I. INFORMATION ABOUT VOTING

Solicitation of Proxies. The Board of Directors (Board) of Crown Castle International Corp. (CCIC or the Company) is soliciting proxies for use at the 2006 Annual Meeting of Stockholders of CCIC (Annual Meeting) and any adjournments of the Annual Meeting. CCIC first sent this proxy statement, the accompanying form of proxy and the CCIC Annual Report on Form 10-K for the year ended December 31, 2005 to its stockholders on or about April 18, 2006.

Agenda Items. The agenda for the Annual Meeting is to:

1. Elect three class II directors for a term of three years;
2. Ratify the appointment of KPMG LLP (KPMG) as the Company s independent public accountants for fiscal year 2006; and
3. Transact such other business as may properly come before the Annual Meeting.

Who can Vote. You can vote at the Annual Meeting if you are a holder of record on the Record Date of CCIC s common stock, par value of \$0.01 per share (Common Stock). The record date for determining the stockholders entitled to notice of, and to vote at, the Annual Meeting is the close of business on March 31, 2006 (Record Date). Holders of Common Stock will have one vote for each share of Common Stock. As of the close of business on the Record Date, there were 216,011,277 shares of Common Stock outstanding.

How to Vote. You may vote in two ways:

You can come to the Annual Meeting and cast your vote there; or

You can cause your shares to be voted by signing and returning the enclosed proxy card (or contacting the internet or telephone voting service listed on your proxy card). If you do, the individuals named on the card will vote your shares in the manner you indicate (or if you fail to so indicate, in the manner described in Use of Proxies below).

Use of Proxies. Unless you mark the proxy card to vote differently, the individuals named in the proxy card will vote all shares represented by the signed and returned proxies **FOR** the Board nominees named herein (Proposal 1), and **FOR** the ratification of the appointment of KPMG LLP as the Company s independent public accountants for fiscal year 2006 (Proposal 2). The Company does not now know of any other matters to come before the Annual Meeting. If they do, the proxy holder will vote the shares represented by the proxies in his or her best judgment.

Table of Contents

Revoking a Proxy. You may revoke your proxy at any time before it is exercised. You can revoke a proxy by:

Sending a written notice of revocation to the Corporate Secretary of CCIC;

Delivering a properly executed, later-dated proxy; or

Attending the Annual Meeting and voting in person.

The Quorum Requirement. A quorum of stockholders is needed to hold a valid Annual Meeting. A quorum will exist to hold a valid Annual Meeting if the holders of at least a majority in voting power of the outstanding shares of Common Stock entitled to vote at the Annual Meeting attend the Annual Meeting in person or are represented by proxy. Abstentions and broker non-votes are counted as present for the purpose of establishing a quorum. A broker non-vote occurs when a broker votes on some matters on the proxy card but not on others because the broker has not received voting instructions from its customer or does not have the authority to do so.

Vote Required for Action. Directors are elected (Proposal 1) by a plurality vote of the holders of shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. The ratification of KPMG LLP as CCIC's independent public accountants for fiscal year 2006 (Proposal 2) requires the affirmative vote of the holders of a majority of the voting power represented by the shares of Common Stock present in person or represented by proxy at the annual meeting and entitled to vote on such matter. Generally, all other actions which may come before the Annual Meeting require the affirmative vote of a majority of the voting power represented by shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on such matters.

With respect to Proposal 1, abstentions and broker non-votes have no effect on determinations of plurality, except to the extent that they affect the total votes received by any particular candidate. Abstentions have the same effect as a vote against with respect to all proposals other than the election of directors. Shares represented by broker non-votes are not considered to be entitled to vote for purposes of Proposal 2; therefore, broker non-votes will have the practical effect of reducing the number of affirmative votes required to achieve a majority vote by reducing the total number of shares from which the majority is calculated.

II. PROPOSALS

1. The Election of Directors

CCIC has three classes of directors of as nearly equal size as possible. The term for each class is three years. Class terms expire on a rolling basis, so that one class of directors is elected each year. The term for current class II directors (Ari Q. Fitzgerald, John P. Kelly and Carl Ferenbach) expires at the Annual Meeting. Mr. Ferenbach will retire from the Board effective upon the election and qualification of his successor at the Annual Meeting. On February 23, 2006, the Board adopted a resolution reducing the number of directors to nine, effective as of the Annual Meeting, in anticipation of Mr. Ferenbach's retirement from the Board. To even out the classes, Mr. Garrison, who is currently serving as a class I director, will stand for election at the Annual Meeting as a class II director. Assuming all nominees for director are elected at the Annual Meeting, three directors will be serving in each of classes I, II and III. In the event that Mr. Garrison is not elected as a class II director, he will continue to serve the remainder of his current term as a class I director, the number of class I directors will remain at four and the total number of directors will remain at nine.

