental to the conduct of the meeting, such persons will have the authority to vote in their discretion on such matters. However, if persons named as proxies by you are asked to vote for one or more adjournments or postponements of the meeting to solicit additional proxies if there are insufficient votes at the time of the meeting to adopt the merger agreement, such persons will only have the authority to vote on such matter as instructed by you or your proxy, or, if no instructions are provided on your signed proxy card, in favor of such adjournment or postponement. Any adjournment or postponement of the annual meeting for the purpose of soliciting additional proxies will allow SunGard stockholders who have already sent in their proxies to revoke them at any time prior to their use.

THE MERGER AGREEMENT (PROPOSAL NO. 1)

The summary of the material terms of the merger agreement below and elsewhere in this proxy statement is qualified in its entirety by reference to the merger agreement, a copy of which is attached to this proxy statement as Annex A and which we incorporate by reference into this document. This summary may not contain all of the information about the merger agreement that is important to you. We encourage you to read carefully the merger agreement in its entirety.

Effective Time

The effective time of the merger will occur at the time that we file a certificate of merger with the Secretary of State of the State of Delaware (or at such later time as is specified in the certificate of merger) on the closing date of the merger. The closing date will occur on the date following the satisfaction or waiver of all of the conditions set forth in the merger agreement that is the earlier of (i) a date during the marketing period (described below) to be specified by Merger Co on no less than three business days' notice to the Company and (ii) the final day of the marketing period, or such other date as the parties may agree.

Marketing Period

For purposes of the merger agreement, "marketing period" means the first period of 15 consecutive business days throughout which:

Merger Co has certain financial information required to be provided by the Company under the merger agreement; and

both the conditions to the obligations of both parties to complete the merger and the conditions to the obligations of Merger Co (other than delivery of an officer's certificate by the Company) to complete the merger are satisfied.

If the marketing period would otherwise end on or after August 19, 2005, the marketing period shall end on October 10, 2005, provided that the marketing period will end on any earlier date which is the third business day following the date the financing for the merger is consummated.

Structure

At the effective time of the merger, Merger Co will merge with and into SunGard. Upon completion of the merger, Merger Co will cease to exist as a separate entity and SunGard will continue as the surviving corporation. All of the Company's and Merger Co's properties, assets, rights, privileges, immunities, powers and purposes, and all of their liabilities, obligations and penalties, will become those of the surviving corporation. Following the completion of the merger, the Company's common stock will be delisted from the NYSE, deregistered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and no longer publicly traded.

Treatment of Stock and Options

Company Common Stock

At the effective time of the merger, each share of our common stock issued and outstanding immediately prior to the effective time of the merger will automatically be canceled and converted into the right to receive \$36.00 in cash, without interest and less applicable withholding taxes, other than Company common stock:

held in the Company's treasury immediately prior to the effective time of the merger, all of which will be cancelled without any payment;

Table of Contents

held by Merger Co or any direct or indirect wholly owned subsidiary of Merger Co immediately prior to the effective time of the merger, all of which will be cancelled without any payment;

held by any direct or indirect wholly owned subsidiary of the Company immediately prior to the effective time of the merger, all of which will remain outstanding; and

as to which the Company's stockholders validly exercise and perfect appraisal rights in compliance with Delaware law, which will be subject to appraisal in accordance with Delaware law.

Company Stock Options

Immediately prior to the effective time of the merger, all outstanding options (including those held by our executive officers) will become fully vested and immediately exercisable unless otherwise agreed between the holder of any such option and Merger Co. All options (other than certain options held by certain executive officers and other employees who will invest in equity securities of the surviving corporation) not exercised prior to the merger will be converted into a right to receive, upon the exercise of the option and payment of the applicable exercise price, an amount of cash equal to \$36.00 multiplied by each share of stock subject to the option. Any option not so exercised will, immediately following such conversion, be cancelled in exchange for an amount in cash (without interest) less applicable withholding taxes, equal to the product of:

the number of shares of our common stock subject to each option, as of the effective time of the merger, multiplied by

the excess of \$36.00 over the exercise price per share of common stock subject to such option.

At the effective time of the merger, at our option, Merger Co will either:

pursuant to an escrow agreement, in form and substance reasonably acceptable to the us, to be entered into prior to the effective time by Merger Co and a bank or trust company reasonably acceptable to us, deposit an amount of cash sufficient to pay the aggregate amount required to be paid to the holders of options to acquire our common stock (other than certain options held by the management participants) with such bank or trust company; or

deliver to the surviving corporation an amount of cash sufficient to pay the aggregate amount required to be paid to the holders of options to acquire our common stock (other than certain options held by certain executive officers and other employees who will invest in equity securities of the surviving corporation).

Certain stock options held by certain executive officers and other employees who will invest in equity securities of the surviving corporation and identified to Merger Co prior to the closing date of the merger that are not exercised prior to the completion of the merger will remain outstanding in accordance with their respective terms, subject to adjustments agreed upon by the holders of such options and Merger Co.

No Further Ownership Rights

After the effective time of the merger, each of our outstanding stock certificates will represent only the right to receive the merger consideration. The merger consideration paid upon surrender of each certificate will be paid in full satisfaction of all rights pertaining to the shares of our common stock represented by that certificate.

Exchange and Payment Procedures

At the effective time of the merger, the surviving corporation will deposit an amount of cash sufficient to pay the merger consideration to each holder of shares of our common stock with a bank or trust company (the paying agent) reasonably acceptable to us. As soon as practicable after the effective time of the merger, the paying agent will mail a letter of transmittal and instructions to you and the other Company stockholders. The letter of transmittal and instructions will tell you how to surrender your Company common stock certificates in exchange for the merger consideration.

You should not return your stock certificates with the enclosed proxy card, and you should not forward your stock certificates to the paying agent without a letter of transmittal.

You will not be entitled to receive the merger consideration until you surrender your Company common stock certificate or certificates to the paying agent, together with a duly completed and executed letter of transmittal and any other documents as the paying agent may require. The merger consideration may be paid to a person other than the person in whose name the corresponding certificate is registered if the certificate is properly endorsed or is otherwise in the proper form for transfer. In addition, the person requesting payment must either pay any applicable stock transfer taxes or establish to the reasonable satisfaction of the surviving corporation that such stock transfer taxes have been paid or are not applicable.

No interest will be paid or will accrue on the cash payable upon surrender of the certificates. Each of the paying agent, the surviving corporation and Merger Co will be entitled to deduct and withhold any applicable taxes from the merger consideration and pay such withholding amount over to the appropriate taxing authority.

At the effective time of the merger, our share transfer books will be closed, and there will be no further registration of transfers of outstanding shares of our common stock. If, after the effective time of the merger, certificates are presented to the surviving corporation or the paying agent for transfer or any other reason, they will be canceled and exchanged for the merger consideration.

None of the paying agent, Merger Co or the surviving corporation will be liable to any person for any shares or cash delivered to a public official pursuant to any applicable abandoned property, escheat or similar law. Any portion of the merger consideration deposited with the paying agent that remains undistributed to the holders of certificates evidencing shares of our common stock for one year after the effective time of the merger, will be delivered, upon demand, to the surviving corporation. Holders of certificates who have not surrendered their certificates within one year after the effective time of the merger may only look to the surviving corporation for the payment of the merger consideration.

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form DEF 14A

If you have lost a certificate, or if it has been stolen or destroyed, then you will be required to make an affidavit of that fact before you will be entitled to receive the merger consideration. In addition, if required by the surviving corporation, you will have to post a bond in a reasonable amount determined by the surviving corporation indemnifying the surviving corporation against any claims made against it with respect to the lost, stolen or destroyed certificate.

Table of Contents

Certificate of Incorporation and Bylaws

The certificate of incorporation of the surviving corporation will be amended as of the effective time of the merger so as to contain the provisions, and only the provisions, contained immediately prior to the effective time of the merger in the certificate of incorporation of Merger Co, except that Article I will read the name of the corporation is SunGard Data Systems Inc. No Solicitation of Transactions

We have agreed that neither we nor any of our subsidiaries or representatives will, directly or indirectly:

solicit, initiate, propose or knowingly encourage the submission of any acquisition proposal;

initiate, participate in or continue discussions or negotiations regarding, or furnish to any third party any non-public information in connection with, or which would reasonably be expected to result in, any acquisition proposal; or

otherwise knowingly cooperate in any way with, or knowingly assist or participate in, or knowingly facilitate or encourage any effort or attempt by any third party with respect to, or which would reasonably be expected to result in, any acquisition proposal.

Table of Contents

For purposes of the merger agreement, **acquisition proposal** means any proposal or offer, including any proposal to or from our stockholders, from any person or group other than Merger Co relating to:

any direct or indirect acquisition or purchase, in a single transaction or series of transactions by such person or group acting in concert, of:

more than 25% of the fair market value (as determined in good faith by our board of directors) of our and our subsidiaries assets (including capital stock of our subsidiaries), taken as a whole;

our investment support systems business;

our availability systems business; or

over 25% of any class of our equity securities;

any tender offer or exchange offer that, if consummated, would result in any person or group beneficially owning 25% or more of any class of our equity securities; or

any merger, consolidation, business combination, recapitalization, liquidation, dissolution or other similar transaction involving us as a result of which any person or group acting in concert would acquire the assets, securities or businesses described above.

For the purposes of the merger agreement, however, an **acquisition proposal** does not include a separation or spin off of one or more of our business units or subsidiaries from us.

The Company or our board of directors, however, is permitted to engage in discussions or negotiations with, or provide any information to, a third party in connection with an unsolicited bona fide written acquisition proposal received after March 27, 2005, if and only to the extent that prior to taking such action our board of directors:

determines in good faith, after consultation with its legal and financial advisors, that the acquisition proposal is, or could reasonably be expected to result in, a superior proposal and determines in good faith (after consultation with its outside legal counsel) that it is required to engage in discussions or provide information to the third party to comply with its fiduciary duties to our stockholders; and

receives from the third party an executed confidentiality agreement containing terms that are substantially similar to and no less favorable to us than those contained in the confidentiality agreement signed with Silver Lake Management Company, L.L.C.

For purposes of the merger agreement, **superior proposal** means any bona fide written acquisition proposal that:

is not solicited or initiated in violation of our obligations under the merger agreement;

relates to an acquisition by a person or a group acting in concert of any of:

more than 50% of our outstanding common stock pursuant to a tender offer, merger or otherwise;

all or substantially all of our and our subsidiaries' assets, taken as a whole;

Table of Contents

our investment support systems business; or

our availability services business;

our board of directors determines in good faith judgment (after consultation with its financial advisor and taking into account all of the terms and conditions of the acquisition proposal) is more favorable to our stockholders, from a financial point of view, than the merger agreement (taking into account any alterations to the merger agreement agreed to in writing by Merger Co in response to such proposal); and

our board of directors determines in good faith is reasonably capable of being completed and, to the extent our board of directors determines in good faith (after consultation with its financial advisor and its outside legal counsel) that financing is material to such acquisition proposal, for which such person or group acting in concert has received executed financing commitment letters on terms comparable to those contained in the commitment letters delivered to the investor group in connection with the merger.

We have agreed to notify Merger Co orally and in writing within 48 hours of our receipt of any bona fide inquiries, proposals or offers, requests for information or requests for discussions or negotiations regarding any acquisition proposal. In our notice to Merger Co, we have agreed to specify the material terms and conditions of the acquisition proposal and the identity of the third party making the inquiry, proposal, offer or request. We have also agreed to keep Merger Co reasonably informed of the status of any discussions or negotiations and to notify Merger Co within 48 hours of any modifications to the financial or other material terms of such inquiries, proposals or offers. Under the merger agreement, neither we nor our subsidiaries may modify, amend, terminate, waive or release any confidentiality or standstill agreement to which we or our subsidiaries are a party and which relates to a business combination involving us or our subsidiaries or our or any of our subsidiaries' assets, except where our board of directors determines in good faith (after consultation with its outside legal counsel) that it is required to do so in order to comply with its fiduciary duties. We also agreed, to the extent we had not already done so, to, as promptly as practicable after March 27, 2005, request each person with whom we have had any discussion regarding, or who had executed a confidentiality agreement with us in connection with, a potential acquisition proposal during the twelve months prior to March 27, 2005 to return or destroy all confidential information previously provided to such person by or on its behalf in connection with such potential acquisition proposal.

We have also agreed that our board of directors will not and will not publicly propose to:

withdraw, modify or change its approval or recommendation of the merger agreement or the merger or cause the representation and warranty with respect to the amendment of our rights agreement described above to be untrue;

approve, adopt or recommend any acquisition proposal; or

approve or recommend, or allow us or any of our subsidiaries to enter into, any letter of intent, acquisition agreement or other similar agreement with respect to, or that is reasonably expected to result in, any acquisition proposal.

Table of Contents

Notwithstanding our obligations under the merger agreement, our board of directors may withdraw or modify or change its approval or recommendation of the merger agreement or the merger if:

in response to the receipt of an unsolicited third party acquisition proposal, the board of directors determines in good faith (after consultation with its legal and financial advisors) that the acquisition proposal is a superior proposal and that the board of directors is required (after consultation with its outside legal counsel) to withdraw or modify or change in a manner adverse to Merger Co its approval or recommendation in order to comply with its fiduciary duties to our stockholders; or

other than in connection with an acquisition proposal, the board of directors determines in good faith (after consultation with its outside legal counsel) that it is required to withdraw or modify or change in a manner adverse to Merger Co its approval or recommendation in order to comply with its fiduciary duties to our stockholders.

Under the merger agreement, however, our board of directors may not withdraw or modify or change its approval or recommendation of the merger agreement or the merger in response to the receipt of an unsolicited third party acquisition proposal unless we have observed certain notice and negotiation provisions to enable Merger Co to make a counter-offer. In addition, our board of directors may not withdraw or modify or change its approval or recommendation of the merger agreement or the merger other than in connection with an acquisition proposal to comply with its fiduciary duties unless we provide written notice to Merger Co at least five business days prior to such withdrawal or modification. Furthermore, our board of directors may not withdraw or modify or change its approval or recommendation of the merger agreement or the merger with respect to, and we may not implement, a spin off of one or more of our business units or subsidiaries unless such spin off is a component of a superior proposal.

Employee Benefits

For the period following the effective time of the merger through and including December 31, 2006, Merger Co has agreed that it will, or will cause the surviving corporation and its subsidiaries to, provide each of our and our subsidiaries' employees as of the effective time with at least the same level of base salary that was provided to our and our subsidiaries' employees immediately before the merger. For that period, Merger Co has agreed that it will, or will cause the surviving corporation and its subsidiaries to, provide our and our subsidiaries' employees as of the effective time with employee benefits and incentive compensation opportunities, other than equity-based compensation, that are no less favorable in the aggregate than those provided to such employees immediately before the effective time of the merger.

In addition, Merger Co has agreed it will, or it will cause the surviving corporation to:

provide our and our subsidiaries' employees with credit for all purposes (other than with respect to benefit accruals under a defined benefit pension plan) for service accrued or deemed accrued with the Company or any of our subsidiaries with respect to any of Merger Co's employee benefit plans under which our employees may be eligible to participate after the effective time of the merger, provided that such crediting of service shall not operate to duplicate any benefit or the funding of any such benefit;

maintain without modification or amendment the SunGard Severance Pay Plan (effective as of November 2002) during the period immediately following the effective time of the merger through and including December 31, 2006; and

with respect to the welfare benefit plans maintained or sponsored by Merger Co or the surviving corporation and in which our or our subsidiaries' employees may be eligible to participate on or after the effective time of the merger:

waive, or use commercially reasonable efforts to cause its insurance carrier to waive, all limitations as to preexisting and at-work conditions, if any, with respect to participation and coverage requirements applicable to each employee under any of those welfare benefit plans to the same extent waived under our comparable plans; and

provide credit to each employee for any co-payments, deductibles and out-of-pocket expenses paid by such employee under our plans during the relevant plan year, up to and including the effective time of the merger; and

from and after the effective time of the merger, except as otherwise agreed by Merger Co and any of the individuals expressly identified by us to Merger Co prior to March 27, 2005:

assume and agree to be bound by, or cause the surviving corporation to assume and agree to be bound by, each change in control agreement with the individuals expressly identified by us to Merger Co prior to March 27, 2005; and

honor or cause to be honored, in accordance with their terms, all the change in control agreements and any other employment agreements, in each case with the Company and our subsidiaries' current and former employees expressly identified by us to Merger Co prior to March 27, 2005.

On and after March 27, 2005, no future offering periods will be commenced under our employee stock purchase plan. All offering periods in progress immediately prior to the effective time of the merger will cease and we will terminate the employee stock purchase plan immediately prior to the effective time of the merger. With respect to persons participating in the employee stock purchase plan on the date on which the offering periods ceases and the employee stock purchase plan terminates (and who have not withdrawn or otherwise ceased participation in the employee stock purchase plan prior to such date), accumulated contributions will be applied on such date to the purchase of our common stock in accordance with the terms of the employee stock option plan (treating the date of termination as the last day of the relevant offering period). We have agreed to communicate with Merger Co prior to sending any material notices or other communications to employees with respect to such matters.

Agreement to Take Further Action and to Use Reasonable Best Efforts

Subject to the terms and conditions of the merger agreement, each party has agreed to use its reasonable best efforts to take, or cause to be taken, all appropriate action and to do, or cause to be done, all things necessary, proper or advisable to complete and to consummate the merger. Among other things, each party has committed to use such efforts to cooperate with each other to obtain all necessary consents, approvals and authorizations from governmental authorities. Each party has also agreed to make appropriate filings for the purpose of obtaining anti-trust approval for the transaction from the appropriate governmental authorities. Merger Co has agreed to take whatever action may be necessary to resolve any objections of governmental authorities to the merger on antitrust grounds.

Furthermore, the parties have agreed to, and we have agreed to cause our subsidiaries to, use their respective reasonable best efforts to obtain any third party consents:

necessary to consummate the merger and the other transactions contemplated under the merger agreement;

required to prevent a material adverse effect from occurring; or

in the case of us or any of our subsidiaries, otherwise reasonably requested by Merger Co.

In addition, we have agreed that, in the event that we fail to obtain any of the third party consents mentioned above, we will use our reasonable best efforts and take all such actions reasonably requested by Merger Co in order to minimize any adverse effect on the Company and Merger Co as a result of the failure to obtain such consents.

