LIBERTY ALL-STAR GROWTH FUND, INC.

Dear Fellow Shareholders:

Last month, ALPS Holdings, Inc. (ALPS Holdings) the parent company of ALPS Advisors, Inc. (AAI), the manager for Liberty All-Star Equity Fund and Liberty All-Star Growth Fund, Inc. (each a Fund, collectively, the Funds) announced it had signed an agreement to be acquired by DST Systems, Inc. (DST) (the Transaction).

As President and Chief Executive Officer of each Fund, I am writing to ask for your vote at the September 30, 2011 special meeting of shareholders. In order to provide for continuity in the management and operation of the Funds, you are being asked to approve for each Fund (1) a new Fund Management Agreement between the Fund and AAI and (2) new Portfolio Management Agreements among the Fund, AAI and each of the Fund's investment sub-advisors (the Portfolio Managers) (the Proposals).

The enclosed Proxy Statement discusses the two proposals to be voted upon by the shareholders of each Fund. Please review the Proxy Statement and cast your vote on each of the proposals. **The Board of Trustees/Directors of each Fund recommends that you vote FOR each proposal.**

As discussed in more detail in the enclosed Proxy Statement, the Transaction will constitute a change in control of AAI, because, as a result of the Transaction, AAI will become an indirect wholly-owned subsidiary of DST. The Funds themselves are not parties to the Transaction and the Transaction will not result in any direct change in the structure or operation of the Funds. However, upon the closing of the Transaction (the Closing), each Fund's existing Fund Management Agreement with and Portfolio Management Agreements will terminate as required under applicable law. Therefore, in order to provide for continuity in the management and operation of the Funds, you are being asked to approve the new Fund Management Agreement and new Portfolio Management Agreements for each Fund.

Under the existing agreements, AAI has served as each Fund's manager with responsibility for each Fund's overall investment strategy and supervising the Portfolio Managers responsible for its implementation. Under the new agreements, AAI and the Portfolio Managers will provide the same investment advisory services to each Fund on the same terms as under the Funds' existing agreements (except for the effective dates). The Transaction will not result in any change in the management fees paid by the Funds. Nor will the Transaction result in any change in the investment objectives or principal investment strategies of the Funds. The Funds' multi-manager structure also will not change as a result of the Transaction, and the senior investment advisory personnel of AAI and the Portfolio Managers who currently manage and advise the Funds are expected to continue to do so after the Transaction, including William R. Parmentier, Jr., AAI's Executive Vice President, and Mark T. Haley, CFA, AAI's Vice President. Mr. Parmentier and Mr. Haley have 31 years and 24 years experience in the fund management business, respectively, and have been responsible for the day-to-day operations of the Funds for over 14 years.

The Transaction, which is subject to various conditions, will not change the names of the Funds or alter the number of shares you own in that Fund. The Transaction and each proposal are discussed in detail in the enclosed Proxy Statement.

THE BOARD OF TRUSTEES/DIRECTORS OF EACH FUND RECOMMENDS A VOTE FOR EACH PROPOSAL.

Your vote is important no matter how many shares you own. Voting your shares early will avoid costly follow-up mail and telephone solicitation. After reviewing the enclosed materials, please complete, sign and date your proxy card(s) and mail it promptly in the enclosed return envelope, or help save time and postage costs by calling the toll free number and following the instructions. You may also vote via the Internet by logging on to the website indicated on your proxy card and following the instructions that will appear. If we do not hear from you, our proxy solicitor, Broadridge Financial Solutions, Inc. (Broadridge) may contact you. This will ensure that your vote is counted even if you cannot attend the special meeting in person. The Funds' multi-manager structure also will not change as a result of the Transaction, and the senior investment advisory personnel of AAI and the Portfolio Managers who currently manage and advise the Funds are expected to continue to do so after the Transaction, including William R. QUESTIONS AND ANSWERS

Q. What is happening?

A. ALPS Holdings, Inc. (ALPS Holdings), a privately-held company, entered into a definitive agreement with DST Systems, Inc. (DST) and others whereby ALPS Holdings will merge with a wholly-owned subsidiary of DST (the Transaction). ALPS Holdings is the parent company to ALPS Advisors, Inc. (AAI) manager for the Liberty All-Star Equity Fund (Equity Fund) and the Liberty All-Star Growth Fund, Inc. (Growth Fund) (each a Fund and collectively the Funds). As a result of the Transaction, AAI will become an indirect wholly-owned subsidiary of DST. The Transaction constitutes a change in control of AAI. DST, which is organized as a Delaware corporation, is publicly-traded and listed on the New York Stock Exchange.

The Funds themselves are not parties to the Transaction and the Transaction will not result in any direct change in the structure or operation of the Funds. However, upon the closing of the Transaction (Closing), the Fund Management Agreement between each Fund and AAI and Portfolio Management Agreements among each Fund, AAI and the independent investment management firms that provide sub-advisory services to the Funds (Portfolio Managers) will automatically terminate as required under applicable law. Therefore, in order to provide for continuity in the management and operation of the Funds, shareholders of each Fund will need to approve a new Fund Management Agreement with AAI and new Portfolio Management Agreements among the Fund, AAI and each Portfolio Manager.

Under the existing agreements, AAI has served as each Fund's manager with responsibility for each Fund's overall investment strategy and supervising the Portfolio Managers responsible for its implementation. Under the new agreements, AAI and the Portfolio Managers will provide the same investment advisory services to each Fund on the same terms as under the Funds' existing agreements (except for the effective dates). The Transaction will not result in any change in the management fees paid by the Funds. Nor will the Transaction result in any change in the investment objectives or principal investment strategies of the Funds. The Funds' multi-manager structure also will not change as a result of the Transaction, and the senior investment advisory personnel of AAI and the Portfolio Managers who currently manage and advise the Funds are expected to continue to do so after the Transaction, including William R. Parmentier, Jr., AAI's Senior Vice President, and Mark T. Haley, CFA, AAI's Vice President. Mr. Parmentier and Mr. Haley have 31 years and 24 years experience in the fund management business, respectively, and have been responsible for the day-to-day operations of the Funds for over 14 years. The parties currently anticipate the Closing to occur in the fourth quarter of 2011. The Transaction and each proposal are discussed in detail in the enclosed Proxy Statement.

The Proxy Statement provides additional information about AAI and each proposal. If Shareholders approve the proposals, the effectiveness of each is contingent upon the Closing occurring, and each proposal will become effective only upon the Closing. If the Transaction is not consummated, none of the proposals will become effective.

EACH FUND'S BOARD OF TRUSTEES/DIRECTORS RECOMMENDS THAT YOU VOTE FOR EACH OF THE PROPOSALS DESCRIBED IN THE PROXY STATEMENT.

Q. Why are you sending me this information?

A. You are receiving these proxy materials because you owned shares in one or both of the Funds on the Record Date and have the right to vote on these very important proposals concerning your investment.

Q. Why am I being asked to vote on the new agreements?

A. Completion of the Transaction will result in an assignment of each Fund's Fund Management Agreement and Portfolio Management Agreements, and as a result, will automatically terminate each of these agreements pursuant to the Investment Company Act of 1940, as amended ("1940 Act"). To ensure that the operation of your Fund can continue without any interruption and that AAI and each Portfolio Manager can continue to provide your Fund with the same services they currently provide to your Fund, your approval of the new agreements is sought.

For the Closing to occur, certain conditions must be satisfied or waived, including, among others, obtaining consent to the Transaction or approval of investment advisory agreements/arrangements by a certain percentage of ALPS Holdings' clients representing an agreed upon percentage of the annualized revenue of ALPS and its subsidiaries (including AAI). Fund shareholders are not being asked to vote directly on the Transaction.

Q. How will the Transaction affect me as a Fund Shareholder?

A. Your Fund and its investment objectives will not change as a result of the completion of the Transaction, and you will still own the same shares in the same Fund. AAI and the Portfolio Managers will continue to provide management and investment advisory services to each Fund on the same terms and for the same fees that are currently in effect. In addition, AAI and the Portfolio Managers do not anticipate any changes in the senior investment advisory personnel at AAI or the Portfolio Managers who currently manage the Funds.

Q. Will either Fund's name change?

A. No. The name of each Fund will not change.

Q. Will there be a change in the Manager or any Portfolio Managers?

A. No. AAI will continue to serve as the manager and the Portfolio Managers that currently manage each Fund are expected to continue to do so after the Closing, pursuant to the same investment objectives and strategies currently in place.

Q. Will the services change or the fees payable under the new agreements increase as a result of the Transaction?

A. No. The proposals to approve the new agreements do not seek any change in services or increase in fee rates.

Q. How do the Trustees/Directors of my Fund recommend that I vote?

A. The Trustees/Directors of your Fund recommend that you vote **FOR** each of the proposals.

Q. Will my Fund pay for this proxy solicitation or for the costs of the Transaction?

A. No. The Funds will not bear these costs. ALPS Holdings has agreed to bear any costs that would otherwise be borne by the Funds.

Q. How do I vote my shares?

A. For your convenience, there are several ways you can vote:

By Mail: Vote, sign and return the enclosed proxy card(s) in the enclosed self-addressed, postage-paid envelope;

By Telephone: Call the number printed on the enclosed proxy card(s);

By Internet: Access the website address printed on the enclosed proxy card(s); or

In Person: Attend the Meeting as described in the Proxy Statement. If you wish to attend the Meeting, please notify us by calling 1-800-241-1850.

Q. Why are two proxy cards enclosed?

A. If you own shares of both Funds, you will receive a separate proxy card for each Fund.

Q. Whom should I call for additional information about this Proxy Statement?

A. If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call our proxy solicitor, Broadridge Financial Solutions, Inc. at 1-877-708-3619.

Additional information regarding outstanding shares and voting your proxy is included at the end of this Proxy Statement in the sections entitled **General Information** and **Voting Information**.

