Ladies and Gentlemen:

Antigenics Inc., a Delaware corporation (the Company), confirms its agreement (this Agreement) with McNicoll, Lewis & Vlak LLC, a Delaware limited liability company (MLV), and Wm Smith & Co., a Colorado corporation (Wm Smith) and together with MLV, the Agents), as follows:

1. Issuance and Sale of Shares. The Company agrees that, from time to time during the term of this Agreement, on the terms and subject to the conditions set forth herein, it may issue and sell through the Agents, acting as agent and/or principal, up to 20,000,000 shares (the Shares) of the Company's common stock, par value \$0.01 per share (the Common Stock). The issuance and sale of Shares through the Agents will be effected pursuant to the Registration Statement (as defined below) filed by the Company and declared effective by the Securities and Exchange Commission (the Commission), although nothing in this Agreement shall be construed as requiring the Company to use the Registration Statement to issue Shares.

The Company has filed, in accordance with the provisions of the Securities Act of 1933, as amended (the Securities Act), and the rules and regulations thereunder (the Rules and Regulations), with the Commission a registration statement on Form S-3 (File No. 333-164481), including a base prospectus, with respect to equity and other offerings, including the Shares, and which incorporates by reference documents that the Company has filed or will file in accordance with the provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (collectively, the Exchange Act). The Company will prepare a prospectus supplement (the Prospectus Supplement) to the base prospectus included as part of such registration statement, relating to the offering of the Shares. The Company will furnish to the Agents, for use by the Agents, copies of one or more prospectuses included as part of such registration statement, as supplemented by the Prospectus Supplement. Except where the context otherwise requires, such registration statement, as amended when it became effective, including all documents filed as part thereof or incorporated by reference therein, and including any information contained in a Prospectus (as defined below) subsequently filed with the Commission pursuant to Rule 424(b) under the Securities Act and also including any other

registration statement filed pursuant to Rule 462(b) under the Securities Act, as well as any comparable successor registration statement filed by the Company for the sale of its Common Stock, including the Shares, collectively, are herein called the Registration Statement, and the base prospectus, including all documents incorporated therein by reference, included in the Registration Statement, as supplemented by the Prospectus Supplement or any other final prospectus relating to a Placement (as defined below), in the form filed by the Company with the Commission pursuant to Rule 424(b) under the Securities Act is herein called the Prospectus. Any reference herein to the Registration Statement, the Prospectus or any amendment or supplement thereto shall be deemed to refer to and include the documents incorporated by reference therein, and any reference herein to the terms amend, amendment or supplement with respect to the Registration Statement or the Prospectus shall be deemed to refer to and include the filing after the execution hereof of any document with the Commission deemed to be incorporated by reference therein (such documents incorporated or deemed to be incorporated by reference are herein called the Incorporated Documents). For purposes of this Agreement, all references to the Registration Statement, the Prospectus or to any amendment or supplement thereto shall be deemed to include any copy filed with the Commission pursuant to its Electronic Data Gathering Analysis and Retrieval System (EDGAR).

2. **Placements.** Each time that the Company wishes to issue and sell Shares hereunder (each, a Placement), it will notify MLV (who shall be lead underwriter for purposes of this Agreement) by email notice (or other method mutually agreed to in writing by the parties) of the proposed terms of such Placement. If the Agents wish to accept such proposed terms (which they may decline to do for any reason in their sole discretion) or, following discussions with the Company, wish to accept amended terms, MLV, on behalf of itself and Wm Smith, will issue to the Company a written or email notice setting forth the terms that the Agents are willing to accept, including without limitation the number of Shares (Placement Shares) to be issued, the manner(s) in which sales are to be made, the date or dates on which such sales are anticipated to be made, any minimum price below which sales may not be made, and the capacity in which the Agents may act in selling Placement Shares hereunder (as principal, agent or both) (a Placement Notice), the form of which is attached hereto as Schedule 1. The amount of any discount, commission or other compensation to be paid by the Company to the Agents in any Placement shall be an aggregate amount equal to 3.0% of the gross proceeds received by the Company from the sales of the Placement Shares. The terms set forth in a Placement Notice will not be binding on the Company or the Agents unless and until the Company delivers written or email notice of its acceptance of all of the terms of such Placement Notice (an Acceptance) to MLV; provided, however, that neither the Company nor the Agents will be bound by the terms of a Placement Notice unless the Company delivers to MLV an Acceptance with respect thereto prior to 4:30 p.m. (New York time) on the Business Day (as defined below) following the Business Day on which such Placement Notice is received by Company in accordance with Section 12 (Notices). It is expressly acknowledged and agreed that neither the Company nor the Agents will have any obligation whatsoever with respect to a Placement or any Placement Shares unless and until MLV delivers a Placement Notice to the Company and the Company accepts such Placement Notice by means of an Acceptance, and then only upon the terms specified therein and herein. In the event of a conflict between the terms of this Agreement and the terms of a Placement Notice, the terms of the Placement Notice will control.

3. Sale of Placement Shares by the Agents. Subject to the terms and conditions herein set forth, upon the Company's delivery of an Acceptance with respect to a Placement Notice, and unless the sale of the Placement Shares described therein has been suspended or otherwise terminated in accordance with the terms of this Agreement, the Agents will use their commercially reasonable efforts consistent with their normal trading and sales practices to sell such Placement Shares up to the amount specified, and otherwise in accordance with the terms of such Placement Notice. The Agents will provide written confirmation to the Company no later than the opening of the Trading Day (as defined below) next following the Trading Day on which either Agent has made sales of Placement Shares hereunder setting forth the number of Placement Shares sold on such day, the compensation payable by the Company to the Agents with respect to such sales pursuant to Section 2, and the Net Proceeds (as defined below) payable to the Company, with an itemization of deductions made by the Agents (as set forth in Section 5(a)) from gross proceeds for the Placement Shares that they receive from such sales. The Agents agree that all sales of Placement Shares will be made only by methods deemed to be an "at the market" offering as defined in Rule 415 of the Securities Act, including without limitation sales made directly on the NASDAQ Capital Market (the "Exchange") or on any other existing trading market for the Common Stock. The Agents may only sell Placement Shares in privately negotiated transactions with the prior express written consent of the Company which, if the Placement Notice provided for such negotiated transactions, may include the Acceptance. The Company acknowledges and agrees that (i) there can be no assurance that the Agents will be successful in selling Placement Shares, and (ii) neither Agent will incur any liability or obligation to the Company or any other person or entity if it does not sell Placement Shares for any reason other than a failure by it to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such Placement Shares as required under this Section 3. For the purposes hereof, "Trading Day" means any day on which Common Stock is purchased and sold on the principal market on which the Common Stock is listed or quoted.

