Item 2.05. Costs Associated with Exit or Disposal Activities.

On August 4, 2009 the management of Altera Corporation (the Company) committed to a plan to restructure its operations by eliminating approximately 87 positions from the Company's approximately 2,700 person workforce. Nearly all of the position eliminations will occur in the third quarter of 2009. The Plan is the result of the Company's efforts to lower its overall cost structure.

The Company will incur restructuring-related charges of approximately \$4-5 million in the third quarter of 2009 as a result of employee severance costs. The Company estimates that the annualized savings from this restructuring will be approximately \$9 million.