GENERAL OVERVIEW

The Transaction

On July 19, 2011, ALPS Holdings entered into a definitive agreement with DST and others whereby ALPS Holdings will merge with a wholly-owned subsidiary of DST (the **Transaction**). Upon the closing of Transaction (**Closing**), AAI will become an indirect wholly-owned subsidiary of DST. The Transaction constitutes a change in control of AAI. DST, which is organized as a Delaware corporation, is publicly-traded and listed on the New York Stock Exchange.

The Closing is subject to certain terms and conditions, including, among others: (1) obtaining consent to the Transaction or approval of investment advisory agreements/arrangements by a certain percentage of ALPS Holdings clients representing an agreed upon percentage of the annualized revenue of ALPS and its subsidiaries (including AAI); and (2) DST, AAI and ALPS Holdings obtaining any necessary regulatory approvals. Fund shareholders are not being asked to vote directly on the Transaction. Although there is no assurance that the Closing will occur, if each of the terms and conditions is satisfied or waived, DST, ALPS Holdings and AAI currently anticipate that the Closing will take place in the fourth quarter of 2011.

It is possible that the Closing will occur before a Fund's shareholders have approved the new agreements. In this event, its Board will be asked to approve an interim Fund Management Agreement between the Fund and AAI and interim Portfolio Management Agreements among the Fund, AAI, and each Portfolio Manager. Once the Board has approved the interim agreements with respect to a Fund, management may terminate the Fund's existing agreements, effective on a date prior to the Closing, and enter into the interim agreements. The interim agreements would ensure such Fund continues to receive ongoing advisory services after the Closing. The interim agreements would remain in effect for a Fund until the earlier of 150 days from the termination of the existing agreements, or the date that a Fund's shareholders approve the new agreements. Rule 15a-4 under the Investment Company Act of 1940, as amended (the **1940 Act**) permits such interim agreements to become effective without shareholder approval.

Post-Transaction Structure and Operations

The Funds themselves are not parties to the Transaction and the Transaction will not result in any direct change in the structure or operation of the Funds. However, upon the Closing, the Fund Management Agreement

between each Fund and AAI and Portfolio Management Agreements among each Fund, AAI and the independent investment management firms that provide sub-advisory services to the Fund (Portfolio Managers) will automatically terminate as required under applicable law. Therefore, in order to provide for continuity in the management and operation of the Funds, shareholders of each Fund will need to approve a new Fund Management Agreement with AAI and new Portfolio Management Agreements among the Fund, AAI and each of the Fund's current Portfolio Managers.

Under the existing agreements, AAI has served as each Fund's manager with responsibility for each Fund's overall investment strategy and supervising the Portfolio Managers responsible for its implementation. Under the new agreements, AAI and the Portfolio Managers will provide the same investment advisory services to each Fund on the same terms as under the Funds' existing agreements (except for the effective dates). The Transaction will not result in any change in the management fees paid by the Funds. Nor will the Transaction result in any change in the investment objectives or principal investment strategies of the Funds. The Funds' multi-manager structure also will not change as a result of the Transaction, and the senior investment advisory personnel of AAI and the Portfolio Managers who currently manage and advise the Funds are expected to continue to do so after the Transaction, including William R. Parmentier, Jr., AAI's Executive Vice President, and Mark T. Haley, CFA, AAI's Vice President. Mr. Parmentier and Mr. Haley have 31 years and 24 years experience in the fund management business, respectively, and have been responsible for the day-to-day operations of the Funds for over 14 years. The parties expect the Closing to occur in the fourth quarter of 2011.

New Fund Management and Portfolio Management Agreements

Upon the Closing, AAI and the respective Portfolio Managers will continue as the Manager and Portfolio Managers to each Fund.

The Transaction will result in a change of control of AAI. This change in control is deemed to be an assignment of each Fund's existing Fund Management Agreement (each, an Existing Fund Management Agreement) and existing Portfolio Management Agreements (each, an Existing Portfolio Management Agreement) and together with the Existing Fund Management Agreements, the Existing Agreements) under the 1940 Act. As required by the 1940 Act, each Fund's Existing Agreements provide for their automatic termination in the event of an assignment, and each will, therefore, terminate upon the Closing. Accordingly, shareholders of each Fund are being asked to approve a new Fund Management Agreement (each, a New Fund Management Agreement) and new Portfolio Management Agreements (each, New Portfolio Management Agreements) and together with the New Fund Management Agreement, the New Agreements) with the same terms (except for the effective dates) and at the same fee rates as the Existing Agreements and which allow AAI and the various Portfolio Managers to continue to manage and advise each Fund. If approved by the shareholders of the respective Funds, the New Agreements will not become effective until the Closing. For each Fund, the proposal to approve the New Portfolio Management Agreements is contingent upon the approval of the New Fund Management Agreement. If the Transaction is not completed for any reason, the Existing Agreements will remain in effect for each Fund.

PROPOSAL 1: APPROVAL OF THE NEW FUND MANAGEMENT AGREEMENT

Shareholders of each Fund are being asked to approve a New Fund Management Agreement between the Fund and AAI. As described above, each Fund's Existing Fund Management Agreement will terminate upon the Closing. Therefore, approval of the New Fund Management Agreements is sought so that the operation and management of each Fund can continue without interruption. If the Transaction is not completed for any reason, the Existing Agreements will continue in effect.

Board Approval and Recommendation

On July 28, 2011, the Trustees/Directors of each Fund, including a majority of the Independent Trustees/Directors, unanimously approved the New Fund Management Agreement for the Fund and unanimously recommended that Shareholders of the Fund approve the New Fund Management Agreement. A summary of the Board's considerations is provided below in the section entitled "Evaluation by the Boards."

Description of the Existing and New Fund Management Agreements

The form of each New Fund Management Agreement is set forth in Exhibit A to this Proxy Statement. The description of terms in this section is qualified in its entirety by reference to Exhibit A. Exhibit B shows the date of each Existing Fund Management Agreement, the date when each Existing Fund Management Agreement was last approved by the Board, the date when each Existing Fund Management Agreement was last submitted to a vote of Shareholders of the Fund, including the purpose of such submission, and the advisory fee rate under the Existing Fund Management Agreement for each Fund.

The terms of each New Fund Management Agreement are the same as the terms of the respective Existing Fund Management Agreement (except for the effective dates). The annual fee rates for investment management under the New Fund Management Agreements are the same as the annual fee rates for those services under the Existing Fund Management Agreements. AAI has advised the Boards that it does not anticipate that the Transaction will result in any reduction in the quality of services now provided to the Funds or have any adverse effect on the ability of AAI or ALPS Fund Services to fulfill its obligations to the Funds.

The following discussion of the New Fund Management Agreements describes both the Existing Fund Management Agreement and the New Fund Management Agreement for each Fund. The next several paragraphs briefly summarize some important provisions of the Existing and New Fund Management Agreements, but for a complete understanding of the Agreements, you should read Exhibits A and B.

Services Provided by the Fund Manager

The New Fund Management Agreement for each Fund requires AAI to provide general management services to the Fund and to provide overall supervisory responsibility for the general management and investment of the Fund's assets, subject to the review and approval of the Trustees/Directors. AAI is responsible for setting each Fund's investment program and strategies, revising the programs, as necessary, and monitoring and reporting periodically to the Trustees/Directors concerning the implementation of the programs.

The New Fund Management Agreement for each Fund provides for AAI and the Fund to appoint one or more Portfolio Managers to have full discretion and to make all determinations with respect to the investment and reinvestment of the portion of the Fund's assets assigned to that Portfolio Manager. The New Fund Management Agreement requires AAI to: (i) advise the Trustees/Directors which Portfolio Managers AAI believes are best suited to invest the assets of the Fund; (ii) monitor and evaluate the investment performance of each Portfolio Manager; (iii) allocate and reallocate the portion of the Fund's assets to be managed by each Portfolio Manager; (iv) recommend changes of or additional Portfolio Managers when deemed appropriate by AAI; (v) coordinate and monitor the investment activities of the Portfolio Managers to ensure compliance with the Fund's investment policies and restrictions and applicable laws; (vi) have full investment discretion to make all determinations with respect to the investment of the Fund's assets not then managed by a Portfolio Manager; and (vii) implement procedures reasonably designed to ensure that the Portfolio Managers comply with the Fund's investment objectives, policies and restrictions.

Term of the New Fund Management Agreements

Each Fund's New Fund Management Agreement provides that it will continue in effect for an initial period beginning on the date of the Closing (the Closing Date) and ending on the second anniversary of that date. After that, it will continue in effect from year to year as long as the continuation is approved at least annually (i) by the Fund's respective Board, including a majority of the Fund's Independent Trustees/Directors; or (ii) by vote of a majority of the outstanding voting securities of the Fund.

Termination of the New Fund Management Agreement

The New Fund Management Agreement for a Fund may be terminated without penalty by vote of the Trustees/Directors, including a majority of the Fund's Independent Trustees/Directors, or by vote of a majority of the outstanding voting securities of the Fund, on sixty days' written notice to AAI, or by AAI upon sixty days' written notice to the Fund, and each terminates automatically in the event of its assignment as defined in the 1940 Act. The 1940 Act defines assignment to include, in general, transactions in which a significant change in the ownership of an investment adviser or its parent company occurs.

Liability of the Fund Manager

Each New Fund Management Agreement provides that AAI will not be liable to the Fund or its Shareholders, except for liability arising from the AAI's willful misfeasance, bad faith, gross negligence or reckless disregard of its obligations or duties.

Differences between the Existing and New Fund Management Agreements

Each New Fund Management Agreement is the same as the corresponding Existing Fund Management Agreement except for the effective date of the New Fund Management Agreement as discussed above.

Required Vote

Approval of each New Fund Management Agreement requires the affirmative vote of a majority of the outstanding voting securities of each Fund, which, under the 1940 Act, means the affirmative vote of the lesser of (a) 67% or more of the shares of the Fund present at the Meeting or represented by proxy if the holders of more than 50% of the outstanding shares are present or represented by proxy, or (b) more than 50% of the outstanding shares.

EACH FUND'S BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR PROPOSAL 1.

