Item 1.01. Entry into a Material Definitive Agreement.

On September 12, 2007, Captaris, Inc. (the Company) entered into a new office space lease to move its headquarter office to another location in Bellevue, Washington. The Office Space Lease (the Lease) was executed between M & M Real Estate Strategies, LLC (the Landlord) and the Company and provides for the Company to lease approximately 52,810 square feet of office space for seven years commencing March 1, 2008, and an additional 2,045 square feet in 2009 subject to certain conditions. The Lease provides for annual lease payments of approximately \$1.66 million for the first year, \$1.78 million for the second year, \$1.84 million for the third year, \$1.89 million for the fourth year, \$1.95 million for the fifth year, \$2.00 million for the sixth year and \$2.06 million for the seventh year, plus building operating costs in excess of the Landlord's initial estimates, which the Landlord may pass through to the Company under the terms of the Lease.

The Lease also grants the Company two, five-year lease extension options, each allowing the Company to renew the Lease at 95% of prevailing fair market rate, as defined in the Lease, and a right of first opportunity to lease the remainder of the office space in the building if it becomes available.

Under the Lease, the Company is required to deposit approximately \$287,000, a portion of which will be credited against the first month's rent and estimated building operating expenses associated with the first month of the Lease and the remaining portion of which will be credited against the twenty-fifth month's rent. The security deposit may be increased by \$1.0 million dependent upon the cash balance of the Company during certain periods of the Lease beginning after the first 24 months.

A copy of Lease is included as Exhibit 10.1 to this Form 8-K. The descriptions set forth in this report of the terms and conditions of the Lease are qualified in their entirety by reference to the full text of the Lease.