We have agreed that none of us, Merger Co or its affiliates will be required to pay or commit to pay any consideration, make any commitment or incur any liability in connection with obtaining any approval or consent from any non-governmental third party unless Merger Co has provided its prior written consent, which Merger Co cannot unreasonably withhold or delay if the payment, commitment or incurrence is to be made by the Company.

Conditions to the Merger

The obligations of the parties to complete the merger are subject to the following mutual conditions:

receipt of Company stockholder approval;

the expiration or termination of the waiting period under applicable United States and non-United States antitrust laws, and the receipt of any approvals required thereunder;

the absence of any governmental injunctions, orders, decrees or rulings that have the effect of making the consummation of the merger illegal or that otherwise prevents or prohibits the consummation of the merger; and

receipt from all governmental authorities of all material consents, approvals and authorizations legally required to be obtained to consummate the merger.

The obligations of Merger Co to complete the merger are subject to the following additional conditions:

the absence of a market MAC market disruption or the absence of an occurrence of any market MAC event which with the passage of time could become a market MAC (other than a market MAC that Merger Co has waived its right to invoke); a market MAC is defined as any one of the following market disruption events:

any general suspension of trading in, or limitation on prices for, securities on the NYSE for three or more consecutive business days;

any order, decree or injunction of a court or agency, including any lender's primary banking regulator or regulators, prohibiting the consummation of the financing contemplated by the debt financing commitment letters affecting any lender or lenders providing at least 25% of the debt financing contemplated by such commitment letters.

Our obligation to complete the merger is subject to the following additional conditions:

the performance, in all material respects, by Merger Co of its covenants and agreements in the merger agreement; and

the delivery at closing by Merger Co of a certificate with respect to Merger Co's representations, warranties, covenants and agreements.

by mutual consent of the parties;

by either Merger Co or the Company if:

the effective time of the merger has not occurred on or before September 15, 2005 or, if the marketing period described above has not ended before August 19, 2005, the September 15 date shall be extended to October 10, 2005, so long as the failure to complete the merger is not the result of the failure of the terminating party to comply with the terms of the merger agreement;

an injunction or order has been entered or an action has been taken by a governmental authority that has the effect of making completion of the merger illegal or otherwise prohibits completion of the merger;

the Company stockholders do not vote to adopt the merger agreement at the annual meeting;

by Merger Co, if our board of directors withdraws or modifies or changes its recommendation or approval of the merger agreement or the merger or recommends or approves another acquisition proposal;

by the Company if we receive a superior proposal in accordance with the terms of the merger agreement, but only after we have provided notice to Merger Co regarding the superior proposal and provided Merger Co a five business day period, during which time we must negotiate in good faith with Merger Co, to make an offer that is at least as favorable as the superior proposal; provided that if the financial or other material terms of the superior proposal are amended, our board of directors must provide another notice to Merger Co regarding the superior proposal and extend the five business day period referenced above for an additional two business days for each such amendment;

by the Company if certain conditions to closing have been satisfied or waived and the merger has not been consummated on the last day of the marketing period described above; or

Fees and Expenses

We have agreed to reimburse Merger Co's transaction expenses, up to a limit of \$25 million if Merger Co terminates the merger agreement due to a breach by us of our representations, warranties, covenants or agreements such that the closing conditions would not be satisfied, which breach has not been cured within 30 days.

In addition, we have agreed to pay to Merger Co a termination fee of \$300 million if:

Merger Co has terminated the merger agreement due to a breach by us of our representations, warranties, covenants or agreements such that the corresponding closing condition would not be satisfied, which breach has not been cured within 30 days and:

at or prior to the termination date, an acquisition proposal has been publicly announced that appears to have been bona fide; and

within 12 months after the date of termination, we submit to our stockholders, enter into or complete an acquisition proposal (which need not be the same acquisition proposal referenced above);

either the Company or Merger Co has terminated the merger agreement because of the failure to receive Company stockholder approval and:

at or prior to the termination date, an acquisition proposal has been publicly announced that appears to have been bona fide; and

within 12 months after the termination, the Company submits to the stockholders, enters into or completes, an acquisition proposal (which need not be the same acquisition proposal referenced above);

Merger Co has terminated the merger agreement because our board of directors has withdrawn or modified or changed its recommendation of the merger or the merger agreement or recommended or approved another acquisition proposal, so long as Merger Co was not in material breach of the merger agreement such that the applicable condition to our obligation to consummate the merger would not have been satisfied as of the termination date; provided that if the acquisition proposal contemplates the sale of only our availability services business, the termination fee payable to Merger Co will be \$200 million; or

the Company has terminated the merger agreement as described above following our determination that an acquisition proposal is a superior proposal; provided further that if the acquisition proposal contemplates the sale of only our availability services business, the termination fee payable to Merger Co will be \$200 million.

Merger Co has agreed to pay us a termination fee of \$300 million if we terminate the merger agreement:

due to a breach by Merger Co of its representations, warranties, covenants or agreements such that the corresponding closing condition would not be satisfied, which breach cannot or has not been cured within 30 days;

because the effective time of the merger has not occurred on or before September 15, 2005, or, if the marketing period described above has not ended before August 19, 2005, on or before October 10, 2005, so long as the failure to complete the merger is not the result of our failure to comply with the terms of the merger agreement, and at the time we terminate the merger agreement certain conditions to closing have been satisfied or waived; or

certain conditions to closing have been satisfied or waived and the merger has not been consummated on the last day of the marketing period described above.

Our right to receive a termination fee from Merger Co pursuant to the merger agreement or the guarantees executed by the members of the investor group is our exclusive remedy for losses suffered by us as a result of the failure of the merger to close.

Amendment and Waiver

The merger agreement may be amended prior to the effective time of the merger by mutual agreement of the parties. However, after the merger agreement has been adopted by our stockholders, no amendment will be made to the merger agreement except as allowed under applicable law. The merger agreement also provides that, at any time prior to the effective time of the merger, either party may extend the time for the performance of any obligations or other acts of the other party, waive any inaccuracies in the representations and warranties of the other party or waive compliance with any agreement of the other party or any condition to its own obligations contained in the merger agreement.

DISSENTERS RIGHTS OF APPRAISAL

Under the General Corporation Law of the State of Delaware (**DGCL**), you have the right to dissent from the merger and to receive payment in cash for the fair value of your common stock of the Company as determined by the Delaware Court of Chancery, together with a fair rate of interest, if any, as determined by the court, in lieu of the consideration you would otherwise be entitled to pursuant to the merger agreement. These rights are known as appraisal rights. The Company's stockholders electing to exercise appraisal rights must comply with the provisions of Section 262 of the DGCL in order to perfect their rights. The Company will require strict compliance with the statutory procedures.

Table of Contents

The following is intended as a brief summary of the material provisions of the Delaware statutory procedures required to be followed by a stockholder in order to dissent from the merger and perfect appraisal rights. This summary, however, is not a complete statement of all applicable requirements and is qualified in its entirety by reference to Section 262 of the DGCL, the full text of which appears in Annex D to this proxy statement. Failure to precisely follow any of the statutory procedures set forth in Section 262 of the DGCL may result in a termination or waiver of your appraisal rights.

Section 262 requires that stockholders be notified that appraisal rights will be available not less than 20 days before the stockholders' meeting to vote on the merger. A copy of Section 262 must be included with such notice. This proxy statement constitutes the Company's notice to its stockholders of the availability of appraisal rights in connection with the merger in compliance with the requirements of Section 262. If you wish to consider exercising your appraisal rights, you should carefully review the text of Section 262 contained in Annex D since failure to timely and properly comply with the requirements of Section 262 will result in the loss of your appraisal rights under Delaware law.

If you elect to demand appraisal of your shares, you must satisfy each of the following conditions:

You must deliver to the Company a written demand for appraisal of your shares before the vote with respect to the merger is taken. This written demand for appraisal must be in addition to and separate from any proxy or vote abstaining from or voting against the adoption of the merger agreement. Voting against or failing to vote for the adoption of the merger agreement by itself does not constitute a demand for appraisal within the meaning of Section 262.

You must not vote in favor of the adoption of the merger agreement. A vote in favor of the adoption of the merger agreement, by proxy, over the Internet, by telephone or in person, will constitute a waiver of your appraisal rights in respect of the shares so voted and will nullify any previously filed written demands for appraisal. If you fail to comply with either of these conditions and the merger is completed, you will be entitled to receive the cash payment for your shares of the Company's common stock as provided for in the merger agreement, but you will have no appraisal rights with respect to your shares of the Company's common stock.

All demands for appraisal should be addressed to SunGard Data Systems Inc., 680 East Swedesford Road, Wayne, Pennsylvania 19087, Attention: Chief Financial Officer, and must be delivered before the vote on the merger agreement is taken at the annual meeting, and should be executed by, or on behalf of, the record holder of the shares of the Company's common stock. The demand must reasonably inform the Company of the identity of the stockholder and the intention of the stockholder to demand appraisal of his, her or its shares.

To be effective, a demand for appraisal by a holder of the Company's common stock must be made by, or in the name of, such registered stockholder, fully and correctly, as the stockholder's name appears on his or her stock certificate(s). **Beneficial owners who do not also hold the shares of record may not directly make appraisal demands to the Company. The beneficial holder must, in such cases, have the registered owner, such as a broker or other nominee, submit the required demand in respect of those shares.** If shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of a demand for appraisal should be made by or for the fiduciary; and if the shares are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute the demand for appraisal for a stockholder of record;

Table of Contents

however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the record owner. A record owner, such as a broker, who holds shares as a nominee for others, may exercise his or her right of appraisal with respect to the shares held for one or more beneficial owners, while not exercising this right for other beneficial owners. In that case, the written demand should state the number of shares as to which appraisal is sought. Where no number of shares is expressly mentioned, the demand will be presumed to cover all shares held in the name of the record owner.

If you hold your shares of the Company's common stock in a brokerage account or in other nominee form and you wish to exercise appraisal rights, you should consult with your broker or the other nominee to determine the appropriate procedures for the making of a demand for appraisal by the nominee.

Within 10 days after the effective time of the merger, the surviving corporation must give written notice that the merger has become effective to each Company stockholder who has properly filed a written demand for appraisal and who did not vote in favor of the merger agreement. At any time within 60 days after the effective time, any stockholder who has demanded an appraisal has the right to withdraw the demand and to accept the cash payment specified by the merger agreement for his or her shares of the Company's common stock. Within 120 days after the effective date of the merger, the surviving corporation or any stockholder who has complied with Section 262 shall, upon written request to the surviving corporation, be entitled to receive a written statement setting forth the aggregate number of shares not voted in favor of the merger agreement and with respect to which demands for appraisal rights have been received and the aggregate number of holders of such shares. Within 120 days after the effective time, either the surviving corporation or any stockholder who has complied with the requirements of Section 262 may file a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares held by all stockholders entitled to appraisal. Upon the filing of the petition by a stockholder, service of a copy of such petition shall be made upon the surviving corporation. The surviving corporation has no obligation to file such a petition in the event there are dissenting stockholders. Accordingly, the failure of a stockholder to file such a petition within the period specified could nullify the stockholder's previously written demand for appraisal.

If a petition for appraisal is duly filed by a stockholder and a copy of the petition is delivered to the surviving corporation, the surviving corporation will then be obligated, within 20 days after receiving service of a copy of the petition, to provide the Chancery Court with a duly verified list containing the names and addresses of all stockholders who have demanded an appraisal of their shares and with whom agreements as to the value of their shares have not been reached by the surviving corporation. After notice to dissenting stockholders who demanded appraisal of their shares, the Chancery Court is empowered to conduct a hearing upon the petition, and to determine those stockholders who have complied with Section 262 and who have become entitled to the appraisal rights provided thereby. The Chancery Court may require the stockholders who have demanded payment for their shares to submit their stock certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with that direction, the Chancery Court may dismiss the proceedings as to that stockholder.

After determination of the stockholders entitled to appraisal of their shares of the Company's common stock, the Chancery Court will appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any. When the value is determined, the Chancery Court will direct the payment of

Table of Contents

such value, with interest thereon accrued during the pendency of the proceeding, if the Chancery Court so determines, to the stockholders entitled to receive the same, upon surrender by such holders of the certificates representing those shares.

In determining fair value, the Chancery Court is required to take into account all relevant factors. **You should be aware that the fair value of your shares as determined under Section 262 could be more, the same, or less than the value that you are entitled to receive under the terms of the merger agreement.**

Costs of the appraisal proceeding may be imposed upon the surviving corporation and the stockholders participating in the appraisal proceeding by the Chancery Court as the Chancery Court deems equitable in the circumstances. Upon the application of a stockholder, the Chancery Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts, to be charged pro rata against the value of all shares entitled to appraisal. Any stockholder who had demanded appraisal rights will not, after the effective time of the merger, be entitled to vote shares subject to that demand for any purpose or to receive payments of dividends or any other distribution with respect to those shares, other than with respect to payment as of a record date prior to the effective time; however, if no petition for appraisal is filed within 120 days after the effective time of the merger, or if the stockholder delivers a written withdrawal of his or her demand for appraisal and an acceptance of the terms of the merger within 60 days after the effective time of the merger, then the right of that stockholder to appraisal will cease and that stockholder will be entitled to receive the cash payment for shares of his, her or its Company common stock pursuant to the merger agreement. Any withdrawal of a demand for appraisal made more than 60 days after the effective time of the merger may only be made with the written approval of the surviving corporation and must, to be effective, be made within 120 days after the effective time.

In view of the complexity of Section 262, the Company's stockholders who may wish to dissent from the merger and pursue appraisal rights should consult their legal advisors.

ADJOURNMENT OR POSTPONEMENT OF THE ANNUAL MEETING (PROPOSAL NO. 2)

SunGard is asking its stockholders to vote on a proposal to adjourn or postpone the annual meeting, if necessary or appropriate, in order to allow for the solicitation of additional proxies if there are insufficient votes at the time of the meeting to adopt the merger agreement.

Table of Contents**ELECTION OF DIRECTORS (PROPOSAL NO. 3)**

Eleven directors are to be elected at the 2005 annual meeting and, except as described below, to serve for one-year terms until the 2006 annual meeting and until their respective successors are elected and qualified. All of the nominees currently are members of our board of directors. The board of directors knows of no reason why any nominee would be unable to serve as a director. Each nominee has consented to being named in this proxy statement and to serve if elected. If any nominee should for any reason become unable to serve, then all valid proxies will be voted for the election of a substitute nominee designated by the board of directors, or the board may reduce the number of directors to eliminate the vacancy.

If the merger agreement is adopted by stockholders and the merger is completed, each of the directors will no longer be directors of the surviving corporation in the merger. The current directors, including those elected at the annual meeting, will serve only until the merger is completed. If the merger agreement is not adopted by stockholders or the merger is otherwise not completed, each of the directors is expected to serve a one-year term as described above.

The following information about the nominees for election as our directors is based, in part, upon information furnished by the nominees.

Information Regarding the Board of Directors and its Committees

The board of directors has the following five standing committees: Audit Committee, Compensation Committee, Data Center Oversight Committee, Executive Committee, and Nominating and Corporate Governance Committee. During 2004, the board of directors held 13 meetings, the Audit Committee

Table of Contents

held 12 meetings, the Compensation Committee held six meetings, the Data Center Oversight Committee held four meetings, the Executive Committee held two meetings and the Nominating and Corporate Governance Committee held two meetings. During 2004, each director attended 75% or more of the total number of meetings of the board of directors and Committees on which he or she served. Meeting attendance averaged 96% among all directors.

We do not maintain a policy requiring directors to attend the annual stockholders meeting. Generally, all directors attend our annual meetings of stockholders, and all of our directors at the time were in attendance at the 2004 annual meeting of stockholders.

The board of directors has adopted a charter for each of its Committees and corporate governance guidelines that address the make-up and functioning of the board of directors. The board of directors has also adopted a Global Business Conduct and Compliance Program that applies to all of our employees, officers and directors. These materials can all be found on our website at www.sungard.com/investors and stockholders may request a free copy of these materials from SunGard Data Systems Inc., Investor Relations, 680 East Swedesford Road, Wayne, PA 19087.

Board Independence

Since our initial public offering in 1986, the majority of our directors have been independent. The board of directors has adopted categorical standards to assist it in making determinations of independence. The categorical standards satisfy the director independence requirements of the New York Stock Exchange listing standards and are available on our website at www.sungard.com/investors. Under these standards, a director qualifies as independent only if the board of directors affirmatively determines that the director has no material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us). The board of directors has determined, broadly considering all relevant facts and circumstances, that Gregory S. Bentley, Michael C. Brooks, Ramon de Oliveira, Henry C. Duques, Albert A. Eisenstat, Bernard Goldstein, Janet Brutschea Haugen and Malcolm I. Ruddock are independent. The only directors standing for re-election who are not independent are James L. Mann, our chairman of the board, Cristóbal Conde, our president and chief executive officer, and Robert E. King.

Therefore, the members of each of the Committees, other than Mr. Mann and Mr. Conde as members of the Executive Committee, are independent within the meaning of the applicable listing standards of the New York Stock Exchange and our independence standards. The board of directors has also determined that the Audit Committee members satisfy the additional independence criteria required by rules of the Securities and Exchange Commission.

Involvement in Certain Legal Proceedings

Other than as described under *Special Factors – Litigation Related to the Merger*, the Company is not aware of any material proceedings to which any director, officer or affiliate of the Company, any owner of record or beneficially of more than 5% of any class of voting securities of the Company, or any associate of any such director, officer, affiliate of the Company or security holder is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries.

Each independent director automatically receives an initial five-year restricted stock award when first elected to the board of directors, and automatically receives additional awards upon reelection as an outside director every fifth year thereafter. Each five-year award is for a number of shares equal to the result of dividing \$500,000 by the closing price of our common stock on the date of grant. The shares awarded are subject to transfer restrictions until they vest, at the rate of 20% per year, on the dates of our next five annual meetings after the date of grant. Until Mr. Goldstein's last restricted stock award became fully vested in May 2004, he had been receiving the following cash compensation under our previous director compensation plan: (1) an annual fee of \$6,000, (2) meeting fees of \$2,000 for each quarterly board meeting, \$500 for each other board meeting and \$1,000 for each Committee meeting attended, and (3) reimbursement of applicable travel and other expenses.

We have entered into indemnification agreements, in the form approved by the stockholders, with our directors and officers.