4. Suspension of Sales. The Company or either Agent may, upon notice to the other parties in writing (including by email correspondence if receipt of such correspondence is actually acknowledged by the party to whom the notice is sent, other than via auto-reply) or by telephone (confirmed immediately by verifiable facsimile transmission or email correspondence to each of the individuals of such party on Schedule 4), suspend any sale of Placement Shares; *provided, however*, that such suspension shall not affect or impair any party's obligations with respect to any Placement Shares sold hereunder prior to the receipt of such notice. Each of the parties agrees that no such notice shall be effective against another unless it is made to one of the individuals named on Schedule 4 hereto, as such Schedule may be amended from time to time.

5. Settlement.

(a) Settlement of Placement Shares. Unless otherwise specified in the applicable Placement Notice, settlement for sales of Placement Shares will occur on the third Business Day (or such earlier day as is industry practice for regular-way trading) (each, a "Settlement Date") following the respective Point of Sale (as defined below). The amount of proceeds to be delivered to the Company on a Settlement Date against receipt of the Placement Shares sold (the "Net Proceeds") will be equal to the aggregate sales price received by the Agents at which such Placement Shares were sold, after deduction for (i) the Agents

commission, discount or other compensation for such sales payable by the Company pursuant to Section 2 hereof, and (ii) any other undisputed amounts due and payable by the Company to the Agents hereunder pursuant to Section 7(g) (Expenses).

(b) Delivery of Placement Shares. On or before each Settlement Date, the Company will, or will cause its transfer agent to, electronically transfer the Placement Shares being sold by crediting the applicable Agent's or its designee's (provided the applicable Agent shall have given the Company written notice of such designee at least one Business Day prior to the Settlement Date) account at The Depository Trust Company through its Deposit and Withdrawal at Custodian System or by such other means of delivery as may be mutually agreed upon by the parties hereto and, upon receipt of such Placement Shares, which in all cases shall be freely tradable, transferable, registered shares in good deliverable form, the applicable Agent will deliver the related Net Proceeds in same day funds to an account designated by the Company prior to the Settlement Date. If the Company defaults in its obligation to deliver Placement Shares on a Settlement Date, the Company agrees that in addition to and in no way limiting the rights and obligations set forth in Section 9(a) (Indemnification) hereto, it will hold each Agent harmless against any loss, claim, damage, or expense (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Company; provided, however, that the Company shall not be obligated to so indemnify and reimburse the Agents if the Placement Shares are not delivered due to (1) a suspension or material limitation in trading in securities generally on the New York Stock Exchange, the American Stock Exchange or the Exchange; (2) a general moratorium on commercial banking activities declared by either federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (3) an outbreak or escalation of hostilities or acts of terrorism involving the United States or a declaration by the United States of a national emergency or war; or (4) any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere.

6. Representations and Warranties of the Company. The Company represents and warrants to, and agrees with, the Agents that as of the date of this Agreement and as of each Representation Date (as defined in Section 7(m) below) on which a certificate is required to be delivered pursuant to Section 7(m) of this Agreement, as the case may be:

(c) The Company was not at the time of the initial filing of the Registration Statement, has not been since the date of such filing, and will not be on any Settlement Date, an ineligible issuer (as defined in Rule 405 under the Securities Act). The Company has not made any offer relating to the Shares that would constitute an Issuer Free Writing Prospectus without the prior written consent of the Agents. The Company has retained in accordance with the Rules and Regulations all Issuer Free Writing Prospectuses that were not required to be filed pursuant to the Rules and Regulations.

(k) The Company is, and at each Settlement Date will be, duly organized, validly existing and in good standing under the laws of the State of Delaware. Complete and correct copies of the articles or certificate of incorporation and of the bylaws of the Company and all amendments thereto have been delivered or made available to the Agents, and no changes therein will be made in the period beginning three days prior to the Acceptance of a Placement Notice and ending on the Settlement Date with respect to such Placement unless such amendments have been delivered to the Agents not less than five days prior to such Settlement Date. None of the Company or any Subsidiary (as defined below) is in material violation of any provision of its organizational or governing documents.

(l) Each subsidiary of the Company (each a Subsidiary and collectively, the Subsidiaries) that is a significant subsidiary as such term is defined in Rule 1-02(w) of Regulation S-X under the Securities Act (each a Significant Subsidiary and collectively, the Significant Subsidiaries) has been duly incorporated or organized and is validly existing as a corporation, limited liability company or limited partnership, as the case may be, in good standing under the laws of the jurisdiction of its incorporation or organization, has corporate power and authority to own, lease and operate its properties and conduct its business as described in the Prospectus and is duly qualified as a foreign corporation, limited liability company or limited partnership, as the case may be, to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify would not have a Material Adverse Effect; all of the issued and outstanding capital stock of, or other ownership interests in, each such Significant Subsidiary has been duly authorized and validly issued, is fully paid and non-assessable and, except for directors' qualifying shares or as otherwise set forth in the Registration Statement, is owned by the Company, directly or through subsidiaries, free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity; and attached hereto as Schedule 6(1) is an accurate and complete list of the Significant Subsidiaries.

(n) The Company has full legal right, power and authority to enter into this Agreement and perform the transactions contemplated hereby. This Agreement has been authorized and validly executed and delivered by the Company and is a legal, valid and binding agreement of the Company enforceable against the Company in accordance with its respective terms, subject to the effect of applicable bankruptcy, insolvency or similar laws affecting creditors' rights generally and equitable principles of general applicability.

(o) The issuance and sale of the Shares have been duly authorized by the Company, and the Shares, when issued and paid for in accordance with this Agreement, will be duly and validly issued, fully paid and non-assessable and will not be subject to preemptive or similar rights. The holders of the Shares will not be subject to personal liability solely by reason of being such holders. The Shares, when issued, will conform in all material respects to the description thereof set forth in or incorporated into the Prospectus.

