You are cordially invited to attend the 2012 annual meeting of stockholders of Las Vegas Sands Corp., which will be held on June 7, 2012 at 2:00 p.m., New York time, at the Sheraton New York Hotel & Towers located at 811 Seventh Avenue, New York, New York 10019.

Details regarding admission to the meeting and the business to be presented at the meeting can be found in the accompanying Notice of Annual Meeting and Proxy Statement.

This year we again are pleased to take advantage of Securities and Exchange Commission rules that allow companies to furnish proxy materials to stockholders via the Internet. We believe that these rules allow us to provide our stockholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of producing and distributing materials for our annual meeting. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the *Notice*) to our stockholders of record and beneficial owners, unless they have directed us to provide the materials in a different manner. The Notice provides instructions on how to access and review all of the important information contained in the accompanying Proxy Statement and Annual Report to Stockholders, as well as how to submit a proxy by telephone or over the Internet. If you receive the Notice and would still like to receive a printed copy of our proxy materials, instructions for requesting these materials are included in the Notice. The Company plans to mail the Notice to stockholders by April 27, 2012. The Company will continue to mail a printed copy of this Proxy Statement and form of proxy to certain stockholders, and it expects that mailing to begin on or about April 27, 2012.

Your vote is important. Whether or not you are able to attend, it is important that your shares be represented at the meeting. Please follow the instructions in the Notice and vote as soon as possible.

On behalf of the Board of Directors and the management of Las Vegas Sands Corp., thank you very much for your support.

PROXY STATEMENT

PROXY AND VOTING INFORMATION

Our Board of Directors (the *Board*) has provided you with these proxy materials in connection with its solicitation of proxies to be voted at the annual meeting of stockholders. We will hold the annual meeting on Thursday, June 7, 2012, at the Sheraton New York Hotel & Towers located at 811 Seventh Avenue, New York, New York 10019, beginning at 2:00 p.m., New York time. Please note that throughout these proxy materials we may refer to Las Vegas Sands Corp. as the Company, we, us, or our.

We are sending a Notice of Internet Availability of Proxy Materials (the *Notice*) to our stockholders of record and beneficial owners, unless they have directed us to provide the materials in a different manner. The Notice provides instructions on how to access and review all of the important information contained in this Proxy Statement, as well as how to submit a proxy by telephone or over the Internet. If you receive the Notice and would still like to receive a printed copy of our proxy materials, instructions for requesting these materials are included in the Notice. The Company plans to mail the Notice to stockholders by April 27, 2012. The Company will continue to mail a printed copy of this Proxy Statement and form of proxy to certain stockholders, and it expects that mailing to begin on or about April 27, 2012.

Who Can Vote

Only stockholders of record of the Company's Common Stock, \$0.001 par value per share (the *Common Stock*), as of April 13, 2012, will be entitled to vote at the meeting or any adjournment thereof.

How Many Shares Can Be Voted

The authorized capital stock of the Company presently consists of 1,000,000,000 shares of Common Stock. At the close of business on April 13, 2012, 822,739,856 shares of Common Stock were outstanding and entitled to vote. Each stockholder is entitled to one vote for each share held of record on that date on all matters that may come before the meeting. There is no cumulative voting in the election of directors.

How You Can Vote

You may attend the annual meeting and vote your shares in person. You may also grant your proxy to vote by telephone or through the Internet by following the instructions included on the Notice, or by returning a signed, dated and marked proxy card if you received a paper copy of the proxy card.

The presence, in person or by proxy, of the holders of at least a majority of the total number of outstanding shares of the Common Stock is necessary to constitute a quorum at the meeting. If you are the beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, must vote those shares in accordance with your instructions. In accordance with the rules of the New York Stock Exchange (the *NYSE*), a brokerage firm may give a proxy to vote its customer's stock without customer instructions if the brokerage firm (i) transmitted proxy materials to the beneficial owner of the stock, (ii) did not receive voting instructions by the date specified in the statement accompanying the proxy materials and (iii) has no knowledge of any contest with respect to the actions to be taken at the stockholders' meeting and such actions are adequately disclosed to stockholders. In addition, under new NYSE rules, brokerage firms may not vote their customers' stock without instructions from the customer if the vote concerns the election of directors, a matter relating to executive compensation, including the advisory proposal on compensation, which will be voted on at the meeting, or an authorization for a merger, consolidation or any matter that could substantially affect the rights or privileges of the stock. Abstentions and broker non-votes are counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business.

Table of Contents

The affirmative vote of a plurality of the votes cast at the meeting will be required for the election of directors. Each other item to be acted upon at the meeting requires the affirmative vote of the holders of a majority of the shares of Common Stock represented at the meeting in person or by proxy and entitled to vote on the item, assuming that a quorum is present or represented at the meeting. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, and will have no effect. With respect to the other proposals, a properly executed proxy marked **ABSTAIN**, although counted for purposes of determining whether there is a quorum, will not be voted. Accordingly, an abstention will have the same effect as a vote cast against a proposal. Under Nevada law, a broker non-vote will have no effect on the outcome of the matters presented for a stockholder vote.

Sheldon G. Adelson, the Chairman of the Board and Chief Executive Officer of our Company, his wife, Dr. Miriam Adelson, and trusts and other entities for the benefit of the Adelsons and their family members together beneficially owned approximately 52.4% of our outstanding Common Stock as of the record date. Mr. Adelson, Dr. Adelson, the trustees for the various trusts and individuals authorized to vote the shares of Common Stock held by such other entities have indicated that they will vote the shares of Common Stock over which they exercise voting control in accordance with the recommendations of our Board as set forth below.

