Dear Fellow Shareholder:

It is my pleasure to invite you to attend the Special Meeting of Shareholders of Sterling Financial Corporation. The Special Meeting will be held in the Wall Street Conference Room of Sterling Savings Bank, 111 North Wall Street, in Spokane, Washington, on September [], 2009, at 9:00 a.m., local time.

We are holding the Special Meeting to request your support for the proposals permitting us to increase the number of our authorized shares of common stock in order to meet possible future business and financing needs. The availability of these additional shares will provide Sterling with the capability and flexibility to issue common stock for a variety of purposes that the Board of Directors may deem advisable in the future. These purposes could include, among other things, raising additional capital; increasing the regulatory capital position of our subsidiary banks; issuing stock for possible acquisition transactions; repaying funds received by us through the U.S. Treasury Department's Troubled Asset Relief Program Capital Purchase Program should we elect to do so in the future; or for other corporate and business purposes.

The formal Notice of Special Meeting of Shareholders and the proxy statement are attached and describe the proposals to be voted on at the Special Meeting. The Board of Directors believes the proposals are in the best interests of Sterling and its Shareholders and, accordingly, recommends that you vote FOR each of the proposals. We will also respond to appropriate questions of Shareholders.

It is important that you be represented at the Special Meeting regardless of the number of shares you own or whether you are able to attend the Special Meeting in person. We urge you to complete, sign and date your proxy card today and promptly return it in the postage-paid envelope provided, even if you plan to attend the Special Meeting. This will not prevent you from voting in person, but will ensure that your vote is counted if you are unable to attend.

Your continued support is sincerely appreciated.

Sincerely,

Harold B. Gilkey

Chairman of the Board, President

and Chief Executive Officer

PROXY STATEMENT

Special Meeting of Shareholders

To be Held September [], 2009

Date, time, place and purpose of Sterling's Special Meeting

A Special Meeting of Shareholders of Sterling Financial Corporation (Sterling), including any postponements or adjournments thereof (the Special Meeting), will be held at 9:00 a.m., local time, on September [], 2009, in the Wall Street Conference Room of Sterling Savings Bank, 111 North Wall Street, Spokane, Washington. At the meeting, Sterling's shareholders will be asked to approve an amendment to Sterling's Restated Articles of Incorporation to increase the number of authorized shares of common stock and to approve the adjournment of the Special Meeting, if necessary. This proxy statement is first being sent to holders of Sterling common stock on or about August [], 2009, and is accompanied by a proxy that is being solicited by the Sterling Board of Directors for use at the Special Meeting.

Who is entitled to vote?

Only holders of record of Sterling common stock at the close of business on August 6, 2009 (the Record Date) are entitled to notice of and to vote at the Special Meeting. Each holder of Sterling common stock is entitled to one vote for each share of Sterling common stock owned as of the Record Date. As of the Record Date, there were 52,397,343 shares of Sterling common stock outstanding.

Why is Sterling proposing to increase its authorized shares of common stock?

Sterling is proposing to increase its authorized shares of common stock in order to meet possible future business and financing needs. The availability of these additional shares will provide Sterling with the capability and flexibility to issue common stock for a variety of purposes that the Board of Directors may deem advisable in the future. These purposes could include, among other things, raising additional capital; increasing the capital position of our subsidiary banks; issuing stock for possible acquisition transactions; repaying funds received by Sterling through the U.S. Department of the Treasury's (Treasury) Capital Purchase Program should we elect to do so in the future; or for other corporate and business purposes.

How do I vote at the Special Meeting?

Proxies are solicited to provide all shareholders of record on the voting record date an opportunity to vote on matters scheduled for the Special Meeting and described in these materials. You are a shareholder of record if your shares of Sterling common stock are held in your name. If you are a beneficial owner of Sterling common stock held by a broker, bank or other nominee (i.e., in street name), please see the instructions in the following question.

Shares of Sterling common stock can only be voted if the shareholder is present in person or by proxy at the Special Meeting. To ensure your representation at the Special Meeting, we recommend you vote by proxy even if you plan to attend the Special Meeting. You can always change your vote at the meeting if you are a shareholder of record.

Table of Contents

Instructions for voting are found on the proxy card. Shares of Sterling common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder's instructions. Where properly executed proxies are returned to us with no specific instruction as how to vote at the Special Meeting, the persons named in the proxy will vote the shares FOR the amendment of the Restated Articles of Incorporation to increase the authorized number of shares of common stock, and FOR the adjournment of the Special Meeting, if necessary, to solicit additional proxies, in the event there are not sufficient votes at the time of the Special Meeting to approve the proposed amendment to the Restated Articles of Incorporation. If any other matters are properly presented at the Special Meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the Special Meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if my shares are held in street name?

