Who Can Vote

The Provident board of directors has fixed March 5, 2007 as the record date for determining the stockholders entitled to receive notice of and to vote at the Annual Meeting. Accordingly, only holders of record of shares of Provident common stock, par value \$0.01 per share, at the close of business on such date will be entitled to vote at the Annual Meeting. On March 5, 2007, 63,360,213 shares of Provident common stock were outstanding and held by approximately 6,340 holders of record. The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Provident common stock is necessary to constitute a quorum at the Annual Meeting.

How Many Votes You Have

Each holder of shares of Provident common stock outstanding on March 5, 2007 will be entitled to one vote for each share held of record. However, Provident's certificate of incorporation provides that stockholders of record who beneficially own in excess of 10% of the then outstanding shares of common stock of Provident are not entitled to vote any of the shares held in excess of that 10% limit. A person or entity is deemed to beneficially own shares that are owned by an affiliate of, as well as by any person acting in concert with, such person or entity.

Matters to Be Considered

The purpose of the Annual Meeting is to elect five directors and ratify the appointment of KPMG LLP as Provident's independent registered public accounting firm for the year ending December 31, 2007.

You may be asked to vote upon other matters that may properly be submitted to a vote at the Annual Meeting. You also may be asked to vote on a proposal to adjourn or postpone the Annual Meeting. Provident could use any adjournment or postponement for the purpose, among others, of allowing additional time to solicit proxies.

How to Vote

You may vote your shares by completing and signing the enclosed Proxy Card and returning it in the enclosed postage-paid envelope or by attending the Annual Meeting. Alternatively, you may choose to vote your shares using the Internet or telephone voting options explained on your Proxy Card. You should complete and return the Proxy Card accompanying this document, or vote using the Internet or telephone voting options, to ensure that your vote is counted at the Annual Meeting, or at any adjournment or postponement of the Annual Meeting, regardless of whether you plan to attend. **If you return an executed Proxy Card without marking your instructions, your executed Proxy Card will be voted FOR the election of the five nominees for director and FOR the ratification of the appointment of KPMG LLP as Provident's independent registered public accounting firm for the year ending December 31, 2007.**

Stockholders of record can vote in person at the Annual Meeting. If a broker holds your shares in street name, then you are not the stockholder of record and you must ask your broker how you can vote in person at the Annual Meeting.

The board of directors is currently unaware of any other matters that may be presented for consideration at the Annual Meeting. If other matters properly come before the Annual Meeting, or at any adjournment or postponement of the Annual Meeting, Provident intends that shares represented by properly submitted proxies will be voted, or not voted, by the persons named as proxies in the Proxy Card in their best judgment.

Participants in Provident Benefit Plans

If you are a participant in The Provident Bank Employee Stock Ownership Plan or The Provident Bank 401(k) Plan, or any other benefit plans through which you own shares of Provident common stock, you will have

received with this Proxy Statement voting instruction forms that reflect all shares you may vote under the plans. Under the terms of these plans, the trustee or administrator votes all shares held by the plan, but each participant may direct the trustee or administrator how to vote the shares of Provident common stock allocated to his or her plan account. If you own shares through any of these plans and do not vote, the respective plan trustees or administrators will vote your shares in accordance with the terms of the respective plans. The deadline for returning your voting instructions is April 17, 2007.

Quorum and Vote Required

The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Provident common stock is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted solely for the purpose of determining whether a quorum is present. A proxy submitted by a broker that is not voted is sometimes referred to as a broker non-vote.

Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which authority to vote for the nominees being proposed is **Withheld**. The ratification of the appointment of the independent registered public accounting firm is determined by a majority of the votes cast, without regard to broker non-votes or proxies marked **Abstain**.

Revocability of Proxies

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. You may revoke your proxy by:

submitting written notice of revocation to the Corporate Secretary of Provident prior to the voting of such proxy;

submitting a properly executed proxy bearing a later date;

using the Internet or telephone voting options explained on the Proxy Card; or

voting in person at the Annual Meeting; however, simply attending the Annual Meeting without voting will not revoke an earlier proxy.

Written notices of revocation and other communications regarding the revocation of your proxy should be addressed to:

Provident Financial Services, Inc.

830 Bergen Avenue

Jersey City, New Jersey 07306

Attention: John F. Kuntz, Esq.

Corporate Secretary

If your shares are held in street name, you should follow your broker's instructions regarding the revocation of proxies.

Solicitation of Proxies

Provident will bear the entire cost of soliciting proxies from you. In addition to solicitation of proxies by mail, Provident will request that banks, brokers and other holders of record send proxies and proxy material to the beneficial owners of Provident common stock and secure their voting instructions, if necessary. Provident will reimburse such holders of record for their reasonable expenses in taking those actions. Provident has also made arrangements with Georgeson, Inc. to assist Provident in soliciting proxies and has agreed to pay them a fee of \$8,500 plus reasonable expenses for these services. If necessary, Provident may also use several of its regular employees, who will not be specially compensated, to solicit proxies from stockholders, personally or by telephone, facsimile or letter.

Recommendation of the Board of Directors

Your board of directors unanimously recommends that you vote **FOR** each of the nominees for director listed in this Proxy Statement and **FOR** the ratification of KPMG LLP as Provident's independent registered public accounting firm for the year ending December 31, 2007.

The executive officers and directors of Provident and The Provident Bank, and beneficial owners of greater than 10% of Provident's common stock are required to file reports on Forms 3, 4 and 5 with the Securities and Exchange Commission disclosing beneficial ownership and changes in beneficial ownership of Provident's common stock. PROPOSAL I ELECTION OF PROVIDENT DIRECTORS

General

Provident's board of directors currently consists of 14 members and is divided into three classes, with one class of directors elected each year. Each of the 14 members of the board of directors also serves as a director of The Provident Bank. Directors are elected to serve for a three-year term and until their respective successors shall have been elected and qualified. Five directors will be elected at the Annual Meeting to serve for a three-year term and until their respective successors shall have been elected and qualified. On the recommendation of the Governance/Nominating Committee, the board of directors nominated Thomas W. Berry, John G. Collins, Frank L. Fekete, John P. Mulkerin and Paul M. Pantozzi for election as directors at the Annual Meeting.