(p) The financial statements and the related notes included in the Registration Statement and the Prospectus present fairly, in all material respects, the financial condition of the Company as of the dates thereof and the results of operations and cash flows at the dates and for the periods covered thereby in conformity with generally accepted accounting principles (GAAP) applied on a consistent basis for the periods involved. Any pro forma financial statements or data included or incorporated by reference in the Registration Statement and the Prospectus comply with the requirements of Regulation S-X of the Securities Act, including, without limitation, Article 11 thereof, and the assumptions used in the preparation of such pro forma financial statements and data are reasonable, the pro forma adjustments used therein are appropriate to give effect to the circumstances referred to therein and the pro forma adjustments have been properly applied to the historical amounts in the compilation of those statements and data. No other financial statements or schedules of the Company or any other entity are required by the Securities Act or the Rules and Regulations to be included in the Registration Statement or the Prospectus. Except as set forth on Schedule 6(p), all disclosures contained in the Registration Statement, the Pricing Disclosure Materials or the Prospectus regarding non-GAAP financial measures (as such term is defined by the Rules and Regulations) comply with Regulation G of the Exchange Act and Item 10 of Regulation S-K under the Securities Act, to the extent applicable. The Company does not have any material liabilities or obligations, direct or contingent (including any off-balance sheet obligations and any variable interest entities within the meaning of Financial Accounting Standards Board Interpretation No. 46), not disclosed in the Registration Statement, the Pricing Disclosure Materials or the Prospectus.

(q) The independent registered public accounting firm whose report on the consolidated financial statements and schedules of the Company and the Subsidiaries is

The financial statements of the Company and the related notes and schedules included in the Registration Statement and the Prospectus have been prepared in conformity with the requirements of the Securities Act and the Rules and Regulations and present fairly the information shown therein.

7. Covenants of the Company. The Company covenants and agrees with the Agents that:

(a) Registration Statement Amendments. During any period in which a Prospectus relating to any Placement Shares is required to be delivered by the Agents under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), (i) the Company will notify the Agents promptly of the time when any subsequent amendment to the Registration Statement, other than documents incorporated by reference or amendments not related to any Placement, has been filed with the Commission and/or has become effective or any subsequent supplement to the Prospectus, other than documents incorporated by reference, has been filed and of any request by the Commission for any amendment or supplement related to any Placement to the Registration Statement or Prospectus or for additional information related to any Placement, (ii) the Company will not file any amendment or supplement to the Registration Statement or Prospectus relating to the Placement Shares (except for documents incorporated by reference) unless a copy thereof has been submitted to the Agents a reasonable period of time before the filing and neither Agent has reasonably objected thereto (provided, however, (A) that the failure of an Agent to make such objection shall not relieve the Company of any obligation or liability hereunder, or affect the Agents' right to rely on the representations and warranties made by the Company in this Agreement and (B) that the Company has no obligation to provide the Agents any advance copy of such filing or to provide the Agents an opportunity to object to such filing if such filing does not name either Agent or does not relate to the transactions contemplated hereunder) and the Company will furnish to the Agents at the time of filing thereof a copy of any document that upon filing is deemed to be incorporated by reference into the Registration Statement or Prospectus, except for those documents available via EDGAR; and (iii) the Company will cause each amendment or supplement to the Prospectus to be filed with the Commission as required pursuant to the applicable paragraph of Rule 424(b) of the Securities Act or, in the case of any document to be incorporated therein by reference, to be filed with the Commission as required pursuant to the Exchange Act, within the time period prescribed. The determination to file or not file any amendment or supplement with the Commission under this Section 7(a), based on the Company's reasonable opinion or reasonable objections, shall be made exclusively by the Company.

(b) Notice of Commission Stop Orders. During any period beginning with the Acceptance of a Placement Notice and ending after a Prospectus relating to any Placement Shares is no longer required to be delivered by the Agents under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), the Company will advise the Agents, promptly after it receives notice or obtains knowledge thereof, (i) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement; (ii) of the suspension of the qualification of the Placement Shares for offering or sale in any jurisdiction; (iii) of the initiation of any proceeding for any of the purposes set out in (i) or (ii); or (iv) of any request by the Commission for any amendments to the Registration Statement or any amendment or supplements to the Prospectus or any Issuer Free Writing Prospectus or for additional information related to the offering of the Shares or for additional information related to the Registration Statement, the Prospectus or any

Issuer Free Writing Prospectus. The Company will promptly use its commercially reasonable efforts to prevent the issuance of any stop order or to obtain its withdrawal if such a stop order should be issued.

(c) Delivery of Prospectus: Subsequent Changes. During any period in which a Prospectus relating to the Placement Shares is required to be delivered by the Agents under the Securities Act with respect to the offer and sale of the Placement Shares (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), the Company will use its best efforts to comply with all requirements imposed upon it by each of the Securities Act and the Exchange Act, as from time to time in force, and to file on or before their respective due dates all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Sections 13(a), 13(c), 14, 15(d) or any other provision of or under the Exchange Act. If the Company has omitted any information from the Registration Statement, pursuant to Rule 430A, it will use its best efforts to comply with the provisions of and make all requisite filings with the Commission pursuant to said Rule 430A and to notify the Agents promptly of all such filings. If during such period any event occurs as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances then existing, not misleading, or if during such period it is necessary to amend or supplement the Registration Statement or Prospectus to comply with the Securities Act, the Company will promptly notify the Agents to suspend the offering of Placement Shares during such period and the Company will promptly amend or supplement the Registration Statement or Prospectus (at the expense of the Company) so as to correct such statement or omission or effect such compliance.

(d) Listing of Placement Shares. During any period in which the Prospectus relating to the Placement Shares is required to be delivered by the Agents under the Securities Act with respect to the offer and sale of the Placement Shares (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), the Company will use its commercially reasonable efforts to cause the Placement Shares to be listed on the Exchange and to qualify the Placement Shares for sale under the securities laws of such jurisdictions as the Agents reasonably designate and to continue such qualifications in effect so long as required for the distribution of the Placement Shares; *provided, however*, that the Company shall not be required in connection therewith to qualify as a foreign corporation or dealer in securities or file a general consent to service of process in any jurisdiction.

