CALCULATION OF FILING FEE

Transaction Valuation(1)	Amount of Filing Fee(2)
\$2,529,313,507.44	\$289,859.33

- (1) Calculated solely for purposes of determining the filing fee. The calculation assumes the purchase of 80,398,198 shares of voting common stock, par value \$0.001 per share. The transaction value also includes the aggregate offer price for 17,943,006 shares issuable pursuant to outstanding options and warrants with an exercise price less than \$26.00 per share, which is calculated by multiplying the number of shares underlying such outstanding options at each exercise price therefor by an amount equal to \$26.00 minus such exercise price.
- (2) The amount of the filing fee was calculated in accordance with Rule 0-11 of the Securities Exchange Act of 1934, as amended, and Fee Rate Advisory #3 for fiscal year 2012, issued September 29, 2011, by multiplying the transaction value by 0.0001146.

Item 11

(a) **Agreements, Regulatory Requirements and Legal Proceedings.** Item 11(a) of the Schedule TO is hereby amended and supplemented by adding the following paragraph immediately after the paragraph of the sub-section captioned "Stockholder Litigation."

On January 12, 2012, a purported stockholder class action complaint was filed in the Superior Court of Fulton County in the State of Georgia, captioned Jeremy Alber v. Inhibitex, Inc., et al., Civil Action No. 2012CV210222. The complaint names as defendants, the Company and the Individual Defendants. The complaint generally alleges that the Individual Defendants breached their fiduciary duties and that the Company aided and abetted the purported breaches of such fiduciary duties. The complaint includes, among others, allegations that the Individual Defendants breached their fiduciary duties by, initiating a sales process that undervalued the Company, vesting themselves and Parent with benefits not shared equally by public shareholders, capping the price of the Company at a level that does not adequately reflect the Company's true value and failing to sufficiently inform themselves of the value of the Company. The relief sought includes, among other things, an injunction prohibiting consummation of the proposed transaction, rescission (to the extent the proposed transaction has already been consummated), implementation of a constructive trust, in favor of plaintiffs, upon any benefits improperly received by the defendants and the payment of plaintiffs' attorneys' fees and costs. The Company believes the plaintiffs' allegations lack merit and will contest them. The foregoing description is qualified in its entirety by reference to the complaint which is filed as Exhibit (a)(7).

On January 13, 2012 a putative stockholder class action complaint was filed in the Court of Chancery of the State of Delaware, captioned John P. Hegarty v. Inhibitex, Inc., et al., Case No. 7175. The complaint names as defendants, the Company, the Individual Defendants, Parent and Purchaser. The complaint generally alleges that the Individual Defendants breached their fiduciary duties by failing to properly value the Company, failing to take steps to maximize the value of the Company and by agreeing to terms in the Merger Agreement that favor Purchaser and deter alternative bids. The complaint also alleges that Parent and Purchaser, by reason of their status as parties to the Merger Agreement and holders of non-public information, knowingly aided and abetted the purported breaches of such fiduciary duties. The relief sought includes, among other things, an injunction prohibiting the consummation of the proposed transaction and the payment of attorneys' fees and costs. The Company, Parent and Purchaser believe the plaintiffs' allegations lack merit and intend to vigorously defend the claims raised in the lawsuit. The foregoing description is qualified in its entirety by reference to the complaint which is filed as Exhibit (a)(8).