Messrs. Berry, Collins, Fekete, Mulkerin and Pantozzi currently serve as directors of Provident and The Provident Bank. There are no arrangements or understandings between any nominee and any other person pursuant to which any such nominee was selected. Mr. Berry was appointed to the boards of directors of Provident and The Provident Bank in 2005. He was recommended for consideration for appointment by non-management directors. **Unless authority to vote for the nominees is withheld, it is intended that the shares represented by the enclosed Proxy Card, if executed and returned, will be voted FOR the election of all nominees.**

In the event that any nominee is unable or declines to serve, the persons named in the Proxy Card as proxies will vote with respect to a substitute nominee designated by Provident's current board of directors. At this time, the board of directors knows of no reason why any of the nominees would be unable or would decline to serve, if elected.

The current Bylaws and Corporate Governance Principles of Provident provide that no director shall serve beyond the annual meeting of stockholders after attaining age 72. Thomas E. Sheenan, who has served as a director of Provident since 2003 and of The Provident Bank since 1990, will retire following the Annual Meeting in accordance with Provident's Bylaws and Corporate Governance Principles. In accordance with the Agreement and Plan of Merger dated October 15, 2006 by and between Provident and First Morris Bank & Trust, a director of First Morris Bank & Trust will be appointed to the board of directors upon the recommendation of the Governance/Nominating Committee as of the effective date of the merger.

PROVIDENT'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEES FOR DIRECTOR NAMED IN THIS PROXY STATEMENT.

Corporate Governance Matters

Provident is committed to maintaining sound corporate governance principles and the highest standards of ethical conduct and is in compliance with applicable corporate governance laws and regulations.

Board of Directors Meetings and Committees

The board of directors of Provident meets quarterly, or more often as may be necessary. The board of directors met 12 times in 2006. The board of directors currently maintains three standing committees: the Compensation Committee, the Audit Committee and the Governance/Nominating Committee. During 2006, the board of directors appointed an Executive Committee that met four times. The Executive Committee exercised the powers of the board of directors, except such powers expressly reserved for the full board of directors by Provident's Bylaws and applicable corporate law, as was necessary between meetings of the board of directors. The members of the Executive Committee in 2006 were: Messrs. Pantozzi (Chair), Collins, Connor, Fekete, Jackson and Shein. The board of directors did not appoint an Executive Committee in 2007.

All directors attended no fewer than 75% of the total number of meetings held by the Provident board of directors and all committees of the board on which they served (during the period they served) in 2006. When the Provident and The Provident Bank board of directors and committee meetings are aggregated, all directors attended no fewer than 75% of the aggregated total number of meetings in 2006. Provident has a policy requiring each director to attend each annual meeting of stockholders. All directors attended the annual meeting of stockholders held on April 26, 2006.

Corporate Governance Principles

The board of directors has adopted Corporate Governance Principles, which are posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at www.providentnj.com. The Corporate Governance Principles cover the general operating policies and procedures followed by the board of directors including:

establishing the size and composition of the board of directors and the desired qualifications of directors;

setting minimum stock ownership requirement for directors at 10,000 shares of Provident common stock to be achieved over five years;

providing for director orientation and continuing education and an annual performance assessment of the board of directors;

selecting board committee membership; and

reviewing annual compensation paid to the non-employee directors.

The Corporate Governance Principles provide for the board of directors to meet in regularly scheduled executive sessions without management at least two times a year. Four executive sessions were conducted in 2006. Mr. Collins, who serves as Lead Director, presided over these executive sessions conducted by the non-employee directors, who are all independent.

Director Independence

The New York Stock Exchange rules provide that a Provident director does not qualify as independent unless the board of directors affirmatively determines that the director has no direct or indirect material relationship with Provident. The New York Stock Exchange rules require the board of directors to consider all relevant facts and circumstances in determining the materiality of a director's relationship with Provident and permit the board of directors to adopt and disclose standards to assist the board in making independence determinations. Accordingly, the board of directors has adopted Independence Standards to assist the board in determining whether a director has a material relationship with Provident. These Independence Standards, which should be read with the New York Stock Exchange rules, are available on the Governance Documents section of the Investor Relations page of The Provident Bank website at www.providentnj.com.

In February 2007, the board of directors conducted an evaluation of director independence, based on the Independence Standards and the New York Stock Exchange rules. In connection with this review, the board of directors considered all relevant facts and circumstances relating to relationships that each director or his or her immediate family members and their related interests had with Provident.

After its evaluation, the board of directors affirmatively determined that each of Mr. Berry, Ms. Brooks, Mr. Collins, Mr. Connor, Mr. Fekete, Dr. Hernandez, Mr. Jackson, Mr. McConnell, Mr. Mulkerin, Mr. O'Donnell, Mr. Sheenan and Mr. Shein is an independent director. The board of directors determined that Mr. Pantozzi and Mr. Martin are not independent because each of them is a Provident employee. The board of directors specifically considered the following business and other relationships in reaching its independence determinations:

The Provident Bank retains the law firm of Reed Smith LLP to perform legal services from time to time. In 2006, The Provident Bank paid Reed Smith LLP approximately \$3,400 for services rendered directly to the Bank. In addition, a borrower of the Bank paid \$47,300 to Reed Smith LLP in connection with a loan closing in 2006, where Reed Smith LLP served as the Bank's closing counsel. Mr. Connor is a partner of Reed Smith LLP.

The Provident Bank leases space for a branch banking office from Fords Circle Associates LLC. Mr. Shein owns a 7.5% percent equity interest in Fords Circle Associates LLC. In 2006, The Provident Bank paid rent and related charges of approximately \$44,400 for this branch banking office.

The Provident Bank Foundation made contributions of \$60,000, including a \$50,000 scholarship grant, for the benefit of New Jersey City University. Dr. Hernandez is the President of New Jersey City University.

Governance/Nominating Committee

The current members of the Governance/Nominating Committee are: Messrs. Connor (Chair), Jackson, McConnell and O'Donnell. Each member of the Governance/Nominating Committee is considered independent as defined in the New York Stock Exchange corporate governance listing standards. The Governance/Nominating Committee's charter is posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at www.providentnj.com. The Committee met five times during 2006.