As such, the nominees for class II directors this year are: Ari Q. Fitzgerald, John P. Kelly and Robert E. Garrison II.

Each nominee has consented to be nominated and has expressed his intention to serve if elected. The Board expects that each of the nominees for class II directors will be able and willing to serve as a director. If any nominee is not available, the proxies may be voted for another person nominated by the current Board to fill the vacancy, or the size of the Board may be reduced. Information about the nominees, the continuing directors and the Board is contained in the next section of this proxy statement (see III. Board of Directors).

The Board of Directors recommends a vote FOR the election of Ari Q. Fitzgerald, John P. Kelly and Robert E. Garrison II as class II directors.

Table of Contents**2. Ratification of Appointment of Independent Public Accountants**

The Audit Committee of the Board has appointed KPMG LLP to continue to serve as CCIC's independent public accountants for fiscal year 2006. KPMG LLP has served as CCIC's independent public accountants since 1995. In the event the stockholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee. Approval of the resolution will in no way limit the Audit Committee's authority to terminate or otherwise change the engagement of KPMG LLP for fiscal year 2006.

The Company expects a representative of KPMG LLP to attend the Annual Meeting. The representative will have an opportunity to make a statement if he or she desires and also will be available to respond to appropriate questions.

In connection with the audit of the Company's 2005 financial statements and internal control over financial reporting, the Company entered into an agreement with KPMG LLP which sets forth the terms by which KPMG LLP will perform audit services for the Company. That agreement is subject to alternative dispute resolution procedures, an exclusion of punitive damages and various other provisions.

The Company was billed for professional services provided with respect to fiscal years 2004 and 2005 by KPMG LLP in the amounts set forth in the following table.

Services Provided	2004	2005
Audit Fees (a)	\$ 2,147,000	\$ 2,842,000
Audit-Related Fees (b)	110,000	28,000
Tax Fees (c)	1,122,000	892,000
All Other Fees (d)		
Total	\$ 3,379,000	\$ 3,762,000

(a) Represents the aggregate fees billed for professional services rendered by KPMG LLP for the audit of the Company's annual financial statements, review of financial statements included in the Company's quarterly reports on Form 10-Q, services related to the audit of internal control over financial reporting, and other services normally provided by KPMG LLP in connection with statutory and regulatory filings or engagements.

(b) Represents the aggregate fees billed for assurance and related services by KPMG LLP that are reasonably related to the performance of the audit or review of the Company's financial statements not reported as Audit Fees. Audit-related fees for 2005 include services relating to audits of employee benefit plans. Audit-related fees for 2004 include services relating to potential transactions, the sale of Crown Castle UK Limited, and audits of employee benefit plans.

(c) Represents the aggregate fees billed for professional services rendered by KPMG LLP for tax compliance, tax advice and tax planning. Tax fees for 2005 consist of (1) tax compliance, planning and preparation services of \$410,000 and (2) tax consulting and advisory services of \$482,000. Tax fees for 2004 consist of (1) tax compliance, planning and preparation services of \$437,000 and (2) tax consulting and advisory services of \$685,000.

(d) No products or services were provided to the Company by KPMG LLP other than those reported as audit, audit-related or tax fees.

The Board of Directors recommends a vote FOR ratification of the appointment of KPMG LLP as the Company's independent public accountants for fiscal year 2006.

IV. INFORMATION ABOUT THE BOARD OF DIRECTORS

Meetings

During 2005, the Board held five regular meetings and seven special meetings. Each incumbent director attended at least 75% of the aggregate of (1) the total number of meetings of the Board during the period which he was a director and (2) the total number of meetings of all Board committees (Committees) on which he served during the period which he was a director.

The Company's Corporate Governance Guidelines provide that, while the Board understands that scheduling conflicts may arise resulting in absences, the Board strongly encourages each director to attend the Company's annual meeting of stockholders. Of the 11 directors who were serving on the Board at the time of the Company's 2005 annual meeting of stockholders, all 10 of the current directors attended such annual meeting of stockholders.

The non-management members of the Board generally meet in executive session at each regularly scheduled meeting of the Board (typically five times per year). The Company's Corporate Governance Guidelines provide that if the Chairman of the Board is a non-management director, the Chairman of the Board shall preside at such meetings, and if the Chairman of the Board is a member of management, the non-management directors may elect a chairman to preside at such executive sessions.