(e) Delivery of Registration Statement and Prospectus. The Company will furnish to the Agents and their counsel (at the expense of the Company) copies of the Registration Statement, the Prospectus (including all documents incorporated by reference therein) and all amendments and supplements to the Registration Statement or Prospectus that are filed with the Commission during any period in which a Prospectus relating to the Placement Shares is required to be delivered under the Securities Act (including all documents filed with the Commission during such period that are deemed to be incorporated by reference therein), in each case as soon as reasonably practicable and in such quantities as the Agents may from time to time reasonably request and, at the Agents' request, will also furnish copies of the Prospectus to each exchange or market on which sales of the Placement Shares may be made; *provided, however*, that the Company shall not be required to furnish any document (other than the Prospectus) to the Agents to the extent such document is available on EDGAR.

(f) Earnings Statement. The Company will make generally available to its security holders as soon as practicable, but in any event not later than 15 months after the end of the Company's current fiscal quarter, an earnings statement covering a 12-month period that satisfies the provisions of Section 11(a) and Rule 158 of the Securities Act.

(g) Expenses. The Company, whether or not the transactions contemplated hereunder are consummated or this Agreement is terminated, in accordance with the provisions of Section 11 hereunder, will pay all expenses incident to the performance of its obligations hereunder relating to (i) the preparation, printing and filing of the Registration Statement and each amendment and supplement thereto, of each Prospectus and of each amendment and supplement thereto, (ii) the preparation, issuance and delivery of the Placement Shares, (iii) the qualification of the Placement Shares under securities laws in accordance with the provisions of Section 7(d) of this Agreement, including filing fees and any reasonable fees or disbursements of counsel for the Agents in connection therewith, (iv) the printing and delivery to the Agents of copies of the Prospectus and any amendments or supplements thereto, (v) the fees and expenses incurred in connection with the listing or qualification of the Placement Shares for trading on the Exchange, (vi) filing fees and expenses, if any, of the Commission and the FINRA Corporate Finance Department, provided, however, that the Agents agree to contribute \$1,000 of the filing fee with the FINRA Corporate Finance Department.

(h) Use of Proceeds. The Company will use the Net Proceeds as described in the Prospectus in the section entitled "Use of Proceeds."

(i) Notice of Other Sales. During the pendency of any Placement Notice given hereunder, or any period in which the Prospectus relating to the Placement Shares is required to be delivered by the Agents, the Company shall provide the Agents notice as promptly as reasonably possible before it offers to sell, contracts to sell, sells, grants any option to sell or otherwise disposes of any shares of Common Stock (other than Placement Shares offered pursuant to the provisions of this Agreement) or securities convertible into or exchangeable for Common Stock, warrants or any rights to purchase or acquire Common Stock; provided, that such notice shall not be required in connection with the issuance of shares of Common Stock upon exercise of stock options and warrants disclosed as outstanding in the Registration Statement and the Prospectus, the grant of options under existing stock option plans described in the Registration Statement and the Prospectus, the issuance of Common Stock pursuant to the Company's dividend reinvestment and stock purchase plans described in the Registration Statement and the Prospectus, or issuances pursuant to consulting arrangements or service provider arrangements the primary purpose of which is not to raise capital, unless such arrangements are required to be disclosed on a Current Report on Form 8-K.

(j) Change of Circumstances. During the pendency of any Placement Notice given hereunder, or any period in which the Prospectus relating to the Placement Shares is required to be delivered by the Agents, the Company will advise the Agents promptly after it shall have received notice or obtained knowledge thereof, of any information or fact that would alter or affect in any material respect any opinion, certificate, letter or other document required to be provided to the Agents pursuant to Sections 7(l) and 7(n) of this Agreement.

(k) Due Diligence Cooperation. The Company will cooperate with any reasonable due diligence review conducted by the Agents or their respective agents in connection with the transactions contemplated hereby, including, without limitation, providing information and making available documents and senior corporate officers, during regular business hours and at the Company's principal offices, as the Agents may reasonably request.

(l) Required Filings Relating to Placement of Placement Shares. The Company agrees that on such dates as the Securities Act shall require, the Company will (i) file a prospectus supplement with the Commission under the applicable paragraph of Rule 424(b) under the Securities Act, which prospectus supplement will set forth, within the relevant period, the amount of Placement Shares sold through the Agents, the Net Proceeds to the Company and the compensation payable by the Company to the Agents with respect to such Placement Shares, and (ii) deliver such number of copies of each such prospectus supplement to each exchange or market on which such sales were effected as may be required by the rules or regulations of such exchange or market.

(m) Representation Dates; Certificate. During the term of this Agreement, on the date of the first Placement Notice given hereunder and within seven days of each time the Company (i) amends the Registration Statement by means of a post-effective amendment or amends or supplements the Prospectus relating to the Placement Shares (other than by means of incorporation of document(s) by reference to the Registration Statement or the Prospectus); (ii) files an annual report on Form 10-K under the Exchange Act; or (iii) files its quarterly reports on Form 10-Q under the Exchange Act (each date of filing of one or more of the documents referred to in clauses (i) through (iii) shall be a Representation Date); the Company shall furnish the Agents with a certificate, in the form attached hereto as Exhibit 7(m). The requirement to provide a certificate under this Section 7(m) shall be waived for any Representation Date occurring during a fiscal quarter during which the Company does not intend to sell Placement Shares prior to the next occurring Representation Date; *provided, however*, that such waiver shall not apply for any Representation Date on which the Company files its annual report on Form 10-K. Notwithstanding the foregoing, if the Company subsequently decides to sell Placement Shares following a Representation Date when the Company relied on such waiver and did not provide the Agents with a certificate under this Section 7(m), then before the Agents either deliver the Placement Notice or sell any Placement Shares, the Company shall provide the Agents with a certificate, in the form attached hereto as Exhibit 7(m), dated the date of the Placement Notice.

