**EXPLANATORY NOTE**

We are filing this Amendment No. 1 to our Annual Report on Form 10-K for the year ended December 30, 2011 because our EDGAR filing agent inadvertently omitted a portion of the sentences explaining the restrictions on payments of dividends contained in our credit facility in Item 5.

Pursuant to Rule 12b-15 under the Securities Exchange Act of 1934, as amended, this Form 10-K/A also contains new certifications pursuant to Section 302 of the Sarbanes-Oxley Act of 2002, which are attached hereto. Because no financial statements have been included in this Form 10-K/A and this Form 10-K/A does not contain or amend any disclosure with respect to Items 307 and 308 of Regulation S-K, paragraphs 3, 4, and 5 of the certifications have been omitted.

Except as described above, no other changes have been made to the Original Filing, and this Form 10-K/A does not modify, amend or update in any way any of the financial or other information contained in the Original Filing. This Form 10-K/A does not reflect events that may have occurred subsequent to the filing date of the Original Filing.

**Stock Repurchase Program**

In January 2008, our board of directors authorized a stock repurchase program, authorizing us to repurchase up to \$250 million of our common stock. We repurchased approximately 2,576,000 shares of common stock in open market purchases at an average price of \$28.67 per share, for a total of \$73.8 million in 2010. No shares of common stock were repurchased in 2009 and 2011. The purchase price was reflected as a decrease to common stock based on the average stated value per share with the remainder to retained earnings. Common stock repurchases under the program were recorded based upon the trade date for accounting purposes. All common shares repurchased under this program have been retired. In October 2011, our board of directors approved a new stock repurchase program, authorizing us to repurchase up to \$100.0 million of our common stock. This authorization superseded the 2008 Stock Repurchase Program, thus there are no remaining authorized funds under the 2008 Stock Repurchase Program. The timing and actual number of future shares repurchased will depend on a variety of factors including price, regulatory requirements, capital availability, and other market conditions. The program does not require the purchase of any minimum number of shares and may be suspended or discontinued at any time without public notice.

As of February 21, 2012, there were approximately 837 holders of record of our common stock.

**Dividend Policy**

We have not declared or paid any cash dividends on our common stock during any period for which financial information is provided in this Annual Report on Form 10-K. At this time, we intend to retain future earnings, if any, to fund the development and growth of our business and do not anticipate paying any cash dividends on our common stock in the foreseeable future.

Under the existing terms of our credit facility, we may pay dividends and repurchase shares of our common stock so long as no default or event of default exists and the leverage ratio as of the end of the most recent fiscal quarter is less than 3.00:1.00 after giving pro forma effect to certain restricted payments and to any incurrence or repayment of indebtedness after the end of the fiscal quarter. We may also pay dividends and repurchase shares of our common stock so long as (1) no default or event of default exists, (2) the dividend or repurchase is not permitted by any other exception in the restricted payments covenant and (3) the amount of such dividend or repurchase, when aggregated with all other restricted payments made in the fiscal quarter of such proposed dividend or repurchase and the three immediately preceding fiscal quarters, does not exceed the sum of fifty percent (50%) of net income plus, to the extent deducted in determining such net income, non-cash expenses in respect of stock options, for four fiscal quarters then most recently ended. Otherwise, dividends and share repurchases are restricted by our 2011 Credit Facility.

**SIGNATURES**

Pursuant to the requirements of Section 13 or 15(d) of the Securities Exchange Act of 1934, the registrant has duly caused this Report on Form 10-K/A to be signed on its behalf by the undersigned, thereunto duly authorized.