PROPOSAL 2: APPROVAL OF NEW PORTFOLIO MANAGEMENT AGREEMENTS

Shareholders of each Fund are being asked to approve New Portfolio Management Agreements among the relevant Fund, AAI and each of the Fund's current Portfolio Manager listed below.

Equity Fund Portfolio Managers

2a. Cornerstone Capital Management, Inc.

2b. Matrix Asset Advisers, Inc.

2c. Pzena Investment Management, LLC

2d. Schneider Capital Management Corporation

2e. TCW Investment Management Company

Growth Fund Portfolio Managers

2a. TCW Investment Management Company

2b. M.A. Weatherbie & Co., Inc.

As described above, each Existing Portfolio Management Agreement will automatically terminate upon the Closing. Therefore, approval of the New Portfolio Management Agreements is sought so that the operation and management of each Fund can continue without interruption. For each Fund, this proposal to approve New Portfolio Management Agreements is subject to the approval of the proposal to approve a New Fund Management Agreement. If the Transaction is not completed for any reason, the Existing Agreements will continue in effect.

The Multi-Manager Methodology

Each Fund allocates its portfolio assets among a number of independent investment management firms (the Portfolio Managers) recommended by AAI and approved by the Board, currently five for the Equity Fund and two for the Growth Fund. Each Portfolio Manager employs a different investment style and/or strategy, and from time to time AAI rebalances each Fund's portfolio assets among the Portfolio Managers. The Funds' multi-manager methodology is based on the premise that most investment management firms consistently employ a distinct investment style which causes them to emphasize stocks with particular characteristics, and that, because of changing investor preferences, any given investment style will move into and out of market favor and will result in better performance under certain market conditions but poorer market performance under other conditions. The Funds' multi-manager methodology seeks to achieve more consistent and less volatile performance over the long term than if a single Portfolio Manager was employed.

The Portfolio Managers recommended by AAI represent a blending of different styles which, in AAI's opinion, is appropriate for each Fund's investment objective and which is sufficiently broad so that at least one of such styles can reasonably be expected to be in relative market favor in all reasonably foreseeable market conditions. AAI continuously analyzes and evaluates the investment performance and portfolios of the Funds' Portfolio Managers and from time to time recommends changes in the Portfolio Managers. Such recommendations could be based on factors such as a change in a Portfolio Manager's investment style or a Portfolio Manager's divergence from the investment style for which it was selected, changes deemed by AAI to be potentially adverse in a Portfolio Manager's personnel, ownership, structure or organization, or a deterioration in a Portfolio Manager's investment performance when compared to that of other investment management firms employing similar investment styles. Portfolio Manager changes may also be made to change the mix of investment styles employed by the Funds' Portfolio Managers. Portfolio Manager changes, as well as rebalancings of a Fund's assets among the Portfolio Managers, may result in portfolio turnover in excess of what would otherwise be the case. Increased portfolio turnover results in increased brokerage commission and transaction costs, and may result in the recognition of additional capital gains.

Board Approval and Recommendation

On July 28, 2011, the Trustees/Directors of each Fund, including a majority of the Independent Trustees/Directors, unanimously approved each New Portfolio Management Agreement for each Fund and unanimously recommended that Shareholders approve each New Portfolio Management Agreement relating to

that Fund. A summary of the Boards' considerations is provided below in the section entitled "Evaluation by the Boards."

In accordance with the terms of an exemptive order issued to each Fund and AAI by the Securities and Exchange Commission (the "SEC"), the shareholders of each Fund have previously approved each Existing Portfolio Management Agreement. AAI continuously monitors and evaluates each Portfolio Manager on a quantitative and qualitative basis. The evaluation process focuses on, but is not limited to, the firm's philosophy, investment process, personnel and performance.

Description of the Existing and New Portfolio Management Agreements

The form of the New Portfolio Management Agreement is set forth in Exhibit C to this Proxy Statement. The description of terms in this section is qualified in its entirety by reference to Exhibit C. Exhibit D shows the date of each Existing Portfolio Management Agreement, the date when each Existing Portfolio Management Agreement was last approved by the Board with respect to each Fund, the date when each Existing Portfolio Management Agreement was last submitted to a vote of Shareholders of each Fund, including the purpose of such submission, and the advisory fee rates under the Existing Portfolio Management Agreements for each Fund.

The terms of each New Portfolio Management Agreement are the same as those of the respective Existing Portfolio Management Agreement (except for the effective dates). The Funds do not pay any fees under either the Existing Portfolio Management Agreements or the New Portfolio Management Agreements. All payments to a Portfolio Manager under an Existing Portfolio Management Agreement are made by AAI and, if the New Portfolio Management Agreements are approved, will continue to be made by AAI. The annual fee rates to be paid by AAI under each New Portfolio Management Agreement are the same as the annual fee rates paid by AAI under the respective Existing Portfolio Management Agreement. AAI and each Portfolio Manager have advised the Boards that they do not anticipate that the Transaction will result in any reduction in the quality of services now provided to the Funds or have any adverse effect on the ability of any Portfolio Manager to fulfill its obligations under the New Portfolio Management Agreements.

The following discussion of the New Portfolio Management Agreement describes both the Existing Portfolio Management Agreements and the New Portfolio Management Agreements for each Fund. Each New Portfolio Management Agreement matches the form in Exhibit C, except for items specific to a Fund, such as the Fund's name and fee rate. The next several paragraphs briefly summarize some important provisions of the Existing and New Portfolio Management Agreements, but for a complete understanding of the Agreements, you should read Exhibits C and D.

Services Provided by the Portfolio Managers

The New Portfolio Management Agreements for each Fund essentially provides that each Portfolio Manager, under the Board's and AAI's supervision and subject to the Fund's registration statement, will: (1) formulate and implement an investment program for the Fund's assets assigned to the Portfolio Manager; (2) decide what securities to buy and sell for the Fund's portfolio (or the portion of the Fund's portfolio managed by the Portfolio Manager); (3) select brokers and dealers to carry out portfolio transactions for the Fund (or the portion of the Fund's portfolio managed by the Portfolio Manager); and (4) report results to the Board of the Fund.

Term of the New Portfolio Management Agreements

Each New Portfolio Management Agreement provides that it will continue in effect for an initial period beginning on the Closing Date and ending on the second anniversary of that date. After that, it will continue in

effect from year to year as long as the continuation is approved at least annually (i) by the respective Fund's Board, including a majority of the Fund's Independent Trustees/Directors; or (ii) by vote of a majority of the outstanding voting securities of the Fund.

Termination of the New Portfolio Management Agreements

Each New Portfolio Management Agreement for each Fund may be terminated without penalty (i) by vote of the respective Fund's Board or by vote of a majority of the outstanding voting securities of the Fund, on thirty days' written notice to the Portfolio Manager, (ii) by AAI upon thirty days' written notice to the Portfolio Manager, or (iii) by the Portfolio Manager upon ninety days' written notice to AAI and the Fund, and the New Portfolio Management Agreements terminate automatically in the event of their assignment, as described above, or upon termination of the New Fund Management Agreement.

Liability of the Portfolio Manager

Each New Portfolio Management Agreement provides that the Portfolio Manager will not be liable to AAI, the relevant Fund or its Shareholders, except for liability arising from the Portfolio Manager's willful misfeasance, bad faith, gross negligence or violation of the standard of care established by and applicable to the Portfolio Manager in its actions under the New Portfolio Management Agreement or breach of its duty or obligations under the New Portfolio Management Agreement.

Differences between the Existing and New Portfolio Management Agreements

The New Portfolio Management Agreement for each Fund is the same as the Existing Portfolio Management Agreement, except for the effective date of the New Portfolio Management Agreement as discussed above.

Required Vote

Approval of each New Portfolio Management Agreement requires the affirmative vote of a majority of the outstanding voting securities of each Fund, which, under the 1940 Act, means the affirmative vote of the lesser of (a) 67% or more of the shares of the Fund present at the Meeting or represented by proxy if the holders of more than 50% of the outstanding shares are present or represented by proxy, or (b) more than 50% of the outstanding shares.

EACH FUND'S BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR PROPOSAL 2.

EVALUATION BY THE BOARDS

Board Meetings and Considerations

The Boards met in person on July 28, 2011 (July Meeting) to discuss the Transaction and the effect that the Transaction would have on the Funds. At the July Meeting, and throughout the process to consider the Transaction, each Board, including a majority of the Independent Trustees/Directors, was advised by its independent legal counsel.

At the July Meeting, each Board considered whether to approve the New Agreements. At that time, the Boards reviewed information furnished by AAI, ALPS Holdings and DST regarding the terms of the Transaction and considered the possible effects on the Funds and their shareholders. In addition, the Boards met with the Chief

Executive Officer of DST to discuss its personnel, operations and financial condition. The Boards also met with representatives of AAI and ALPS Holdings. During the meeting, these representatives indicated their belief that the Transaction would not adversely affect (1) the continued operation of the Funds; (2) the capabilities of the senior investment advisory personnel of AAI who currently manage the Funds to continue to provide management and other services to the Funds at the current levels; or (3) the capabilities of each Portfolio Manager to continue to provide the same level of advisory and other services to the Funds. These representatives also indicated that they believed that the Transaction may provide certain benefits to the Funds. However, they indicated that there could be no assurance that any particular benefits would result.