(n) Legal Opinion. On the date of the first Placement Notice given hereunder, the Company shall cause to be furnished to the Agents a written opinion of Ropes & Gray LLP, substantially similar to the form attached hereto as Exhibit 7(n)(1)(a) and a written letter substantially similar to the form attached hereto as Exhibit 7(n)(1)(b). Thereafter, within seven days of the filing by the Company of an annual report on Form 10-K under the Exchange Act, the Company shall cause to be furnished to the Agents a written letter of Ropes & Gray LLP substantially similar to the form attached hereto as Exhibit 7(n)(2), modified, as necessary, to relate to the Registration Statement and the Prospectus as then amended or supplemented.

(o) Comfort Letter. On or prior to the date of the first Placement Notice given hereunder and thereafter within seven days of the filing by the Company of an annual report on Form 10-K under the Exchange Act the Company shall cause its independent accountants to furnish to the Agents a letter, dated as of such date, substantially similar to the form attached hereto as Exhibit 7(o), confirming that they are independent accountants within the meaning of the Securities Act and the Exchange Act and the respective applicable published rules and regulations thereunder, including without limitation the rules of the Public Company Accounting Oversight Board and Rule 2-01 of Regulation S-X, and that:

(iii) they have performed certain other specified procedures as a result of which they determined that certain information of an accounting, financial or statistical nature (which is limited to accounting, financial or statistical information derived from the general accounting records of the Company and its subsidiaries) set forth in the Registration Statement and the Prospectus and in Exhibit 12 to the Registration Statement, including the information set forth under the captions Summary Selected Financial and Other Data, Capitalization and Business in the Prospectus, the information included or incorporated in Items 1, 2, 6, 7, 7A, 11 and 13 of the Company's Annual Report on Form 10-K, incorporated in the Registration Statement and the Prospectus, and the information included in the Management's Discussion and Analysis of Financial Condition and Results of Operations included or incorporated in the Company's Quarterly Reports on Form 10-Q, incorporated in the Registration Statement and the Prospectus, agrees with the accounting records of the Company and its subsidiaries, excluding any questions of legal interpretation.

References to the Prospectus in this paragraph include any supplement thereto at the date of the letter.

(p) Market Activities. The Company will not, directly or indirectly take any action designed to cause or result in, or that constitutes or might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Placement Shares.

8. Conditions to the Agents' Obligations. The obligations of the Agents hereunder with respect to a Placement will be subject to the continuing accuracy and completeness of the representations and warranties made by the Company herein, to the due performance by the Company of its obligations hereunder, to the completion by the Agents of a due diligence review satisfactory to the Agents in their reasonable judgment, and to the continuing satisfaction (or waiver by the Agents in their sole discretion with such waiver for a given Placement having no effect on any other Placement) of the following additional conditions:

(a) Registration Statement Effective. The Registration Statement shall have become effective and shall be available for the (i) resale of all Placement Shares issued to either Agent and not yet sold by the Agents and (ii) the sale of all Placement Shares contemplated to be issued by any Placement Notice.

(b) No Material Notices. None of the following events shall have occurred and be continuing: (i) receipt by the Company of any request for additional information from the Commission or any other federal or state governmental authority during the period of effectiveness of the Registration Statement, the response to which would require any post-effective amendments or supplements to the Registration Statement or the Prospectus; (ii) the issuance by the Commission or any other federal or state governmental authority of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose; (iii) receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Placement Shares for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; (iv) the occurrence of any event that makes any material statement made in the Registration Statement or the Prospectus or any material document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in the Registration Statement, related Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading and, that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Neither Agent shall have advised the Company that the Registration Statement or Prospectus, or any amendment or supplement thereto, contains an untrue statement of fact that in such Agent's reasonable opinion is material, or omits to state a fact that in such Agent's opinion is material and is required to be stated therein or is necessary to make the statements therein not misleading.

(d) Material Changes. Except as contemplated in the Prospectus, or disclosed in the Company's reports filed with the Commission, there shall not have been any material adverse change, on a consolidated basis, in the authorized capital stock of the Company or any Material Adverse Effect, or any development that could reasonably be expected to cause a Material Adverse Effect, or a downgrading in or withdrawal of the rating assigned to any of the Company's securities (other than asset backed securities) by any rating organization or a public

announcement by any rating organization that it has under surveillance or review its rating of any of the Company's securities (other than asset backed securities), the effect of which, in the case of any such action by a rating organization described above, in the reasonable judgment of the Agents (without relieving the Company of any obligation or liability it may otherwise have), is so material as to make it impracticable or inadvisable to proceed with the offering of the Placement Shares on the terms and in the manner contemplated in the Prospectus.

(e) Legal Opinion. The Agents shall have received the opinions and letters required to be delivered pursuant Section 7(n) on or before the date on which such delivery of such opinions or letters are required pursuant to Section 7(n).

(f) Comfort Letter. The Agents shall have received the Comfort Letter required to be delivered pursuant Section 7(o) on or before the date on which such delivery of such Comfort Letter is required pursuant to Section 7(o).

(g) Representation Certificate. The Agents shall have received the certificate required to be delivered pursuant to Section 7(m) on or before the date on which delivery of such certificate is required pursuant to Section 7(m).

(h) No Suspension. Trading in the Common Stock shall not have been suspended on the Exchange.

(i) Other Materials. On the date hereof and on each date on which the Company is required to deliver a certificate pursuant to Section 7(m), the Company shall use its commercially reasonable efforts to furnish to the Agents such appropriate further information, certificates and documents as the Agents may reasonably request. All such opinions, certificates, letters and other documents will be in compliance with the provisions hereof. The Company will furnish the Agents with such conformed copies of such opinions, certificates, letters and other documents as the Agents shall reasonably request.

(j) Securities Act Filings Made. All filings with the Commission required by Rule 424 under the Securities Act to have been filed prior to the issuance of any Placement Notice hereunder shall have been made within the applicable time period prescribed for such filing by Rule 424.

(k) Approval for Listing. The Placement Shares shall either have been (i) approved for listing on the Exchange, subject only to notice of issuance, or (ii) the Company shall have filed an application for listing of the Placement Shares on the Exchange at, or prior to, the issuance of any Placement Notice.

(l) No Termination Event. There shall not have occurred any event that would permit the Agents to terminate this Agreement pursuant to Section 11(a).