The functions of the Governance/Nominating Committee include, among other things:

to evaluate and make recommendations to the board concerning the number of directors, committee assignments and committee membership rotation practices;

to establish the qualifications, relevant background, and selection criteria for board members;

to make recommendations to the board concerning board nominees;

to conduct evaluations of the effectiveness of the operation of the board;

to develop corporate governance principles applicable to Provident;

to recommend revisions to the code of business conduct and ethics;

to make recommendations to the board regarding director compensation, orientation and continuing education; and

to evaluate the Governance/Nominating Committee's performance on an annual basis.

The Governance/Nominating Committee identifies nominees by first assessing the performance of the current members of the board of directors willing to continue service. Current members of the board with skills and experience that are relevant to Provident's business and who are willing to continue service are first considered for re-nomination, balancing the value of continuity of service by existing members of the board with that of obtaining a new perspective. If any member of the board does not wish to continue service, or if the Governance/Nominating Committee or the board decides not to re-nominate a member for re-election, or if the size of the board is increased, the Governance/Nominating Committee will solicit suggestions for director candidates from all board members. In addition, the Governance/Nominating Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. Candidates must have the highest personal and professional ethics and integrity. Additional criteria weighed by the Governance/Nominating Committee in the director identification and selection process include the relevance of a candidate's experience to the business of Provident, enhancement of the diversity of experience of the board, the needs of Provident and the board, the candidate's independence from conflict or direct economic relationship with Provident, and the candidate's ability and willingness to devote the proper time to prepare for and attend meetings. The Governance/Nominating Committee will also take into account whether a candidate satisfies the criteria for independence under the Independence Standards and the New York Stock Exchange rules, and if a nominee is sought for service on the Audit Committee, the financial and accounting expertise of a candidate, including whether an individual qualifies as an Audit Committee financial expert.

Procedures for the Nomination of Directors by Stockholders

If a determination is made that an additional candidate is needed for the board, the Governance/Nominating Committee will consider candidates properly submitted by Provident's stockholders. Stockholders can submit the

names of qualified candidates for director by writing to the Corporate Secretary at Provident Financial Services, Inc., 830 Bergen Avenue, Jersey City, New Jersey 07306. The Corporate Secretary must receive a submission not less than 90 days prior to the date of Provident's proxy materials for the preceding year's annual meeting. If the date of the annual meeting is advanced more than 30 days prior to, or delayed by more than 30 days after, the anniversary of the preceding year's annual meeting, a stockholder's submission must be so delivered not later than the close of business on the tenth day following the day on which public announcement of the date of such annual meeting is first made. A stockholder's submission must be in writing and include the following information:

the name and address of the stockholder as they appear on Provident's books, and the number of shares of Provident common stock that are beneficially owned by such stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership should be provided);

the name, address and contact information for the candidate, and the number of shares of common stock of Provident that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the candidate's ownership should be provided);

a statement of the candidate's business and educational experience;

such other information regarding the candidate as would be required to be included in Provident's proxy statement pursuant to Securities and Exchange Commission Regulation 14A;

a statement detailing any relationship between the candidate and Provident, The Provident Bank and any subsidiaries of The Provident Bank;

a statement detailing any relationship between the candidate and any customer, supplier or competitor of Provident and The Provident Bank;

detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

Stockholder submissions that are received and that meet the criteria outlined above will be forwarded to the Chair of the Governance/Nominating Committee for further review and consideration. A nomination submitted by a stockholder for presentation at an annual meeting of Provident's stockholders must comply with the procedural and informational requirements described later in this Proxy Statement under the heading *Advance Notice Of Business To Be Conducted at an Annual Meeting*.

Stockholder and Interested Party Communications with the Board

A stockholder of Provident and any other interested party may communicate with the board of directors, the non-employee directors, the Lead Director or with any individual director by writing to the Chair of the Governance/Nominating Committee, c/o Provident Financial Services, Inc., 830 Bergen Avenue, Jersey City, New Jersey 07306. A communication from a stockholder should indicate that the author is a stockholder and, if shares of Provident common stock are not held of record, the letter should include appropriate evidence of stock ownership.

Code of Business Conduct and Ethics

Provident has adopted a Code of Business Conduct and Ethics that is applicable to all directors, officers and employees of Provident and The Provident Bank, including the principal executive officer, principal financial officer, principal accounting officer, and all persons performing similar functions. The Code of Business Conduct and Ethics is posted on the *Governance Documents* section of the *Investor Relations* page on The Provident Bank's website at www.providentnj.com. Amendments to and waivers from the Code of Business Conduct and Ethics will also be disclosed on The Provident Bank website.

Transactions With Certain Related Persons

Federal laws and regulations generally require that all loans or extensions of credit to executive officers and directors must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features. However, regulations also permit executive officers and directors to receive the same terms through benefit or compensation plans that are widely available to other employees, as long as the executive officer or director is not given preferential treatment compared to the other participating employees. Pursuant to such a program, loans have been extended to executive officers, which loans are on substantially the same terms as those prevailing at the time for comparable transactions with the general public, except as to the interest rate charged, which rate is the same as available to all employees. These loans do not involve more than the normal risk of repayment or present other unfavorable features. As of December 31, 2006, The Provident Bank had loans and loan commitments totaling \$138,600 to one executive officer. The Provident Bank does not make loans to members of the board of directors or to their immediate family members and their related interests.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (1) extending or maintaining credit; (2) arranging for the extension of credit; or (3) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, one of which is applicable to Provident. The provisions of the Sarbanes-Oxley Act of 2002 that prohibit loans do not apply to loans made by a depository institution, such as The Provident Bank, that is insured by the Federal Deposit Insurance Corporation and is subject to the insider lending restrictions of the Federal Reserve Act. All loans to Provident and The Provident Bank officers are made in conformity with the Federal Reserve Act and Regulation O.

Provident's Code of Business Conduct and Ethics requires directors and executive officers to promptly disclose any interest they may have in any proposed transaction involving Provident and The Provident Bank, and any such director or executive officer shall abstain from any deliberation or voting on the transaction. Any such transaction would require approval of a majority of the directors who have no interest in the proposed transaction. In addition directors and executive officers annually disclose any transactions, relationships or arrangements they or their related interests may have with Provident or The Provident Bank. Such disclosures, together with information obtained from director annual statement of interest forms, are used to monitor related party transactions and make independence determinations.