In connection with their approval of the New Agreements, the Independent Trustees/Directors received advice from their legal counsel detailing each Board's responsibilities pertaining to such approvals. The Boards reviewed the materials furnished by DST and AAI discussed below, including responses to certain questions relating to the Transaction and reports relating to each Fund's performance, advisory fees and total operating expenses, and other relevant data. The Boards considered, among other matters:

- (1) That the terms of the New Agreements and the Existing Agreements are the same (except for the effective dates);
- (2) That the level of service and the manner in which each Fund's assets are managed are not expected to change as a result of the transaction, and that the same individuals at AAI and the Portfolio Managers who manage the Fund's assets are expected to continue to do so after the Closing;
- (3) That the management fee rate payable by each Fund under the New Fund Management Agreements and by AAI under the New Portfolio Management Agreements are the same as the fee rates payable under the Existing Agreements;
- (4) That the each Fund's expense ratio is not expected to increase as a result of the Transaction or approval of the New Agreements;
- (5) That DST does not contemplate modifying the Funds' current Portfolio Manager or service provider relationships;
- (6) That the Transaction is expected to have minimal impact on AAI's day-to-day operations;
- (7) That the Transaction is not expected to result in any change in the structure or operation of the Funds;
- (8) The history, reputation, qualification and background of DST, the qualifications of its personnel and DST's financial condition;
- (9) The capabilities, experience, corporate structure and capital resources of DST;

- (10) The long-term business goals of DST with respect to AAI and the Funds;
- (11) DST's intent to retain key personnel currently employed by AAI who provide services to the Funds and to maintain the existing level and quality of services to the Funds;
- (12) That shareholders would not bear any costs in connection with the Transaction, as ALPS Holdings will bear the costs, fees and expenses incurred by the Funds in connection with the Proxy Statement, the fees and expenses of accountants and attorneys relating to the Transaction and the Proxy Statement, and any other fees and expenses incurred by the Funds in connection with the Transaction; and

(13) Information furnished to each Board by DST and AAI for the July Meeting and information provided by AAI for the Board's consideration at its June 30, 2011 meeting (June Meeting) specifically in relation to the renewal of the Existing Agreements. In this regard, AAI confirmed that there have been no material changes to the information provided to the Board by AAI or the Portfolio Managers in connection with the renewal of the Agreements at the June Meeting.

Information provided by DST and AAI for each Board's consideration included responses by DST and AAI to questions relating to the terms of the Transaction, the effect of the Transaction on the Funds, their service providers or fee structure, and any significant changes (actual or anticipated) to the composition of the Boards, officers, operations of the Funds, AAI's management personnel, or the fee schedules under the Existing Agreements. In addition, information on the Funds' investment performance is regularly provided to the Boards.

Information furnished at Board meetings throughout the year included AAI's analysis of each Fund's investment performance, presentations given by the Funds' Portfolio Managers and various reports on compliance and other services provided by AAI and its affiliates. For the June Meeting, the Trustees/Directors requested and received Lipper information that included, among other things, the investment performance over various time periods and the fees and expenses of each Fund as compared to a comparable group of funds (Peer Group and Expense Group, respectively). Lipper, Inc. (Lipper) is an independent provider of investment company data. Additionally, in response to specific requests from the Independent Trustees/Directors in connection with the June Meeting, AAI and the Portfolio Managers furnished, and the Boards considered, information concerning various aspects of its operations, including: (1) the nature, quality and extent of services provided to the Fund by AAI and each Portfolio Manager; (2) the performance of the Fund and the portion of the Fund's portfolio advised by a Portfolio Manager; (3) the level of the Fund's management and portfolio management fees and expense ratios; (4) the costs of the services provided and profits realized by AAI and its affiliates from their relationship with the Fund; (5) the extent to which economies of scale would be realized as the Fund grows and whether fee levels will reflect economies of scale for the benefit of shareholders; (6) the fall out benefits to AAI, each Portfolio Manager and their respective affiliates (*i.e.*, any direct or indirect benefits to be derived by AAI, each Portfolio Manager and their respective affiliates from their relationships with the Fund); and (7) other general information about AAI and each Portfolio Manager. For the June Meeting, AAI also provided, and the Boards considered, the performance of each Portfolio Manager compared to relevant institutional peer groups selected by AAI for the period since the date the firm commenced managing assets for the Fund.

In considering the information and materials described above, the Independent Trustees/Directors received assistance from and met separately with independent legal counsel and were provided with a written description of their statutory responsibilities and the legal standards that are applicable to approvals of advisory agreements. Although the New Agreements for the Funds were considered at the same joint Board meeting, each Board addressed its Fund separately.

Based on its evaluation of the Transaction and the information presented, the Boards unanimously concluded that the terms of the New Agreements were reasonable and fair and that the approval of the New Agreements was in the best interests of the Funds and their shareholders. Accordingly, each Board unanimously voted to approve the New Agreements for its Fund and recommended that shareholders approve the New Agreement with respect to their Fund. Each Board did not identify any single factor or group of factors as being of paramount importance in reaching its conclusions and determinations with respect to the approval of the New Agreements for its Fund. Although not meant to be all-inclusive, set forth below is a description of certain of the factors that were considered by each Board in deciding to approve the New Agreement and the Interim Agreement for its Fund.

Board Consideration of the New Agreements

Nature, Extent and Quality of the Services to be Provided

In examining the nature, extent and quality of the services to be provided by AAI and the Portfolio Managers under the New Agreements, each Board considered that the terms of the New Agreements are the same as the terms of the Existing Agreements. The Boards also considered that the Transaction is expected to have minimal impact on AAI's day-to-day operations and is not expected to result in any change in the Portfolio Managers or the structure or operations of the Funds. The Boards noted that DST currently does not intend to implement any changes to the services provided to the Funds by AAI or its affiliates. The Boards also noted that DST currently intends to retain the key personnel employed by AAI who provide services to the Funds. The same people at AAI and the Portfolio Managers who manage the Funds are expected to do so after the Closing. The level of service and the manner in which each Fund's assets are managed are expected to remain the same. The Boards also considered that DST does not currently contemplate modifying the Funds' current Portfolio Manager and service provider relationships.

In evaluating DST, each Board considered the history, reputation, qualifications and background of DST, the qualifications of its personnel and DST's financial condition. The Boards also considered DST's capabilities, experience, corporate structure and capital resources, as well as DST's long-term business goals with regard to AAI and the Funds.

Each Board gave substantial consideration to its evaluation of the nature, extent and quality of the services provided by AAI and the Portfolio Managers under the Existing Agreements at the June Meeting. The Trustees/Directors considered the nature, extent and quality of the portfolio manager selection, evaluation and monitoring services provided by AAI, and the portfolio management services provided by each Portfolio Manager, in light of each Fund's investment objective. In connection with its review, each Board considered its long association with AAI and AAI's relationships with the Portfolio Managers and their personnel, and the Board's familiarity with their culture to evaluate the services to be provided. In particular, the Boards considered AAI's long-term history of care and conscientiousness in the management of the Funds and the oversight of the Portfolio Managers. The Boards also considered the nature, extent and quality of the administrative services provided to the Funds by AFS, an affiliate of AAI. With respect to each Fund, each Board also noted the steps that AAI has taken to encourage strong performance, including AAI's willingness to recommend Portfolio Manager changes when necessary to address performance issues.

Each Board also considered each Portfolio Manager's demonstrated consistency in investment approach. The Equity Fund Board considered that for the Equity Fund's portfolio, Cornerstone and TCW manage the large cap growth and Matrix, Pzena and Schneider manage the large cap value portions of the portfolio. The Growth Fund Board considered that for the Growth Fund's portfolio, TCW manages the large cap and mid cap growth and Weatherbie manages the small cap growth portions of the portfolio. The Boards also reviewed the background and experience of the personnel at AAI responsible for Portfolio Manager selection, evaluation and monitoring for the Funds and at the Portfolio Managers responsible for managing the Fund's portfolio. In addition, the Boards considered the overall financial strength of AAI, the effect on the Funds of any turnover in personnel at each Portfolio Manager, the insurance maintained by each Portfolio Manager and the compliance records of AAI and each Portfolio Manager.

Each Board determined that the quality of the services provided by the senior advisory personnel employed by AAI and by the Portfolio Managers had been consistent with or superior to quality norms in the industry, and that AAI and the respective Portfolio Managers would continue to have sufficient personnel, with the appropriate education and experience, to serve each Fund effectively. The Boards also determined that the AAI and Portfolio Managers personnel who provide services to the Funds had appropriate education and experience

to serve the Fund effectively and had demonstrated their continuing ability to attract and retain well-qualified personnel. In addition, the Boards noted that the structure of AAI's operations was sufficient to retain and properly motivate the Funds' current senior advisory personnel. Each Board concluded that the nature, extent and quality of the services provided by AAI and the Portfolio Managers were appropriate and consistent with the terms of the New Agreements and that the Fund was likely to continue to benefit from services provided under the Agreements.

Investment Performance

While each Board considered more recent performance information, each Board placed significant emphasis on its consideration of the longer-term investment performance of its Fund at the June Meeting in connection with the renewal of the Fund's existing agreements. At the June meeting, each Board reviewed the long-term and short-term investment performance of its Fund through March 31, 2011. In addition, each Board considered the performance of other investment companies and accounts managed by the Portfolio Managers and the performance of the allocated portions of its Fund in the context of the Portfolio Managers' different investment strategies and styles and the contribution of each Portfolio Manager to the Fund's overall strategy and performance. In that connection, the Boards also considered the long-term and short-term investment performance of the existing senior investment advisory personnel of AAI who are expected to continue managing the Funds after the Transaction.

The performance information previously provided demonstrated to each Board a generally consistent pattern of favorable long-term performance of each Fund, which supported the renewal of the Existing Agreements and the approval of the New Agreements. Among other information addressed at the June Meeting, the Boards considered the fact that the returns of the Funds were strong on an absolute and relative basis in 2010 and the first quarter of 2011. In particular, the Equity Fund Board considered that the Equity Fund's performance results exceeded those of the Lipper Large-Cap Core Mutual Fund Average for the year-to-date, one year, three year and ten-year periods, with the exception of the five and twenty-year period which ranked in the 56th percentile. Also, the Equity Fund equaled or exceeded the S&P 500 for the year-to-date, one year, three year and ten year periods while trailing for the five year and twenty year period. The Growth Fund Board also considered that the Growth Fund's performance results exceeded those of the Lipper Multi-Cap Growth Mutual Fund Average, and the Russell 3000[®] Growth Index for all relevant periods.