9. Indemnification and Contribution.

(a) Indemnification by the Company. The Company agrees to indemnify and hold harmless each Agent, the respective directors, officers, partners, employees and agents of each Agent and each person, if any, who (i) controls either Agent within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, or (ii) is controlled by or is under common control with either Agent from and against any and all losses, claims, liabilities, expenses and damages (including any and all investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted), as and when incurred, to which such Agent, or any such person, may become subject under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise, insofar as such losses, claims, liabilities, expenses or damages arise out of or are based, directly or indirectly, on (x) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or the Prospectus or any amendment or supplement to the Registration Statement or the Prospectus, or in any Issuer Free-Writing Prospectus, or (y) the omission or alleged omission to state in such document a material fact required to be stated in it or necessary to make the statements in it not misleading; provided, however, that this indemnity agreement shall not apply to the extent that such loss, claim, liability, expense or damage arises from the sale of the Placement Shares pursuant to this Agreement and is caused directly or indirectly by an untrue statement or omission, or alleged untrue statement or omission, made in reliance on and in conformity with information relating to either Agent and furnished in writing to the Company by or on behalf of either Agent expressly for inclusion in any document described in clause (a)(x) above. This indemnity agreement will be in addition to any liability that the Company might otherwise have.

(b) Indemnification by the Agents. Each Agent agrees to, severally and not jointly, indemnify and hold harmless the Company and its directors and each officer of the Company who signed the Registration Statement, and each person, if any, who (i) controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act or (ii) is controlled by or is under common control with the Company (a Company Affiliate) against any and all losses, liabilities, claims, damages and expenses to which the Company, or any Company Affiliate, may become subject under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, at common law or otherwise, as and when incurred, but only insofar as such losses, claims, liabilities, expenses or damages arise out of or are based, directly or indirectly, on untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement or the Prospectus or any amendment or supplement to the Registration Statement or the Prospectus, or in any Issuer Free-Writing Prospectus in reliance upon and in conformity with written information relating to either Agent and furnished to the Company by or on behalf of either Agent expressly for inclusion in any document as described in Section 9(a). The Company acknowledges that, for all purposes under this Agreement, the names of the Agents and the paragraph relating to placement agent fees and reimbursement of expenses appearing in the Prospectus constitute the only information relating to the Agents furnished in writing to the Company by the Agents expressly for inclusion in the Registration Statement, any Preliminary Prospectus or the Prospectus.

(c) Procedure. Any party that proposes to assert the right to be indemnified under this Section 9 will, promptly after receipt of notice of commencement of any action against such party in respect of which a claim is to be made against an indemnifying party or parties under this Section 9, notify each such indemnifying party of the commencement of such action, enclosing a copy of all papers served, but the omission so to notify such indemnifying party will not relieve the indemnifying party from (i) any liability that it might have to any indemnified party otherwise than under this Section 9 and (ii) any liability that it may have to any indemnified party under the foregoing provision of this Section 9 unless, and only to the extent that, such omission results in the forfeiture or material impairment of substantive rights or defenses by the indemnifying party. If any such action is brought against any indemnified party and it notifies the indemnifying party of its commencement, the indemnifying party will be entitled to participate in and, to the extent that it elects by delivering written notice to the indemnified party promptly after receiving notice of the commencement of the action from the indemnified party, jointly with any other indemnifying party similarly notified, to assume the defense of the action, with counsel reasonably satisfactory to the indemnified party, and after notice from the indemnifying party to the indemnified party of its election to assume the defense, the indemnifying party will not be liable to the indemnified party for any legal or other expenses except as provided below. The indemnified party will have the right to employ its own counsel in any such action, but the fees, expenses and other charges of such counsel will be at the expense of such indemnified party unless (1) the employment of counsel by the indemnified party has been authorized in writing by the indemnifying party, or (2) the indemnifying party has not in fact employed counsel to assume the defense of such action within a reasonable time after receiving notice of the commencement of the action, in each of which cases the reasonable fees, disbursements and other charges of counsel will be at the expense of the indemnifying party or parties. It is understood that the indemnifying party or parties shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements and other charges of more than one separate firm admitted to practice in such jurisdiction at any one time for all such indemnified party or parties. All such fees, disbursements and other charges will be reimbursed by the indemnifying party promptly as they are incurred. An indemnifying party will not, in any event, be liable for any settlement of any action or claim effected without its written consent. No indemnifying party shall, without the prior written consent of each indemnified party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding relating to the matters contemplated by this Section 9 (whether or not any indemnified party is a party thereto), unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising or that may arise out of such claim, action or proceeding.

(d) Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in the foregoing paragraphs of this Section 9 is applicable in accordance with its terms but for any reason is held to be unavailable from the Company or either Agent, the Company and each Agent will contribute to the total losses, claims, liabilities, expenses and damages (including any investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted but after deducting any contribution received by the Company from persons other than either Agent such as persons who control the Company

within the meaning of the Securities Act or the Exchange Act, officers of the Company who signed the Registration Statement and directors of the Company, who also may be liable for contribution) to which the Company and either Agent may be subject in such proportion as shall be appropriate to reflect the relative benefits received. The relative benefits received shall be deemed to be in the same proportion as the total net proceeds from the sale of the Placement Shares (net of commissions to the Agents but before deducting expenses) received by the Company as set forth on the cover of the Prospectus bear to the total compensation received by the Agents from the sale of Placement Shares on behalf of the Company. If, but only if, the allocation provided by the foregoing sentence is not permitted by applicable law, the allocation of contribution shall be made in such proportion as is appropriate to reflect not only the relative benefits referred to in the foregoing sentence but also the relative fault of the Company, on the one hand, and each Agent, on the other, with respect to the statements or omission that resulted in such loss, claim, liability, expense or damage, or action in respect thereof, as well as any other relevant equitable considerations with respect to such offering. Such relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or the Agents, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Agents agree that it would not be just and equitable if contributions pursuant to this Section 9(d) were to be determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to herein. The amount paid or payable by an indemnified party as a result of the loss, claim, liability, expense, or damage, or action in respect thereof, referred to above in this Section 9(d) shall be deemed to include, for the purpose of this Section 9(d), any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim to the extent consistent with Section 9(c) hereof. Notwithstanding the foregoing provisions of this Section 9(d), neither Agent shall be required to contribute any amount in excess of the commissions received by it under this Agreement and no person found guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 9(d), any person who controls a party to this Agreement within the meaning of the Securities Act or the Exchange Act, and any officers, directors, partners, employees or agents of either Agent, will have the same rights to contribution as that party, and each officer of the Company who signed the Registration Statement will have the same rights to contribution as the Company, subject in each case to the provisions hereof. Any party entitled to contribution, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made under this Section 9(d), will notify any such party or parties from whom contribution may be sought, but the omission so to notify will not relieve that party or parties from whom contribution may be sought from any other obligation it or they may have under this Section 9(d) except to the extent that the failure to so notify such other party materially prejudiced the substantive rights or defenses of the party from whom contribution is sought. Except for a settlement entered into pursuant to the last sentence of Section 9(c) hereof, no party will be liable for contribution with respect to any action or claim settled without its written consent if such consent is required pursuant to Section 9(c) hereof.

