Item 1.01. Entry into a Material Definitive Agreement

Amendment to Merger Agreement

As previously reported, Semtech Corporation (Semtech) entered into an Agreement and Plan of Merger (the Merger Agreement) with Sierra Monolithics, Inc. (Sierra Monolithics), SMI Merger Corp., a newly-formed wholly-owned subsidiary of Semtech (Merger Sub), and Shareholder Representative Services, LLC, on November 18, 2009. Pursuant to the Merger Agreement, Semtech agreed to the merger of Merger Sub with and into Sierra Monolithics, with Sierra Monolithics as the surviving corporation (the Merger). The Merger Agreement provided that, among other things, Semtech would, at the closing of the Merger, grant a pool of restricted stock units valued at \$20 million, less the value of existing unvested stock options held by former Sierra Monolithics employees that were assumed by Semtech in connection with the Merger.

On December 9, 2009, Semtech, Sierra Monolithics, Merger Sub and Shareholder Representative Services, LLC, entered into a First Amendment to Agreement and Plan of Merger (the Amendment). The Amendment modified the Merger Agreement to provide that Semtech would reserve up to approximately 110,000 of the pool of restricted stock units described above for future awards to new employees of the surviving corporation or Semtech who primarily provide services to the surviving corporation.

A copy of the Amendment is filed as Exhibit 10.1 to this Form 8-K and is incorporated by this Item 1.01 by reference. The description of the Amendment set forth in this Item 1.01 is not complete and is qualified in its entirety by reference to the full text of the Amendment set forth in Exhibit 10.1.

Item 2.01. Completion of Acquisition or Disposition of Assets

On December 9, 2009, Semtech consummated the acquisition (the Closing) of all outstanding equity interests of Sierra Monolithics pursuant to the terms of the Merger Agreement and the Amendment and Sierra Monolithics became a wholly-owned subsidiary of Semtech.

Merger Consideration. All outstanding shares of Sierra Monolithics common stock and preferred stock, as well as all vested stock options, were converted at the Closing into the right to receive an aggregate of \$180 million in cash, subject to certain adjustments including the escrow fund described below. In addition, Semtech assumed the existing unvested stock options of Sierra Monolithics employees valued at approximately \$7.0 million and granted restricted stock units valued at approximately \$11.3 million to certain former employees of Sierra Monolithics who joined Semtech as employees.

Indemnification and Escrow. The Merger Agreement provides that Semtech will be indemnified for damages it may incur as a result of, among other things, inaccuracies in or breaches of representations, warranties and covenants. In order to satisfy any indemnifiable claims that arise pursuant to the terms of the Merger Agreement, \$18 million of the merger consideration was placed into an escrow for twelve months. Any remaining amounts in the escrow fund will be released, subject to pending and unresolved indemnification claims, on the first anniversary of the Closing.

A copy of the Merger Agreement is filed as Exhibit 2.1 to this Form 8-K and is incorporated by this Item 2.01 by reference. The description of the Merger Agreement set forth in this Item 2.01 is not complete and is qualified in its entirety by reference to the text of the Merger Agreement set forth in Exhibit 2.1.

Item 7.01. Regulation FD Disclosure

On December 9, 2009, Semtech issued a press release announcing that it had consummated the Merger. A copy of the press release is attached hereto as Exhibit 99.1.

On December 11, 2009, Semtech issued a press release announcing that it had granted inducement awards to certain employees of Sierra Monolithics who joined Semtech as employees following the closing of the Merger. A copy of the press release is attached hereto as Exhibit 99.2.

The information contained in this Item 7.01, including Exhibit 99.1 and Exhibit 99.2 hereto, is being furnished and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. Item 8.01. Other Events

In connection with the Merger, the Compensation Committee of the Board of Directors of Semtech (the Board) adopted the Semtech Corporation 2009 Long-Term Equity Inducement Plan (the Inducement Plan). The objective of the Inducement Plan is to provide incentives to attract, retain, and motivate eligible persons whose potential contributions are important to promote Semtech's long-term success and the creation of stockholder value, especially as it relates to the surviving corporation. The Inducement Plan is intended to comply with NASDAQ Listing Rule 5635(c)(4), which governs granting certain awards as a material inducement to an individual entering into employment with Semtech. The Inducement Plan was used to grant restricted stock units to certain Sierra Monolithics employees who joined Semtech following the closing of the Merger, and may be used for new hire equity grants with respect to individuals who are hired by the surviving corporation or Semtech primarily to provide services to the surviving corporation, should the Board or Compensation Committee of the Board determine to do so in the future.

A copy of the Inducement Plan is filed as Exhibit 10.2 to this Form 8-K and is incorporated by this Item 8.01 by reference. The description of the Inducement Plan set forth in this Item 8.01 is not complete and is qualified in its entirety by reference to the full text of the Inducement Plan set forth in Exhibit 10.2.