Agreement with the Chairman of the Board

Mr. Conde was elected chief executive officer in August 2002, succeeding Mr. Mann, who continues to serve as chairman of the board of directors. At that time, we entered into an agreement with Mr. Mann regarding Mr. Mann's continuing role with us, which was amended in February 2004. The major terms of the agreement are: (1) subject to the board of directors satisfying its fiduciary duties and other applicable legal standards, Mr. Mann will be nominated for reelection as a director and will be elected as chairman of the board through December 31, 2004, (2) after that date, Mr. Mann's election as chairman of the board will be at the sole discretion of the board of directors, (3) we will use our best efforts to retain Mr. Mann as an employee through May 31, 2011 to provide advice and services in the areas of acquisitions, long-term strategy, executive development and other subjects within his knowledge and experience, (4) Mr. Mann will continue to participate in our executive compensation program until December 31, 2004 at levels determined by the Compensation Committee, (5) for so long as Mr. Mann continues to serve as chairman of the board after December 31, 2004, he will receive an annual salary of \$500,000, and (6) after Mr. Mann is no longer serving as chairman of the board, his compensation will be as determined by the Compensation Committee.

EXECUTIVE COMPENSATION

Report of the Compensation Committee

Our compensation policies for executive officers, as determined by the Compensation Committee, are to (1) provide competitive compensation packages to retain and attract superior executive talent, (2) link a significant portion of compensation to financial results to reward successful performance, and (3) provide long-term equity compensation to further align the interests of executive officers with those of stockholders and further reward successful performance. The principal components of our executive officer compensation program are base salary, annual cash incentive plans and long-term equity incentive awards. The Compensation Committee has reviewed all components of the CEO's and executive officers' compensation, including salary, bonus, equity and long-term incentive compensation, stock option gains, the dollar value to the executive and cost to the company of all perquisites, and the projected severance obligations under change-in-control agreements. Based on this review, the Committee finds the CEO's and executive officers' total compensation in the aggregate to be reasonable and not excessive.

Cash Compensation

The primary factor we use to set base salaries and annual cash incentives for our executive officers is an analysis of competitive executive compensation based upon general business compensation surveys as well as more specific compensation surveys of companies of comparable business, size and complexity to SunGard. An independent compensation consultant, whose services are available to the Compensation Committee, assists us with this analysis of competitive compensation. Although many of the companies covered by this analysis are included in the Nasdaq Computer and Data Processing Index (see Executive Compensation Performance Graph), we do not separately analyze the Index companies because compensation data for the Index companies as a group is not readily available to us.

Our policy is to pay executive officers at or somewhat above competitive compensation averages for comparable positions. Compensation levels for individual executive officers, however, may be more or less than competitive averages, depending upon a subjective assessment of individual factors such as the executive's position, experience, skills, achievements, tenure with SunGard and historical compensation levels. Generally, previously granted stock options and other equity awards are not considered in setting cash compensation levels. During the past several years, as part of the cost controls we implemented during the recent economic slowdown, we have kept salary increases very low, resulting in base salaries for most executive officers being somewhat below the competitive averages for comparable positions.

The performance goals for executive officers' 2004 annual cash incentive plans were set at the beginning of the year and took into account our overall financial goals for 2004. For all executive officers, the incentive payments depended upon either the rate of increase in our earnings per share over the previous year, or the budgeted operating income of the businesses that report to the officer. For two executive officers, there were additional incentive payments based upon performance goals specific to their functions.

On average, total cash compensation at targeted goals for executive officers increased by 13% in 2004, and incentive payments at targeted goals constituted 58% of total cash compensation. The primary reason for the increase in total cash compensation was the growth of the Company, resulting in its inclusion in a higher revenue bracket in the compensation surveys. Based upon actual 2004 results, all executive officers except one met or exceeded their minimum targeted goals.

Table of Contents

Equity Compensation

We provide equity compensation to our executive officers principally through a long-term incentive award program, under which eligible executives receive a performance accelerated stock option (PASO) each year. PASOs are long-term options under which vesting of shares is subject both to the attainment of financial performance goals and continued long-term employment. Accordingly, the PASO program operates both as a performance-based equity compensation program and as an executive retention program.

Each PASO has a term of ten years, and none of the shares vest until nine and one-half years after the date of grant unless the annual financial performance goals are met. If the annual financial performance goals are partly or fully achieved, then some or all of the PASO shares vest three years after grant if the recipient is still employed by us. For PASOs granted before 2004, if the financial performance goals are exceeded, then the recipient earns additional cash compensation that is paid when the shares vest.

The number of PASO shares granted to each recipient is determined on the basis of an analysis of competitive equity compensation programs, similar to the analysis described above with respect to cash compensation, and is subject to subjective adjustments based upon individual factors. The financial performance goals for each PASO are based upon the year-over-year growth, during the performance period covered by the PASO, in either our earnings per share or in the operating income of the businesses managed by the recipient, with the growth targets for all PASOs, taken together, being consistent with our overall growth objectives. All executive officers participate in our PASO program. In addition, business unit presidents and other key executives participate in the PASO program.

The Compensation Committee has the authority to approve all grants of stock options and other equity awards and administers our PASO program by approving, among other things, who will participate and the number of option shares that will be subject to each PASO. Outside the scope of the PASO program, ordinary stock options (which usually vest ratably over four years) or other equity compensation also may be awarded from time to time, at the discretion of the Compensation Committee, to executive officers and other key employees when they are hired, are promoted or join us via acquisition, or under other circumstances approved by the Compensation Committee in accordance with our equity incentive plans.

In evaluating the share levels for our PASO program, ordinary options and other equity awards, the Compensation Committee takes into account our total overhang, which equals (a) the number of shares of common stock subject to outstanding stock options and awards plus the number of shares of common stock available for future stock options and awards, divided by (b) the number of total outstanding shares of common stock plus the number of shares of common stock described in clause (a), expressed as a percentage. As of December 31, 2004, our total overhang was 15%, of which 13% was represented by shares under outstanding stock options and 2% was represented by shares available for future stock options.

Chief Executive Officer's Compensation

Mr. Conde's annual base salary for 2004 was \$833,000, up \$8,000 or 1% over his base salary for 2003. Mr. Conde's 2004 cash incentive depended solely upon the rate of increase in our earnings per share. If our 2004 earnings per share had increased by 7.9% (to \$1.37), then Mr. Conde's 2004 incentive payment would have been \$980,232, yielding total cash compensation at approximately the 60th percentile of competitive compensation levels based upon our analysis. If our 2004 earnings per share

Table of Contents

had increased by 10% (to \$1.40), then Mr. Conde's 2004 incentive payment would have been \$1,586,424, yielding total cash compensation at approximately the 85th percentile of competitive compensation levels based upon our analysis. Our actual 2004 diluted earnings per share (excluding the gain from the sale of a business and all merger and spin-off costs) grew 10% (to \$1.40), yielding an incentive payment to Mr. Conde of \$1,586,424.

After considering an analysis of competitive equity compensation for the chief executive officer position, as well as Mr. Conde's performance at and tenure with SunGard, the Compensation Committee approved the grant to Mr. Conde of a PASO to purchase 300,000 shares of our common stock in February 2004. In connection with the sale of Brut LLC, which produced an after-tax gain of approximately \$45 million, the Compensation Committee approved the grant to Mr. Conde of an additional PASO to purchase 100,000 shares of our common stock in August 2004. The exercise price for each PASO granted to Mr. Conde was equal to the market value of our common stock on the date of grant.

Deductibility of Certain Compensation

Section 162(m) of the Internal Revenue Code denies a deduction for certain compensation exceeding \$1,000,000 paid to the chief executive officer and the other highest paid executive officers named in the Summary Compensation Table excluding (among other things) certain performance-based compensation. The Compensation Committee has attempted to structure performance-based awards to executive officers under equity plans in a manner that satisfies Section 162(m). The Compensation Committee also intends to consider whether it is in our best interest to structure cash incentive payments to be deductible under Section 162(m). Notwithstanding our efforts in this area, no assurance can be given that compensation intended to satisfy the requirements for deductibility under Section 162(m) does in fact do so.

- (1) Consists of amounts reimbursed in connection with the payment of taxes. The cost of perquisites is not disclosed for any executive officer named in the table because the disclosure threshold (the lower of \$50,000 or 10% of salary plus bonus) was not reached.
- (2) All of the 2004 options reflected in the table are PASOs (see Executive Compensation Report of the Compensation Committee and Executive Compensation Option Grant Table). Of the 2003 options reflected in the table, 146,375 shares are PASOs and 350,000 shares are ordinary non-PASO stock options that vest ratably over four years. Table of Contents**Option Grant Table**

The following table contains, for each of our executive officers named in the Summary Compensation Table, (1) the number of shares of our common stock underlying options granted during 2004, (2) the percentage that those options represent of total options granted to employees during 2004, (3) the exercise price per share, which equals the market value on the date of grant, (4) the expiration date, and (5) the potential realizable value, assuming 5% and 10% annual rates of appreciation (compounded annually) in the market value of our common stock throughout the option term.

(1) The actual value, if any, which an option holder may realize will depend upon the amount by which the actual market value on the date of exercise exceeds the exercise price and also on the option holder's continued employment through the vesting period. The actual value to be realized by the option holder may be more or less than the potential realizable values stated in this table.

(2) All of the option grants listed in the table are PASOs (see Executive Compensation Report of the Compensation Committee). With the exception of Mr. Conde's PASO grant of 100,000 shares, these PASOs will not vest until August 25, 2013, except that vesting may accelerate in part or in full on December 31, 2006 to the extent that stated financial performance goals are satisfied for the one-year performance period of 2004. Mr. Conde's grant of 100,000 shares will not vest until February 9, 2014, except that vesting may accelerate in part or in full on December 31, 2006 to the extent that stated financial performance goals are satisfied for the one-year performance period of 2004. Table of Contents

- (2) Includes 6,638,881 shares available for issuance under our Equity Incentive Plans and 3,760,738 shares available for issuance under our 2000 Employee Stock Purchase Plan. The number of shares available for issuance under our 1998 Equity Incentive Plan increases each January 1 by the number of option shares exercised during the previous year under all of our equity plans, with a maximum annual increase of 2% of our outstanding shares as of the end of the previous year. Under this provision, 2,429,787 shares became available for issuance under the 1998 Equity Incentive Plan on January 1, 2005. These additional shares are not included in the table.
- (3) Reflects shares available under our plan that permits outside directors to elect to receive shares of our common stock in lieu of cash compensation. Unless an outside director elects in writing to receive shares in lieu of cash compensation, all fees are paid in cash. If an outside director elects to receive shares in lieu of cash compensation, then the shares are issued on a quarterly basis based upon the closing price of our common stock on the date of each quarterly board meeting. This plan was terminated in March 2005.

Certain Transactions with Management

Mr. Mann, chairman of the board of directors owns Hawk Flight, Inc. and Steamboat Rentals, Inc., which operate charter aircraft businesses. The services of these companies are used for business travel by our executives, including Mr. Mann at arms-length terms approved by the disinterested members of the board of directors. During 2004, we paid approximately \$117,000 to these companies in total for business travel by our executives. See also Election of Directors Agreement with the Chairman of the Board.

Change in Control Agreements

In December 2004, we entered into Change in Control Agreements with each of the executives named in our summary compensation table, except Mr. Mann.

The terms of Messrs. Conde and Muratore's agreements provide that if within two years of a change in control, or during a Potential Change in Control Period (defined as the period beginning 90 days before the execution of a binding agreement that would constitute or result in a change in control), (i) the Company terminates the executive's employment other than for cause as defined in the agreement or (ii) the executive terminates his employment for good reason as defined in the agreement, including for any or no reason within the 30-day period following the one-year anniversary of a change in control (the 30 Day Clause), the executive, upon execution of a release and waiver, will receive the following:

a lump sum severance payment equal to the applicable multiplier multiplied by the sum of (i) the executive's annual base salary and (ii) the executive's annual bonus amount at goal;

base salary, vacation pay and reimbursable business expenses earned by, payable to or accrued by the executive through and including the termination date, as well as a pro rata portion of the executive's annual bonus amount at goal for the fiscal year in which the executive's termination occurs;

either (i) for a period of 12 months times the applicable multiplier following termination, continued receipt of benefits under retirement, life insurance, long-term disability, medical,

dental and other group health benefits and plans no less favorable than those provided to the executive before the termination or to any other similarly situated employee during the three-year period or (ii) a cash payment in the amount of \$75,000 times the applicable multiplier;

either (i) outplacement assistance up to an amount of 20% of the executive's base salary payable within one year of the termination date or (ii) a cash payment in the amount of 20% of the executive's base salary; and

a gross-up payment such that if any payments and benefits received by the executive from the Company would subject the executive to the excise tax contained in Section 4999 of the Internal Revenue Code of 1986, as amended, the executive will be entitled to receive an additional payment that will place the executive in the same after-tax economic position that the executive would have enjoyed if such excise tax had not applied.

The applicable multiplier for Messrs. Conde and Muratore is three. The terms of Messrs. Birdwell and Clarke's agreements are substantially similar to the Change in Control Agreements for Messrs. Conde and Muratore, except that (i) the 30-Day Clause is not included and (ii) the applicable multiplier is two.

If the merger is completed, change in control agreements with Messrs. Conde, Muratore, Birdwell and Clarke will terminate. See Special Factors Interests of the Company's Directors and Executive Officers in the Merger.

In addition, by signing the Change in Control Agreement, each executive agrees to certain non-disclosure and assignment of rights provisions, and also agrees to be bound by certain non-solicitation and non-competition restrictions during the benefit continuation period.

Certain Relationships and Related Transactions

On March 4, 2004, we paid \$182.6 million to acquire Collegis, Inc. (Collegis), a provider of information technology services to the higher education sector. Two of our directors, Robert E. King and Bernard Goldstein, were directors and shareholders of Collegis at the time of the acquisition, although Mr. King was not a member of our board of directors at the time of such acquisition. As a result of their equity interest in Collegis, Mr. King received approximately \$30 million and Mr. Goldstein received approximately \$1.3 million from us in connection with the acquisition.

In 2004 we entered into a transitional services agreement with Deltak edu, Inc. (Deltak), a post-secondary education company spun off from Collegis simultaneously with our acquisition of Collegis. Messrs. Goldstein and King are shareholders and directors of Deltak. Pursuant to the transitional services agreement, in 2004, we provided support services to Deltak in the amount of \$1.8 million. We have entered into a professional services agreement with Deltak for 2005. We estimate that in 2005 we will provide support and administrative services to Deltak in the approximate amount of \$478,000.

Mr. Goldstein, a member of our Compensation Committee, is a former and current director of companies which were a party to certain transactions with us. See a description of these transactions under Executive Compensation Certain Relationships and Related Transactions.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and officers, and anyone who owns more than ten percent of our common stock, to file reports about their beneficial ownership of our common stock and other equity securities. Based solely upon a review of the copies of these reports furnished by our directors, officers and greater than ten percent stockholders during and for 2003, and based upon their written representations that they were not required to file any other reports for 2003, we believe that our directors, officers and greater than ten percent stockholders timely filed all reports required to be filed under Section 16(a) for 2004.

Table of Contents**RATIFICATION OF APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (PROPOSAL NO. 4)**

The Audit Committee of the board of directors has appointed PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2004 and has further directed that management submit the appointment of our independent registered public accounting firm for ratification by the stockholders at the 2005 Annual Meeting. Stockholder ratification of the appointment of PricewaterhouseCoopers as our independent registered public accounting firm is not required by applicable law, or by our bylaws or other governing documents. However, the Audit Committee of the board of directors is submitting the appointment of PricewaterhouseCoopers to the stockholders as a matter of good corporate governance practice.

PricewaterhouseCoopers has acted as our independent registered public accounting firm since its inception in 1983. PricewaterhouseCoopers services for 2004 included the audit of our annual consolidated financial statements, reviews of our interim financial statements, reviews of certain of our income tax returns, statutory audits of certain of our foreign subsidiaries, audits of certain of our broker/dealer subsidiaries, audits or reviews of many of our data processing and business continuity centers, and consultation on various accounting, tax, securities and other matters.

A representative of PricewaterhouseCoopers is expected to be present at the 2005 Annual Meeting, to have the opportunity to make a statement if he or she desires to do so, and to be available to respond to appropriate questions.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the 2005 annual meeting will be required to ratify the appointment of PricewaterhouseCoopers. If our stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain the firm.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee pre-approves all audit and permissible non-audit services provided by our independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted policies and procedures for the pre-approval of services provided by our independent registered public accounting firm. The policies and procedures provide that management and our independent registered public accounting firm jointly submit to the Audit Committee a schedule of audit and non-audit services for approval as part of the annual plan for each year. In addition, the policies and procedures provide that the Audit Committee may also pre-approve particular services not in the annual plan on a case-by-case basis. For each proposed service, management must provide a detailed description of the service and the projected fees and costs (or a range of such fees and costs) for the service. The policies and procedures require management and our independent registered public accounting firm to provide quarterly updates to the Audit Committee regarding services rendered to date and services yet to be performed.

The Audit Committee may delegate pre-approval authority for audit and non-audit services to one or more of its members, who can pre-approve services up to a maximum fee of \$50,000. Any service pre-approved by a delegee must be reported to the Audit Committee at the next scheduled quarterly meeting. The Audit Committee has delegated such authority to Ms. Haugen, its chair, and, if Ms. Haugen is unavailable, to Mr. Ruddock.

The audit, audit-related, tax and other services provided by PricewaterhouseCoopers in 2004 were pre-approved by the Audit Committee in accordance with its pre-approval policy.

STOCKHOLDER PROPOSALS

If the merger is completed, we will no longer be a publicly held company and there will be no public participation in any future meetings of our stockholders. However, if the merger is not completed, our stockholders will continue to be entitled to attend and participate in our stockholders meetings.

If the merger is not completed and you intend to present a proposal at our 2006 annual meeting, you must submit it to us by _____ to receive consideration for inclusion in our 2006 proxy materials. Late nominations cannot be considered. If you intend to present a proposal at our 2006 annual meeting that is not to be included in our 2006 proxy materials, you should send the proposal to us in writing by _____. If we do not receive the proposal by that date, then our management will have discretionary authority to vote all shares for which we have proxies in opposition to the proposal. Also, you should review our bylaws, which contain additional requirements with respect to director nominations by stockholders.