Costs of the Services to be Provided to the Funds

Each Board noted that the management fees payable by its Fund to AAI and by AAI to the Portfolio Managers under the New Agreements are the same as the fee rates payable under the Existing Agreements. The Boards gave substantial consideration to its evaluation of the management fees payable by the Funds and the Funds' total expense ratio at the June Meeting. The Boards considered that the Funds' expense ratios were not expected to increase as a result of the Transaction. In addition, the Boards noted that shareholders would not bear any costs in connection with the Transaction, inasmuch as ALPS Holdings will bear the costs, fees and expenses incurred by the Funds in connection with the Proxy Statement, the fees and expenses of accountants and attorneys relating to the Transaction and Proxy Statement, and any other fees and expenses incurred by the Funds in connection with the Transaction.

At the June Meeting, the Boards reviewed the fees paid by the Funds to AAI and the fees paid by AAI to the Portfolio Managers as well as information provided by AAI about the management fees and overall expense ratio, for closed-end growth, core and value funds and multi-manager open-end equity funds selected by Lipper. At the June Meeting, the Equity Fund Board noted that the Equity Fund's management fee and total expense ratio were lower than the Lipper median for closed-end growth, core and value funds, but that the Growth Fund's management fee and total expense ratio were higher. The Boards also noted that both Funds

management fee was higher than the median for multi-manager open-end equity funds, but that the Equity Fund's total expense ratio was lower. Each Board determined, however, that the higher contractual management fees and expense ratios were generally consistent with the higher costs and greater complexity associated with multi-manager funds. The Growth Fund Board also considered the additional expense incurred by the Growth Fund as a result of the proxy solicitation by dissident shareholders, which increased the Fund's total expense ratio.

At the June Meeting, the Boards noted that AAI did not have any institutional clients with investment objectives and strategies comparable to those of the Funds. Each Board reviewed the breakpoint schedules that lower the management fee rate as its Fund's assets increase. The Boards also considered the management fees paid to the Portfolio Managers and the fee rates charged by the Portfolio Managers to their other accounts, including institutional accounts. The Boards considered that the Portfolio Managers were paid by AAI, not the Funds. The Boards also considered the differences in the level of services provided and the differences in responsibility of AAI and the Portfolio Managers to the Funds and to other accounts. The Boards concluded that the management fees payable by the Funds to AAI and the fees payable by AAI to the Portfolio Managers were reasonable in relation to the nature and quality of the services provided, taking into account the management fees paid by closed-end growth, core and value funds and open-end equity mutual funds.

Profitability and Costs of Services to AAI

The Boards reviewed the materials it received regarding DST's capital resources. Each Board also reviewed the materials provided by AAI at the June Meeting regarding its profitability with respect to its Fund, calculated for the year ended December 31, 2010, as well as overall profitability information relating to the calendar years ended December 31, 2009 and 2008. In reviewing the information, attention was given to the methodology followed in allocating costs to the Funds, it being recognized that allocation methodologies are inherently subjective and various allocation methodologies may be reasonable while producing different results. In this respect, the Boards noted that, while being continuously refined, AAI's cost allocation methodology was consistent with that followed in profitability report presentations for the Funds made in prior years. The Boards took into account management's ongoing costs and expenditures in providing and improving services for the Funds as well as the ongoing need to meet regulatory and compliance requirements resulting from SEC rules and other regulatory requirements. In addition, the Boards considered information prepared by management comparing the profitability of AAI on an overall basis as compared to other company managers. The Boards also considered the extent to which AAI and its affiliates might derive ancillary benefits from the Funds, noting that AFS, an affiliate of AAI serves as the Fund's administrator and receives compensation for acting in this capacity.

The Boards considered that AAI has advised the Boards that it does not regard Portfolio Manager profitability as meaningful to an evaluation of the New Portfolio Manager Agreements because the willingness of the Portfolio Managers to serve in such capacity depends primarily upon arm's-length negotiations with AAI, AAI generally is aware of the fees charged by the Portfolio Managers to other clients, and AAI believes that the fees agreed upon with the Portfolio Managers are reasonable in light of the quality of investment advisory services rendered. The Boards accepted AAI's explanations in light of the Boards' findings as to the reasonableness of the aggregate management fees paid by the Funds and the fact that each Portfolio Manager's fee is paid by AAI and not the Funds. The Boards acknowledged that, as a business matter, AAI was entitled to earn reasonable profits for its services to the Funds. The Boards determined that AAI's profitability was reasonable in relation to the services provided and to the costs of providing management services to the Funds and supported the approval of the New Agreements.

Extent of Economies of Scale as the Funds Grow and Whether Fee Levels Reflect Economies of Scale

With respect to economies of scale, the Boards considered whether the Transaction would provide certain benefits to the Funds. Each Board considered that the fee schedules for each Fund, which will remain the same under the New Agreement, include breakpoints to account for management economies of scale.

The Boards also placed significant emphasis on its consideration at the June Meeting on whether economies of scale are realized by AAI as the Funds grow larger and the extent to which this is reflected in the level of management fees charged. The Boards reviewed the fee breakpoint schedules under the New Agreements and concluded that the schedule reflects economies of scale with respect to the selection, evaluation and monitoring of Portfolio Managers and other services performed by AAI and the management of Fund assets by each Portfolio Manager. With respect to the Equity Fund, the Equity Fund Board noted that the Fund has reached an asset size at which the Fund and its shareholders are benefiting from reduced management fee rates due to breakpoints in the management fees. With regard to the Growth Fund, the Growth Fund Board recognized that, although the Fund is not currently at an asset level at which it can take advantage of the breakpoints in its fee schedule, the schedule is structured so that when the Fund's assets increase, economies of scale may be shared for the benefit of shareholders. Based on the foregoing, among other things, each Board concluded that the breakpoint schedules would allow the Funds to realize economies of scale, which supports approval of the New Agreements.

Benefits to be Derived by AAI from the Relationship with the Funds

The Boards considered the fall-out or ancillary benefits that may accrue to AAI, ALPS Holdings and DST as a result of their relationships with the Funds. The Boards noted that, at the June Meeting, the Boards had considered the benefits that may accrue to AAI in connection with their association with the Funds. However, in its consideration of the New Agreements, the Boards noted, among other things, that AAI and the Portfolio Managers may derive ancillary benefits from the Funds' operations. For example, under the Agreements, AAI may request that transactions giving rise to brokerage commissions be executed through brokers and dealers that provide brokerage or research services to the Funds or AAI. Each Portfolio Manager, through its position as a Portfolio Manager to the Funds, also may engage in soft dollar transactions. In advance of the June Meeting, the Boards received information regarding each Portfolio Manager's procedures for executing portfolio transactions for the allocated portion(s) of the Funds and each Portfolio Manager's soft dollar policies and procedures. In addition, the Boards considered that a Portfolio Manager may be affiliated with registered broker-dealers who may, from time to time, receive brokerage commissions from the Funds in connection with the purchase and sale of portfolio securities; provided however, that those transactions, among other things, must be consistent with seeking best execution. The Boards determined that the foregoing ancillary benefits were consistent with the renewal of the Agreements.

Conclusions

Based on its evaluation, each Board unanimously concluded that the terms of the New Agreements are reasonable, fair and in the best interests of its Fund and the Fund's shareholders. The Boards believe that the New Agreements will enable the Funds to continue to enjoy the high-quality investment management and sub-advisory services they have received in the past from AAI and each Portfolio Manager, at fee rates identical to the present rates, which the Boards deem appropriate, reasonable and in the best interests of the Funds and their shareholders. Each Board unanimously voted to approve and to recommend to the shareholders of its Fund that they approve the New Agreements.

Section 15(f) of the 1940 Act

Section 15(f) of the 1940 Act permits an investment adviser of a registered investment company (or any affiliated persons of the investment adviser) to receive any amount or benefit in connection with a sale of an interest in the investment adviser, provided that two conditions are satisfied.

First, an unfair burden may not be imposed on the investment company as a result of the sale of the interest, or any express or implied terms, conditions or understandings applicable to the sale of the interest. The term unfair burden, as defined in the 1940 Act, includes any arrangement during the two-year period after the transaction whereby the investment adviser (or predecessor or successor adviser), or any interested person of the adviser (as defined in the 1940 Act), receives or is entitled to receive any compensation, directly or indirectly, from the investment company or its security holders (other than fees for bona fide investment advisory or other services), or from any person in connection with the purchase or sale of securities or other property to, from or on behalf of the investment company (other than ordinary fees for bona fide principal underwriting services).

Second, during the three-year period after the transaction, at least 75% of the members of the investment company's board of trustees/directors cannot be interested persons (as defined in the 1940 Act) of the investment adviser or its predecessor.

Although the Transaction involves a merger of ALPS Holdings, the parent company of AAI, rather than the sale of (or a sale of an interest in) AAI, DST, ALPS Holdings and AAI intend for the Transaction to come within the safe harbor provided by section 15(f). The Boards have not been advised by DST, ALPS Holdings or AAI of any circumstances arising from the Transaction that might result in the imposition of an unfair burden on any Fund. Moreover, AAI has agreed that, for a period of not less than two years after the consummation of the Transaction, AAI will use reasonable best efforts to refrain from imposing, or agreeing to impose, any unfair burden on the Funds. At the present time, six (6) of seven (7) of the Trustees/Directors of each Fund are classified as Independent Trustees/Directors and following the Transaction, six (6) of seven (7) of the Trustees/Directors will continue to be classified as such. AAI has agreed to use its reasonable best efforts to ensure that no more than 25% of the Trustees/Directors are not interested persons (as defined in the 1940 Act) of AAI for a period of not less than three years after the completion of the Transaction.

Portfolio Transactions and Brokerage

The Funds' Portfolio Managers have discretion to select brokers and dealers to execute portfolio transactions initiated by that Portfolio Manager for the portion of the Fund's portfolio assets allocated to it, and to select the markets in which such transactions are to be executed. As with the Existing Portfolio Management Agreements, the New Portfolio Management Agreements provide, in substance, that in executing portfolio transactions and selecting brokers or dealers, the primary responsibility of the Portfolio Manager is to seek to obtain best net price and execution for the Fund.