Audit Committee Matters

Audit Committee

The current members of the Audit Committee are: Messrs. Fekete (Chair), Berry, Collins and Mulkerin, and Ms. Brooks. Each member of the Audit Committee is considered independent as defined in the New York Stock Exchange corporate governance listing standards and under Securities and Exchange Commission Rule 10A-3. The duties and responsibilities of the Audit Committee include, among other things:

sole authority for retaining, overseeing and evaluating a firm of independent registered public accountants to audit the annual financial statements;

in consultation with the independent registered public accounting firm and the internal auditor, reviewing the integrity of Provident's financial reporting processes, both internal and external;

reviewing the financial statements and the audit report with management and the independent registered public accounting firm;

reviewing earnings and financial releases and quarterly and annual reports filed with the Securities and Exchange Commission; and

approving all engagements for audit and non-audit services by the independent registered public accounting firm.

The Audit Committee met ten times during 2006. The Audit Committee reports to the board of directors on its activities and findings. The board of directors believes that Frank L. Fekete, the Chair of the Audit Committee, and John P. Mulkerin each qualify as an Audit Committee financial expert as that term is used in the rules and regulations of the Securities and Exchange Commission.

Audit Committee Report

Pursuant to rules and regulations of the Securities and Exchange Commission, this Audit Committee Report shall not be deemed incorporated by reference to any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that Provident specifically incorporates this information by reference, and otherwise shall not be deemed soliciting material or to be filed with the Securities and Exchange Commission subject to Regulation 14A or 14C of the Securities and Exchange Commission or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended.

The Audit Committee operates under a written charter adopted by the board of directors. The Audit Committee's charter is posted on the Governance section of the Investor Relations page of The Provident Bank's website at www.providentnj.com and a copy is included as Appendix A to this Proxy Statement.

Management has the primary responsibility for Provident's internal control and financial reporting process, and for making an assessment of the effectiveness of Provident's internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of Provident's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an opinion on those financial statements, and for providing an attestation report on management's assessment of internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

As part of its ongoing activities, the Audit Committee has:

reviewed and discussed with management, and the independent registered public accounting firm, the audited consolidated financial statements of Provident for the year ended December 31, 2006;

discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, *Communications with Audit Committees*, as amended; and

received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and has discussed with the independent registered public accounting firm its independence from Provident.

Based on the review and discussions referred to above, the Audit Committee has recommended to Provident's board of directors that the audited consolidated financial statements for the fiscal year ended December 31, 2006 be included in Provident's Annual Report on Form 10-K for filing with the Securities and Exchange Commission. In addition, the Audit Committee approved the re-appointment of KPMG LLP as the independent registered public accounting firm for the year ending December 31, 2007, subject to the ratification of this appointment by the stockholders of Provident.

Compensation Committee Matters

Compensation Committee

The current members of the Compensation Committee are: Messrs. Shein (Chair), Berry, Fekete, O'Donnell and Sheenan. Each member of the Compensation Committee is considered independent as defined in the New York Stock Exchange corporate governance listing standards. The Compensation Committee is responsible for management succession planning and for reviewing and evaluating compensation programs and policies including setting performance measures and goals, approving awards under existing compensation plans and administering long-term incentive awards. On at least an annual basis, the Compensation Committee meets to review the performance of, and the compensation payable to, Provident's and The Provident Bank's executive officers, including the Chief Executive Officer. The basic elements of Provident's executive compensation program include base salary, annual incentives, long-term incentive awards and certain other benefit arrangements, such as retirement programs. The Compensation Committee's charter is posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at www.providentnj.com. The Compensation Committee met ten times during 2006.

The Compensation Committee engaged the services of Clark Consulting in 2005 and 2006, as its independent compensation consultant, to assist it in evaluating executive compensation programs and in making determinations regarding executive officer compensation. The independent compensation consultant reports directly to the Compensation Committee and does not perform any services for Provident's management.

The Compensation Committee determines the compensation payable to the Chief Executive Officer based on corporate financial performance against established goals and the Chief Executive Officer's individual performance. The Compensation Committee establishes corporate performance goals and individual goals for the Chief Executive Officer at the beginning of the year, and members of the Compensation Committee meet with the Chief Executive Officer during the year to review progress against the goals. The Compensation Committee also sets performance goals for, and determines the compensation payable to, the executive officers, including the named executive officers. The Chief Executive Officer and the President provide the Compensation Committee with performance assessments and compensation recommendations for each of the other executive officers. The Compensation Committee considers those recommendations in arriving at its determinations. The independent compensation consultant is available to the Compensation Committee for assistance in these determinations.

Director compensation is established by the board of directors upon the recommendation of the Governance/Nominating Committee.

Management may provide information on relevant topics to the Compensation Committee regarding peer group and market data and may make recommendations regarding compensation actions, however, the Compensation Committee retains responsibility for all compensation recommendations to the board of directors as to the executive officers.

Compensation Committee Interlocks and Insider Participation

Messrs. Fekete, O'Donnell, Sheenan and Shein served as members of the Compensation Committee in 2006. None of these directors has ever been an officer or employee of Provident, is an executive officer of another entity, at which one of Provident's executive officers serves on the board of directors, or had any transactions or relationships with Provident in 2006 requiring specific disclosures under Securities and Exchange Commission rules.

Executive Compensation

Compensation Discussion and Analysis

Executive Compensation Philosophy

The objective of Provident's executive compensation program is to offer competitive cash and equity compensation and benefits that will attract, motivate and retain qualified and talented executives who will help maximize Provident's financial performance and earnings growth. Provident's executive compensation program is intended to align the interests of its executive officers with stockholders by rewarding performance against established corporate financial goals, and by rewarding strong executive leadership and superior individual performance.

The compensation paid to each executive officer is based on the executive's level of job responsibility, corporate financial performance measured against annual goals, and an assessment of the executive's individual performance. For higher-level executive officers, annual incentive compensation is linked to corporate financial performance, because these executives are in leadership roles that tend to influence corporate financial results.