OTHER MATTERS

Other Business at 2005 Annual Meeting

We currently know of no other business that will be presented for consideration at the 2005 annual meeting. Nevertheless, the enclosed proxy confers discretionary authority to vote with respect to matters described in Rule 14a-4(c) under the Securities Exchange Act of 1934, as amended, including matters that the board of directors does not know, a reasonable time before proxy solicitation, are to be presented at the meeting. If any of these matters are presented at the meeting, then the proxy agents named in the enclosed proxy card will vote in accordance with their judgment.

Delivery of this Proxy Statement

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (such as brokers) to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, known as householding, potentially means extra convenience for stockholders and cost savings for companies. This year, a number of brokers with customers who are our stockholders will be householding our proxy materials unless contrary instructions have been received from the customers. We will promptly deliver, upon oral or written request, a separate copy of the proxy statement and annual report to any stockholder sharing an address to which only one copy was mailed. Requests for additional copies should be directed to Investor Relations at SunGard Data Systems Inc., 680 East Swedesford Road, Wayne, PA 19087, or by telephone at 484-582-5500.

Once a stockholder has received notice from his or her broker that the broker will be householding communications to the stockholder's address, householding will continue until the stockholder is notified otherwise or until the stockholder revokes his or her consent. If, at any time, a stockholder no longer wishes to participate in householding and would prefer to receive separate copies of the proxy statement and annual report, the stockholder should so notify his or her broker. Any stockholder who currently receives multiple copies of the proxy statement and annual report at his or her address and would like to request householding of communications should contact his or her broker or, if shares are registered in the stockholder's name, our Investor Relations at the address or telephone number provided above.

EACH PERSON SOLICITED BY THIS PROXY STATEMENT MAY OBTAIN, WITHOUT CHARGE, A COPY OF SUNGARD'S ANNUAL REPORT ON FORM 10-K FOR 2004, AS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION, BY SENDING A WRITTEN REQUEST TO SUNGARD DATA SYSTEMS INC., 680 EAST SWEDESFORD ROAD, WAYNE, PA 19087, ATTENTION: INVESTOR RELATIONS.

CONVERSION OF SECURITIES; EXCHANGE OF CERTIFICATES

SECTION 2.01 *Conversion of Securities*. At the Effective Time, by virtue of the Merger and without any action on the part of Merger Co, the Company or the holders of any of the following securities:

(a) *Conversion of Company Common Stock*. Each share of Company Common Stock (all issued and outstanding shares of Company Common Stock being hereinafter collectively referred to as the *Shares*) issued and outstanding immediately prior to the Effective Time (other than any Shares to be canceled pursuant to Section 2.01(b) and any Dissenting Shares) shall be canceled and shall be converted automatically into the right to receive \$36.00 in cash, without interest (the *Merger Consideration*), payable upon surrender in the manner provided in Section 2.02, of the certificate that formerly evidenced such Share.

(b) *Cancellation of Treasury Stock and Merger Co-Owned Stock*. Each Share held in the treasury of the Company and each Share owned by Merger Co or any direct or indirect wholly owned subsidiary of Merger Co immediately prior to the Effective Time shall automatically be canceled without any conversion thereof and no payment or distribution shall be made with respect thereto. Shares held by wholly owned Subsidiaries of the Company shall remain outstanding.

(c) *Capital Stock of Merger Co*. Each share of common stock, par value \$.01 per share, of Merger Co issued and outstanding immediately prior to the Effective Time shall be converted into and become one validly issued, fully paid and nonassessable share of common stock, par value \$.01 per share, of the Surviving Corporation. Following the Effective Time, each certificate evidencing ownership of shares of Merger Co common stock shall evidence ownership of such shares of the Surviving Corporation.

(d) *Adjustments*. If, between the date of this Agreement and the Effective Time, there is a reclassification, recapitalization, stock split, stock dividend, subdivision, combination or exchange of shares with respect to, or rights issued in respect of, the Shares, the Merger Consideration

shall be adjusted accordingly, without duplication, to provide the holders of Shares the same economic effect as contemplated by this Agreement prior to such event.

SECTION 2.02 *Exchange of Certificates.* (a) *Paying Agent.* Prior to the Effective Time, the Company shall (i) appoint a bank or trust company reasonably acceptable to the Company (the *Paying Agent*), and (ii) enter into a paying agent agreement, in form and substance reasonably acceptable to the Company, with such Paying Agent for the payment of the Merger Consideration in accordance with this Article II. At the Effective Time, the Surviving Corporation shall deposit with the Paying Agent, for the benefit of the holders of Shares, cash in an

Table of Contents

amount sufficient to pay the aggregate Merger Consideration required to be paid pursuant to Section 2.01(a) (such cash being hereinafter referred to as the *Exchange Fund*). The Exchange Fund shall not be used for any other purpose. The Exchange Fund shall be invested by the Paying Agent as directed by the Surviving Corporation; *provided, however*, that such investments shall be in obligations of or guaranteed by the United States of America or any agency or instrumentality thereof and backed by the full faith and credit of the United States of America, in commercial paper obligations rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Corporation, respectively, or in certificates of deposit, bank repurchase agreements or bankers' acceptances of commercial banks with capital exceeding \$1 billion (based on the most recent financial statements of such bank which are then publicly available). Any net profit resulting from, or interest or income produced by, such investments shall be payable to the Surviving Corporation.

(b) *Exchange Procedures*. As promptly as practicable after the Effective Time, the Company shall cause the Paying Agent to mail to each person who was, at the Effective Time, a holder of record of Shares entitled to receive the Merger Consideration pursuant to Section 2.01(a): (i) a letter of transmittal (which shall be in customary form and shall specify that delivery shall be effected, and risk of loss and title to the certificates evidencing such Shares (the *Certificates*) shall pass, only upon proper delivery of the Certificates to the Paying Agent) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration. Upon surrender to the Paying Agent of a Certificate for cancellation, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, the holder of such Certificate shall be entitled to receive in exchange therefor the amount of cash that such holder has the right to receive in respect of the Shares formerly represented by such Certificate pursuant to Section 2.01(a), and the Certificate so surrendered shall forthwith be cancelled. In the event of a transfer of ownership of Shares that is not registered in the transfer records of the Company, payment of the Merger Consideration may be made to a person other than the person in whose name the Certificate so surrendered is registered if the Certificate representing such Shares shall be properly endorsed or otherwise be in proper form for transfer and the person requesting such payment shall pay any transfer or other taxes required by reason of the payment of the Merger Consideration to a person other than the registered holder of such Certificate or establish to the reasonable satisfaction of the Surviving Corporation that such tax has been paid or is not applicable. Until surrendered as contemplated by this Section 2.02, each Certificate shall be deemed at all times after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration to which the holder of such Certificate is entitled pursuant to this Article II. No interest shall be paid or will accrue on any cash payable to holders of Certificates pursuant to the provisions of this Article II.

(c) *No Further Rights*. From and after the Effective Time, holders of Certificates shall cease to have any rights as stockholders of the Company, except as provided herein or by Law.

(d) *Exchange Fund for Dissenting Shares*. Any portion of the Exchange Fund deposited with the Paying Agent pursuant to Section 2.02(a) to pay for Shares that become Dissenting Shares shall be delivered to the Surviving Corporation upon demand; *provided, however*, that the Surviving Corporation shall remain liable for payment of the Merger Consideration for such Shares held by any stockholder who shall have failed to perfect or who otherwise shall have withdrawn or lost such stockholder's rights to appraisal of such Shares under Section 262 of the DGCL (*Section 262*).

(e) *Termination of Exchange Fund*. Any portion of the Exchange Fund that remains undistributed to the holders of Shares for one year after the Effective Time shall be delivered to the Surviving Corporation, upon demand, and any holders of Shares who have not theretofore complied with this Article II shall thereafter look only to the Surviving Corporation for, and the Surviving Corporation shall remain liable for, payment of their claim for the Merger Consideration. Any portion of the Exchange Fund remaining unclaimed by holders of Shares as of a date which is immediately prior to such time as such amounts would otherwise escheat to or become property of any Governmental Authority shall, to the extent permitted by applicable Law, become the property of the Surviving Corporation free and clear of any claims or interest of any person previously entitled thereto.

(f) *No Liability.* None of the Paying Agent, Merger Co or the Surviving Corporation shall be liable to any holder of Shares for any such Shares (or dividends or distributions with respect thereto), or cash delivered to a public official pursuant to any abandoned property, escheat or similar Law.

(g) *Withholding Rights.* Each of the Paying Agent, the Surviving Corporation and Merger Co shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any holder of Shares such amounts as it is required to deduct and withhold with respect to such payment under all applicable Tax laws and pay such withholding amount over to the appropriate taxing authority. To the extent that amounts are so properly withheld by the Paying Agent, the Surviving Corporation or Merger Co, as the case may be, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Shares in respect of which such deduction and withholding was made by the Paying Agent, the Surviving Corporation or Merger Co, as the case may be.

(h) *Lost Certificates.* If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by the Surviving Corporation, the posting by such person of a bond, in such reasonable amount as the Surviving Corporation may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Paying Agent shall pay in respect of such lost, stolen or destroyed Certificate the Merger Consideration to which the holder thereof is entitled pursuant to Section 2.01(a).

SECTION 2.03 *Stock Transfer Books.* At the Effective Time, the stock transfer books of the Company shall be closed and there shall be no further registration of transfers of Shares thereafter on the records of the Company. From and after the Effective Time, the holders of Certificates representing Shares outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such Shares, except as otherwise provided in this Agreement or by Law. On or after the Effective Time, any Certificates presented to the Paying Agent or Merger Co for any reason shall be canceled against delivery of the Merger Consideration to which the holders thereof are entitled pursuant to Section 2.01(a).

SECTION 2.04 *Company Stock Options.* (a) Except to the extent otherwise agreed by Merger Co and the holder thereof, immediately prior to the Effective Time, all options then outstanding to purchase shares of Company Common Stock (the *Company Stock Options*) granted under any plan, arrangement or agreement set forth in Section 3.03(a)(i) of the Company Disclosure Schedule (collectively, the *Company Stock Option Plans*) shall become fully vested and exercisable (whether or not then vested or subject to any performance condition that has not been satisfied). Except with respect to the Company Stock Options held by certain employees of the Company and identified to Merger Co prior to the Closing Date (the *Scheduled Options*), at the Effective Time, each Company Stock Option not theretofore exercised shall be converted into the right to receive, upon the exercise thereof and payment of the applicable exercise price, an amount in cash (without interest) equal to the per share Merger Consideration multiplied by each share of Company Common Stock subject to the Company Stock Options so exercised. Unless so exercised, each outstanding Company Stock Option so converted shall, immediately following such conversion, be cancelled and, in exchange therefor, each holder of any such cancelled Company Stock Option shall be entitled to receive, as promptly as practicable thereafter, an amount of cash (without interest) (the *Option Amount*) equal to the product of (x) the total number of shares of Company Common Stock subject to such Company Stock Option multiplied by (y) the excess of the amount of the per share Merger Consideration over the exercise price per share of Company Common Stock under such Company Stock Option (with the aggregate amount of such payment rounded to the nearest cent) less applicable Taxes, if any, required to be withheld with respect to such payment. After the Effective Time, any such cancelled Company Stock Option shall no longer be exercisable by the former holder thereof, but shall only entitle such holder to the payment described in the preceding sentence.

(b) Prior to the Effective Time, upon the Company's request, Merger Co shall (i) appoint a bank or trust company reasonably acceptable to the Company (the *Escrow Agent*), and (ii) enter into an escrow agreement with such Escrow Agent, in form and substance reasonably acceptable to the Company and including provisions

related to the payment of the Option Amount after the Effective Time pursuant to Section 2.04(a). At the Effective Time, at the Company's election, Merger Co shall (x) deposit with the Escrow Agent, for the benefit of the holders of Company Stock Options (other than Scheduled Options), cash in an amount sufficient to pay the aggregate Option Amount required to be paid pursuant to Section 2.04(a) or (y) deliver, or cause to be delivered, the aggregate Option Amount to the Surviving Corporation for payment to holders of Company Stock Options (other than Scheduled Options) as directed by the Company prior to the Effective Time.

(c) Each Scheduled Option not exercised prior to the Effective Time shall remain outstanding in accordance with its terms, subject to the adjustments agreed upon by the holder thereof and Merger Co.

(d) The Board of Directors of the Company, or, where appropriate, the applicable administrative committee under each Company Stock Option Plan, shall take all reasonable actions necessary and appropriate to make such adjustments and amendments to or make such determinations with respect to the Company Stock Options to implement the foregoing provisions of this Section 2.04.

SECTION 2.05 *Dissenting Shares.* (a) Notwithstanding any provision of this Agreement to the contrary and to the extent available under the DGCL, Shares that are outstanding immediately prior to the Effective Time and that are held by any stockholder who is entitled to demand and properly demands the appraisal for such Shares (the *Dissenting Shares*) pursuant to, and who complies in all respects with, the provisions of Section 262 shall not be converted into, or represent the right to receive, the Merger Consideration. Any such stockholder shall instead be entitled to receive payment of the fair value of such stockholder's Dissenting Shares in accordance with the provisions of Section 262; *provided, however,* that all Dissenting Shares held by any stockholder who shall have failed to perfect or who otherwise shall have withdrawn, in accordance with Section 262, or lost such stockholder's rights to appraisal of such Shares under Section 262 shall thereupon be deemed to have been converted into, and to have become exchangeable for, as of the Effective Time, the right to receive the Merger Consideration, without any interest thereon, upon surrender of the Certificate or Certificates that formerly evidenced such Shares in the manner provided in Section 2.02(b) or, if a portion of the Exchange Fund deposited with the Paying Agent to pay for Shares that become Dissenting Shares has been delivered to the Surviving Corporation in accordance with Section 2.02(d), upon demand to the Surviving Corporation.

(b) The Company shall give Merger Co (i) prompt notice of any demands received by the Company for appraisal of any Shares, withdrawals of such demands and any other instruments served pursuant to the DGCL and received by the Company and (ii) the opportunity to participate in and direct all negotiations and proceedings with respect to demands for appraisal under the DGCL. The Company shall not, except with the prior written consent of Merger Co, make any payment or agree to make any payment with respect to any demands for appraisal or offer to settle or settle any such demands.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except as set forth in the disclosure schedule delivered by the Company to Merger Co concurrently with the execution and delivery of this Agreement (the *Company Disclosure Schedule*) (*provided* that disclosure of any fact or item in any section of the Company Disclosure Schedule shall, should the existence of such fact or item be relevant to any other section, be deemed to be disclosed with respect to that other section so long as the relevance of such disclosure to such other section is reasonably apparent from the nature of such disclosure), the Company hereby represents and warrants to Merger Co as follows:

SECTION 3.01 *Organization and Qualification; Subsidiaries.* (a) Each of the Company and each subsidiary of the Company (each, a *Subsidiary*) is a corporation, limited partnership or limited liability company duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has the requisite corporate power and authority and all necessary governmental approvals to own, lease and operate its

Table of Contents

properties and to carry on its business as it is now being conducted, except, in the case of the Subsidiaries, where the failure to be so organized, existing or in good standing or to have such power, authority and governmental approvals would not have a Company Material Adverse Effect. Each of the Company and each Subsidiary set forth on Section 3.01(a) of the Company Disclosure Schedule (each a *Material Subsidiary*) is duly qualified or licensed as a foreign corporation to do business, and is in good standing, in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its business makes such qualification or licensing necessary, except where the failure to be so qualified or licensed and in good standing would not have a Company Material Adverse Effect. The term *Company Material Adverse Effect* means any event, circumstance, development, change or effect that, individually or in the aggregate with all other events, circumstances, developments, changes and effects, (i) is materially adverse to the business, operations, assets, condition (financial or otherwise) or results of operations of the Company and the Subsidiaries taken as a whole, (ii) has arisen out of the operations or relates directly to the assets of the Company or its Subsidiaries (and not the industry generally) and would reasonably be likely to be materially adverse to the business, operations, assets, condition (financial or otherwise) or results of operations of the Company and the Subsidiaries, taken as a whole, or (iii) would reasonably be expected to prevent the consummation of the Merger or prevent the Company from performing its obligations under this Agreement; *provided*, that in no event would any of the following, alone or in combination, be deemed to constitute, nor shall any of the following be taken into account in determining whether there has been, or will be, a Company Material Adverse Effect : any event, circumstance, change or effect resulting from or relating to (A) a change in general economic or financial market conditions, (B) any acts of terrorism or war (except, in the case of (A) and (B), to the extent such event, circumstance, change or effect has had a disproportionate effect on the Company and the Subsidiaries taken as a whole as compared to other persons in the industry in which the Company and the Subsidiaries conduct their business), (C) the announcement of the execution of this Agreement or the pendency or consummation of the Merger, or (D) compliance with the terms of, or the taking of any action required by, this Agreement; *provided, further*, that solely with respect to the representations and warranties set forth in Section 3.05, the exceptions set forth in clauses (C) and (D) shall not apply.

(b) A true and complete list of all the Subsidiaries, together with the jurisdiction of organization of each Subsidiary and the percentage of the outstanding capital stock (or other equity interest) of each Subsidiary owned by the Company, each other Subsidiary and any other person, is set forth in Section 3.01(b) of the Company Disclosure Schedule.

(c) Section 3.01(b) of the Company Disclosure Schedule also lists any and all persons of which the Company directly or indirectly owns an equity or similar interest, or an interest convertible into or exchangeable or exercisable for an equity or similar interest, of less than 50% (collectively, the *Investments*). The Company or a Subsidiary, as the case may be, owns all Investments free and clear of all Liens, and there are no outstanding contractual obligations of the Company or any Subsidiary permitting the repurchase, redemption or other acquisition of any of its interest in the Investments or requiring the Company or any Subsidiary to provide funds to, make any investment (in the form of a loan, capital contribution or otherwise) in, provide any guarantee with respect to, or assume, endorse or otherwise become responsible for the obligations of, any Investment.

SECTION 3.02 *Certificate of Incorporation and Bylaws*. The Company has made available to Merger Co a complete and correct copy of the Certificate of Incorporation and the Bylaws (or similar organizational documents), each as amended to date, of the Company and each Material Subsidiary. Such Certificates of Incorporation and Bylaws (or similar organizational documents) are in full force and effect. Neither the Company nor any Material Subsidiary is, nor has been, in violation of any of the provisions of its Certificate of Incorporation or Bylaws (or similar organizational documents). No Subsidiary (other than the Material Subsidiaries, which are subject to the preceding sentence) is, or has been, in violation of any of the provisions of its Certificate of Incorporation or Bylaws (or similar organizational documents), except for violations that would not have a Company Material Adverse Effect. The Company has made available to Merger Co complete and correct copies of the minutes of all meetings of the Company Board (and each committee thereof), other than the

portion of any minutes regarding the deliberations of the Company Board (or any committee thereof) in connection with entering into this Agreement or pursuing other strategic alternatives, and of the stockholders of the Company, in each case since January 1, 2002.