If you are the beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. Because the affirmative vote of the holders of a majority of the outstanding shares of Sterling common stock entitled to vote at the Special Meeting is needed for us to proceed with amending our Restated Articles of Incorporation, the failure to vote by proxy or in person will have the same effect as a vote against the proposals to amend the Restated Articles of Incorporation. Accordingly, if you hold your stock in street name through a bank or broker, the Sterling Board of Directors urges you to promptly vote by following the voting instructions of your bank or broker.

If your shares are held in street name, you will need proof of ownership to be admitted to the Special Meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the Special Meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How will my shares of common stock held in Sterling's 401(k) Employee Savings and Investment Plan and Trust be voted?

If you are a participant in Sterling's 401(k) Employee Savings and Investment Plan and Trust, your completed proxy will serve as voting instructions to the plan trustee. However, your voting instructions must be received at least five days prior to the Special Meeting to count. In accordance with the terms of the plan, if you fail to instruct the plan trustee how to vote your plan shares, the trustee will vote your plan shares in accordance with the recommendations of the 401(k) Advisory Committee.

How many shares must be present to hold the meeting?

Under Washington law, any Shareholder action at a meeting requires that a quorum exist with respect to that action. A quorum for the actions to be taken at the Special Meeting will consist of a majority of the outstanding shares of Sterling common stock entitled to vote, present in person or by proxy at the Special Meeting. Shareholders of record, including brokers holding customers' shares of record, who are present at the Special Meeting in person or by proxy and who abstain from voting are considered present and entitled to vote, and will count toward a quorum.

Table of Contents

What if a quorum is not present at the meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given. An adjournment will have no effect on the business that may be conducted at the meeting. The Board of Directors must fix a new Record Date to determine the shareholders entitled to vote at the adjourned meeting if the meeting is adjourned more than 120 days after the date fixed for the original meeting.

What vote is required to approve Proposal 1: To amend the Restated Articles of Incorporation to increase the number of authorized shares of common stock?

The approval of the proposed Amendment to the Restated Articles of Incorporation to increase the authorized number of shares of common stock requires the affirmative vote of a majority of the outstanding shares entitled to vote at the Special Meeting. Abstentions will have the same effect as a vote against the proposal. Broker non-votes do not constitute votes cast and therefore will have no effect on approval of the proposal. **Our Board of Directors unanimously recommends that you vote FOR the amendment to the Restated Articles of Incorporation to increase the number of authorized shares of common stock.**

What vote is required to approve Proposal 2: To approve the adjournment of the Special Meeting, if necessary?

The approval of the adjournment of the Special Meeting requires the affirmative vote of a majority of the votes cast to authorize the Board of Directors to adjourn, postpone or continue the Special Meeting. Any shareholder represented in person or by proxy at the meeting and entitled to vote on the subject matter may elect to abstain from voting on this proposal. If so, such abstention will not be counted as a vote cast on the item and, therefore, will have no effect on the outcome of the vote on the item. Provided there is a quorum of shareholders present in person or by proxy, shareholders not attending the meeting, in person or by proxy, will also have no effect on the outcome of this proposal. **Our Board of Directors unanimously recommends that you vote FOR the proposal to adjourn the Special Meeting, if necessary.**

How may I revoke my proxy?

You may revoke your proxy at any time by taking any of the following actions before your proxy is voted at the Special Meeting:

Deliver to Sterling a written notice bearing a date later than the date of the proxy card, stating that you revoke the proxy;

Sign and deliver to Sterling a proxy card relating to the same shares and bearing a later date; or

Attend the meeting and vote in person, although attendance at the meeting will not, by itself, revoke a proxy.

Also, please note that if you have voted through your broker, bank or other nominee and you wish to change your vote, you must follow the instructions received from such entity to change your vote.

May I vote electronically via Internet or telephone?

A large number of banks and brokerage firms provide Shareholders whose shares are registered in the name of such firms the opportunity to vote via the Internet or by telephone. The voting form sent to a beneficial owner will provide instructions if such options are available.

Table of Contents

Who will pay the expenses of proxy solicitation?

The expense of preparing, printing and mailing this proxy statement and the proxies solicited hereby will be borne by Sterling. Proxies will be solicited by Sterling by mail or electronically and may also be solicited on behalf of Sterling by directors, officers and other employees of Sterling, without additional remuneration, in person or by telephone or facsimile transmission. In addition, Sterling has entered into an agreement (the Proxy Agent Agreement) with The Altman Group (the Proxy Agent) to serve as a proxy solicitation agent on behalf of Sterling in connection with the Special Meeting. As provided in the Proxy Agent Agreement, Sterling will pay the Proxy Agent a base fee of \$6,000 and reimburse the Proxy Agent for routine out-of-pocket expenses. The Proxy Agent will also receive an additional fee, calculated on a per-call basis, to telephone retail shareholders, if necessary. Sterling will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of Sterling common stock as of the record date and will reimburse such entities for the cost of forwarding the proxy materials in accordance with customary practice.