The Compensation Committee engaged Clark Consulting in 2005 and 2006 to benchmark Provident's executive compensation program to peer group data. The independent compensation consultant provided the Compensation Committee with relevant competitive compensation program information using a peer group of 18 banking institutions. These included thrift and banking institutions with assets of \$3 to \$13 billion, having an asset mix similar to Provident. This peer group may be modified from year-to-year based on mergers and acquisitions within the industry or other relevant factors. The peer group currently consists of the 17 banking institutions identified below. Based on this peer group benchmarking, base salaries are targeted at the market median (50th percentile) and annual incentive compensation is targeted at the top quartile (75th percentile) when superior financial performance is achieved, and at the market (50th percentile) when financial performance goals are met. While Provident's executive compensation program targets base salary and annual incentive compensation at market levels, actual compensation paid to an executive officer may vary based on other factors, such as individual's performance, experience and tenure, and competitive market conditions.

The peer group companies are:

Elements of Executive Compensation for 2006

The Compensation Committee used a total compensation approach in establishing executive compensation opportunities, consisting of base salary, annual incentive compensation, long-term incentive awards (such as stock option and restricted stock awards), a competitive benefits package, and perquisites.

Base Salary

Executive officer base salary levels are evaluated by the Compensation Committee on an annual basis. In general, salary ranges are developed considering the competitive base salary information furnished to the Compensation Committee by the independent consultant. Each executive officer's base salary level is targeted to these ranges considering the executive officer's performance and contribution, leadership, operational effectiveness and experience in the industry.

In establishing base salaries for 2006, the Compensation Committee considered Provident's financial performance, which did not meet expectations, and peer group and market-based industry salary data provided by the independent compensation consultant. The Committee determined that no increases in base salary would be warranted for Messrs. Pantozzi, Martin and Ward in 2006. The Compensation Committee reviewed similar considerations for each of the other named executive officers and determined that increases were appropriate for Ms. Niro and Mr. Blum based upon their performance and to maintain competitive base salary levels. Accordingly, Ms. Niro received an annual base salary increase of 3.8% or \$7,500 and Mr. Blum received an annual base salary increase of 4.3% or \$10,000.

Annual Incentive Payment/The 2006 Incentive Plan

Annual incentive opportunities are provided to Provident's executive officers in order to align the attainment of annual corporate financial performance objectives with executive compensation. At the beginning of each year, the Compensation Committee assigns corporate targets and a range of annual incentive award opportunities to each executive officer. The award opportunities are linked to a specific target and range of performance results for one or more corporate financial performance measures and attainment of individual goals.

The Compensation Committee established, and the board of directors approved, the 2006 Incentive Plan. The 2006 Incentive Plan had two components: a cash incentive payment and long-term incentive awards in the form of restricted stock awards and stock options. The Compensation Committee determined that Messrs. Pantozzi and Ward and Ms. Niro would only be eligible for the cash incentive component and not the long-term incentive component due to the level of stock awards and stock options granted to them in 2003 in connection with the mutual to stock conversion of The Provident Bank. However, the Compensation Committee determined to award 50,000 stock options to Mr. Pantozzi, provided Provident's financial performance in 2006 met or exceeded each of the Target levels established under the 2006 Incentive Plan. These Target levels were not achieved.

The cash incentive payments and long-term incentive awards under the 2006 Incentive Plan were based primarily on the 2006 financial performance compared with 2006 targets relating to: (i) earnings per share (weighted 50%); (ii) efficiency ratio (weighted 25%); and (iii) total shareholder return relative to the performance of an identified peer group (weighted 25%) (collectively, the Corporate Targets). A portion of the payment of incentive compensation payable to each executive was also based on the executive's performance against his or her 2006 individual goals and objectives, and may be made whether or not the Corporate Targets were met. For the named executive officers, 75% of the incentive payment was based on Provident's financial performance against the Corporate Targets and 25% was based on the executive's performance against his or her individual goals and objectives. Incentive payments and awards based on the Company's 2006 financial performance would be made if the Company's 2006 financial performance met or exceeded 95% of the Corporate Targets (Threshold). At Target, the performance hurdles were (i) \$0.93 for earnings per share;

(ii) 58.79% for the efficiency ratio; and (iii) at the 50th percentile or better of the peer group for total shareholder return. For the Chief Executive Officer, incentive cash awards were a minimum of 6.25% of base salary upon the achievement of Threshold levels, increasing to 100% of base salary for maximum achievement. For the other named executive officers, incentive cash awards ranged from 3.75% of base salary to 60% of base salary. For named executive officers who were eligible to receive equity awards under the incentive plan, incentive awards range from 3.75% (5% for the President) of base salary to 60% (80% for the President) of base salary, payable 50% in stock options and 50% in shares of restricted stock.

Based on Provident's actual financial performance in 2006, the earnings per share and efficiency ratio Corporate Targets were met at the Threshold level. The total shareholder return Corporate Target was not met. As a result of the Compensation Committee's assessment of Provident's 2006 financial performance against the Corporate Targets, and the assessment of each named executive officer's individual performance, the following cash and equity awards were made in 2007 under the 2006 Incentive Plan:

2006 Incentive Plan Payments

Long-Term Incentives (Stock Option and Stock Award Program)

Provident maintains the Provident Financial Services, Inc. 2003 Stock Award Plan and the Provident Financial Services, Inc. 2003 Stock Option Plan. Under these plans, individuals may receive awards of common stock and grants of options to purchase common stock. The Compensation Committee believes that stock ownership provides a significant incentive in building stockholder value by further aligning the interests of officers and employees with stockholders. The importance of this component of compensation increases as Provident's common stock appreciates in value. In addition, stock option grants and stock awards vest over five years, thereby providing an additional retention incentive.

In addition to the stock awards and stock options granted under the 2006 Incentive Plan, the Compensation Committee granted additional long-term incentives to each of the named executive officers to reward superior individual performance in 2006, and to acknowledge that attainment of certain corporate financial goals was adversely impacted by the prevailing inverted yield curve and to maintain competitive compensation levels as follows:

Long-Term Incentive Awards

Name	Date	Stock	Stock	Stock
		Price (\$)	Options(#)	Awards(#)
Paul M. Pantozzi	January 29, 2007	17.94	40,000	10,000

It is the current policy of the Compensation Committee to make option grants when the window for trading by officers and directors in Provident common stock is open under the Provident's stock trading policy.