10. Representations and Agreements to Survive Delivery. All representations and warranties of the Company herein or in certificates delivered pursuant hereto shall survive, as of their respective dates, regardless of (i) any investigation made by or on behalf of either Agent, any controlling persons, or the Company (or any of their respective officers, directors or controlling persons), (ii) delivery and acceptance of the Placement Shares and payment therefor or (iii) any termination of this Agreement.

11. Termination.

(a) Each Agent shall have the right by giving notice as hereinafter specified at any time to terminate this Agreement if (i) any Material Adverse Effect, or any development that has actually occurred and that is reasonably expected to cause a Material Adverse Effect has occurred that, in the reasonable judgment of such Agent, may materially impair the ability of such Agent to sell the Placement Shares hereunder, (ii) the Company shall have failed, refused or been unable to perform any agreement on its part to be performed hereunder; *provided, however*, in the case of any failure of the Company to deliver (or cause another person to deliver) any certification, opinion, or letter required under Sections 7(m), 7(n), or 7(o), such Agent's right to terminate shall not arise unless (A) such failure to deliver (or cause to be delivered) continues for more than thirty days from the date such delivery was required; and (B) such Agent has not waived such requirement; and (C) the Company has not completed performance prior to such Agent's communication to the Company of such Agent's intent to terminate; or (iii) any other condition of such Agent's obligations hereunder is not fulfilled, or (iv), any suspension or limitation of trading in the Placement Shares or in securities generally on the Exchange shall have occurred. Any such termination shall be without liability of any party to any other party except that the provisions of Section 7(g) (Expenses), Section 9 (Indemnification), Section 10 (Representations and Agreements to Survive Delivery), Section 16 (Applicable Law; Consent to Jurisdiction) and Section 17 (Waiver of Jury Trial) hereof shall remain in full force and effect notwithstanding such termination. If either Agent elects to terminate this Agreement as provided in this Section 11(a), such Agent shall provide the required notice as specified in Section 12 (Notices).

(b) The Company shall have the right, by giving ten days notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement. Any such termination shall be without liability of any party to any other party except that the provisions of Section 7(g), Section 9, Section 10, Section 16 and Section 17 hereof shall remain in full force and effect notwithstanding such termination.

(c) Each Agent shall have the right, by giving ten days notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement. Any such termination shall be without liability of any party to any other party except that the provisions of Section 7(g), Section 9, Section 10, Section 16 and Section 17 hereof shall remain in full force and effect notwithstanding such termination.

(d) Unless earlier terminated pursuant to this Section 11, this Agreement shall automatically terminate upon the issuance and sale of all of the Placement Shares through the Agents on the terms and subject to the conditions set forth herein; provided that the provisions of Section 7(g), Section 9, Section 10, Section 16 and Section 17 hereof shall remain in full force and effect notwithstanding such termination.

(e) This Agreement shall remain in full force and effect unless terminated pursuant to Sections 11(a), (b), (c), or (d) above or otherwise by mutual agreement of the parties; provided, however, that any such termination by mutual agreement shall in all cases be deemed to provide that Section 7(g), Section 9, Section 10, Section 16 and Section 17 shall remain in full force and effect.

(f) Any termination of this Agreement shall be effective on the date specified in such notice of termination; *provided, however*, that such termination shall not be effective until the close of business on the date of receipt of such notice by the Agents or the Company, as the case may be. If such termination shall occur prior to the Settlement Date for any sale of Placement Shares, such Placement Shares shall settle in accordance with the provisions of this Agreement.

12. Notices. All notices or other communications required or permitted to be given by any party to any other party pursuant to the terms of this Agreement shall be in writing and (a) if sent to the Agents, shall be delivered to: (i) McNicoll, Lewis & Vlask LLC, 420 Lexington Ave., Suite 628, New York, NY 10170, Attention: Patrice McNicoll, Facsimile: (646) 417-7205, Email: PMcNicoll@mlvco.com; and (ii) Wm Smith & Co., 1700 Lincoln Street, Suite 2545, Denver CO, 80203, Attention: William S. References to any of the parties contained in this Agreement shall be deemed to include the successors and permitted

Neither party may assign its rights or obligations under this Agreement without the prior written consent of the other party.

14. Adjustments for Stock Splits. The parties acknowledge and agree that all share-related numbers contained in this Agreement shall be adjusted to take into account any stock split, stock dividend or similar event effected with respect to the Common Stock.

15. Entire Agreement; Amendment; Severability. This Agreement (including all schedules and exhibits attached hereto and Placement Notices issued pursuant hereto) constitutes the entire agreement and supersedes all other prior and contemporaneous agreements and undertakings, both written and oral, among the parties hereto with regard to the subject matter hereof. Neither this Agreement nor any term hereof may be amended except pursuant to a written instrument executed by the Company and each Agent. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable as written by a court of competent jurisdiction, then such provision shall be given full force and effect to the fullest possible extent that it is valid, legal and enforceable, and the remainder of the terms and provisions herein shall be construed as if such invalid, illegal or unenforceable term or provision was not contained herein, but only to the extent that giving effect to such provision and the remainder of the terms and provisions hereof shall be in accordance with the intent of the parties as reflected in this Agreement.

16. Applicable Law; Consent to Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of New York without regard to the principles of conflicts of laws. Each party hereby irrevocably submits to the non-exclusive jurisdiction of the state and federal courts sitting in the City of New York, borough of Manhattan, for the adjudication of any dispute hereunder or in connection with any transaction contemplated hereby, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof (certified or registered mail, return receipt requested) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law.