What is the recommendation of the Board of Directors with regard to the proposals?

The Board of Directors of Sterling believes the proposals described herein are in the best interests of Sterling and its Shareholders and, accordingly, recommends that the Shareholders vote FOR the proposals identified in the Notice.

Are there Dissenters Rights with respect to the proposals?

There are no dissenters rights applicable to any matters to be considered at the Special Meeting.

FORWARD-LOOKING STATEMENTS

From time to time, Sterling and its senior managers have made and will make forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements may be contained in this proxy statement and in other documents that Sterling files with the Securities and Exchange Commission. Such statements may also be made by Sterling and its senior managers in oral or written presentations to analysts, investors, the media and others. Forward-looking statements can be identified by the fact that they do not relate strictly to historical or current facts. Also, forward-looking statements can generally be identified by words such as may, could, should, would, believe, anticipate, estimate, seek, expect, intend, plan and similar expressions.

Forward-looking statements provide management's expectations or predictions of future conditions, events or results. They are not guarantees of future performance. By their nature, forward-looking statements are subject to risks and uncertainties. These statements speak only as of the date they are made. Sterling does not undertake to update forward-looking statements to reflect the impact of circumstances or events that arise after the date the forward-looking statements were made. There are a number of factors, many of which are beyond Sterling's control that could cause actual conditions, events or results to differ significantly from those described in the forward-looking statements. For a discussion of such factors, please see the sections entitled Forward-Looking Statements and Risk Factors in Sterling's annual report on Form 10-K for the period ended December 31, 2008 which is incorporated by reference herein.

PROPOSAL 1: AMENDMENT OF THE RESTATED ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK, FROM 100,000,000 TO 750,000,000 SHARES.

On August 5, 2009, our Board of Directors unanimously adopted a resolution recommending that Sterling's Restated Articles of Incorporation be amended to increase the number of authorized shares of common stock, having a par value of \$1.00 per share, from 100,000,000 shares to 750,000,000 shares (the Common Stock Amendment). The Board of Directors further directed that the Common Stock Amendment be submitted for consideration by shareholders at a Special Meeting. In the event the Common Stock Amendment is approved by shareholders, Sterling will thereafter execute and submit to the Washington Secretary of State for filing Articles of Amendment of the Restated Articles of Incorporation providing for the Common Stock Amendment. The Common Stock Amendment will become effective when the Articles of Amendment are accepted for filing by the Washington Secretary of State.

As of the voting record date for the Special Meeting, there were 52,397,343 shares of common stock issued and outstanding and another 10,246,080 shares of common stock were reserved for issuance upon exercise of options previously granted from Sterling's stock option plans or issuable under other outstanding stock awards and the warrant issued to the Treasury pursuant to Sterling's participation in the Capital Purchase Program (the Treasury Warrant). While Sterling's authorized but unissued shares currently available for issuance are sufficient to meet its obligations to deliver shares under these previously granted stock options and stock awards, and the Treasury Warrant, after the issuance of shares to meet all such obligations Sterling would have available for future issuance only approximately 37,356,577 shares of common stock should the Common Stock Amendment not be approved by our shareholders.

The Board of Directors believes that it is in Sterling's best interest to increase the number of authorized but unissued shares of common stock in order to meet Sterling's possible future business and financing needs as they arise. While management has no current specific plans, agreements or understandings for the issuance of the additional shares, our Board of Directors believes that the availability of these additional shares will provide Sterling with the capability and flexibility to issue common stock for a variety of purposes that the Board of Directors may deem advisable in the future. These purposes could include, among other things, raising additional capital; increasing the capital position of our subsidiary banks; issuing stock for possible acquisition transactions;

Table of Contents

repaying funds received by Sterling through the Treasury's Capital Purchase Program should we elect to do so in the future, or for other corporate and business purposes. The additional common shares authorized would be identical in all respects to Sterling's currently authorized shares of common stock. Sterling's Restated Articles of Incorporation provide that shareholders shall not have preemptive rights for its capital stock. The determination by our Board of Directors and Sterling's management that the authorized common stock should be increased took into account the historical and anticipated issuance patterns of Sterling, the potential issuance of stock splits or dividends in the future based on market conditions, and other additional financing or expansion that may be appropriate to enhance shareholder value.