Benefits

Provident provides its executives with medical and dental, disability insurance and group life insurance coverage consistent with the same benefits provided to all of its full-time employees. Similarly, the named executive officers are participants in the Employee Stock Ownership Plan and 401(k) Plan offered to all full-time employees and certain of the executive officers have accrued benefits under a pension plan that was frozen as of April 1, 2003. Messrs. Pantozzi and Ward and Ms. Niro are also eligible for post-retirement medical benefits, which benefits are available to all active employees with ten years of service as of December 31, 2002. Messrs. Pantozzi and Ward and Ms. Niro are also eligible for post-retirement life insurance benefits, which benefits are only available to active employees who had ten years of service as of December 31, 2006.

Provident provides a non-qualified retirement plan (SERP) for Messrs. Pantozzi and Ward. The SERP pays to each participant an amount equal to the amount which would have been payable under the terms of the pension plan but for the limitations under Sections 401(a)(17) and 415 of the Internal Revenue Code, less the amount payable under the terms of the pension plan. The Provident Bank froze the SERP as of April 1, 2003 as to the accrual of additional benefits under the SERP. Provident also established the Supplemental Executive Savings Plan, a non-qualified plan that provided additional benefits to certain participants whose benefits under The Provident Bank 401(k) Plan and Employee Stock Ownership Plan (ESOP) were limited by tax law limitations applicable to tax qualified plans. Messrs. Pantozzi and Ward are the participants in this plan. This plan was frozen effective December 31, 2003 with respect to all future contributions and remains open only to hold assets for distribution.

Effective January 1, 2004, Provident established a new plan, known as The Provident Bank Non-Qualified Supplemental Employee Stock Ownership Plan (the Supplemental ESOP). The Supplemental ESOP provides additional benefits to participants whose benefits under the ESOP are limited by tax law limitations applicable to tax-qualified plans. Currently Messrs. Pantozzi and Ward are the only participants in this plan. The Supplemental ESOP requires a contribution by Provident for each participant who also participates in the ESOP equal to the amount which would have been contributed under the terms of the ESOP, but for the tax law limitations, less the amount actually contributed under the ESOP. This benefit is payable in cash in a lump sum upon the death of a participant, a participant's separation from service or disability (as those terms are defined in the Supplemental ESOP), or a change in control (as that term is defined in the Supplemental ESOP) of Provident or The Provident Bank.

Perquisites

The Compensation Committee believes that perquisites should be provided on a limited basis, and only to the most senior level of executive officers. The following perquisites are currently provided: club memberships for Messrs. Pantozzi, Martin and Ward, and the use of a company-owned automobile for Messrs. Pantozzi, Martin, Ward and Blum. All of the named executive officers are eligible for an annual medical examination and Mr. Pantozzi has the use of a fitness trainer.

Elements of Post-Termination Benefits

Employment Agreements. Provident has entered into three-year employment agreements with Messrs. Pantozzi, Martin and Ward. The agreements provide that if employment is terminated for reasons other than for cause, or for retirement, disability or following a change in control, the executive would be entitled to:

a lump sum payment equivalent to the greater of: the payments due for the remaining term of the employment agreement, or three times the sum of (i) the highest annual rate of base salary and (ii) the greater of (x) the average cash bonus paid over the last three years or (y) the cash bonus paid in the last year, and

the continuation of life, medical, dental and disability insurance coverage for three years.

The executive may resign from employment and receive these benefits in the event of certain adverse changes in the executive's employment conditions. Each employment agreement generally provides that following a change in control, the executive will receive the severance payments and insurance benefits described above if:

he resigns during the one-year period following the change in control; or

if he is terminated during the remaining term of the employment agreement following the change in control.

Change in Control Agreements. Provident has entered into two-year change in control agreements with Mr. Blum and Ms. Niro. Following a change in control, the executive is entitled to a severance payment if

the officer's employment is terminated during the term of such agreement, other than for cause, disability, or retirement, or

the officer terminates employment during the term of the agreement for good reason.

Good reason is generally defined to include

the assignment of duties materially inconsistent with the officer's positions, duties or responsibilities as in effect prior to the change in control;

a reduction in his or her base salary or fringe benefits;

a relocation of his or her principal place of employment by more than 25 miles from its location immediately prior to the change in control; or

a failure of Provident to obtain an assumption of the agreement by its successor.

The severance payment will equal two times the highest level of aggregate annualized base salary and other cash compensation paid to the officer during the calendar year in which he or she was terminated, or either of the immediately preceding two calendar years, whichever is greater. In addition, the executive is generally entitled to receive life, health, dental and disability coverage for the remaining term of the agreement. Payments under the change in control agreements are reduced to the extent necessary to prevent an excess parachute payment under Section 280G of the Internal Revenue Code.

Other Matters

Executive Stock Ownership Requirements

The Compensation Committee and the board of directors adopted the following minimum equity ownership requirements for top executives to further align their interests with stockholders:

Tier I	Chief Executive Officer	100,000 shares
Tier II	President and Chief Operating Officer, and Vice Chairman	50,000 shares
Tier III	Other Named Executives	10,000 shares

Each of the named executives currently meets or exceeds these requirements. New executives will be given five years from their date of hire or promotion to achieve the minimum equity ownership levels, and vested and unvested restricted stock awards and shares held in the ESOP and

401(k) Plans count toward the requirements.

Tax Deductibility of Executive Compensation

Under Section 162(m) of the Internal Revenue Code, companies are subject to limits on the deductibility of executive compensation. Deductible compensation is limited to \$1 million per year for each executive officer listed in the summary compensation table. Compensation that is performance-based under the Internal Revenue Code's definition is exempt from this limit. Stock option grants are intended to qualify as performance-based compensation.

The Compensation Committee does not have a formal policy with respect to the payment of compensation in excess of the deduction limit. The Compensation Committee's practice is to structure compensation programs offered to the named executive officers with a view to maximizing the tax deductibility of amounts paid. However, in structuring compensation programs and making compensation decisions, the Committee considers a variety of factors, including the Company's tax position, the materiality of the payment and tax deductions involved and the need for flexibility to address unforeseen circumstances. After considering these factors, the Committee may decide to authorize payments, all or part of which would be nondeductible for federal tax purposes.