SECTION 3.03 *Capitalization*. (a) The authorized capital stock of the Company consists of (i) 800,000,000 shares of Company Common Stock and (ii) 5,000,000 shares of preferred stock, par value \$.01 per share (*Company Preferred Stock*). As of March 15, 2005, (i) 288,647,157 shares of Company Common Stock are issued and outstanding (excluding shares of Company Common Stock held in the treasury of the Company), all of which are duly authorized, validly issued, fully paid and nonassessable and were issued free of preemptive (or similar) rights, (ii) 3,934,537 shares of Company Common Stock are held in the treasury of the Company, (iii) no shares of Company Common Stock are held by the Subsidiaries, and (iv) 53,102,460 shares of Company Common Stock are reserved for future issuance in connection with the Company Stock Option Plans (including shares reserved pursuant to outstanding Company Stock Options). Since March 15, 2005 through the date of this Agreement, other than in connection with the issuance of Shares pursuant to the exercise of Company Stock Options outstanding as of March 15, 2005, there has been no change in the number of shares of outstanding capital stock of the Company or the number of outstanding Company Stock Options. Section 3.03(a)(i) of the Company Disclosure Schedule sets forth, as of March 22, 2005, the number of shares of Company Common Stock issuable upon exercise of outstanding Company Stock Options granted under each Company Stock Option Plan. As of the date of this Agreement, no shares of Company Preferred Stock are issued and outstanding. Section 3.03(a)(ii) of the Company Disclosure Schedule sets forth each Company Stock Option outstanding as of March 22, 2005, the number of Shares issuable thereunder, the expiration date and the exercise price thereof.

(b) Except as set forth in Section 3.03(a) and except for the rights (the *Rights*) issued pursuant to the Rights Agreement, dated as of July 18, 2000 (the *Company Rights Agreement*), between the Company and Wells Fargo Bank Minnesota, N.A., as rights agent, in respect of which no Distribution Date (as defined in the Company Rights Agreement) has occurred, there are no (i) subscriptions, calls, contracts, options, warrants or other rights, agreements, arrangements, understandings, restrictions or commitments of any character to which the Company or any Subsidiary is a party or by which the Company or any Subsidiary is bound relating to the issued or unissued capital stock of the Company or any Subsidiary or obligating the Company or any Subsidiary to issue or sell any shares of capital stock of, other equity interests in or debt securities of, the Company or any Subsidiary, (ii) securities of the Company or securities convertible, exchangeable or exercisable for shares of capital stock or voting securities of the Company, or (iii) equity equivalents, stock appreciation rights, phantom stock, ownership interests in the Company or any Subsidiary or similar rights. All shares of Company Common Stock subject to issuance as set forth in Section 3.03(a), upon issuance on the terms and conditions specified in the instruments pursuant to which they are issuable, will be duly authorized, validly issued, fully paid and nonassessable and free of preemptive (or similar) rights. There are no outstanding contractual obligations of the Company or any Subsidiary to repurchase, redeem or otherwise acquire any outstanding securities of the Company or any Subsidiary, to vote or to dispose of any shares of Company Common Stock or any capital stock of any Subsidiary or to make any investment (in the form of a loan, capital contribution or otherwise) in, any Subsidiary or any other person. None of the Company or any Subsidiary is a party to any stockholders' agreement, voting trust agreement or registration rights agreement relating to any equity securities of the Company or any Subsidiary or any other Contract relating to disposition, voting or dividends with respect to any equity securities of the Company or of any Subsidiary. No dividends on the Company Common Stock have been declared or have accrued since December 31, 2004. To the knowledge of the Company, all of the Shares have been issued by the Company in compliance with applicable federal securities Laws.

(c) Each outstanding share of capital stock (or other equity interest) of each Subsidiary is duly authorized, validly issued, fully paid and nonassessable and was issued free of preemptive (or similar) rights, and each such share is owned by the Company or another Subsidiary (except for, in the case of certain non-United States Subsidiaries, nominal numbers of shares held by a director, officer or other agent of a Subsidiary in trust for such Subsidiary) free and clear of all options, rights of first refusal, agreements, limitations on the Company's or any Subsidiary's voting, dividend or transfer rights, charges and other encumbrances or Liens of any nature whatsoever.

(d) The only principal amount of outstanding indebtedness for borrowed money of the Company and its Subsidiaries (not including intercompany amounts, capital leases or purchase price obligations with respect to acquisitions) is (i) \$250,000,000 in aggregate principal amount of 3.75% Senior Subordinated Notes due 2009, (ii) \$250,000,000 in aggregate principal amount of 4.875% Senior Subordinated Notes due 2014, and (iii) borrowings that would be permitted under Section 5.01 if incurred after the date hereof. As of the date of this Agreement, there are no outstanding amounts under the Company's \$600,000,000 senior unsecured revolving credit facility, dated as of January 9, 2004, among the Company and the lenders and agents named therein (the *Credit Agreement*).

SECTION 3.04 *Authority Relative to This Agreement*. The Company has all necessary corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the Merger and the other transactions contemplated by this Agreement to be consummated by the Company (the *Other Transactions*). The execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the Merger and the Other Transactions have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of the Company are necessary to authorize this Agreement or to consummate the Merger or such Other Transactions (other than the adoption of this Agreement by the affirmative vote of the holders of a majority of the then-outstanding shares of Company Common Stock entitled to vote thereon and the filing and recordation of appropriate merger documents as required by the DGCL). This Agreement has been duly and validly executed and delivered by the Company and, assuming the due authorization, execution and delivery by Merger Co, constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to the effect of any applicable bankruptcy, insolvency (including all laws relating to fraudulent transfers), reorganization, moratorium or similar laws affecting creditors' rights generally and subject to the effect of general principles of equity.

SECTION 3.05 *No Conflict; Required Filings and Consents*. (a) The execution and delivery of this Agreement by the Company do not, and the performance of this Agreement by the Company and the consummation by the Company of the Merger and the Other Transactions will not, (i) conflict with, violate or result in a breach of the Certificate of Incorporation or Bylaws (or similar organizational documents) of the Company or any Subsidiary, (ii) assuming that all consents, approvals and other authorizations described in Section 3.05(b) (other than clause (viii) thereof) have been obtained and that all filings and other actions described in Section 3.05(b) (other than clause (viii) thereof) have been made or taken, conflict with or violate any statute, law, ordinance, regulation, rule, code, executive order, judgment, decree or other order (*Law*) applicable to the Company or any Subsidiary or by which any property or asset of the Company or any Subsidiary is bound or affected, or (iii) result in any breach or violation of or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, require consent or result in a loss of a material benefit under, give rise to a material obligation under, give rise to a material obligation to purchase, license or sell assets or securities under, give to others any right of termination, amendment, acceleration or cancellation of, or result in the creation of a Lien on any property or asset of the Company or any Subsidiary pursuant to, any note, bond, mortgage, indenture, contract (written or oral), agreement, lease, license, permit, franchise or other binding commitment, instrument or obligation (each, a *Contract*) to which the Company or any Subsidiary is a party or by which the Company or a Subsidiary or any property or asset of the Company or any Subsidiary is bound or affected, except, with respect to clauses (ii) and (iii), for any such conflicts, violations, breaches, defaults or other occurrences which would not have a Company Material Adverse Effect.

(b) The execution and delivery of this Agreement by the Company do not, and the performance of this Agreement by the Company and the consummation by the Company of the Merger and the Other Transactions will not, require any consent, approval, authorization or permit of, or filing with or notification to, any supranational, national, provincial, federal, state or local government, regulatory or administrative authority, or any court, tribunal, or judicial or arbitral body (a *Governmental Authority*), except for (i) applicable requirements of the Securities Exchange Act of 1934, as amended (the *Exchange Act*), (ii) the pre-merger notification requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the *HSR*)

SECTION 3.06 *Permits; Compliance.* (a) Each of the Company and each Subsidiary is in possession of all franchises, grants, authorizations, licenses, permits, easements, variances, exceptions, consents, certificates, approvals and orders of any Governmental Authority necessary for each such entity to own, lease and operate its properties or to carry on its business as it is now being conducted (the Company Permits), except where the failure to have, or the suspension or cancellation of, any Company Permit would not have a Company Material Adverse Effect. To the knowledge of the Company, neither it nor any Material Subsidiary has received any written notification from any Governmental Authority threatening to revoke any such person s Company Permit.

(b) Each of the Company and each Subsidiary is, and since January 1, 2002 has been, in compliance with any Law applicable to such entity or by which any property or asset of such entity is bound or affected, except where the failure to be in such compliance would not have a Company Material Adverse Effect.

(c) To the knowledge of the Company, neither it nor any Subsidiary has received any written notification or communication from any Governmental Authority (A) threatening to revoke any such person s franchise, seat or membership in any securities exchange, commodities exchange or Self-Regulatory Organization, except as would not have a Company Material Adverse Effect, (B) requiring any such person to enter into a cease and desist order which if entered into would have a Company Material Adverse Effect, or (C) restricting or disqualifying such Person s activities, except for restrictions generally imposed by (1) rule, regulation or administrative policy on brokers, dealers or investment advisors generally or (2) by a Self-Regulatory Organization on brokers, dealers or investment advisors generally, or except as would not have a Company Material Adverse Effect. For purposes of this Agreement, *Self-Regulatory Organization* shall have the meaning set forth in Section 3(a)(26) of the Exchange Act.

(d) To the knowledge of the Company, (A) except as would not have a Company Material Adverse Effect, none of the Company, the Subsidiaries or any of their respective directors or executive officers is, nor is any affiliate thereof, subject to a statutory disqualification as defined in Section 3(a)(39) of the Exchange Act or disqualification that would be a basis for censure, limitations on the activities, functions or operations of, or suspension or revocation of the registration of any broker-dealer as a broker-dealer, municipal securities dealer, government securities broker or government securities dealer under Section 15, Section 15B or Section 15C of the Exchange Act and, (B) there is no reasonable basis for a proceeding or investigation, whether formal or informal, preliminary or otherwise, that is reasonably likely to result in, any such censure, limitation, suspension or revocation.

(h) Except as would not have a Company Material Adverse Effect, (i) the Company has established and maintains a system of internal accounting control sufficient to comply with all legal and accounting requirements applicable to the Company, (ii) the Company has disclosed, based on its most recent evaluation of internal controls, to the Company's auditors and its audit committee (A) any significant deficiencies and material weaknesses within the knowledge of the Company in the design or operation of its internal accounting controls which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information, and (B) any material fraud known to the Company that involves management or other employees who have a significant role in internal controls, and (iii) to the knowledge of the Company, the Company has not received complaint, allegation, assertion or claim in writing regarding the accounting practices, procedures, methodologies or methods of the Company or its internal accounting controls, including any such complaint, allegation assertion or claim that the Company has engaged in questionable accounting or auditing practices. The SEC Reports (i) were prepared in accordance with the applicable requirements of the Securities Act of 1933, as amended (the *Securities Act*), the Exchange Act, the Sarbanes-Oxley Act and, in each case, the rules and regulations promulgated thereunder, and (ii) did not, at the time they were filed, or, if amended, as of the date of such amendment, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading (including any financial statements or other documentation incorporated by reference therein). No Subsidiary is required to file any form, report or other document with the SEC.

(b) Each of the consolidated financial statements (including, in each case, any notes thereto) contained in the SEC Reports was prepared in accordance with United States generally accepted accounting principles (*GAAP*) applied on a consistent basis throughout the periods indicated (except as may be indicated in the notes thereto or, in the case of unaudited statements, as permitted by Form 10-Q of the SEC) and each fairly presents, in all material respects, the consolidated financial position, results of operations and cash flows of the Company and its consolidated Subsidiaries as at the respective dates thereof and for the respective periods indicated therein (subject, in the case of unaudited statements, to normal and recurring year-end adjustments and, in the case of pro forma financial statements, to the qualifications stated therein). ADDITIONAL AGREEMENTS

SECTION 6.01 *Proxy Statement; Other Filings*. As promptly as practicable following the date of this Agreement (but in any event within 10 business days thereafter unless the parties shall otherwise agree), (a) the Company shall prepare and file with the SEC the preliminary Proxy Statement, and (b) each of the Company and the Merger Co shall, or shall cause their respective affiliates to, prepare and file with the SEC all Other Filings that are required to be filed by such party in connection with the transactions contemplated hereby. Each of the Company and Merger Co shall furnish all information concerning itself and its affiliates that is required to be included in the Proxy Statement or, to the extent applicable, the Other Filings, or that is customarily included in proxy statements or other filings prepared in connection with transactions of the type contemplated by this Agreement. Each of the Company and Merger Co shall use its reasonable best efforts to respond as promptly as practicable to any comments of the SEC with respect to the Proxy Statement or the Other Filings, and the Company shall use its reasonable best efforts to cause the definitive Proxy Statement to be mailed to the Company's stockholders as promptly as reasonably practicable after the date of this Agreement. Each party shall promptly notify the other party upon the receipt of any comments from the SEC or its staff or any request from the SEC or its staff for amendments or supplements to the Proxy Statement or the Other Filings and shall provide the other party with copies of all correspondence between it and its Representatives, on the one hand, and the SEC and its staff, on the other hand relating to the Proxy Statement or the Other Filings. Notwithstanding anything to the contrary stated above, prior to filing or mailing the Proxy Statement or filing the Other Filings (or, in each case, any amendment or supplement thereto) or responding to any comments of the SEC with respect thereto, the party responsible for filing or mailing such document shall provide the other party an opportunity to review and comment on such document or response and shall include in such document or response comments reasonably proposed by the other party.

SECTION 6.02 *Company Stockholders Meeting*. The Company shall duly call, give notice of, convene and hold a meeting of its stockholders (the *Company Stockholders Meeting*), as promptly as practicable after the date of this Agreement, for the purpose of voting upon the adoption of this Agreement. Unless this Agreement shall have been terminated in accordance with Section 8.01, the Company shall hold the Company Stockholders Meeting regardless of whether the Company Board has effected a Change in Board Recommendation. Subject to Section 6.04(c), the Company Board shall recommend to holders of the Shares that they adopt this Agreement, and shall include such recommendation in the Proxy Statement. (b) All information obtained by Merger Co or its Representatives pursuant to this Section 6.03 shall be kept confidential in accordance with the confidentiality agreement, dated December 6, 2004 (the *Confidentiality Agreement*), between Silver Lake Management Company, L.L.C. and the Company; *provided, however*, that Merger Co and its Representatives shall be permitted to disclose information as necessary and consistent with customary practices in connection with the Debt Financing upon the prior written consent of the Company, which consent shall not be unreasonably withheld.

(c) No investigation pursuant to this Section 6.03 or otherwise shall affect any representation or warranty in this Agreement of any party hereto or any condition to the obligations of the parties hereto.

SECTION 6.04 *No Solicitation of Transactions.* (a) The Company agrees that neither it nor any Subsidiary shall, nor shall it authorize or permit the Representatives of the Company or the Subsidiaries to, directly or indirectly, (i) solicit, initiate, propose or knowingly encourage the submission of any Acquisition Proposal, (ii) initiate, participate in or continue discussions or negotiations regarding, or furnish to any person (other than Merger Co or its Representatives) any non-public information in connection with, or which would reasonably be expected to result in, any Acquisition Proposal, (iii) otherwise knowingly cooperate in any way with, or knowingly assist or participate in, or knowingly facilitate or encourage any effort or attempt by any person (other than Merger Co or its Representatives) with respect to, or which would reasonably be expected to result in, an Acquisition Proposal, or (iv) take any action (A) to render the Company Rights issued pursuant to the terms of the Company Rights Agreement inapplicable to an Acquisition Proposal or the transactions contemplated thereby, exempt or exclude any person from the definition of an Acquisition Person (as defined in the Company Rights Agreement) under the terms of the Company Rights Agreement or, other than as contemplated by this Agreement in connection with the Merger, allow the Rights to expire prior to their expiration date or (B) to exempt any person from the restrictions on business combinations contained in Section 203 of the DGCL or otherwise cause such restrictions not to apply; *provided, however*, that nothing contained in this Agreement shall prevent the Company or the Company Board from furnishing information to, or engaging in negotiations or discussions with, any person in connection with an unsolicited bona fide written Acquisition Proposal by such person received after the date hereof, if and only to the extent that prior to taking such action the Company Board (A) determines in good faith (after consultation with its legal and financial advisors) that such Acquisition Proposal is, or could reasonably be expected to result in, a Superior Proposal, and determines in good faith (after consultation with its outside legal counsel) that it is required to do so in order to comply with its fiduciary duties to the stockholders of the Company under applicable Law, and (B) receives from such person an executed confidentiality agreement, the terms of which are substantially similar to and no less favorable to the Company than those contained in the Confidentiality Agreement.

(b) The Company shall notify Merger Co as promptly as practicable (and in any event within 48 hours) orally and in writing of the receipt by the Company or any of the Subsidiaries, or any of its or their respective Representatives, of any bona fide inquiries, proposals or offers, requests for information or requests for discussions or negotiations regarding any Acquisition Proposal, specifying the material terms and conditions thereof and the identity of the party making such inquiry, proposal, offer or request, and shall provide to Merger Co, within such 48 hour timeframe, at the Company's option, either (i) a copy of all written materials subsequently provided to or by the Company or any Subsidiary in connection with any such inquiries, proposals or offers or (ii) a written summary of the material terms contained in such materials. The Company shall keep Merger Co reasonably informed of the status of any such discussions or negotiations and shall notify Merger Co (as promptly as practicable and in any event within 48 hours) orally and in writing of any modifications to the financial or other material terms of such inquiries, proposals or offers and shall provide to Merger Co, within

such 48 hour timeframe, at the Company's option, either (i) a copy of all written materials subsequently provided to or by the Company or any Subsidiary in connection with any such inquiries, proposals or offers or (ii) a written summary of the material terms contained in such materials. The Company shall not, and shall cause the Subsidiaries not to, enter into any confidentiality agreement with any person subsequent to the date of this Agreement which prohibits the Company from providing such information to Merger Co. The Company agrees that neither it nor any of the Subsidiaries shall modify, amend, terminate, waive or release any confidentiality or standstill agreement to which the Company or any Subsidiary is a party and which relates to a business combination involving the Company or any Subsidiary or the assets of the Company or any Subsidiary, except where the Company Board determines in good faith (after consultation with its outside legal counsel) that it is required to do so in order to comply with its fiduciary duties under applicable Law. To the extent that it has not already done so, the Company agrees that, as promptly as practicable after the date of this Agreement, it shall request each person with whom the Company has had any discussion regarding, or who has heretofore executed a confidentiality agreement with the Company in connection with, a potential Acquisition Proposal during the twelve (12) months prior to the date of this Agreement to return or destroy (and the Company shall use commercially reasonable efforts to cause any such destruction to be certified in writing by an officer of such person) all confidential information heretofore furnished to such person by or on its behalf in connection with such potential Acquisition Proposal.

