PowerShares DB Multi-Sector Commodity Trust (the Trust ) was organized as a Delaware statutory trust in seven separate series, PowerShares DB Energy Fund, PowerShares DB Oil Fund, PowerShares DB Precious Metals Fund, PowerShares DB Gold Fund, PowerShares DB Silver Fund, PowerShares DB Base Metals Fund and PowerShares DB Agriculture Fund (individually, a Fund, collectively, the Funds ). DB Multi-Sector Commodity Master Trust (the Master Trust ) was organized as a Delaware statutory trust in seven separate series, DB Energy Master Fund, DB Oil Master Fund, DB Precious Metals Master Fund, DB Gold Master Fund, DB Silver Master Fund, DB Base Metals Master Fund and DB Agriculture Master Fund (individually, a Master Fund, collectively, the Master Funds ).

As promptly as reasonably practicable after the determination of the net asset value of each Master Fund on December 31, 2010, each Master Fund was dissolved and all of the assets of each Master Fund were distributed to the corresponding Fund (the Consolidation ).

DB Commodity Services LLC (the Managing Owner ) serves as the managing owner of the Trust and the Funds and also served as the Managing Owner of the Master Trust and the Master Funds.

As described below, the name of certain Indexes changed effective January 1, 2011.

**Consolidation of the Funds and Master Funds**

The purpose underlying the Fund/Master Fund structure was to enable each Fund to be classified as a grantor trust for U.S. federal income tax purposes. As a result, investors would not receive Schedule K-1s with respect to their investments in a Fund. However, due to subsequent IRS interpretations of the Internal Revenue Code, each Fund is now required to distribute Schedule K-1s to its investors. Therefore, the original purpose underlying the Fund/Master Fund structure has been frustrated.

In light of the foregoing, the Managing Owner determined that it would be in the best interest of each Fund and its shareholders to dissolve its corresponding Master Fund and have each Fund perform all of the functions previously performed by its corresponding Master Fund. Accordingly, as promptly as practicable after the determination of the net asset value of each Master Fund on December 31, 2010, each Master Fund transferred all of its assets to its corresponding Fund and terminated. Effective January 1, 2011, each reorganized Fund will perform all necessary functions in order to continue in the normal course of business.

A Second Amended and Restated Declaration of Trust and Trust Agreement of the Trust dated December 31, 2010, that will govern the operation of the business of each Fund going forward, is being filed on January 3, 2011 as Exhibit 4.1.1 to the registration statement of each Fund.

The Consolidation is not expected to have any adverse effect on the Fund's shares or shareholders.
