Edgar Filing: SPARK NETWORKS INC - Form S-8 POS

Includes certain preferred stock purchase rights associated with the shares of Common Stock pursuant to the Rights Agreement dated July 9, 2007.

EXPLANATORY NOTE

On July 9, 2007, Spark Networks plc (the Predecessor Registrant) completed a reorganization (the Reorganization) of its corporate structure through a scheme of arrangement pursuant to Section 425 of the Companies Act 1985 of the United Kingdom, resulting in the formation of a new holding parent company, Spark Networks, Inc. (the Registrant or Spark). Pursuant to the Reorganization, shares of common stock, par value \$0.001 per share, of the Registrant were issued in exchange of the cancellation of ordinary shares, each having a nominal value of £0.01, of the Predecessor Registrant. As a result, the Predecessor Registrant is now a wholly-owned subsidiary of the Registrant.

This Post-Effective Amendment No. 1 to the Registration Statement on Form S-8, Registration No. 333-129819, filed with the Securities and Exchange Commission (the Commission) on November 18, 2005 by the Predecessor Registrant (as amended, the Registration Statement), relating to the Spark Networks plc 2004 Share Option Scheme and 2000 Executive Share Option Scheme (collectively, the Plans), is being filed by the Registrant pursuant to Rule 414 under the Securities Act of 1933, as amended (the Securities Act), as the successor issuer to the Predecessor Registrant following the Reorganization. Each option to purchase ordinary shares of the Predecessor Registrant governed by either the 2004 Share Option Scheme or 2000 Executive Share Option Scheme became, on the same terms and conditions, except for certain amendments made in connection with the Reorganization, as were applicable to the option prior to the Reorganization, an option to purchase one share of common stock of the Registrant.

In accordance with Rule 414(d) under the Securities Act, the Registrant, as successor to the Predecessor Registrant, hereby expressly adopts the Registration Statement as its own for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended (the Exchange Act).

- (2) All reports filed by the Registrant or by the Predecessor Registrant pursuant to Section 13(a) or 15(d) of the Exchange Act since December 31, 2006.

Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Under Section 145 of the General Corporation Law of the State of Delaware, the Registrant can indemnify its directors and officers against liabilities that they may incur in such capacities, including liabilities under the Securities Act. The Registrant's certificate of incorporation provides that, pursuant to Delaware law, its directors

shall not be liable for monetary damages for breach of the directors' fiduciary duty of care to the Registrant and its stockholders. This provision in the certificate of incorporation does not eliminate the duty of care, and in appropriate circumstances equitable remedies such as injunctive or other forms of nonmonetary relief will remain available under Delaware law. In addition, each director will continue to be subject to liability for breach of the director's duty of loyalty to the Registrant or its stockholders, for acts or omissions not in good faith or involving intentional misconduct or knowing violations of the law, for actions leading to improper personal benefit to the director, and for payment of dividends or approval of stock repurchases or redemptions that are unlawful under Delaware law. The provision also does not affect a director's responsibilities under any other law, such as the federal securities laws.

The Registrant's bylaws provide for the indemnification of its directors to the fullest extent permitted by the Delaware General Corporation Law. The Registrant's bylaws further provide that its Board of Directors will indemnify, in the manner and to the fullest extent permitted by Delaware Law any person (or the estate of such person) who is or was a party to, or is threatened to be made party to, any threatened, pending or completed action, suit or proceeding by reason of the fact that such person is or was a director or officer of the corporation, or is or was serving at the request of the company as a director or officer of another corporation, partnership, joint venture, trust or other enterprise. The Registrant is required to advance, prior to the final disposition of any proceeding, promptly on request, all expenses incurred by any director or executive officer in connection with that proceeding on receipt of an undertaking by or on behalf of that director or executive officer to repay those amounts if it should be determined ultimately that he or she is not entitled to be indemnified under the bylaws or otherwise. The Registrant is not, however, required to advance any expenses in connection with any proceeding if a determination is reasonably and promptly made by its Board of Directors by a majority vote of a quorum of disinterested Board members or by independent legal counsel that (i) the party seeking an advance acted in bad faith or deliberately breached his or her duty to us or our stockholders and (ii) as a result of such actions by the party seeking an advance, it is more likely than not that it will ultimately be determined that such party is not entitled to indemnification pursuant to the applicable sections of its bylaws.

The Registrant has been advised that in the opinion of the Securities and Exchange Commission, insofar as indemnification for liabilities arising under the Securities Act may be permitted to its directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event a claim for indemnification against such liabilities (other than the Registrant's payment of expenses incurred or paid by its director, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by the Registrant is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The Registrant has entered into indemnification agreements with its directors or officers, which indemnify officers and directors against certain liabilities that may arise because of their status as officers or directors, and advance expenses, as incurred, to officers and directors in connection with a legal proceeding, subject to limited exceptions.

The Registrant maintains a directors' and officers' insurance policy. The policy insures directors and other officers against unindemnified losses arising from certain wrongful acts in their capacities as directors and officers and reimburses the Registrant for those losses for which the Registrant has lawfully indemnified its directors and officers. The policy contains various exclusions.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