(c) Except as set forth in this Section 6.04(c), the Company Board (or any committee thereof) shall not, and shall not publicly propose to, (i) withdraw, or modify or change in a manner adverse to Merger Co, the approval or recommendation of this Agreement or the Merger by the Company Board (or any committee thereof) or cause the representation and warranty in Section 3.20 to be untrue; (ii) approve, adopt or recommend any Acquisition Proposal; or (iii) approve or recommend, or allow the Company or any Subsidiary to enter into, any letter of intent, acquisition agreement or other similar agreement with respect to, or that is reasonably expected to result in, any Acquisition Proposal (other than a confidentiality agreement referred to in this Section 6.04). Notwithstanding the foregoing, (x) in response to the receipt of an unsolicited bona fide written Acquisition Proposal, if the Company Board (A) determines in good faith (after consultation with its legal and financial advisors) that such Acquisition Proposal is a Superior Proposal and (B) determines in good faith (after consultation with its outside legal counsel) that it is required to do so in order to comply with its fiduciary duties to the stockholders of the Company under applicable Law, then the Company Board may approve and recommend such Superior Proposal and, in connection with such Superior Proposal, withdraw, or modify or change in a manner adverse to Merger Co, the Company Board Recommendation or (y) other than in connection with an Acquisition Proposal, if the Company Board determines in good faith (after consultation with its outside legal counsel) that it is required to do so in order to comply with its fiduciary duties to the stockholders of the Company under applicable Law, then the Company Board may withdraw, or modify or change in a manner adverse to Merger Co, the Company Board Recommendation (either event described in the foregoing clauses (x) and (y), a *Change in Board Recommendation*). The Company shall not effect a Change in Board Recommendation pursuant to clause (x) above unless the Company has complied with its obligations under Section 6.04(b) and has observed the notice and negotiation provisions (including with respect to the number of days) contained in Section 8.01(h) to enable Merger Co to make a counter-offer. In addition, the Company shall not effect a Change in Board Recommendation pursuant to clause (y) above unless the Company has provided a written notice to Merger Co at least five business days prior to such Change in Board Recommendation. Notwithstanding anything to the contrary contained in this Section 6.04(c), the Company Board shall not effect a Change in Board Recommendation with respect to, and the Company shall not implement, a spin off of one or more of the Company's business units or subsidiaries unless such spin off is a component of a Superior Proposal.

(d) Nothing contained in this Agreement shall prohibit the Company from taking and disclosing to its stockholders a position contemplated by Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act or from making any disclosure to the Company's stockholders if the Company Board (or any committee thereof) determines in good faith (after consultation with its outside legal counsel) that it is required to do so under applicable Law; *provided, however*, that neither the Company nor the Company Board (nor any committee thereof) shall (i) recommend that the stockholders of the Company tender their Shares in connection with any

such tender or exchange offer (or otherwise approve or recommend any Acquisition Proposal) or take any position under Rule 14e-2(a) other than recommending rejection of such tender or exchange offer, or (ii) withdraw, or modify or change in a manner adverse to Merger Co, the Company Board Recommendation, unless in each case the requirements of Section 6.04(c) shall have been satisfied.

(e) For purposes of this Agreement, *Acquisition Proposal* means any proposal or offer (including any proposal from or to the Company's stockholders) from any person or group other than Merger Co relating to (1) any direct or indirect acquisition or purchase, in a single transaction or series of transactions by such person or group acting in concert, of (A) more than 25% of the fair market value (as determined in good faith by the Board) of the assets (including capital stock of the Subsidiaries) of the Company and its consolidated Subsidiaries, taken as a whole, (B) the Company's investment support systems business, (C) the Company's availability services business, or (D) over 25% of any class of equity securities of the Company; (2) any tender offer or exchange offer (including through the filing with the SEC of a Schedule TO), as defined pursuant to the Exchange Act, that if consummated, would result in any person or group beneficially owning 25% or more of any class of equity securities of the Company; or (3) any merger, consolidation, business combination, recapitalization, liquidation, dissolution or other similar transaction involving the Company as a result of which any person or group acting in concert would acquire the assets, securities or businesses described in any of clauses (A) through (D) above; *provided, however*, that an Acquisition Proposal shall not include a separation or spin off of one or more of the Company's business units or subsidiaries from the Company.

SECTION 6.05 *Directors and Officers Indemnification and Insurance.* (a) The Certificate of Incorporation of the Surviving Corporation shall contain provisions no less favorable with respect to indemnification than are set forth in Article VI of the Bylaws of the Company, as amended to the date hereof, which provisions shall not be amended, repealed or otherwise modified for a period of six years from the Effective Time in any manner that would affect adversely the rights thereunder of individuals who, at or prior to the Effective Time, were directors, officers, employees, fiduciaries or agents of the Company or any of the Subsidiaries.

(b) After the Effective Time, the Surviving Corporation shall to the fullest extent permitted under applicable Law, indemnify and hold harmless, each present and former director and officer of the Company and each Subsidiary, in and to the extent of their capacities as such and not as stockholders and/or optionholders of the Company or Subsidiaries (collectively, the *Indemnified Parties*) against all costs and expenses (including attorneys' fees), judgments, fines, losses, claims, damages, liabilities and settlement amounts (collectively, *Losses*) paid in connection with any claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time), whether civil, criminal, administrative or investigative, arising out of or pertaining to any action or omission in their capacity as an officer, director, employee, fiduciary or agent, occurring on or before the Effective Time, to the same extent as provided in the Bylaws of the Company, as amended to the date hereof, and without limiting any rights under any other applicable contract or agreement in effect on the date hereof. In the event of any such claim, action, suit, proceeding or investigation, (i) the Surviving Corporation shall pay the reasonable fees and expenses of counsel selected by the Indemnified Parties, which counsel shall be reasonably satisfactory to the Surviving Corporation, promptly after statements therefor are received (provided the applicable Indemnified Party provides an undertaking to repay all advanced expenses if it is finally judicially determined that such Indemnified Party is not entitled to indemnification) and (ii) the Surviving Corporation shall cooperate in the defense of any such matter; *provided, however*, that the Surviving Corporation shall not be liable for any settlement effected without the Surviving Corporation's written consent; and *provided, further*, that the Surviving Corporation shall not be obligated pursuant to this Section 6.05(b) to pay the fees and expenses of more than one counsel (selected by a plurality of the applicable Indemnified Parties) for all Indemnified Parties with respect to any single action or related actions (in addition to local counsel) except to the extent that two or more of such Indemnified Parties shall have conflicting interests in the outcome of such action; and *provided, further*, that, in the event that any claim for indemnification is asserted or made within such six year period, all rights to indemnification in respect of such claim shall continue until the disposition of such claim.

(c) The Surviving Corporation shall either (i) cause to be obtained at the Effective Time tail insurance policies with a claims period of at least six years from the Effective Time with respect to directors and officers

liability insurance in amount and scope at least as favorable as the Company's existing policies for claims arising from facts or events that occurred on or prior to the Effective Time; or (ii) maintain in effect for six years from the Effective Time, if available, the current directors' and officers' liability insurance policies maintained by the Company (provided that the Surviving Corporation may substitute therefor policies of at least the same coverage containing terms and conditions that are not less favorable) with respect to matters occurring prior to the Effective Time; *provided, however*, that in no event shall the Surviving Corporation be required to expend pursuant to this Section 6.05(c) more than an amount per year equal to 250% of current annual premiums paid by the Company for such insurance; *provided, however*, that in the event of an expiration, termination or cancellation of such current policies, Merger Co or the Surviving Corporation shall be required to obtain as much coverage as is possible under substantially similar policies for such maximum annual amount in aggregate annual premiums. The Company represents that such current annual premium amount is set forth in Section 6.05(c) of the Company Disclosure Schedule.

(d) In the event Merger Co or the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers all or substantially all of its properties and assets to any person, then, and in each such case, proper provision shall be made so that the successors and assigns of Merger Co or the Surviving Corporation, as the case may be, shall succeed to the obligations set forth in this Section 6.05.

(e) Merger Co shall cause the Surviving Corporation to perform all of the obligations of the Surviving Corporation under this Section 6.05.

SECTION 6.06 *Employee Benefits Matters.* (a) Merger Co hereby agrees that, for the period immediately following the Effective Time through and including December 31, 2006, it shall, or it shall cause the Surviving Corporation and its subsidiaries to, (i) provide each employee of the Company and the Subsidiaries as of the Effective Time (each, an *Employee*) with at least the same level of base salary that was provided to each such Employee immediately prior to the Effective Time, and (ii) provide the Employees with employee benefits and incentive compensation opportunities (other than equity-based compensation) that are no less favorable in the aggregate than those provided to the Employees immediately prior to the Effective Time. From and after the Effective Time, Merger Co shall cause the Surviving Corporation and its subsidiaries to honor in accordance with their terms (including, without limitation, terms which provide for amendment or termination), all contracts, agreements, arrangements, policies, plans and commitments of the Company and the Subsidiaries as in effect immediately prior to the Effective Time that are applicable to any current or former employees or directors of the Company or any Subsidiary. Nothing herein shall be deemed to be a guarantee of employment for any Employee, or to restrict the right of the Surviving Corporation to terminate any Employee.

(b) Employees shall receive credit for all purposes (including for purposes of eligibility to participate, vesting, benefit accrual and eligibility to receive benefits, but excluding benefit accruals under any defined benefit pension plan) under any employee benefit plan, program or arrangement established or maintained by Merger Co, the Surviving Corporation or any of their respective subsidiaries under which each Employee may be eligible to participate on or after the Effective Time to the same extent recognized by the Company or any of the Subsidiaries under comparable Plans immediately prior to the Effective Time; *provided, however*, that such crediting of service shall not operate to duplicate any benefit or the funding of any such benefit. Such plan, program or arrangement shall credit each such Employee for service accrued or deemed accrued on or prior to the Effective Time with the Company or any Subsidiary; *provided, however*, that such crediting of service shall not operate to duplicate any benefit or the funding of any such benefit.

(c) Without limiting any of the foregoing, Merger Co agrees that it shall, or shall cause the Surviving Corporation to maintain without modification or amendment the SunGard Severance Pay Plan (effective as of November 2002, a copy of which has been provided to Merger Co) during the period immediately following the Effective Time through and including December 31, 2006.

(d) With respect to the welfare benefit plans, programs and arrangements maintained, sponsored or contributed to by Merger Co or the Surviving Corporation (*Purchaser Welfare Benefit Plans*) in which an Employee may be eligible to participate on or after the Effective Time, Merger Co shall (i) waive, or use commercially reasonable efforts to cause its insurance carrier to waive, all limitations as to preexisting and at-work conditions, if any, with respect to participation and coverage requirements applicable to each Employee under any Purchaser Welfare Benefit Plan to the same extent waived under a comparable Plan, and (ii) provide credit to each Employee for any co-payments, deductibles and out-of-pocket expenses paid by such Employee under the Plans during the relevant plan year, up to and including the Effective Time.

(e) From and after the Effective Time, except as otherwise agreed by Merger Co and any of the individuals expressly identified by the Company to Merger Co as such prior to the date of this Agreement, Merger Co shall (i) assume and agree to be bound by, or cause Surviving Corporation to assume and agree to be bound by, each Change in Control Agreement with the individuals expressly identified by the Company to Merger Co as such prior to the date of this Agreement, and (ii) honor or cause to be honored, in accordance with their terms, all the Change in Control Agreements and any other employment agreements, in each case with the current and former employees of the Company and the Subsidiaries expressly identified by the Company to Merger Co as such prior to the date of this Agreement.

(f) On and after the date hereof, no future offering periods will be commenced under the Company's Employee Stock Purchase Plan (*ESPP*). All offering periods in progress immediately prior to the Effective Time shall cease and the Company shall terminate the ESPP immediately prior to the Effective Time. With respect to persons participating in the ESPP on the date on which the offering periods cease and the ESPP terminates (and who have not withdrawn from or otherwise ceased participation in the Plan prior to such date), accumulated contributions will be applied on such date to the purchase of Company Common Stock in accordance with the ESPP's terms (treating the date of termination as the last day of the relevant offering period). With respect to matters described in this Section 6.06(f), the Company will communicate with Merger Co (and reasonably the communications of Merger Co) prior to sending any material notices or other communication materials to its employees.

(g) For the avoidance of doubt, it is expressly agreed that the provisions of Section 9.08 shall apply to this Section 6.06.

SECTION 6.07 *Notification of Certain Matters.* The Company shall give prompt notice to Merger Co, and Merger Co shall give prompt notice to the Company, of (a) the occurrence, or non-occurrence, of any event the occurrence, or non-occurrence, of which could reasonably be expected to cause any condition to the obligations of any party hereunder not to be satisfied (subject, in the case of the matters addressed by Section 6.08(d), to the provisions of Section 6.08(d)), and (b) any failure of the Company or Merger Co to comply with or satisfy any covenant or agreement to be complied with or satisfied by it hereunder; *provided, however*, that the delivery or non-delivery of any notice pursuant to this Section 6.07 shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice. In addition, the Company shall give prompt written notice to Merger Co, and Merger Co shall give prompt written notice to the Company, of any notice or other communication (i) from any person and the response thereto of the Company or the Subsidiaries or Merger Co, as the case may be, or its or their Representatives alleging that the consent of such person is or may be required in connection with this Agreement or the Merger, (ii) from any Governmental Authority and the response thereto of the Company or the Subsidiaries or Merger Co, as the case may be, or its or their Representatives in connection with this Agreement or the Merger, and (iii) except in the event the Company Board shall have effected a Change of Board Recommendation, from or to the SEC.

SECTION 6.08 *Financing.* (a) Merger Co shall use its reasonable best efforts to arrange the Debt Financing on the terms and conditions described in the Commitment Letters, including using reasonable best efforts to (i) negotiate definitive agreements with respect thereto on the terms and conditions contained therein or on other terms no more adverse to the Company and (ii) to satisfy on a timely basis all conditions applicable to Merger Co

in such definitive agreements that are within its control. In the event any portion of the Debt Financing becomes unavailable on the terms and conditions contemplated in the Commitment Letters, including as a result of any Lender MAC (as defined below), Merger Co shall (A) with respect to the Senior Secured Financing, use its reasonable best efforts to arrange to obtain alternative financing from alternative sources on comparable or more favorable terms to Merger Co (as determined in the reasonable judgment of Merger Co) as promptly as practicable following the occurrence of such event, and (B) with respect to the High Yield Financing, use its reasonable best efforts to arrange to obtain alternative financing from alternative sources on comparable or more favorable terms to Merger Co (as determined in the reasonable judgment of Merger Co) no later than the last day of the Marketing Period. In the event that (x) all or any portion of the Debt Financing structured as High Yield Financing has not been consummated, (y) all closing conditions contained in Article VII shall have been satisfied or waived (other than those contained in Sections 7.02(c) and 7.03(c)) and (z) the Bridge Financing (or alternative bridge financing obtained in accordance with this Section 6.08(a)) is available on the terms and conditions described in the Commitment Letters (or replacement commitment letters), Merger Co shall use the proceeds of the Bridge Financing (or such alternative bridge financing) to replace such High Yield Financing no later than the last day of the Marketing Period. For purposes of this Agreement, *Marketing Period* shall mean the first period of 15 consecutive business days after the date hereof throughout which (A) the Merger Co shall have the Required Financial Information that the Company is required to provide to the Merger Co pursuant to Section 6.08(b), and (B) the conditions set forth in Section 7.01 and Sections 7.02(a), (b), (d) and (e) shall be satisfied; *provided*, that if such 15 business day period would otherwise end on or after August 19, 2005, the Marketing Period shall end on October 10, 2005; and *provided, further* that the Marketing Period shall end on any earlier date which is the third business day following the date the Debt Financing is consummated. Merger Co shall give the Company prompt notice of any material breach by any party of the Commitment Letters of which Merger Co becomes aware, any termination of the Commitment Letters or any Lender MAC. Merger Co shall keep the Company informed on a reasonably current basis in reasonable detail of the status of its efforts to arrange the Financing and shall not permit any material amendment or modification to be made to, or any waiver of any material provision or remedy under, the Commitment Letters without first consulting with the Company. For purposes of this Agreement, the term *Lender MAC* shall mean (x) any restriction on lending imposed by a regulatory authority on, or a petition of bankruptcy, insolvency or reorganization (or similar petition or initiation of proceedings under any debtor relief Law) filed by or against, or the seeking of the appointment of a receiver or similar person by, or the making of an assignment for the benefit of creditors by, any lender or lenders providing at least 25% of the Debt Financing contemplated by the Commitment Letters or (y) any order, decree or injunction of a court or agency of competent jurisdiction, including any such lender's primary banking regulator or regulators, prohibiting the consummation of the financing contemplated by the Commitment Letters affecting any lender or lenders providing at least 25% of the Debt Financing contemplated by the Commitment Letters, which, in each case, prevents the lender or lenders from providing the financing contemplated by such Commitment Letters and which, in the case of any petition filed against any such lender or lenders, is not dismissed within ten days of being filed.

