PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

August 23, 2006

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board of Directors or the Board) of FRANKLIN ELECTRONIC PUBLISHERS, INCORPORATED (the Company) to be used at the annual meeting of shareholders of the Company which will be held in the 11th Floor Conference Center of Katten Muchin Rosenman LLP, 575 Madison Avenue, New York, New York, on Wednesday, August 23, 2006, at 10:00 A.M., and at any adjournments thereof.

Shareholders who execute proxies retain the right to revoke them at any time by notice in writing to the Secretary of the Company, by revocation in person at the meeting or by presenting a later-dated proxy. Unless so revoked, the shares represented by proxies will be voted at the meeting. The shares represented by the proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein, but if no direction is given, such shares will be voted for the election of the named director nominees and for the appointment of Radin, Glass & Co., LLP. Shareholders vote at the meeting by casting ballots (in person or by proxy) which are tabulated by a person who is appointed by the Board of Directors before the meeting to serve as inspector of election at the meeting and who has executed and verified an oath of office. Abstentions and broker non-votes are included in the determination of the number of shares present at the meeting for quorum purposes. The affirmative vote of (i) a plurality of the shares present at the meeting and entitled to vote on the subject matter is required to elect the director nominees to the Board of Directors and (ii) a majority of the shares present at the meeting and entitled to vote on the subject matter is required to ratify the selection of Radin, Glass & Co., LLP as the Company's independent auditors and approve any other business which may properly come before the meeting. Abstentions will count as a vote against the proposals, other than the election of directors. Broker non-votes are not counted in the tabulations of the votes cast on any of the proposals. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. There are no proposals at this meeting which involve a broker non-vote.

The principal executive offices of the Company are located at One Franklin Plaza, Burlington, New Jersey 08016-4907. The approximate date on which this Proxy Statement and the enclosed form of proxy were first sent or given to shareholders is July 24, 2006.

There were outstanding on July 10, 2006, 8,217,921 shares of common stock, \$.01 par value (Common Stock). Holders of Common Stock of record at the close of business on July 10, 2006 will be entitled to one vote for each share of Common Stock of the Company then held.

ELECTION OF DIRECTORS

Eight directors will be elected at the meeting for a term of one year and until their respective successors shall have been elected and shall qualify. The election of directors requires the affirmative vote of a plurality of the shares of Common Stock present in person or by proxy at the meeting. **Each proxy received will be voted FOR the election of the nominees named below unless otherwise specified in the proxy.** At this time, the Board of Directors of the Company knows of no reason why any nominee might be unable to serve. There are no arrangements or understandings between any director or nominee and any other person pursuant to which such person was selected as a director or nominee.

The Company's Corporate Governance and Nominating Committee has reviewed the qualifications and independence of the nominees for director, and, with each member of the Committee abstaining as to himself, has recommended each of the other nominees for election to the Board of Directors.

Nominations For The Board Of Directors

The Corporate Governance and Nominating Committee of the Board of Directors considers director candidates based upon a number of qualifications, including their independence, knowledge, judgment, integrity, character, leadership, skills, education, experience, financial literacy, standing in the community and ability to foster a diversity of backgrounds and views and to complement the Board's existing strengths. There are no specific, minimum or absolute criteria for Board membership. The Corporate Governance and Nominating Committee seeks directors who have demonstrated an ethical and successful career. This may include experience as a senior executive of a publicly traded corporation, management consultant, investment banker, partner at a law firm or registered public accounting firm, professor at an accredited law or business school, experience in the management or leadership of a substantial private business enterprise, educational, religious or not-for-profit organization, or such other professional experience as the Corporate Governance and Nominating Committee shall determine shall qualify an individual for Board service. The Corporate Governance and Nominating Committee shall make every effort to ensure that the Board and its committees include at least the required number of independent directors, as that term is defined by applicable standards promulgated by the American Stock Exchange and/or the Securities and Exchange Commission. Backgrounds giving rise to actual or perceived conflicts of interest are undesirable. In addition, prior to nominating an existing director for re-election to the Board, the Corporate Governance and Nominating Committee will consider and review such existing director's Board and Committee attendance and performance, independence, experience, skills and the contributions that the existing director brings to the Board.

The Corporate Governance and Nominating Committee has not in the past relied upon third-party search firms to identify director candidates, but may employ such firms if so desired. The Corporate Governance and Nominating Committee generally relies upon, receives and reviews recommendations from a wide variety of contacts, including current executive officers, directors, community leaders, and shareholders as a source for potential director candidates. The Board retains complete independence in making nominations for election to the Board.

