(b) Pending the outcome of the investigation described in Item 8.01 below, as of June 15, 2010, Computer Programs and Systems, Inc. (the Company), with the authorization of the Board of Directors of the Company (the Board), has placed the Company's Vice President Finance and Chief Financial Officer on administrative leave. The responsibilities of the Vice President Finance and Chief Financial Officer will be assumed by other members of the Company's management team during his absence.

**Item 8.01. Other Events.**

As of June 15, 2010, the Board has determined to investigate issues related to the suspected misappropriation of assets by the Company's Vice President Finance and Chief Financial Officer, primarily involving the suspected misuse of a Company credit card for the payment of personal tax obligations in the amount of approximately \$55,000. In addition to authorizing the leave of absence discussed above, the Board has appointed the Audit Committee of the Board (the Audit Committee) to oversee an internal investigation into the suspected misappropriation and has authorized the engagement of a forensic accounting firm to assist in conducting the investigation and the review of the internal controls of the Company related to the suspected misappropriation.

At this time, the Company believes that there will be no material impact on previously reported earnings, financial position or results of operations as a result of these matters. The Company does not intend to update the disclosure provided hereby until the investigation commenced by the Audit Committee has been substantially completed or unless there are other material developments to be reported prior to the completion of the investigation.