(b) The Company agrees to provide, and shall cause the Subsidiaries and its and their Representatives to provide, all reasonable cooperation (including with respect to timeliness) in connection with the arrangement of the Debt Financing as may be reasonably requested by Merger Co (*provided* that such requested cooperation does not unreasonably interfere with the ongoing operations of the Company and the Subsidiaries), including (i) participation in meetings, drafting sessions and due diligence sessions, (ii) no later than the date of mailing of the Proxy Statement, furnishing Merger Co and its financing sources with financial and other pertinent information regarding the Company as may be reasonably requested by Merger Co, including all financial statements and financial data of the type required by Regulation S-X and Regulation S-K under the Securities Act and of type and form customarily included in private placements under Rule 144A of the Securities Act to consummate the offering of senior or senior subordinated notes (the *Required Financial Information*), (iii) no later than the date of mailing of the Proxy Statement, satisfying the conditions set forth in paragraphs (e), (f), (g), and (i) of Exhibit F to the Commitment Letters (to the extent the satisfaction of such conditions requires actions by or cooperation of the Company), (iv) assisting Merger Co and its financing sources in the preparation of (A) an offering document for any of the Debt Financing and (B) materials for rating agency presentations,

(v) reasonably cooperating with the marketing efforts of Merger Co and its financing sources for any of the Debt Financing, (vi) providing and executing documents as may be reasonably requested by Merger Co, including a certificate of the chief financial officer of the Company or any Subsidiary with respect to solvency matters and consents of accountants for use of their reports in any materials relating to the Debt Financing, (vii) reasonably facilitating the pledging of collateral, and (viii) using commercially reasonable efforts to obtain accountants' comfort letters, legal opinions, surveys and title insurance as reasonably requested by Merger Co; *provided* that none of the Company or any Subsidiary shall be required to pay any commitment or other similar fee or incur any other liability in connection with the Debt Financing prior to the Effective Time. Merger Co shall, promptly upon request by the Company, reimburse the Company for all reasonable out-of-pocket costs incurred by the Company or the Subsidiaries in connection with such cooperation. Merger Co shall, on a joint and several basis, indemnify and hold harmless the Company, the Subsidiaries and their respective Representatives for and against any and all Losses suffered or incurred by them in connection with the arrangement of the Debt Financing and any information utilized in connection therewith (other than information provided by the Company or the Subsidiaries).

(c) All non-public or otherwise confidential information regarding the Company obtained by Merger Co or its Representatives pursuant to Section 6.08(b) shall be kept confidential in accordance with the Confidentiality Agreement; *provided, however*, that Merger Co and its Representatives shall be permitted to disclose information as necessary and consistent with customary practices in connection with the Debt Financing upon the prior written consent of the Company, which consent shall not be unreasonably withheld.

(d) Within 60 days of there having occurred after the date of this Agreement (i) any general suspension of trading in, or limitation on prices for, securities on the NYSE for three or more consecutive business days, including but not limited to any changes in trading conditions resulting from actual or threatened terrorist attacks, responses by the United States or its allies thereto, or the effects thereof; (ii) the declaration of a banking moratorium or any suspension of payments in respect of banks in the United States generally for three or more consecutive business days; (iii) the commencement or material escalation of a war, armed hostilities or other international or national crisis or security event directly or indirectly involving the United States or any of its territories after the date of this Agreement, including any acts of terrorism, domestic or foreign or responses of the United States or its allies, or a national or international economic or financial crisis, as a result of which there has occurred any material disruption or material adverse change in the United States commercial credit, debt, capital or commercial mortgage-backed securities markets (including the market for leveraged loans or high yield securities) for a period of three or more consecutive business days; or (iv) any limitation by any governmental, regulatory or administrative agency or authority which prohibits the extension of credit by banks or other lending institutions in the United States generally in a manner that prevents a lender from providing the Debt Financing for a period of three or more consecutive business days, Merger Co shall deliver to the Company a certificate (the *Market MAC Notice*) to that effect signed by an officer of Merger Co, describing in reasonable detail the nature of the Market MAC (any of the events specified in clauses (i) through (iv) described in such Market MAC Notice being hereinafter referred to as a *Market MAC*). At any time following its receipt of the Market MAC Notice, the Company may request (by delivery of a written notice to Merger Co to such effect (a *Company Waiver Request*)) that Merger Co fully and irrevocably waive its right to invoke the condition set forth in Section 7.02(d) with respect to such Market MAC. In the event that Merger Co delivers to the Company a written notice that Merger Co waives its right to invoke the condition set forth in Section 7.02(d) with respect to such Market MAC (a *Merger Co Waiver Notice*), then such Market MAC shall cease to be a basis for Merger Co not consummating the Merger. In the event that Merger Co fails to deliver a Merger Co Waiver Notice with respect to a Market MAC within the longer of (i) seven days after Merger Co's receipt of the corresponding Company Waiver Request and (ii) the number of days between the date on which Merger Co delivered to the Company the corresponding Market MAC Notice and the date on which the Company delivered to Merger Co the Company Waiver Request (the longer of such periods being hereinafter referred to as the *Requisite Response Period*), then the Company shall be entitled to terminate the Agreement pursuant to Section 8.01(j) within 10 business days after expiration of the Requisite Response Period. Notwithstanding anything to the contrary in this Section 6.08(d), nothing shall release Merger Co from continuing to be obligated to use its reasonable best efforts to

obtain (i) the Debt Financing or (ii) an alternative financing in accordance with Section 6.08(a) in the event Merger Co declines to timely waive its right to invoke the condition set forth in Section 7.02(d) with respect to a Market MAC.

(e) The Company shall use commercially reasonable efforts, upon the reasonable request of Merger Co, to contribute or transfer, immediately prior to the Effective Time, any or all of its foreign Subsidiaries to a newly formed holding company or to take any other action reasonably requested by Merger Co; *provided, however*, that (i) the Company shall not be required to take any action in contravention of any organizational document or other Specified Contract relating to any applicable Subsidiary, (ii) any such actions or transactions shall be contingent upon the receipt by the Company of a written notice from Merger Co confirming that Merger Co are prepared to proceed immediately with the Closing, and (iii) any and all such actions shall not constitute a breach by the Company of any representation, warranty or covenant made by the Company pursuant to this Agreement. If the Closing is not consummated, Merger Co shall, promptly upon request by the Company, reimburse the Company for all reasonable out-of-pocket costs incurred by the Company in connection with any actions taken by the Company in accordance with this Section 6.08(e). Notwithstanding anything in this Section 6.08(e) to the contrary, the Company shall not be required to take any action under this Section 6.08(e) prior to the Closing, unless Merger Co shall have agreed to indemnify and hold harmless the Company and its Representatives for and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments and penalties suffered or incurred by them in connection with such actions.

(f) Within nine business days after the date of this Agreement, Merger Co shall deliver, or cause to be delivered, to the Company either (i) an opinion of counsel for each Guarantor as to the enforceability of the Guarantee of such Guarantor and such other matters reasonably requested by the Company, which opinion shall be in form and substance reasonably satisfactory to the Company, or (ii) such other assurance reasonably satisfactory to the Company that the obligations of each Guarantor under its Guarantee will be satisfied in full when due in accordance with the terms thereof.

SECTION 6.09 Further Action; Reasonable Best Efforts. (a) Upon the terms and subject to the conditions of this Agreement, including the terms and conditions set forth in Section 6.08(a) specifying the circumstances under which Merger Co is obligated to draw the Bridge Financing, each of the parties hereto agrees to use its reasonable best efforts to (i) take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things necessary, proper or advisable under applicable Law or otherwise to consummate the Merger, (ii) obtain from Governmental Authorities any consents, licenses, permits, waivers, approvals, authorizations or orders required to be obtained by Merger Co or the Company or any of their respective subsidiaries in connection with the authorization, execution and delivery of this Agreement, and (iii) promptly make all necessary filings, and thereafter make any other required submission, with respect to this Agreement and the Merger required under the HSR Act or any other applicable antitrust, competition or fair trade Laws with respect to the Merger. Subject to appropriate confidentiality protections, the parties hereto shall have an opportunity to review and comment on drafts of all applications, notices, petitions, filings and other documents made or prepared in connection with the items described in clauses (i) through (iii) above, which comments shall be considered by the other party in good faith, shall cooperate with each other in connection with the prompt making of all such filings, will furnish to the other party such necessary information and assistance as such other party may reasonably request with respect to the foregoing and will provide the other party with copies of all filings made by such party with any applicable Government Authority, and, upon request, any other information supplied by such party to a Governmental Authority in connection with this Agreement and the Merger.

(b) Merger Co and the Company shall file as soon as practicable after the date of this Agreement all required or advisable notifications under, or relating to, the HSR Act and any antitrust, competition or fair trade Law of any applicable United States or non-United States governmental antitrust authority and shall respond as promptly as practicable to all inquiries or requests for additional information received from a Governmental Authority in relation to such filings or notices for additional information or documentation. Merger Co agrees to take whatever action may be necessary to resolve any objections as may be asserted under the HSR Act or any

other applicable antitrust, competition or fair trade Laws with respect to the Merger. Notwithstanding anything in this Agreement to the contrary, no action taken by Merger Co pursuant to this Section 6.09(b) shall entitle Merger Co to any diminution of the Merger Consideration.

(c) The Company and Merger Co shall, and the Company shall cause the Subsidiaries to, use their respective reasonable best efforts to obtain any third party consents (i) necessary to consummate the Merger and the Other Transactions, (ii) required to prevent a Company Material Adverse Effect from occurring prior to the Effective Time or (iii) in the case of the Company or any Subsidiary, otherwise reasonably requested by Merger Co. In the event that the Company shall fail to obtain any third party consent described above, the Company shall use its reasonable best efforts, and shall take such actions as are reasonably requested by Merger Co, to minimize any adverse effect upon the Company and Merger Co resulting, or which could reasonably be expected to result, after the Effective Time, from the failure to obtain such consent.

(d) Notwithstanding anything to the contrary in this Agreement, except as contemplated under Section 6.08, in connection with obtaining any approval or consent from any person (other than a Governmental Authority) with respect to the Merger, (i) without the prior written consent of Merger Co which shall not be unreasonably withheld or delayed, none of the Company or any of its Subsidiaries shall pay or commit to pay to such person whose approval or consent is being solicited any cash or other consideration, make any commitment or incur any liability or other obligation due to such person and (ii) neither Merger Co nor any of its affiliates shall be required to pay or commit to pay to such person whose approval or consent is being solicited any cash or other consideration, make any commitment or to incur any liability or other obligation.

SECTION 6.10 *Public Announcements.* The initial press release relating to this Agreement shall be a joint press release the text of which has been agreed to by each of Merger Co and the Company. Thereafter, each of Merger Co and the Company shall consult with each other before issuing any press release or otherwise making any public statements with respect to this Agreement or the Merger, except to the extent public disclosure is required by applicable Law or the requirements of the NYSE, in which case the issuing party shall use its reasonable best efforts to consult with the other party before issuing any such release or making any such public statement.

SECTION 6.11 *Resignations.* The Company shall use its reasonable best efforts to obtain and deliver to Merger Co at the Closing evidence reasonably satisfactory to Merger Co of the resignation effective as of the Effective Time, of those directors of the Company or any Subsidiary designated by Merger Co to the Company in writing at least ten business days prior to the Closing.

SECTION 7.03 *Conditions to the Obligations of the Company.* The obligations of the Company to consummate the Merger are subject to the satisfaction or waiver in writing (where permissible) of the following additional conditions:

(a) *Representations and Warranties.* The representations and warranties of Merger Co contained in this Agreement shall be true and correct as of the Effective Time, as though made on and as of the Effective Time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of such representations and warranties to be so true or correct would not prevent the consummation of the Merger or prevent Merger Co from performing its obligations under this Agreement.

(b) *Agreements and Covenants.* Merger Co shall have performed or complied in all material respects with all agreements and covenants required by this Agreement to be performed or complied with by it on or prior to the Effective Time.

(c) *Officer's Certificate.* Merger Co shall have delivered to the Company a certificate, dated the date of the Closing, signed by an officer of Merger Co, certifying as to the satisfaction of the conditions specified in Sections 7.03(a) and 7.03(b).

ARTICLE VIII

TERMINATION, AMENDMENT AND WAIVER

SECTION 8.01 *Termination.* This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time by action taken or authorized by the Board of Directors of the terminating party or parties, notwithstanding any requisite adoption of this Agreement by the stockholders of the Company, and whether before or after the stockholders of the Company have approved this Agreement at the Company Stockholders Meeting, as follows (the date of any such termination, the *Termination Date*):

(a) by mutual written consent of Merger Co and the Company;

(b) by either Merger Co or the Company if the Effective Time shall not have occurred on or before September 15, 2005 or, if the Marketing Period has not ended before August 19, 2005, the September 15, 2005 date shall be extended to October 10, 2005; *provided, however*, that the right to terminate this Agreement under this Section 8.01(b) shall not be available to the party whose failure to fulfill any obligation under this Agreement has been the cause of, or resulted in, the failure of the Effective Time to occur on or before such date;

(c) by either Merger Co or the Company if any Governmental Authority shall have enacted, issued, promulgated, enforced or entered any injunction, order, decree or ruling or taken any other action (including the failure to have taken an action) which, in either such case, has become

final and non-appealable and has the effect of making consummation of the Merger illegal or otherwise preventing or prohibiting consummation of the Merger;

(d) by Merger Co if it is not in material breach of its obligations under this Agreement, and if (i) any of the representations and warranties of the Company herein are or become untrue or inaccurate such that Section 7.02(a) would not be satisfied, or (ii) there has been a breach on the part of the Company of any of its covenants or agreements herein such that Section 7.02(b) would not be satisfied, and, in either such case, such breach has not been, or cannot be, cured within 30 days after notice to the Company;

(e) by the Company if it is not in material breach of its obligations under this Agreement, and if (i) any of the representations and warranties of Merger Co herein are or become untrue or inaccurate such that Section 7.03(a) would not be satisfied, or (ii) there has been a breach on the part of Merger Co of any of its

covenants or agreements herein such that Section 7.03(b) would not be satisfied, and, in either such case, such breach has not been, or cannot be, cured within 30 days after notice to Merger Co;

(f) by either Merger Co or the Company if this Agreement shall fail to receive the Stockholder Approval at the Company Stockholders Meeting;

(g) by Merger Co if the Company Board shall have (i) effected a Change of Board Recommendation, (ii) recommended or approved any Acquisition Proposal, (iii) within 5 business days of the date any Acquisition Proposal is first published or sent or given, taken any position contemplated by Rule 14e-2(a) of the Exchange Act other than recommending rejection of such Acquisition Proposal, or (iv) failed to include in the Proxy Statement distributed to stockholders its recommendation that stockholders adopt and approve this Agreement and the Merger;

(h) by the Company if, prior to the Effective Time, the Company Board determines in good faith (after consultation with its legal and financial advisors), in the exercise of its fiduciary duties, that an unsolicited bona fide Acquisition Proposal is a Superior Proposal, but only (i) after providing a written notice to Merger Co (a *Notice of Superior Proposal*) advising Merger Co that the Company Board has received a Superior Proposal, specifying in writing the material terms and conditions of such Superior Proposal and identifying the person making such Superior Proposal, and (ii) if Merger Co does not, within five business days of Merger Co's receipt of the Notice of Superior Proposal, make an offer that the Company Board determines, in its good faith judgment (after consultation with its legal and financial advisors) to be at least as favorable to the Company's stockholders as such Superior Proposal; *provided* that during such five business day period, the Company shall negotiate in good faith with Merger Co (to the extent Merger Co wishes to negotiate) to enable Merger Co to make such an offer; and *provided, further*, that, in the event of any amendment to the financial or other material terms of such Superior Proposal, the Company Board shall deliver to Merger Co an additional written Notice of Superior Proposal, and the five business day period referenced above shall be extended for an additional two business days after Merger Co's receipt of such additional Notice of Superior Proposal; *provided, however*, that any such purported termination pursuant to this Section 8.01(h) shall be void and of no force or effect unless the Company concurrently with such termination pays the Company Termination Fee as directed by the Merger Co in writing in accordance with Section 8.03;

(i) by the Company if (A) all of the conditions set forth in Section 7.01 and Sections 7.02(a), (b), (d) and (e) have been satisfied, and (B) the Merger shall not have been consummated on the last day of the Marketing Period; or

(j) by the Company if Merger Co fails to deliver a Merger Co Waiver Notice prior to the expiration of the Requisite Response Period with respect to any Market MAC.

For purposes of this Agreement, *Superior Proposal* means any bona fide written Acquisition Proposal not solicited or initiated in violation of Section 6.04(a) that (1) relates to an acquisition by a person or group acting in concert of any of (A) more than 50% of the outstanding Shares pursuant to a tender offer, merger or otherwise, (B) all or substantially all of the assets of the Company and the Subsidiaries, taken as a whole, (C) the Company's investment support systems business, or (D) the Company's availability services business, (2) is on terms that the Company Board determines in its good faith judgment (after consultation with its financial advisor and after taking into account all the terms and conditions of the Acquisition Proposal) are more favorable to the Company's stockholders (in their capacities as stockholders) from a financial point of view than this Agreement (taking into account any alterations to this Agreement agreed to in writing by Merger Co in response thereto) and (3) which the Company Board determines in good faith (after consultation with its financial advisor and its outside legal counsel) is reasonably capable of being consummated and, to the extent the Company Board determines in good faith that financing is material to such Acquisition Proposal, for which such person or group acting in concert has received executed financing commitment letters on terms comparable to those contained in the Commitment Letters.

SECTION 8.02 *Effect of Termination*. In the event of the termination of this Agreement pursuant to Section 8.01, this Agreement shall forthwith become void, and there shall be no liability under this Agreement on the part of any party hereto (except that the indemnification and reimbursement obligations of Merger Co contained in Sections 6.08(b) and 6.08(e), the Guarantees referred to in Section 4.09, and the provisions of Sections 6.03(b) and 6.08(c), this Section 8.02, Section 8.03 and Article IX shall survive any such termination); *provided, however*, that nothing herein shall relieve the Company from liability for any willful breach of any of its representations, warranties, covenants or agreements set forth in this Agreement prior to such termination.

SECTION 8.03 *Fees and Expenses*. (a) Except as otherwise set forth in this Section 8.03, all Expenses incurred in connection with this Agreement shall be paid by the party incurring such expenses, whether or not the Merger is consummated. *Expenses*, as used in this Agreement, shall include all reasonable out-of-pocket documented expenses (including all fees and expenses of counsel, accountants, investment bankers, financing sources, hedging counterparties, experts and consultants to a party hereto and its affiliates) incurred by a party or on its behalf (or with respect to Merger Co, incurred by Merger Co's stockholders or on their behalf) in connection with or related to the authorization, preparation, negotiation, execution and performance of this Agreement, the preparation, printing, filing and mailing of the Proxy Statement, the solicitation of stockholder approval, financing and all other matters related to the closing of the Merger.