The Corporate Governance and Nominating Committee will consider qualified director candidates recommended by shareholders in compliance with the Company's procedures and subject to applicable inquiries. The Corporate Governance and Nominating Committee's evaluation of candidates recommended by shareholders does not differ materially from its evaluation of candidates recommended from other sources. Any shareholder may recommend nominees for director at least 120 calendar days prior to the date on which the Company's proxy statement was released to shareholders in connection with the previous year's annual meeting, by writing to Arnold D. Levitt, Secretary, Franklin Electronic Publishers, Incorporated, One Franklin Plaza, Burlington, NJ 08016, giving the name, Company stockholdings and contact information of the person making the nomination, the candidate's name, address and other contact information, any direct or indirect holdings of the Company's securities by the nominee, any information required to be disclosed about directors under applicable securities laws and/or stock exchange requirements, information regarding related party transactions with the Company, the nominee and/or the shareholder submitting the nomination, and any actual or potential conflicts of interest, the nominee's biographical data, current public and private company affiliations, employment history and qualifications and status as independent under applicable securities laws and/or stock exchange requirements. All of these communications will be reviewed by our Secretary and forwarded to Edward H. Cohen, the Chair of the Corporate Governance and Nominating Committee, for further review and consideration in accordance with this policy. Any such shareholder recommendation should be accompanied by a written statement from the candidate of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director.

For certain officers, except those having written contracts of employment, a separate policy provides for severance of one-and one-half (1 1/2) months salary for each year of employment (capped at 2 1/2 years) and for the acceleration of the vesting of stock options in certain instances on termination of employment or in connection with certain changes in control of the Company.

If Mr. Schillings is terminated following a change of control of the Company, he will receive an amount equal to the greater of (i) two years of his then current salary or (ii) the current salary for the completion of term, and a bonus determined by business performance. If Mr. Schillings terminates his employment prior to the completion of the term of this agreement, he will continue his management duties and responsibilities for at least six months following his termination. COMPENSATION COMMITTEE INTERLOCKS

AND INSIDER PARTICIPATION

The members of the Compensation Committee for the fiscal year ended March 31, 2006 were Howard Morgan, James Meister and James Simons. None of the members of the Compensation Committee were, during such year, an officer of the Company or any of its subsidiaries or had any relationship with the Company other than serving as a director of the Company. In addition, no executive officer of the Company served as a director or a member of the compensation committee of any other entity one of whose executive officers served as a director or on the Compensation Committee of the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The responsibilities of the Compensation Committee include administering the 1988 Stock Option Plan, the 1998 Stock Option Plan, as amended and restated, the 2005 Stock Option Plan, a Restricted Stock Plan, as amended and restated, and the 2005 Restricted Stock Plan, and setting the compensation levels, including salaries and bonuses, of the Chief Executive Officer and other senior executives of the Company.

Overall Policy

The Compensation Committee has structured the Company's compensation program (i) to compensate its senior executive officers on an annual basis with a cash salary at a sufficient level to retain and motivate these senior executives, (ii) to link a portion of senior executive compensation to the Company's performance by means of annual bonuses, and (iii) to link a portion of senior executive compensation to appreciation of the Company's stock price by means of stock options. The objectives of this strategy are to attract and retain effective and highly qualified senior executives, to motivate senior executives to achieve the goals inherent in the Company's business strategy, and to link senior executive and shareholder interest through stock options.

Base Salaries

Annual base salaries for the senior executive officers are determined by evaluating the performance of the individuals and their contributions to the performance of the Company and are based on the recommendation of the Company's chief executive officer. Financial results, as well as non-financial measures such as the magnitude of responsibility of the position, individual experience, and the Compensation Committee's knowledge of compensation practices for comparable positions at other companies are considered.

In establishing Mr. Lipsky's annual base salary of \$381,300 for the fiscal year ending March 31, 2007, the Compensation Committee took into account the performance of the Company in fiscal 2006, base salaries for presidents at companies of comparable size and complexity, both public and private, known to members of the Compensation Committee, and Mr. Lipsky's future anticipated contributions to the Company.

Bonus Plan

The Company's bonus plan has been used to provide incentives for the Company's executives and employees by tying profitability to an annual cash bonus distribution. The Company's bonus plan is intended to focus the executives' attention on short-term or annual business results and to award a bonus to certain employees each year based on their contributions to the profits of the Company.

For the 2007 fiscal year, the Company will pay incentive bonuses to those of the Senior Executive Officers (currently, Messrs. Lipsky, Levitt and Baile) who remain in the Company's employ for the entire year. The incentive bonus pool will consist of an amount equal to 20% of the Company's income before taxes between \$1.2 million and \$2.4 million plus 10% of income before taxes in excess of \$2.4 million. The incentive bonus pool shall be distributed as follows: 40% of the pool shall be paid to Mr. Lipsky, President and Chief Executive Officer of the Company with the remaining 60% of the pool being shared by the other Senior Executive Officers in amounts not to exceed 20% of the pool to any one participating Senior Executive Officer as determined by the Compensation Committee upon the recommendation of Mr. Lipsky.

