The closing will occur on December 6, 2011, which will be more than three U.S. business days after the date of pricing. Rule 15c6-1 under the Securities Exchange Act of 1934 generally requires that securities trades in the secondary market settle in three business days, unless the parties to a trade expressly agree otherwise. Purchasers who wish to trade notes on the date of pricing or the immediately succeeding date will be required, by virtue of the fact that the notes will settle in 5 business days, to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement.