(b) The Company agrees that if this Agreement shall be terminated:

(i) by Merger Co pursuant to Section 8.01(d), then the Company shall pay the Expenses of Merger Co up to an aggregate amount of \$25,000,000 (the *Termination Expenses*) as directed by Merger Co in writing and, further, if (A) at or prior to the Termination Date, an Acquisition Proposal shall have been publicly announced that appears to have been bona fide and (B) no later than 12 months after the Termination Date, the Company enters into, or submits to the stockholders of the Company for adoption, an agreement with respect to an Acquisition Proposal, or an Acquisition Proposal (which in each case need not be the same Acquisition Proposal as the Acquisition Proposal described above that shall have been publicly announced at or prior to the Termination Date) is consummated, then the Company will also pay the Company Termination Fee as directed by Merger Co in writing;

(ii) by Merger Co or the Company pursuant to Section 8.01(f), and (A) at or prior to the Termination Date, an Acquisition Proposal shall have been publicly announced that appears to have been bona fide and (B) no later than 12 months after the Termination Date, the Company enters into, or submits to the stockholders of the Company for adoption, an agreement with respect to an Acquisition Proposal, or an Acquisition Proposal (which in each case need not be the same Acquisition Proposal as the Acquisition Proposal described above that shall have been publicly announced at or prior to the Termination Date) is consummated, then the Company shall pay the Company Termination Fee as directed by Merger Co in writing;

(iii) by Merger Co pursuant to Section 8.01(g), then (so long as Merger Co was not in breach of any of its representations, warranties or covenants in this Agreement such that the applicable condition to the Company's obligation to consummate the Merger would not have been satisfied as of the Termination Date) the Company shall pay the Company Termination Fee as directed by Merger Co in writing; or

(iv) by the Company pursuant to Section 8.01(h), then the Company shall pay the Company Termination Fee (which Company Termination Fee shall be paid concurrently with such termination) as directed by Merger Co in writing.

(c) The Company Termination Fee shall be paid by the Company as directed by Merger Co in writing in immediately available funds (i) concurrently with and as a condition to the effectiveness of a termination of this Agreement by the Company pursuant to Section 8.01(h) and (ii) within two business days after the date of the event giving rise to the obligation to make such payment in all other circumstances. The

Termination Expenses shall be paid by the Company as directed by Merger Co in writing in immediately available funds within two business days after receipt by the Company of reasonable documentation with respect to such Termination Expenses.

Table of Contents

(d) For purposes of this Agreement, *Company Termination Fee* means an amount equal to \$300,000,000; *provided, however*, if (A) the Agreement is terminated pursuant to Sections 8.01(g) or 8.01(h), and (B) such termination has occurred in connection with the receipt by the Company of an Acquisition Proposal contemplating the sale of only its availability services business, then for purposes of Sections 8.03(b)(iii) and 8.03(b)(iv), *Company Termination Fee* shall mean \$200,000,000.

(e) Merger Co agrees that, if the Company shall terminate this Agreement pursuant to (i) Section 8.01(e), (ii) Section 8.01(b) and, at the time of such termination, the conditions set forth in Section 7.01 and Sections 7.02(a), (b), (d) and (e) have been satisfied, or (iii) Section 8.01(i), then Merger Co shall pay to the Company a fee of \$300,000,000 (the *Merger Co Termination Fee*) in immediately available funds no later than two business days after such termination by the Company.

(f) Each of the Company and Merger Co acknowledges that the agreements contained in this Section 8.03 are an integral part of the transactions contemplated by this Agreement. In the event that the Company shall fail to pay the Company Termination Fee or any Termination Expenses when due or Merger Co shall fail to pay the Merger Co Termination Fee when due, the Company or the Merger Co, as the case may be, shall reimburse the other party for all reasonable costs and expenses actually incurred or accrued by such other party (including reasonable fees and expenses of counsel) in connection with the collection under and enforcement of this Section 8.03. Notwithstanding anything to the contrary in this Agreement, the Company's right to receive payment of the Merger Co Termination Fee pursuant to this Section 8.03 or the guarantee thereof pursuant to the Guarantees shall be the exclusive remedy of the Company and the Subsidiaries against Merger Co, the Guarantors or any of their respective stockholders, partners, members, directors, officers or agents for the loss suffered as a result of the failure of the Merger to be consummated, and upon payment of the Merger Co Termination Fee in accordance with this Section 8.03, none of Merger Co, the Guarantors or the Company, or any of their respective stockholders, partners, members, directors, officers or agents, as the case may be, shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated by this Agreement (except that Merger Co also shall be obligated with respect to the second sentence of this Section 8.03(f), the indemnification and reimbursement obligations of Merger Co contained in Sections 6.08(b) and 6.08(e) and the provisions of Sections 6.03(b) and 6.08(c), it being understood that no other person (including the Guarantors) shall have any liability or obligation under or with respect to such provisions).

SECTION 8.04 *Amendment*. This Agreement may be amended by the parties hereto by action taken by or on behalf of their respective Boards of Directors at any time prior to the Effective Time; *provided, however*, that, after the adoption of this Agreement by the stockholders of the Company, no amendment shall be made except as allowed under applicable Law. This Agreement may not be amended except by an instrument in writing signed by each of the parties hereto.

SECTION 8.05 *Waiver*. At any time prior to the Effective Time, any party hereto may (a) extend the time for the performance of any obligation or other act of any other party hereto, (b) waive any inaccuracy in the representations and warranties of any other party contained herein or in any document delivered pursuant hereto and (c) waive compliance with any agreement of any other party or any condition to its own obligations contained herein. Any such extension or waiver shall be valid if set forth in an instrument in writing signed by the party or parties to be bound thereby. The failure of any party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights.

(c) When a reference is made in this Agreement to Sections, Schedules or Exhibits, such reference shall be to a Section, Schedule or Exhibit of this Agreement, respectively, unless otherwise indicated. Whenever the words *include*, *includes* or *including* are used in this Agreement, they shall be deemed to be followed by the words *without limitation*. The words *hereof*, *herein* and *hereunder* and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not any particular provision of this Agreement. The term *or* is not exclusive. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. References to a person are also to its permitted successors and assigns. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms.

SECTION 9.04 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

SECTION 9.05 Disclaimer of Other Representations and Warranties. Merger Co and the Company each acknowledges and agrees that, except for the representations and warranties expressly set forth in this Agreement (a) no party makes, and has not made, any representations or warranties relating to itself or its businesses or otherwise in connection with the Merger, (b) no person has been authorized by any party to make any representation or warranty relating itself or its businesses or otherwise in connection with the Merger and, if made, such representation or warranty must not be relied upon as having been authorized by such party, and (c) any estimates, projections, predictions, data, financial information, memoranda, presentations or any other materials or information provided or addressed to any party or any of its Representatives are not and shall not be deemed to be or to include representations or warranties unless any such materials or information is the subject of any representation or warranty set forth in this Agreement.

SECTION 9.06 Entire Agreement; Assignment. This Agreement, the Confidentiality Agreement and the Guarantees constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements and undertakings, both written and oral, among the parties hereto, or any of them, with respect to the subject matter hereof and thereof. This Agreement shall not be assigned (whether pursuant to a merger, by operation of law or otherwise), except that Merger Co may assign all or any of their rights and obligations hereunder to any affiliate of Merger Co, *provided, however*, that no such assignment shall relieve the assigning party of its obligations hereunder if such assignee does not perform such obligations.

SECTION 9.07 Remedies; Specific Performance. (a) The Company agrees that to the extent it has incurred losses or damages in connection with this Agreement, (i) the maximum aggregate liability of Merger Co for such losses or damages shall be limited to \$300,000,000 and any amounts owed under Sections 6.08(b), 6.08(e) and 8.03(f), (ii) the maximum liability of each Guarantor, directly or indirectly, shall be limited to the express obligations of such Guarantor under its Guarantee, and (iii) in no event shall the Company seek to recover any money damages in excess of such amount from Merger Co or the Guarantors or their respective Representatives and affiliates in connection therewith.

(b) The parties hereto agree that irreparable damage would occur in the event any provision of this Agreement were not performed by the Company in accordance with the terms hereof and that, prior to the termination of this Agreement pursuant to Section 8.01, Merger Co shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or equity. The parties acknowledge that the Company shall not be entitled to an injunction or injunctions to prevent breaches of this Agreement by Merger Co or to enforce specifically the terms and provisions of this Agreement and that the Company's sole and exclusive

remedy with respect to any such breach shall be the remedy set forth in Section 9.07(a) and 8.03(f); *provided, however*, the Company shall be entitled to specific performance against Merger Co (but not the Guarantors) to prevent any breach by Merger Co of Sections 6.03(b) and 6.08(c).

SECTION 9.08 *Parties in Interest*. This Agreement shall be binding upon and inure solely to the benefit of each party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, other than Section 6.05 (which is intended to be for the benefit of the persons covered thereby and may be enforced by such persons).

SECTION 9.09 *Governing Law*. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts executed in and to be performed in that State (other than those provisions set forth herein that are required to be governed by the DGCL). All Actions arising out of or relating to this Agreement shall be heard and determined exclusively in any New York state or federal court sitting in the Borough of Manhattan of The City of New York. The parties hereto hereby (a) submit to the exclusive jurisdiction of any state or federal court sitting in the Borough of Manhattan of The City of New York for the purpose of any Action arising out of or relating to this Agreement brought by any party hereto, and (b) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Agreement or the Merger may not be enforced in or by any of the above-named courts.

SECTION 9.10 *Waiver of Jury Trial*. Each of the parties hereto hereby waives to the fullest extent permitted by applicable Law any right it may have to a trial by jury with respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement or the Merger. Each of the parties hereto (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the Merger, as applicable, by, among other things, the mutual waivers and certifications in this Section 9.10.

SECTION 9.11 *Headings*. The descriptive headings contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

SECTION 9.12 *Counterparts*. [LETTERHEAD OF CREDIT SUISSE FIRST BOSTON LLC]

March 27, 2005

Board of Directors

SunGard Data Systems Inc.

Wayne, Pennsylvania 19087

Members of the Board:

You have asked us to advise you with respect to the fairness, from a financial point of view, to the holders of the common stock, par value \$.01 per share (Company Common Stock), of SunGard Data Systems Inc. (the Company), other than the Rollover Holders (as defined below), of the Merger Consideration (as defined below) to be received by such holders pursuant to the terms of the Agreement and Plan of Merger (the Merger Agreement), dated as of March 27, 2005, between Solar Capital Corp. (Merger Co) and the Company. The Merger Agreement provides for, among other things, the merger (the Merger) of Merger Co with and into the Company pursuant to which the Company will be the surviving corporation (the Surviving Corporation) and each outstanding share of Company Common Stock will be converted into the right to receive \$36.00 in cash (the Merger Consideration). We understand that agreements entered into in connection with the Merger with certain employees of the Company (collectively, the Rollover Holders) provide that, effective on the closing of the Merger, the Rollover Holders will invest in securities of the Surviving Corporation.

In arriving at our opinion, we have reviewed the Merger Agreement and certain related documents as well as certain publicly available business and financial information relating to the Company. We also have reviewed certain other information relating to the Company, including financial forecasts, provided to or discussed with us by the Company, and have met with the management of the Company to discuss the business and prospects of the Company. We also have considered certain financial and stock market data of the Company, and we have compared that data with similar data for other publicly held companies in businesses we deemed similar to that of the Company and we have considered, to the extent publicly available, the financial terms of certain other business combinations and other transactions which have been recently effected or announced. We also considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which we deemed relevant.

In connection with our review, we have not assumed any responsibility for independent verification of any of the foregoing information and have relied on such information being complete and accurate in all material respects. With respect to the financial forecasts for the Company which we have reviewed, the management of the Company has advised us, and we have assumed, that such forecasts have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the Company's management as to the future financial performance of the Company. We also have assumed, with your consent, that in the course of obtaining any regulatory or third party consents, approvals or agreements in connection with the Merger, no modification, delay, limitation, restriction or condition will be imposed that would

have an adverse effect on the Company or the Merger and that the Merger will be consummated in accordance with the terms of the Merger Agreement without waiver, modification, amendment or adjustment of any material term, condition or agreement therein. In addition, we have not been requested to make, and have not made, an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of the Company, nor have we been furnished with any such evaluations or appraisals. Our opinion addresses only the fairness, from a financial point of view, to the holders of Company Common Stock (other than the Rollover Holders) of the Merger Consideration and does not address

any other aspect or implication of the Merger or any other agreement, arrangement or understanding entered into in connection with the Merger or otherwise. Our opinion is necessarily based upon information made available to us as of the date hereof and upon financial, economic, market and other conditions as they exist and can be evaluated on the date hereof. We were not requested to, and we did not, solicit third party indications of interest in acquiring the Company. Our opinion does not address the relative merits of the Merger as compared to alternative transactions or strategies that might be available to the Company, nor does it address the underlying business decision of the Company to proceed with the Merger.

We have acted as financial advisor to the Company in connection with the Merger and will receive a fee for our services, a significant portion of which is contingent upon the consummation of the Merger. We also will receive a fee for rendering this opinion. In addition, the Company has agreed to indemnify us for certain liabilities and other items arising out of our engagement. From time to time, we and our affiliates have in the past provided, are currently providing and in the future we may provide, investment banking and other financial services to the Company, as well as the private investment firms whose affiliates are stockholders of Merger Co, and their respective affiliates, for which we have received, and would expect to receive, compensation. We and certain of our affiliates and certain of our and their respective employees and certain private investment funds affiliated or associated with us have invested in private equity funds managed or advised by the private investment firms whose affiliates are stockholders of Merger Co. In addition, at the Company's request, we or one or more of our affiliates may offer to provide, or otherwise assist Merger Co in obtaining, all or a portion of the financing in connection with the Merger, for which we would receive additional compensation. We are a full service securities firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, we and our affiliates may acquire, hold or sell, for our own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of the Company, Merger Co, affiliates of the stockholders of Merger Co and any other company that may be involved in the Merger and, accordingly, may at any time hold a long or short position in such securities, as well as provide investment banking and other financial services to such companies.

It is understood that this letter is for the information of the Board of Directors of the Company in connection with its consideration of the Merger and does not constitute a recommendation to any stockholder as to how such stockholder should vote or act on any matter relating to the proposed Merger.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration to be received by the holders of Company Common Stock (other than the Rollover Holders) is fair to such holders, from a financial point of view.

Very truly yours,

Dear Members of the Board:

We understand that SunGard Data Systems Inc. (the Company) and Solar Capital Corp. (Merger Co) propose to enter into an Agreement and Plan of Merger (the Agreement), pursuant to which Merger Co will merge with and into the Company (the Merger). Pursuant to the Agreement, all of the issued and outstanding shares of common stock of the Company, par value \$0.01 per share (the Company Common Stock), other than shares of Company Common Stock held by any holder who is entitled to demand and properly demands appraisal of such shares (the Dissenting Shares), will be converted into the right to receive \$36.00 per share in cash (the Consideration). The terms and conditions of the Merger are set out more fully in the Agreement.

You have requested our opinion as to the fairness as of the date hereof, from a financial point of view, to the Holders of Company Common Stock (as defined below) of the Consideration to be paid in the Merger to such Holders of Company Common Stock. For purposes of this opinion, the term Holders of Company Common Stock means all holders of Company Common Stock other than Merger Co, any stockholders of Merger Co, any of the Company's directors or management and any holders of Dissenting Shares. In connection with this opinion, we have:

We have relied upon the accuracy and completeness of the foregoing information, and have not assumed any responsibility for any independent verification of such information or any independent valuation or appraisal of any of the assets or liabilities of the Company, or concerning the solvency or fair value of the Company. With respect to financial forecasts, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgment of the management of the Company as to the future financial performance of the Company. We assume no responsibility for and express no view as to such forecasts or the assumptions on which they are based.

Further, our opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to us as of, the date hereof. We assume no responsibility for updating or revising our opinion based on circumstances or events occurring after the date hereof. In rendering our opinion, we were not authorized to solicit, and did not solicit, third parties regarding alternatives to the Merger, nor were we involved in the negotiation of or any other aspect of the Merger.

In rendering our opinion, we have assumed that the Merger will be consummated on the terms described in the Agreement, without any waiver of any material terms or conditions by the Company and that obtaining the necessary regulatory approvals for the Merger will not have an adverse effect on the Company or the Merger. We have also assumed that the executed Agreement will conform in all material respects to the draft Agreement reviewed by us. We do not express any opinion as to any tax or other consequences that might result from the Merger, nor does our opinion address any legal, tax, regulatory or accounting matters, as to which we understand that the Company obtained such advice as it deemed necessary from qualified professionals. In addition, we do not express any opinion as to any agreement or other arrangement entered into by any employee or director of the Company in connection with the Merger.

Lazard Frères & Co. LLC (Lazard) is acting as investment banker to the Company in connection with the Merger and a fee for our services will be earned upon rendering this opinion, a substantial portion of which is contingent upon the execution of the Agreement. Lazard has provided and may provide investment banking services to one or more of the stockholders of Merger Co, or to one or more of their respective portfolio companies or other affiliates, for which we have received and may receive customary fees. In addition, in the ordinary course of our business, Lazard may actively trade shares of the Company Common Stock and other securities of the Company for our own account and for the accounts of our customers and, accordingly, may at any time hold a long or short position in such securities.

Our engagement and the opinion expressed herein are for the benefit of the Company's Board of Directors, and our opinion is rendered to the Company's Board of Directors in connection with its consideration of the Merger. This opinion does not address the merits of the underlying decision by the Company to engage in the Merger and is not intended to and does not constitute a recommendation to any holder of the Company Common Stock as to how such holder should vote with respect to the Merger or any matter relating thereto. It is understood that this letter may not be disclosed or otherwise referred to without our prior consent, except as may otherwise be required by law or by a court of competent jurisdiction.

Based on and subject to the foregoing, we are of the opinion that, as of the date hereof, the Consideration to be paid to the Holders of Company Common Stock in the Merger is fair to the Holders of Company Common Stock from a financial point of view.

ANNEX D

SECTION 262 OF THE GENERAL CORPORATION LAW OF THE STATE OF DELAWARE

§ 262. Appraisal rights.

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of § 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form DEF 14A

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.

Table of Contents

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228 or § 253 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the

Table of Contents

effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

Table of Contents

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