Long-Term Incentives

Under the 1998 Stock Option Plan, as amended and restated and the 2005 Stock Option Plan, stock options are granted to executives and key employees of the Company. Stock options are designed to focus the executives' attention on long term stock values and to align the interests of executives with those of the shareholders. Stock options are granted at prices equal to the fair market value on the date of grant, are not exercisable until the first anniversary of the date of grant and do not become fully exercisable until the fourth anniversary of the date of grant. The options generally remain exercisable during employment until the tenth anniversary of the date of grant. This approach provides an incentive to executives to increase shareholder value over the long term since the full benefit of the options cannot be realized unless stock price appreciation occurs over a number of years.

AUDIT COMMITTEE REPORT

The Company's management has the primary responsibility for the financial statements and the reporting process, including the Company's system of internal controls and disclosure controls and procedures. The outside auditors audit the Company's financial statements and express an opinion on the financial statements based on the audit. The Audit Committee oversees (i) the accounting and financial reporting processes of the Company and (ii) the audits of the financial statements of the Company on behalf of the Board. The Audit Committee operates under a written charter adopted by the Board which is attached hereto as Annex A.

The Audit Committee has met and held discussions with management and Radin, Glass & Co., LLP, the Company's independent auditors. Management represented to the Audit Committee that the Company's financial statements for the year ended March 31, 2006 were prepared in accordance with generally accepted accounting principles. We discussed the financial statements with both management and the independent auditors. We also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees).

The Audit Committee discussed with the independent auditors the overall scope and plans for the audit. We met with the independent auditors, with and without management, to discuss the results of their examination, the evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

We discussed with the independent auditors the auditor's independence from the Company and management, including the independent auditors' written disclosures required by Independent Standards Board Standard No. 1 (Independence Discussions With Audit Committees).

Based on the foregoing, we have recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended March 31, 2006, for filing with the Securities and Exchange Commission.

The Audit Committee has selected Radin, Glass & Co., LLP as independent auditors to audit and report upon the consolidated financial statements of the Company for the fiscal year ending March 31, 2007. Although stockholder ratification of the Board's action in this respect is not required, the Board considers it desirable for stockholders to pass upon the selection of auditors and, if the stockholders disapprove of the selection, intends to reconsider the selection of auditors for the fiscal year ending March 31, 2007.

Policy on Pre-Approval of Services Provided by Radin, Glass & Co., LLP

The Audit Committee has established policies and procedures regarding pre-approval of all services provided by the independent auditor. The Audit Committee annually reviews and pre-approves the services that may be provided by the independent auditor without obtaining specific pre-approval from the Audit Committee. Unless a type of service has received general pre-approval, it requires specific pre-approval by the Audit Committee if it is to be provided by the independent auditor. The Audit Committee may delegate, subject to any rules or limitations it may deem appropriate, to one or more designated members of the Audit Committee the authority to grant such pre-approvals; provided, however, that the decisions of any member to whom authority is so delegated to pre-approve an activity shall be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee has delegated such pre-approval authority to Edward H. Cohen, Chair of the Audit Committee. The Audit Committee pre-approved all audit and permitted non-audit services that were provided after the pre-approval requirements under the Sarbanes-Oxley Act became effective on May 6, 2003.

The Board of Directors recommends a vote FOR ratification of the appointment of the auditors. Proxies received in response to this solicitation will be voted FOR the appointment of the auditors unless otherwise specified in the proxy.

MISCELLANEOUS

Any proposal of an eligible shareholder intended to be presented at the next annual meeting of shareholders must be received by the Company for inclusion in its proxy statement and form of proxy relating to that meeting no later than April 1, 2007. The proxy or proxies designated by the Company will have discretionary authority to vote on any matter properly presented by a shareholder for consideration at the next annual meeting of shareholders but not submitted for inclusion in the proxy materials for such meeting unless notice of the matter is received by the Company on or prior to May 30, 2007 and certain other conditions of the applicable rules of the Securities and Exchange Commission are satisfied. Shareholder proposals should be directed to the Secretary of the Company at the address set forth below.

The Company will bear the cost of preparing, assembling and mailing the enclosed form of proxy, this Proxy Statement and other material which may be sent to shareholders in connection with this solicitation. The Company may use the services of Regan & Associates in soliciting proxies and, in such event; the Company expects to pay approximately \$5,500, plus out-of-pocket expenses, for such services. Solicitation may be made by mail, telephone, telegraph and personal interview. The Company may reimburse persons holding shares in their names or in the names of nominees for their expense in sending proxies and proxy material to their principals.

Copies of the 2006 Annual Report to Shareholders, which includes the Company's Annual Report to the Securities and Exchange Commission (Form 10-K), are being mailed to shareholders simultaneously with this Proxy Statement.

The Board of Directors of the Company does not intend to present, and does not have any reason to believe that others intend to present, any matter of business at the meeting other than those set forth in the accompanying Notice of Annual Meeting of Shareholders. However, if other matters properly come before the meeting, it is the intention of the persons named in the enclosed form of proxy to vote any proxies in accordance with their judgment.
