**Item 1.01 Entry into a Material Definitive Agreement.**

On September 22, 2006, we entered into Amendment No. 1 to our Development and License Agreement with Wyeth Consumer Healthcare Division, a division of Wyeth. We entered into the Development and License Agreement on December 21, 2005.

Under the agreement, we granted Wyeth an exclusive worldwide license to our controlled delivery technology CDT<sup>®</sup> for the development, manufacture and commercialization of products containing ibuprofen. In return, among other agreements, Wyeth agreed to pay us an initial research and development expense reimbursement fee, as well as additional expense reimbursement payments upon the achievement of specified milestones.

Amendment No. 1 amended provisions of certain milestones and Wyeth agreed to make a milestone payment to us. In connection with achievement of this milestone, Wyeth will reimburse us for certain development expenses already incurred and pay ongoing costs associated with development of the first product. All other terms of the agreement remain unchanged.

A copy of the press release we issued in connection with the amendment is attached as Exhibit 99.1 to this current report on Form 8-K and is incorporated herein by reference.
