**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.**

*Election of Director*

On July 8, 2005, the board of directors of SCOLR Pharma, Inc., upon the recommendation of the board's nominating and corporate governance committee, elected Hans Mueller, Ph.D. to its board of directors.

Dr. Mueller has an extensive background in the life sciences industry and most recently served as the senior vice president of global business development of Wyeth Pharmaceuticals, where he was responsible for worldwide licensing partnerships, collaborations and divestitures. Upon his retirement from Wyeth in 2004, Dr. Mueller began consulting for a number of private life science companies.

In accordance with SCOLR Pharma's compensation policy for non-employee directors, SCOLR Pharma granted an option to purchase 50,000 shares of its common stock under SCOLR Pharma's 2004 equity incentive plan to Dr. Mueller. The option has an exercise price of \$3.81 per share, which represents the last sale price per share of SCOLR Pharma's common stock as reported on the American Stock Exchange on July 8, 2005, the date of the grant. The option has a ten-year term and becomes exercisable in twelve equal monthly installments following the date of grant if Dr. Mueller is still serving as a director at such time.

A copy of the press release containing the announcement of Dr. Mueller's election to the SCOLR Pharma board of directors is attached hereto as Exhibit 99.1.
