Forward-Looking Statements

All words and statements other than statements of historical fact included in this Form 6-K (including the attached exhibits), including, without limitation, expect, believe, plan, intend, estimate, anticipate, may, will, would and could or similar words and statements concerning the registrant and its prospects, and other statements relating to the registrant's expected financial position, business strategy, the future development of the registrant's operations and the general economy in India, are forward-looking statements. Such statements involve known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements of the registrant, or industry results, to differ materially from those expressed or implied by such forward-looking statements. Such forward-looking statements are based on numerous assumptions regarding the registrant's present and future business strategies and the environment in which the registrant will operate in the future. The important factors that could cause actual results, performance or achievements to differ materially from such forward-looking statements include, among others, changes in government policies or regulations of India and, in particular, changes relating to the administration of the registrant's industry, and changes in general economic, business and credit conditions in India. Additional factors that could cause actual results, performance or achievements to differ materially from such forward-looking statements, many of which are not in the registrant's control, include, but are not limited to, those risk factors discussed in the registrant's various filings with the Securities and Exchange Commission, including its annual report on Form 20-F filed on October 1, 2007. These forward-looking statements speak only as of the date of this Form 6-K. The registrant expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement contained herein to reflect any change in the registrant's expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.