Committees

The Board has four standing Committees: Audit Committee, Compensation Committee, Nominating & Corporate Governance Committee (NCG Committee) and Strategy Committee. Copies of the Committee charters of each of the Audit Committee, Compensation Committee and the NCG Committee, together with certain other corporate governance materials, including the Financial Code of Ethics, can be found under the Investor Relations section of the Company's website at <http://investor.crowncastle.com>. The Audit Committee Charter is set forth on *Appendix A* hereto. A summary of each Committee's function is set forth below.

Audit Committee Financial Expert: The Board has determined that the Audit Committee has at least one audit committee financial expert pursuant to applicable SEC rules and that Robert E. Garrison II meets the requirements of an audit committee financial expert pursuant to such SEC rules. For information regarding Mr. Garrison's business experience, see III. Board of Directors.

advise the Board about appropriate composition of the Board and its Committees;

advise the Board about and recommend to the Board appropriate corporate governance practices and assist the Board in implementing those practices; and

oversee the periodic evaluation of the Board and its Committees.

Consideration of Director Nominees: The NCG Committee has the authority to recommend nominees for election as directors to the Board. In considering candidates for the Board, the NCG Committee considers the entirety of each candidate's credentials and currently does not maintain any specific minimum qualifications that must be met by an NCG Committee recommended nominee.

While the NCG Committee does not maintain a formal list of qualifications, in making its evaluation and recommendation of candidates, the NCG Committee will generally consider, among other factors, whether prospective nominees are able to read and understand basic financial statements, have relevant business experience, have industry or other specialized expertise and have high moral character. The NCG Committee may attribute greater or lesser significance to different factors at particular times depending upon the needs of the Board, its composition, or the NCG Committee's perception about future issues and needs.

- **Equity Compensation.** At the first regularly scheduled Board meeting of each year, CCIC typically grants each non-employee director an equity-based award as a component of compensation for service on the Board. In connection with the equity award for both 2005 and 2006, the Board retained the services of an independent executive compensation consulting firm to conduct research regarding equity compensation standards and trends for non-employee directors. Following receipt and review of the compensation consultant's analysis with respect to the 2005 award, and upon recommendation from the NCG Committee, the Board approved a policy of granting, at the Board's first regularly scheduled meeting of each year, shares of Common Stock to each non-employee director having a valuation equal to \$55,000, priced at the per share closing price of the Common Stock as of the date of such first Board meeting. Pursuant to such policy, the Board granted pursuant to the 2001 Stock Incentive Plan (1) 3,395 shares of Common Stock (priced at \$16.20 per share, the closing price of the Common Stock on February 24, 2005) to each non-employee director of the Board other than J. Landis Martin and (2) 8,490 shares of Common Stock to J. Landis Martin for service as non-employee Chairman of the Board.

Following receipt and review of the compensation consultant's analysis with respect to the 2006 award, and upon recommendation from the NCG Committee, the Board amended its policy such that, at the Board's first regularly scheduled meeting of each year, shares of Common Stock would be granted to each non-employee director having a valuation equal to \$85,000, priced at the per share closing price of the Common Stock as of the date of such first Board meeting. Pursuant to such policy, the Board granted pursuant to the 2004 Stock Incentive Plan (1) 2,752 shares of Common Stock (priced at \$30.89 per share, the closing price of the Common Stock on February 23, 2006) to each non-employee director of the Board other than J. Landis Martin and Carl Ferenbach. The Board granted 4,856 shares of Common Stock to J. Landis Martin for service as non-employee Chairman of the Board. Mr. Ferenbach waived receipt of any non-employee director equity grant as a result of his decision not to stand for re-election to the Board at the Annual Meeting.

- **Other Compensation.** Each non-employee director is eligible to participate, at such director's election, in the Company's medical and dental plans at the same cost such plans are made available by the Company to its employees. A director who is also an employee of the Company receives no additional compensation for services as a director.
- **Compensation Committee Interlocks and Insider Participation.** During 2005, none of the Company's executive officers served on the compensation committee or board of directors of another company, one of whose executive officers served on the Company's Board or Compensation Committee. During 2005 and the first quarter of 2006, the Company retained the law firm of Hogan & Hartson L.L.P. to provide certain regulatory legal counsel, including with respect to the spectrum license acquired in FCC Auction 46 in 2003. Mr. Fitzgerald, a director of CCIC and member of the Compensation Committee, is a partner with Hogan & Hartson L.L.P.