The Portfolio Managers are authorized to cause a Fund to pay a commission to a broker or dealer who provides research products and services to the Portfolio Manager for executing a portfolio transaction which is in excess of the amount of commission another broker or dealer would have charged for effecting the same transaction. The Portfolio Manager must determine in good faith, however, that such commission was reasonable in relation to the value of the research products and services provided to it, viewed in terms of that particular transaction or in terms of all the client accounts (including the Fund) over which the Portfolio Manager exercises investment discretion. It is possible that certain of the services received by a Portfolio Manager attributable to a particular transaction will primarily benefit one or more other accounts for which investment discretion is exercised by the Portfolio Manager.

In addition, under the New Portfolio Management Agreements, the Portfolio Managers, in selecting brokers or dealers to execute portfolio transactions for the Funds, are authorized to consider (and AAI may request them to consider) brokers or dealers that provide to AAI, directly or through third parties, research products or services such as research reports; portfolio analyses; compilations of securities prices, earnings, dividends and other data; computer software, and services of one or more consultants. The commissions paid on such transactions may exceed the amount of commission another broker would have charged for effecting that transaction. Research products and services made available to AAI include performance and other qualitative and quantitative data relating to investment managers in general and the Portfolio Managers in particular; data relating to the historic performance of categories of securities associated with particular investment styles; mutual fund portfolio and performance data; data relating to portfolio manager changes by pension plan fiduciaries; and related computer software, all of which are used by AAI in connection with its selection and monitoring of Portfolio Managers, the assembly of an appropriate mix of investment styles, and the determination of overall portfolio strategies.

AAI from time to time reaches understandings with each of the Funds' Portfolio Managers as to the amounts of a Fund's portfolio transactions initiated by such Portfolio Manager that are to be directed to brokers and dealers which provide or make available research products and services to AAI and the commissions to be charged to the Fund in connection therewith. These amounts may differ among the Portfolio Managers based on the nature of the market for the types of securities managed by them and other factors.

Although the Funds do not permit a Portfolio Manager to act or to have a broker-dealer affiliate act as broker for Fund portfolio transactions initiated by it, the Portfolio Managers are permitted to place Fund portfolio transactions initiated by them with another Portfolio Manager or its broker-dealer affiliate for execution on an agency basis, provided that the commission does not exceed the usual and customary broker's commission being paid to other brokers for comparable transactions and is otherwise in accordance with the Funds' procedures adopted pursuant to Rule 17e-1 under the Investment Company Act.

For the fiscal year ended December 31, 2010, the Fund did not pay commissions to any affiliated broker.

On February 15, 2000, the Securities and Exchange Commission (the "SEC") issued each Fund exemptive relief from Sections 10(f), 17(a) and 17(e) and Rule 17e-1 under the 1940 Act to permit (1) broker-dealers which are, or are affiliated with, Portfolio Managers of the Fund to engage in principal transactions with, and provide brokerage services to, portion(s) of the Fund advised by another Portfolio Manager, and (2) the Fund to purchase securities either directly from a principal underwriter which is an affiliate of a Portfolio Manager or from an underwriting syndicate of which a principal underwriter is affiliated with a Portfolio Manager of the Fund. The Funds currently rely on Rule 17a-10 under the 1940 Act rather than this exemptive relief.

For the fiscal year ended December 31, 2010, the Funds did not pay commissions to any affiliated broker.

Growth Fund opted into the Maryland Control Share Acquisition Act (the MCSAA). Subsequent to the Fund s opt in, the SEC issued a no-action letter that raises questions regarding whether opting in to the MCSAA is consistent with Section 18(i) of the 1940 Act. The Fund is evaluating this letter and is determining what impact, if any, the letter has on the Fund and its ability to rely on the MCSAA.

The Trustees/Directors and named executive officers of each Fund, in the aggregate, owned less than 1% of each class of the Fund's outstanding shares of stock as of December 31, 2010.

Since the beginning of each Fund's most recently completed fiscal year, no Trustee/Director sold securities exceeding 1% of the outstanding securities of any class of AAI or any Portfolio Manager or of such entity's parents or subsidiaries.

As of December 31, 2010, no Independent Trustee/Director or nominee or any of their immediate family members owned beneficially or of record any class of securities of ALPS Holdings, another investment adviser, sub-adviser or Portfolio Manager of either of the Funds or any person controlling, controlled by or under common control with any such entity (except as noted in the next paragraph).

During the past five calendar years, Mr. Richard Lowry and Mr. John Benning (Trustee/Director of the Funds) have had a material interest in a trust (approximately \$5.3 million and \$1.6 million, respectively, as of December 31, 2010), which owns units of a limited partnership whose investments are managed by Weatherbie, a Portfolio Manager of the Growth Fund, and whose general partner is Weatherbie Limited Partnership. During the past five calendar years, Messrs. Lowry and Benning have had an interest in Cheetah Investment Partnership, LP (approximately \$3.1 million and \$387,918, respectively, as of December 31, 2010) which is managed by Arnold Schneider, President and Chief Investment Officer of Schneider Capital Management Corp., a Portfolio Manager of the Equity Fund.

Payment of Solicitation Expenses

ALPS Holdings will pay the expenses of the preparation, printing and mailing of this Proxy Statement and its enclosures and of all solicitations. Broadridge Financial Solutions, Inc., a proxy solicitation firm, has been engaged to assist in the solicitation of proxies. The aggregate cost of retaining such proxy solicitation firm is expected to be about \$99,725 plus expenses in connection with the solicitation of proxies. ALPS Holdings will reimburse brokerage firms and others for their expenses in forwarding solicitation material to the shareholders. If you do not vote your shares, you may be called by Broadridge Financial Solutions, our proxy solicitor to vote your shares. In addition to the solicitation of proxies by mail, employees of the Fund and its affiliates as well as dealers or their representatives may, without additional compensation, solicit proxies in person or by mail, telephone, facsimile or oral communication.

Other Business

The Board knows of no other business to be brought before the Meeting. However, if any other matters properly come before the Meeting, it is the intention of the Board that proxies that do not contain specific instructions to the contrary will be voted on such matters in accordance with the judgment of the persons designated therein as proxies.

Submission of Certain Shareholder Proposals

Under the SEC's proxy rules, and subject to changes by the Board, stockholder proposals meeting tests contained in those rules may, under certain conditions, be included in the Fund's proxy material for a particular annual stockholder meeting. Under the foregoing proxy rules, proposals submitted for inclusion in the proxy material for the 2012 Annual Meeting must be received by the Growth Fund on or before December 17, 2011 or by the Equity Fund on or before December 31, 2011. The fact that the Fund receives a stockholder proposal in a timely manner does not ensure its inclusion in its proxy material, since there are other requirements in the proxy rules relating to such inclusion.

Growth Fund shareholders who wish to make a proposal that would not be included in the Growth Fund's proxy materials or to nominate a person or persons as Director at the Growth Fund's 2012 Annual Meeting must ensure that the proposal or nomination is delivered to the Secretary of the Growth Fund no earlier than November 17, 2011 and no later than December 17, 2011. If the date of the Growth Fund 2012 Annual Meeting is held before May 31, 2012 or after July 30, 2012, then the proposal or nomination must be received by the later of 120 days prior to the annual meeting or the tenth day following the date that a public announcement of the meeting is first made.

Equity Fund shareholders who wish to make a proposal that would not be included in the Equity Fund's proxy materials or to nominate a person or persons as Trustee at the Equity Fund's 2012 Annual Meeting must ensure that the proposal or nomination is delivered to the Secretary of the Equity Fund no earlier than December 1, 2011 and no later than December 31, 2011. If the date of the Equity Fund 2012 Annual Meeting is held before January 31, 2012 or after April 29, 2012, then the proposal or nomination must be received by the later of 120 days prior to the annual meeting or the tenth day following the date that a public announcement of the meeting is first made.

Any such proposal or nomination must be in good order and in compliance with all applicable legal requirements and the requirements set forth in each Fund's Restated By-laws. The chairman of the annual meeting may refuse to acknowledge any proposal or nomination that does not meet the legal and By-law requirements.

You must submit any stockholder proposals and nominations to the Secretary of the Funds, 1290 Broadway, Suite 1100, Denver, Colorado 80203.

The persons named as proxies for the Special Meeting will have discretionary authority to vote on all matters presented at the meeting consistent with SEC's proxy rules.

Shareholder Reports

Each Fund has previously sent its most recent Annual Report dated December 31, 2010 to its Shareholders. You may obtain a copy of either report, free of charge, by writing to the Funds c/o ALPS Fund Services, inc., 1290 Broadway, Suite 1100, Denver, CO 80203, or by calling 1-800-241-1850.

VOTING INFORMATION

Voting Rights

Only Shareholders of record of a Fund on the Record Date may vote. Shareholders of record on the Record Date are entitled to be present and to vote at the Meeting. Each share or fractional share is entitled to one vote or fraction thereof. Each Fund's Shareholders will vote separately on each proposal with respect to that Fund. If you are a Shareholder of more than one Fund, you will be voting on each proposal separately with respect to each Fund in which you hold shares.

Each proxy solicited by the Boards of Trustees/Directors which is properly executed and returned in time to be voted at the Meeting will be voted at the Meeting in accordance with the instructions on the proxy. Any proxy may be revoked at any time prior to its use by written notification received by the Funds' Secretary, by the execution and delivery of a later-dated proxy, or by attending the Meeting and voting in person. Any letter of revocation or later-dated proxy must be received by the Funds prior to the Meeting and must indicate your name and account number to be effective. Proxies voted by telephone or Internet may be revoked at any time before they are voted at the Meeting in the same manner that proxies voted by mail may be revoked.

For Proposals 1 and 2, the Funds understand that the NYSE has taken the position that broker-dealers that are members of the NYSE and that have not received instructions from a customer prior to the date specified in the broker-dealer firms' request for voting instructions may not vote such customer's shares on a new investment advisory contract. Therefore, NYSE broker-dealers that have not received customer instructions will not be permitted to vote customer shares with respect to Proposal 1 regarding the New Fund Management Agreements or Proposal 2 regarding the New Portfolio Management Agreements. A signed proxy card or other authorization by a beneficial owner of Fund shares that does not specify how the beneficial owner's shares are to be voted on a proposal may be deemed to be an instruction to vote such shares in favor of the applicable proposal.

Abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum is present.

Broker non-votes occur where: (i) shares are held by brokers or nominees, typically in street name; (ii) instructions have not been received from the beneficial owners or persons entitled to vote the shares; and (iii) the broker or nominee does not have discretionary voting power on a particular matter.

Quorum; Adjournment

For each Fund, a majority of the shares outstanding on the Record Date and entitled to vote, present and in person or represented by proxy, constitutes a quorum for the transaction of business by the Shareholders of that Fund at the Meeting. In the event a quorum is present at the Meeting, but sufficient votes to approve a proposal have not been received or in the discretion of such persons, the Chairman of the meeting or, in the case of the Equity Fund, persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. A Shareholder vote may be taken on one or more of the proposals referred to above prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. In the event of an adjournment, no notice is required other than an announcement at the meeting at which adjournment is taken.

Vote Required

Shareholders of each Fund must separately approve the New Fund Management Agreement and each New Portfolio Management Agreement for such Fund. Approval of each of Proposal 1 and 2 by a Fund will require the affirmative vote of a majority of the outstanding voting securities of the Fund as defined in the Investment

Company Act. This means the lesser of (1) 67% or more of the shares of the Fund present at the Meeting if more than 50% of the outstanding shares of the Fund are present in person or represented by proxy, or (2) more than 50% of the outstanding shares of the Fund.

If the Shareholders of a Fund approve the New Fund Management Agreement and the New Portfolio Management Agreements for such Fund, their effectiveness is conditioned upon the Closing, which in turn is conditioned on the satisfaction or waiver of certain conditions set forth in the agreement related to the Transaction including, among other things: (1) obtaining consent to the Transaction by a certain percentage of ALPS Holdings' clients representing an agreed upon percentage of the annualized revenue of ALPS Holdings and its subsidiaries (including AAI); and (2) DST, AAI and ALPS Holdings obtaining any necessary regulatory approvals. If the conditions noted in the prior sentence are not met, the Existing Fund Management Agreement and the Existing Portfolio Management Agreements will remain in effect. If the proposals described in this Proxy Statement are approved by Shareholders of a Fund, they will not become effective until the Closing.

To assure the presence of a quorum at the Meeting, please promptly execute and return the enclosed proxy. A self-addressed, postage-paid envelope is enclosed for your convenience. Alternatively, you may vote by telephone or through the Internet at the number or website address printed on the enclosed proxy card(s).

To the extent authorized by said Section 28(e) and the Board of [Directors/Trustees], the Manager shall not be deemed to have acted unlawfully or to have breached any duty created by this Agreement or otherwise solely by reason of such action.

FORM PORTFOLIO MANAGEMENT AGREEMENT

[PORTFOLIO MANAGER]

_____, 2011

Re: Portfolio Management Agreement

Ladies and Gentlemen:

Liberty All-Star _____ Fund (the Fund) is a diversified closed-end investment company registered under the Investment Company Act of 1940, as amended (the Act), and is subject to the rules and regulations promulgated thereunder.

ALPS Advisors, Inc. (the Fund Manager) evaluates and recommends portfolio managers for the assets of the Fund, and the Fund Manager or an affiliate of the Fund Manager is responsible for the day-to-day Fund administration of the Fund.

1. Employment as a Portfolio Manager. The Fund, being duly authorized, hereby employs _____ (Portfolio Manager) as a discretionary portfolio manager, on the terms and conditions set forth herein, of that portion of the Fund's assets which the Fund Manager determines to assign to the Portfolio Manager (those assets being referred to as the Portfolio Manager Account). The Fund Manager may, from time to time, allocate and reallocate the Fund's assets among the Portfolio Manager and the other portfolio managers of the Fund's assets. The Portfolio Manager will be an independent contractor and will have no authority to act for or represent the Fund or the Fund Manager in any way or otherwise be deemed to be an agent of the Fund or the Fund Manager except as expressly authorized in this Agreement or in another writing by the Fund Manager and the Portfolio Manager. The Portfolio Manager's responsibilities for providing portfolio management services to the Fund shall be limited to the Portfolio Manager Account.

2. Acceptance of Employment: Standard of Performance. The Portfolio Manager accepts its employment as a discretionary portfolio manager and agrees to use its best professional judgment to make timely investment decisions for the Portfolio Manager Account in accordance with the provisions of this Agreement.

3. Portfolio Management Services of Portfolio Manager.

A. In providing portfolio management services to the Portfolio Manager Account, the Portfolio Manager shall be subject to the Fund's Declaration of Trust and By-Laws, as amended from time to time, investment objectives, policies and restrictions of the Fund as set forth in its Prospectus and Statement of Additional Information, as the same may be modified from time to time (together, the Prospectus), the investment objectives, policies and restrictions of the Fund as determined from time to time by the Board of Trustees, and the investment and other restrictions set forth in the Act and the rules and regulations thereunder, to the supervision and control of the Board of Trustees of the Fund, and to instructions from the Fund Manager. The Portfolio Manager shall not, without the prior approval of the Fund or the Fund Manager, effect any transactions that would cause the Portfolio Manager Account, treated as a separate fund, to be out of compliance with any of such restrictions or policies. The Portfolio Manager shall not consult with any other portfolio manager of the Fund concerning transactions for the Fund in securities or other assets.

B. As part of the services it will provide hereunder, the Portfolio Manager will:

- (i) formulate and implement a continuous investment program for the Portfolio Manager Account;
- (ii) take whatever steps are necessary to implement the investment program for the Portfolio Manager Account by arranging for the purchase and sale of securities and other investments;

Edgar Filing: LIBERTY ALL STAR GROWTH FUND INC. - Form PRE 14A

- (iii) keep the Fund Manager and the Board of Trustees of the Fund fully informed in writing on an ongoing basis, as agreed by the Fund Manager and the Portfolio Manager, of all material facts concerning the investment and reinvestment of the assets in the Portfolio Manager Account, the Portfolio Manager and its key investment personnel and operations; make regular and periodic special written reports of such additional information concerning the same as may reasonably be requested from time to time by the Fund Manager or the Trustees of the Fund; attend meetings with the Fund Manager and/or Trustees, as

C-1

reasonably requested, to discuss the foregoing and such other matters as may be requested by the Fund Manager or Trustees;

- (iv) in accordance with procedures and methods established by the Trustees of the Fund, which may be amended from time to time, provide assistance in determining the fair value of all securities and other investments/assets in the Portfolio Manager Account, as necessary, and use reasonable efforts to arrange for the provision of valuation information or a price(s) from a party(ies) independent of the Portfolio Manager for each security or other investment/asset in the Portfolio Manager Account for which market prices are not readily available; and
- (v) cooperate with and provide reasonable assistance to the Fund Manager, the Fund's administrator, custodian, transfer agent and pricing agents and all other agents and representatives of the Fund and the Fund Manager; keep all such persons fully informed as to such matters as they may reasonably deem necessary to the performance of their obligations to the Fund and the Fund Manager; provide prompt responses to reasonable requests made by such persons; and maintain any appropriate interfaces with each so as to promote the efficient exchange of information.

4. Transaction Procedures. All portfolio transactions for the Portfolio Manager Account will be consummated by payment to or delivery by the custodian of the Fund (the Custodian), or such depositories or agents as may be designated by the Custodian in writing, as custodian for the Fund, of all cash and/or securities due to or from the Portfolio Manager Account, and the Portfolio Manager shall not have possession or custody thereof or any responsibility or liability with respect to such custody. The Portfolio Manager shall advise and confirm in writing to the Custodian all investment orders for the Portfolio Manager Account placed by it with brokers and dealers at the time and in the manner set forth in Schedule A hereto (as amended from time to time by the Fund Manager). The Fund shall issue to the Custodian such instructions as may be appropriate in connection with the settlement of any transaction initiated by the Portfolio Manager. The Fund shall be responsible for all custodial arrangements and the payment of all custodial charges and fees, and, upon giving proper instructions to the Custodian, the Portfolio Manager shall have no responsibility or liability with respect to custodial arrangements or the acts, omissions or other conduct of the Custodian.

5. Allocation of Brokerage. The Portfolio Manager shall have authority and discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the Portfolio Manager Account, and to select the markets on or in which the transaction will be executed.

A. In doing so, the Portfolio Manager's primary responsibility shall be to seek to obtain best net price and execution for the Fund. However, this responsibility shall not obligate the Portfolio Manager to solicit competitive bids for each transaction or to seek the lowest available commission cost to the Fund, so long as the Portfolio Manager reasonably believes that the broker or dealer selected by it can be expected to obtain a best execution market price on the particular transaction and determines in good faith that the commission cost is reasonable in relation to the value of the brokerage and research services (as defined in Section 28(e)(3) of the Securities Exchange Act of 1934) provided by such broker or dealer to the Portfolio Manager viewed in terms of either that particular transaction or of the Portfolio Manager's overall responsibilities with respect to its clients, including the Fund, as to which the Portfolio Manager exercises investment discretion, notwithstanding that the Fund may not be the direct or exclusive beneficiary of any such services or that another broker may be willing to charge the Fund a lower commission on the particular transaction.

B. Subject to the requirements of paragraph A above, the Fund Manager shall have the right to request that transactions giving rise to brokerage commissions, in an amount to be agreed upon by the Fund Manager and the Portfolio Manager, shall be executed by brokers and dealers that provide brokerage or research services to the Fund Manager, or as to which an on-going relationship will be of value to the Fund in the management of its assets, which services and relationship may, but need not, be of direct benefit to the Portfolio Manager Account. Notwithstanding any other provision of this Agreement, the Portfolio Manager shall not be responsible under paragraph A above with respect to transactions executed through any such broker or dealer.