The proposed increase in the number of authorized shares of common stock would give our Board of Directors authority to issue additional shares of common stock from time to time without delay or further action by the shareholders except as may be required by applicable law or the rules of Nasdaq. Subject to its fiduciary duties to shareholders, the Board of Directors would have the authority to issue additional shares in transactions that might discourage, delay or prevent an unsolicited acquisition of control of Sterling or make such an unsolicited acquisition of control of Sterling more difficult or expensive; however, the Board of Directors has no plans to utilize the authorized shares in that manner and is not aware of any effort by any third parties to acquire control of Sterling.

The issuance of additional shares of common stock for any of the corporate purposes listed above could have a dilutive effect on earnings per share and the book or market value of our outstanding common stock, depending on the circumstances, and could dilute a shareholder's percentage voting power in Sterling. Holders of our common stock are not entitled to preemptive rights or other protections against dilution. Our Board of Directors intends to take these factors into account before authorizing any new issuance of shares. As noted above, we may repurchase our Series A Preferred Stock and the related Treasury Warrant issued under the Capital Purchase Program with the proceeds from any sale of these additional shares of common stock. If we elect to repurchase the Series A Preferred Stock and the Treasury Warrant, the Treasury Warrant will be repurchased at fair market value. Accordingly, the repurchase of these securities may be at an amount more than our carrying value and, as such, may negatively impact our net income available to shareholders and our earnings per share.

In the event shareholders approve the Common Stock Amendment, Article V of Sterling's Restated Articles of Incorporation will be amended to increase the number of shares of common stock which Sterling is authorized to issue from 100,000,000 to 750,000,000. The par value of the common stock will remain at one dollar (\$1.00) per share. The number of shares of authorized preferred stock would remain at 10,000,000. Upon effectiveness of the Amendment, the first sentence of Article V of Sterling's Restated Articles of Incorporation will read as follows:

ARTICLE V. Capital Stock. The total number of shares of all classes of capital stock which the Corporation has authority to issue is 760,000,000, of which 750,000,000 shall be Common Stock of par value of \$1.00 per share, and of which 10,000,000 shall be Preferred Stock having a par value of \$1.00 per share.

The remaining text of Article V of Sterling's Restated Articles of Incorporation would remain unchanged.

Approval of the Common Stock Amendment will require the affirmative vote of a majority of the outstanding shares entitled to vote thereon. Proxies received in response to the Board of Director's solicitation will be voted **FOR** approval of the Common Stock Amendment if no specific instructions are included thereon for this Proposal 1.

The Board of Directors recommends a vote **FOR the amendment of the Restated Articles of Incorporation to increase the number of authorized shares of common stock.**

PROPOSAL 2: APPROVAL OF ADJOURNMENT OF SPECIAL MEETING, IF NECESSARY, TO SOLICIT ADDITIONAL PROXIES, IN THE EVENT THERE ARE NOT SUFFICIENT VOTES AT THE TIME OF THE SPECIAL MEETING TO APPROVE THE PROPOSED AMENDMENT TO THE RESTATED ARTICLES OF INCORPORATION.

In the event there are not sufficient votes at the time of the Special Meeting to approve the proposal to amend Sterling's Restated Articles of Incorporation, our Board of Directors may propose to adjourn the Special Meeting to a later date or dates in order to permit the solicitation of additional proxies. Pursuant to the provisions of our bylaws, the Board of Directors must fix a new Record Date to determine the shareholders entitled to vote at the adjourned meeting if the meeting is adjourned more than 120 days after the date fixed for the original meeting.

In order to permit proxies that have been received by us at the time of the Special Meeting to be voted for an adjournment, if necessary, we have submitted this proposal (the Adjournment Proposal) to you as a separate matter for your consideration. In this proposal, we are asking you to authorize the holder of any proxy solicited by our board of directors to vote in favor of adjourning the Special Meeting and any later adjournments. If shareholders approve the Adjournment Proposal, we could adjourn the Special Meeting, and any adjourned session of the Special Meeting, to use the additional time to solicit additional proxies in favor of the other proposal, including the solicitation of proxies from shareholders who have previously voted against the other proposal. Among other things, approval of the Adjournment Proposal could mean that, even if proxies representing a sufficient number of votes against the proposal to amend Sterling's Restated Articles of Incorporation has been received, we could adjourn the Special Meeting without a vote on the proposal and seek to convince the holders of those shares to change their votes to votes in favor of the proposal.

The affirmative vote of a majority of the shares of our common stock present in person or by proxy and voting at the Special Meeting is required to approve the Adjournment Proposal, if this proposal becomes necessary. Abstentions and broker non-votes will have no effect on the Adjournment Proposal. No proxy that is specifically marked AGAINST either of the other proposals will be voted in favor of the Adjournment Proposal unless that proxy is specifically marked FOR approval of the Adjournment Proposal.

The Board of Directors unanimously recommends that you vote FOR this proposal.