17. Waiver of Jury Trial. The Company and each Agent each hereby irrevocably waives any right it may have to a trial by jury in respect of any claim based upon or arising out of this agreement or any transaction contemplated hereby.

18. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed Agreement by one party to the other may be made by facsimile transmission.

As Principal or Agent in the placement of common stock to be issued

by Antigenics Inc. pursuant to an At Market Issuance Sales Agreement

Dear Sir or Madams:

We have audited the consolidated balance sheets of Antigenics Inc. and its subsidiaries (collectively the Company) as of December 31, 2008 and 2007, and the consolidated statements of operations, stockholders' equity, and cash flows for each of the three years in the period ended December 31, 2008 all included in the Company's annual report on Form 10-K for the year ended December 31, 2008, and incorporated by reference in the registration statement (No. _____) on Form S-3 filed by the Company under the Securities Act of 1933 (the Act); our report with respect thereto is also incorporated by reference in that registration statement. In connection with the registration statement-¹

1. We are an independent registered public accounting firm with respect to the Company within the meaning of the Act and the applicable rules and regulations thereunder adopted by the Securities and Exchange Commission (SEC).
2. In our opinion, the consolidated financial statements audited by us and incorporated by reference in the registration statement comply as to form in all material respects with the applicable accounting requirements of the Act and the Securities Exchange Act of 1934 and the related rules and regulations adopted by the SEC.
3. We have not audited any financial statements of the Company as of any date or for any period subsequent to December 31, 2008; although we have conducted an audit for the year ended December 31, 2008, the purpose (and therefore the scope) of the audit was to enable us to express our opinion on the consolidated financial statements as of December 31, 2008 and 2007, and for each of the three years in the period ended

¹ The MLV, Wm Smith and the Company agree that if the first Placement Notice is delivered after the filing of the Company's Form 10-K for the year ended December 31, 2009, Section 7(o) of the Agreement will be satisfied by this letter covering the 2009 Form 10-K (and need not cover subsequent Form 10-Q filings).

December 31, 2008, but not on the consolidated financial statements for any interim period within that year. We are unable to and do not express any opinion on the unaudited consolidated balance sheet as of _____, and the unaudited consolidated statements of operations, stockholders' equity, and cash flows for the _____ month periods ended _____ and _____, included in the Company's quarterly report on Form 10-Q for the quarter ended _____, incorporated by reference in the registration statement, or on the financial position, results of operations, or cash flows as of any date or for any period subsequent to December 31, 2008.

4. For purposes of this letter, we have read the minutes of the meetings of the stockholders, the board of directors, and the compensation and audit committees of the board of directors of the Company and its subsidiaries as set forth in the minute books at _____ (date of filing of the Company's _____ SEC Form 10-Q), officials of the Company having advised us that the minutes of all such meetings through that date were set forth therein; we have carried out other procedures to [Date], as follows:

With respect to the _____-month periods ended _____ and _____, we have

- (a) Performed the procedures specified by the American Institute of Certified Public Accountants for a review of interim financial information as described in Statement of Auditing Standard (SAS) No. 100, *Interim Financial Information*, on the unaudited consolidated financial statements for these periods, described in 3, included in the Company's quarterly report on Form 10-Q for the quarter ended _____, incorporated by reference in the registration statement.
- (b) Inquired of certain officials of the Company who have responsibility for financial and accounting matters whether the unaudited consolidated financial statements referred to in (a) comply as to form in all material respects with the applicable accounting requirements of the Securities Exchange Act of 1934 as it applies to Form 10-Q and the related rules and regulations adopted by the SEC.

The foregoing procedures do not constitute an audit conducted in accordance with generally accepted auditing standards. Also, they would not necessarily reveal matters of significance with respect to the comments in the following paragraph. Accordingly, we make no representations about the sufficiency of the foregoing procedures for your purposes.

5. Nothing came to our attention as a result of the foregoing procedures that caused us to believe that:

- (a) Any material modifications should be made to the unaudited consolidated financial statements described in 3, incorporated by reference in the registration statement, for them to be in conformity with generally accepted accounting principles.
- (b) The unaudited consolidated financial statements described in 3 do not comply as to form in all material respects with the applicable accounting requirements of the Securities Exchange Act of 1934 as it applies to Form 10-Q and the related rules and regulations adopted by the SEC.

6. Re: Registration Statement on Form S-3 (Registration No. 333-164481)

Ladies and Gentlemen:

This opinion is furnished to you in connection with the above-referenced registration statement filed with the Securities and Exchange Commission (the "Commission") by Antigenics Inc., a Delaware corporation (the "Company"), on January 22, 2010 (the "Registration Statement"), the base prospectus dated February 3, 2010 (the "Base Prospectus") and the prospectus supplement dated March 1, 2010 (together with the Base Prospectus, the "Prospectus") filed with the Commission by the Company on March 1, 2010, pursuant to Rule 424 promulgated under the Securities Act of 1933, as amended. The Prospectus relates to the proposed issuance and sale from time to time of up to 20,000,000 shares of the Company's common stock, par value \$0.01 per share (the "Shares"), in accordance with the terms of an At Market Issuance Sales Agreement, dated February 26, 2010, by and between the Company and McNicoll, Lewis & Vlcek LLC and Wm Smith & Co. (the "Agreement").

We are familiar with the actions taken by the Company in connection with the proposed issuance of the Shares. For purposes of our opinion, we have examined and relied upon such documents, records, certificates, and other instruments as we have deemed necessary. The opinions expressed below are limited to the Delaware General Corporation Law, including the applicable provisions of the Delaware Constitution and the reported cases interpreting those laws.

Based on the foregoing, we are of the opinion that the Shares have been duly authorized and, when the Shares have been issued and sold in accordance with the terms of the Agreement and a Placement Notice (as defined in the Agreement) issued and accepted in accordance with the Agreement, the Shares will be validly issued, fully paid and nonassessable.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement. Our consent shall not be deemed an admission that we are experts whose consent is required under Section 7 of the Securities Act of 1933, as amended.

It is understood that this opinion is to be used only in connection with the offer and sale of Shares while the Registration Statement is in effect.

Very truly yours,