In 2006, compensation paid to Mr. Pantozzi exceeded the deduction limit, primarily due to the vesting of restricted stock awards granted to him in 2003 in connection with the mutual to stock conversion of The Provident Bank. The Compensation Committee does not believe the provisions of Section 162(m) will materially affect the results of operations of Provident.

(2) The value realized on vesting represents the market value on the day the stock vested.

Pension Benefits. The Provident Bank maintains a noncontributory defined benefit pension plan covering full-time employees who had attained age 21 with at least one year of service as of April 1, 2003. The pension plan was frozen as of April 1, 2003. As of April 1, 2003, employees are not entitled to accrue additional benefits. Employees hired after the freeze date are not eligible to enter the plan.

Pension plan participants generally become entitled to retirement benefits upon the later of attainment of age 65 or the fifth anniversary of participation in the plan, which is referred to as the normal retirement date. The normal retirement benefit is equal to 1.35% of the participant's average final compensation up to the average social security level plus 2% of the participant's average final compensation in excess of the average social security level multiplied by the participant's years of credited service to a maximum of 30 years.

Participants who have completed at least five years of vested service generally become 100% vested in their accrued retirement benefits. Vested retirement benefits generally will be paid beginning on the participant's normal retirement date. Participants with accrued benefits in the pension plan prior to April 1, 2003 will continue to vest in their pre-April 1, 2003 accrued benefit after April 1, 2003.

A participant may elect to retire prior to age 65 and receive early retirement benefits if retirement occurs after completion of at least five consecutive years of vested service and attainment of age 55. If such an early retirement election is made, retirement benefits will begin on the first day of any month during the ten-year period preceding his or her normal retirement date, as directed by the retiring participant. If a participant elects to retire prior to attaining age 65 and after completing five years of credited service, his or her accrued pension benefit will be reduced 3% per year for the first five years prior to age 65 and 5% per year thereafter to age 55. However, if a participant elects to retire early after both attaining age 60 and completing 25 years of credited service, his or her accrued pension benefit will be unreduced. Any participant who terminated employment prior to January 1, 2002, will receive an early pension benefit equal to the actuarial equivalent of the annual amount of the normal pension that would otherwise have been payable to the participant had he or she not elected to receive an early pension. If the termination of service occurs after the normal retirement date, the participant's benefits will begin on the participant's postponed retirement date.

The table below shows the present value of accumulated benefits payable to each of the named executive officers, including the number of years of service credited to each such named executive officer, under each of the pension plan and the SERP determined using interest rate and mortality rate assumptions consistent with those used in Provident's financial statements.

PENSION BENEFITS AT OR FOR THE YEAR ENDED DECEMBER 31, 2006

Name	Plan Name	Number of Years Credited Service (#) ⁽¹⁾	Present Value of Accumulated Benefit (\$) ⁽²⁾	Payments During Last Fiscal Year (\$)

Donald W. Blum	Provident Bank Pension Plan	5	16,337	
Gregory French	Provident Bank Pension Plan	5	33,852	

(1) The number of years of credited service represents all years of service including years following the frozen pension date of April 1, 2003.

(2) The calculation of present value of the accumulated benefits are reported for The Provident Bank Pension, First Sentinel Pension and SERP Plans during the fiscal year ending December 31, 2006. These plans assume a 1983 Group Annuity Mortality Table for post retirement and no pre-retirement mortality and interest rates of 6.25% at December 31, 2003 and 5.75% at December 31, 2004, 2005 and 2006. It is also assumed that the benefit would be deferred to the first age each participant could collect an unreduced benefit. Under the First Sentinel Pension Plan, the calculation of present value of accumulated benefits assumes the benefit is available as a lump sum valued at 50% at 7.75% and 50% at 5.00%. This plan also assumes that the benefit would be deferred to the first age each participant could collect an unreduced benefit.

Nonqualified Deferred Compensation. The following table sets forth information with respect to defined contribution and other nonqualified deferred compensation plans at and for the year ended December 31, 2006 for the named executive officers.

(3) The aggregate balance reported is the combined value of account balances under the Supplemental Executive Savings Plan, which was frozen in December 2003 and under the Supplemental ESOP. Certain of the account balances are based on the market value of Provident common stock on December 31, 2006 of \$18.13.

Potential Payments Upon Termination or Change in Control. Provident has entered into three-year employment agreements with Messrs. Pantozzi, Martin and Ward, and two-year change in control agreements with Mr. Blum and Ms. Niro. The tables below reflect the amount of compensation to each of the named executive officers of Provident pursuant to such individual's employment agreement or change in control agreement, as applicable, in the event of termination of such executive's employment. No payments are required due to a voluntary termination under the employment agreements or the change in control agreements (prior to a change in control). The amount of compensation payable to each named executive officer upon involuntary not-for-cause termination, termination following a change of control and in the event of disability (with respect to employment agreements) is shown below. The amounts shown assume that such termination was effective as of December 31, 2006, and thus includes amounts earned through such time and are estimates of the amounts which would be paid out to the executives upon their termination. The amounts shown relating to unvested options and awards are based on the fair market value of Provident common stock on December 31, 2006 of \$18.13. Using that fair market value, all unvested option have no value. The actual amounts to be paid out can only be determined at the time of such executive's separation from Provident.

Director Compensation

Elements of Director Compensation

Director Fees

Provident's non-employee directors and non-employee committee members are paid meeting fees for attending board and committee meetings as follows:

\$1,250 for each board meeting attended;

\$1,250 for each Audit Committee meeting attended;

\$1,000 for each Compensation Committee and Governance/Nominating Committee meeting attended, and in 2006 \$1,000 for each Executive Committee meeting attended; and

\$1,000 for each Loan Committee and Trust Committee meeting of the board of directors of The Provident Bank attended.

The Chairs of the board committees are paid meeting fees as follows:

\$2,000 meeting fee for the Chairs of the Audit, Compensation and Governance/Nominating Committees for each committee meeting they attend in such capacity; and

\$1,500 meeting fee for the Chair of The Provident Bank Trust Committee fee for each meeting attended.