C. The Portfolio Manager shall not execute any portfolio transactions for the Portfolio Manager Account with a broker or dealer which is an affiliated person (as defined in the Act) of the Fund, the Portfolio Manager or any other portfolio manager of the Fund without the prior written approval of the Fund. The Fund Manager will provide the Portfolio Manager with a list of brokers and dealers which are affiliated persons of the Fund or its portfolio managers.

6. Proxies. The Fund Manager will vote all proxies solicited by or with respect to the issuers of securities in which assets of the Portfolio Manager Account may be invested from time to time in accordance with such policies as shall be determined by the Fund Manager, and reviewed and approved by the Board of Trustees. Upon the written request of the Fund Manager, the Portfolio Manager will vote all proxies solicited by or with respect to the issuers of securities in which assets of the Portfolio Manager Account may be invested from time to time in accordance with such policies as shall be determined by the Fund Manager, and reviewed and approved by the Board of Trustees.

7. Fees for Services. The compensation of the Portfolio Manager for its services under this Agreement shall be calculated and paid by the Fund Manager in accordance with the attached Schedule C. Pursuant to the Fund Management Agreement between the Fund and the Fund Manager, the Fund Manager is solely responsible for the payment of fees to the Portfolio Manager, and the Portfolio Manager agrees to seek payment of its fees solely from the Fund Manager.

8. Other Investment Activities of Portfolio Manager. The Fund acknowledges that the Portfolio Manager or one or more of its affiliates has investment responsibilities, renders investment advice to and performs other investment advisory services for other individuals or entities (Client Accounts), and that the Portfolio Manager, its affiliates or any of its or their directors, officers, agents or employees may buy, sell or trade in any securities for its or their respective accounts (Affiliated Accounts). Subject to the provisions of paragraph 2 hereof, the Fund agrees that the Portfolio Manager or its affiliates may give advice or exercise investment responsibility and take such other action with respect to other Client Accounts and Affiliated Accounts which may differ from the advice given or the timing or nature of action taken with respect to the Portfolio Manager Account, provided that the Portfolio Manager acts in good faith, and provided further, that it is the Portfolio Manager's policy to allocate, within its reasonable discretion, investment opportunities to the Portfolio Manager Account over a period of time on a fair and equitable basis relative to the Client Accounts and the Affiliated Accounts, taking into account the cash position and the investment objectives and policies of the Fund and any specific investment restrictions applicable thereto. The Fund acknowledges that one or more Client Accounts and Affiliated Accounts may at any time hold, acquire, increase, decrease, dispose of or otherwise deal with positions in investments in which the Portfolio Manager Account may have an interest from time to time, whether in transactions which involve the Portfolio Manager Account or otherwise. The Portfolio Manager shall have no obligation to acquire for the Portfolio Manager Account a position in any investment which any Client Account or Affiliated Account may acquire, and the Fund shall have no first refusal, co-investment or other rights in respect of any such investment, either for the Portfolio Manager Account or otherwise.

9. Limitation of Liability. The Portfolio Manager shall not be liable for any action taken, omitted or suffered to be taken by it in its reasonable judgment, in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement, or in accordance with (or in the absence of) specific directions or instructions from the Fund, provided, however, that such acts or omissions shall not have resulted from the Portfolio Manager's willful misfeasance, bad faith or gross negligence, a violation of the standard of care established by and applicable to the Portfolio Manager in its actions under this Agreement or breach of its duty or of its obligations hereunder (provided, however, that the foregoing shall not be construed to protect the Portfolio Manager from liability in violation of Section 17(i) of the Act).

10. Confidentiality. Subject to the duty of the Portfolio Manager, the Fund Manager and the Fund to comply with applicable law, including any demand of any regulatory or taxing authority having jurisdiction, the parties hereto shall treat as confidential all information pertaining to the Portfolio Manager Account and the actions of the Portfolio Manager and the Fund in respect thereof.

11. Assignment. This Agreement shall terminate automatically in the event of its assignment, as that term is defined in Section 2(a)(4) of the Act. The Portfolio Manager shall notify the Fund in writing sufficiently in advance of any proposed change of control, as defined in Section 2(a)(9) of the Act, as will enable the Fund to consider whether an assignment as defined in Section 2(a)(4) of the Act will occur, and whether to take the steps necessary to enter into a new contract with the Portfolio Manager. Should the Fund enter into a new contract with the Portfolio Manager in connection with an assignment, the Portfolio Manager agrees to pay all costs and expenses incurred by the Fund to obtain shareholder approval of the new contract, including costs associated with the preparation and mailing of the Fund's proxy statement and shareholder meeting and proxy solicitation fees.

12. Representations, Warranties and Agreements of the Fund. The Fund represents, warrants and agrees that:

A. The Portfolio Manager has been duly appointed to provide investment services to the Portfolio Manager Account as contemplated hereby.

B. The Fund will deliver to the Portfolio Manager a true and complete copy of its then current Prospectus as effective from time to time and such other documents governing the investment of the Portfolio Manager Account and such other information as is necessary for the Portfolio Manager to carry out its obligations under this Agreement.

13. Representations, Warranties and Agreements of the Portfolio Manager. The Portfolio Manager represents, warrants and agrees that:

A. It is registered as an investment adviser under the Investment Advisers Act of 1940, as amended (Advisers Act) and will continue to be so registered for as long as this Agreement remains in effect.

B. It will maintain, keep current and preserve on behalf of the Fund, in the manner required or permitted by the Act and the rules and regulations thereunder, the records required to be so kept by an investment adviser of the Fund in accordance with applicable law, including without limitation those identified in Schedule B (as Schedule B may be

C-3

amended from time to time by the Fund Manager). The Portfolio Manager agrees that such records are the property of the Fund, and will be surrendered to the Fund promptly upon request.

C. It has adopted a written code of ethics complying with the requirements of Rule 204A-1 under the Advisers Act and Rule 17j-1 under the Act and will provide the Fund Manager and the Board of Trustees with a copy of its code of ethics and evidence of its adoption. Within 45 days of the end of each year while this Agreement is in effect, or at any other time requested by the Fund Manager, an officer, director or general partner of the Portfolio Manager shall certify to the Fund that the Portfolio Manager has complied with the requirements of Rule 17j-1 and Rule 204A-1 during the previous year and that there has been no material violation of its code of ethics or, if such a violation has occurred, that appropriate action was taken in response to such violation. It will promptly notify the Fund Manager of any material change to its code of ethics or material violation of its code of ethics.

D. Upon request, the Portfolio Manager will promptly supply the Fund with any information concerning the Portfolio Manager and its stockholders, partners, employees and affiliates that the Fund may reasonably request in connection with the preparation of its registration statement (as amended from time to time), prospectus and statement of additional information (as supplemented and modified from time to time), proxy material, reports and other documents required to be filed under the Act, the Securities Act of 1933, or other applicable securities laws.

E. Reference is hereby made to the Declaration of Trust dated August 20, 1986 establishing the Fund, a copy of which has been filed with the Secretary of the Commonwealth of Massachusetts and elsewhere as required by law, and to any and all amendments thereto so filed or hereafter filed. The name Liberty All-Star Equity Fund refers to the Board of Trustees under said Declaration of Trust, as Trustees and not to the Trustees personally, and no Trustee, shareholder, officer, agent or employee of the Fund shall be held to any personal liability hereunder or in connection with the affairs of the Fund, but only the trust estate under said Declaration of Trust is liable under this Agreement. Without limiting the generality of the foregoing, neither the Portfolio Manager nor any of its officers, directors, partners, shareholders, agents or employees shall, under any circumstances, have recourse or cause or willingly permit recourse to be had directly or indirectly to any personal, statutory, or other liability of any shareholder, Trustee, officer, agent or employee of the Fund or of any successor of the Fund, whether such liability now exists or is hereafter incurred for claims against the trust estate, but shall look for payment solely to said trust estate, or the assets of such successor of the Fund.

F. The Portfolio Manager shall maintain and implement compliance procedures that are reasonably designed to ensure its compliance with Rule 206(4)-7 of the Advisers Act and to prevent violations of the Federal Securities Laws (as defined in Rule 38a-1 under the Act).

G. The Portfolio Manager will: (i) on the cover page of each Form 13F that the Portfolio Manager files with the Securities and Exchange Commission (the SEC), check the 13F Combination Report box and on the Form 13F Summary Page identify ALPS Advisors, Inc. as another manager for which the Portfolio Manager is filing the Form 13F report; (ii) within 60 days after the end of each calendar year, provide the Fund Manager with a certification that the Portfolio Manager's Form 13F was filed with the SEC on a timely basis and included all of the securities required to be reported by the SEC; (iii) within 60 days after the end of each calendar year, provide to the Fund Manager a copy of each Form 13F, or amendment to a Form 13F filed by it during the prior four quarters; and (iv) promptly notify the Fund Manager in the event the Portfolio Manager determines that it has failed to comply with Section 13(f) in a material respect, or receives a comment letter from the SEC raising a question with respect to compliance.

H. The Portfolio Manager has adopted written compliance policies and procedures reasonably designed to prevent violations of the Advisers Act and the rules promulgated thereunder and the Portfolio Manager agrees to provide: (a) from time to time, a copy and/or summary of such compliance policies and procedures and an accompanying certification certifying that the Portfolio Manager's compliance policies and procedures comply with the Advisers Act; (b) a report of the annual review determining the adequacy and effectiveness of the Portfolio Manager's compliance policies and procedures; and (c) the name of the Portfolio Manager's Chief Compliance Officer to act as a liaison for compliance matters that may arise between the Fund and the Portfolio Manager.

I. The Portfolio Manager will notify the Fund and the Fund Manager of any assignment of this Agreement or change of control of the Portfolio Manager, as applicable, and any changes in the key personnel who are either the portfolio manager(s) of the Portfolio Manager Account or senior management of the Portfolio Manager, in each case prior to or promptly after, such change. The Portfolio Manager agrees to bear all reasonable expenses of the Fund, if any, arising out of an assignment or change in control.

J. The Portfolio Manager agrees to maintain an appropriate level of errors and omissions or professional liability insurance coverage.

14. Amendment.