In addition to the meeting fees paid for attendance, an annual retainer of \$25,000 is paid to each non-employee director on The Provident Bank board. Also, the Lead Director is paid an annual retainer of \$10,000 and the Chair of the Audit Committee is paid an annual retainer of \$7,500.

In 2006, an annual grant of 2,000 stock options was made to each non-employee director and an additional annual grant of 5,000 stock options was made to those non-employee directors who joined the board of directors after June 30, 2004. These stock options were granted under the Provident Financial Services, Inc. 2003 Stock Option Plan.

Director Benefits

The Provident Bank makes available to each non-employee director an annual medical examination under an arrangement with a designated service provider. A non-employee director may also enroll in the health, dental and vision plans generally made available to The Provident Bank's employees, so long as the non-employee director bears the entire cost of the coverage.

Retirement Plan for the Board of Directors of The Provident Bank

The Provident Bank maintains a Retirement Plan for the Board of Directors of The Provident Bank, for the benefit of directors having ten or more years of service as of December 31, 2006 (currently 6 directors). It is a non-qualified plan that provides cash payments for up to ten years to eligible retired board members based on age and length of service requirements. The maximum payment under this plan to a board member who terminates service on or after the age of 72 with at least ten years of service on the board, is forty quarterly payments of \$1,250. The Bank may suspend payments under this plan if it does not meet Federal Deposit Insurance Corporation or New Jersey Department of Banking and Insurance minimum capital requirements. The Provident Bank may terminate this plan at any time although such termination may not reduce or eliminate any benefit previously accrued to a board member without his or her consent. The plan further provides that, in the event of a change in control (as defined in the plan), the undistributed balance of a director's accrued benefit will be distributed to him or her within 60 days of a change in control.

Voluntary Fee Deferral Plans

Non-employee directors may elect to defer the receipt of 25%, 50%, 75% or 100% of board fees to a future year as determined by that director, so long as the distribution of such fees does not begin beyond the year of the director's normal retirement date. Deferred fees are credited to an account established for the benefit of each participant, which receives interest at the prevailing prime rate. A participating director may receive the deferred payments pursuant to the director's election in a lump sum or over a three-year period, except in the event of a defined change in control, death or disability or upon a separation of service prior to attaining age 65, under which circumstances a lump sum payment shall be made. In the event of a change in control, the undistributed balance of a participant's account will be distributed within 60 days of the change in control. Under no circumstances may a participating director accelerate the distribution of amounts in his or her account.

In connection with the acquisition of First Sentinel Bancorp, Inc., Provident assumed the First Savings Bank Directors' Deferred Fee Plan, which was frozen prior to the completion of the acquisition. This plan will be paid out in accordance with the provisions of its governing documents.

The board of directors establishes non-employee director compensation based on recommendations of the Governance/Nominating Committee. In 2005, the Governance/Nominating Committee engaged the services of Clark Consulting to assist it in a review of director compensation. Compensation paid to non-employee directors was based on recommendations arising from that review. The Governance/Nominating Committee recommended no changes to the compensation payable to non-employee directors for 2007.

The following table sets forth for the year ended December 31, 2006 certain information as to total remuneration paid to directors other than Messrs. Pantozzi and Martin, who are not paid director fees. Compensation paid to Messrs. Pantozzi and Martin is included in Executive Compensation-Summary Compensation Table. The amounts reported under the stock awards and option awards columns include grants of stock awards and stock options made in 2003 in connection with the mutual to stock conversion of The Provident Bank.

PROPOSAL II RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Provident's independent registered public accounting firm for the year ended December 31, 2006 was KPMG LLP. The Audit Committee has re-appointed KPMG LLP to continue as the independent registered public accounting firm for Provident and The Provident Bank for the year ending December 31, 2007, subject to the ratification by Provident's stockholders at the Annual Meeting. Representatives of KPMG LLP are expected to attend the Annual Meeting. They will be given an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Stockholder ratification of the appointment of KPMG LLP is not required by Provident's Bylaws or otherwise. However, the board of directors is submitting the appointment of the independent registered public accounting firm to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment of KPMG LLP, the Audit Committee will reconsider whether it should select another independent registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change is in the best interests of Provident and its stockholders.

Audit Fees. The aggregate fees billed to Provident for professional services rendered by KPMG LLP for the audit of the Provident's annual financial statements, review of the financial statements included in the Provident's Quarterly Reports on Form 10-Q and services that are normally provided by KPMG LLP in connection with statutory and regulatory filings and engagements were \$594,500 and \$562,500 during the fiscal years ended December 31, 2006 and 2005, respectively.

Audit Related Fees. The aggregate fees billed to Provident for assurance and related services rendered by KPMG LLP that are reasonably related to the performance of the audit of and review of the financial statements and that are not already reported in Audit Fees, above, were \$240,000 and \$101,000 during the fiscal years ended December 31, 2006 and 2005, respectively. These services included audits of Provident's employee benefit plans, which in 2005 included audits of employee benefit plans formerly maintained by First Sentinel Bancorp, Inc., as well as professional services rendered in connection with a registration statement on Form S-4 filed with the SEC in 2006.

Tax Fees. The aggregate fees billed to Provident for professional services rendered by KPMG LLP for tax compliance, tax advice and tax planning were \$0 and \$137,000 during the fiscal years ended December 31, 2006 and 2005, respectively. The Audit Committee adopted a policy that commencing with the preparation and filing of Provident's 2005 corporate tax returns, tax compliance and other tax-related services are no longer performed by the independent registered public accounting firm.

All Other Fees. The aggregate fees billed to Provident for other permissible services rendered by KPMG LLP were \$0 and \$3,000 during the fiscal years ended December 31, 2006 and 2005, respectively.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of KPMG LLP. The Audit Committee concluded that performing such services does not affect the independence of KPMG LLP in performing its function as Provident's independent registered public accounting firm of Provident.

The Audit Committee has delegated to the Chair of the Audit Committee the authority to pre-approve audit and audit-related services up to a maximum amount of \$25,000 between meetings of the Audit Committee, provided the Chair reports any such approvals to the full Audit Committee at its next meeting. The full Audit Committee pre-approves all other services to be performed by the independent registered public accounting firm and the related fees.