Brokers are not permitted to vote on the election of directors or on the advisory proposal on executive compensation without instructions from the beneficial owner. Therefore, if your shares are held in the name of your broker, bank or other nominee, your vote is especially important this year. Unless you vote your shares, your shares will not be voted in the election of directors as set forth in Proposal 1 below or the advisory proposal on executive compensation as set forth in Proposal 3 below.

If you duly submit a proxy but do not specify how you want to vote, your shares will be voted as our Board recommends, which is:

FOR the election of each of the nominees for director as set forth under Proposal 1 below;

FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2012 as described in Proposal 2 below; and

FOR the advisory proposal on executive compensation as described in Proposal 3 below.

How to Revoke or Change Your Vote

You may revoke or change your proxy at any time before it is exercised in any of three ways:

by notifying the Corporate Secretary of the revocation or change in writing;

by delivering to the Corporate Secretary a later dated proxy; or

by voting in person at the annual meeting.

You will not revoke a proxy merely by attending the annual meeting. To revoke or change a proxy, you must take one of the actions described above.

If you hold your shares in a brokerage or other account, you may submit new voting instructions by contacting your broker, bank or nominee.

Any revocation of a proxy, or a new proxy bearing a later date, should be sent to the following address: Corporate Secretary, Las Vegas Sands Corp., 3355 Las Vegas Sands Boulevard South, Las Vegas, Nevada 89109. To revoke a proxy previously submitted by telephone, Internet or mail, simply submit a new proxy at a later date before the taking of the vote at the Annual Meeting, in which case, the later submitted proxy will

be recorded and the earlier proxy will be revoked.

Other Matters to be Acted upon at the Meeting

Our Board presently is not aware of any matters other than those specifically stated in the Notice of Annual Meeting that are to be presented for action at the annual meeting. If any matter other than those described in this

Table of Contents

Proxy Statement is presented at the annual meeting on which a vote may properly be taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

Adjournments and Postponements

Any action on the items of business described above may be considered at the annual meeting at the time and on the date specified above or at any time and date to which the annual meeting may be properly adjourned or postponed.

Electronic Delivery of Proxy Materials and Annual Report

The Notice of Annual Meeting and Proxy Statement and the Company's 2011 Annual Report are available at <http://investor.lasvegassands.com/proxy.cfm>. These materials are also available on the Investor Relations page of our website, www.lasvegassands.com. In the future, for stockholders who have not already opted to do so, instead of receiving copies of the Notice of Annual Meeting and Proxy Statement and annual report in the mail, stockholders may elect to view proxy materials for the annual meeting on the Internet or receive proxy materials for the annual meeting by e-mail. The Notice will provide you with instructions regarding how to view our proxy materials for the annual meeting on the Internet and how to instruct us to send future proxy materials to you electronically by e-mail. Receiving your proxy materials online saves the Company the cost of producing and mailing documents to your home or business and gives you an automatic link to the proxy voting site.

Stockholders of Record. If your shares are registered in your own name, to enroll in the electronic delivery service go directly to our transfer agent's website at www.amstock.com anytime and follow the instructions.

Beneficial Stockholders. If your shares are not registered in your name, to enroll in the electronic delivery service check the information provided to you by your bank or broker, or contact your bank or broker for information on electronic delivery service.

Delivery of One Notice or Proxy Statement and Annual Report to a Single Household to Reduce Duplicate Mailings

In connection with the Company's annual meeting of stockholders, the Company is required to send to each stockholder of record a Notice or a Proxy Statement and annual report, and to arrange for a Notice or a Proxy Statement and annual report to be sent to each beneficial stockholder whose shares are held by or in the name of a broker, bank, trust or other nominee. Because many stockholders hold shares of Common Stock in multiple accounts, this process would result in duplicate mailings of Notices or Proxy Statements and annual reports to stockholders who share the same address. To avoid this duplication, unless the Company receives instructions to the contrary from one or more of the stockholders sharing a mailing address, only one Notice or Proxy Statement will be sent to each address. Stockholders may, on their own initiative, avoid receiving duplicate mailings and save the Company the cost of producing and mailing duplicate documents as follows:

Stockholders of Record. If your shares are registered in your own name and you are interested in consenting to the delivery of a single Notice or Proxy Statement and annual report, to enroll in the electronic delivery service go directly to our transfer agent's website at www.amstock.com anytime and follow the instructions.

Beneficial Stockholders. If your shares are not registered in your own name, your broker, bank, trust or other nominee that holds your shares may have asked you to consent to the delivery of a single Notice or Proxy Statement and annual report if there are other Las Vegas Sands Corp. stockholders who share an address with you. If you currently receive more than one Notice or Proxy Statement and annual report at your household, and would like to receive only one copy of each in the future, you should contact your nominee.

Right to Request Separate Copies. If you consent to the delivery of a single Notice or Proxy Statement and annual report but later decide that you would prefer to receive a separate copy of the Notice or Proxy Statement or annual report, as applicable, for each stockholder sharing your address, then please notify us or your nominee, as applicable, and we or they will promptly deliver such additional Notices or Proxy Statements or annual reports. If you wish to receive a separate copy of the Notice or Proxy Statement or annual report for each stockholder sharing your address in the future, you may contact our transfer agent, American Stock Transfer &

Trust Company, directly by telephone at 1-800-937-5449 or by visiting its website at www.amstock.com and following the instructions.

Table of Contents**BOARD OF DIRECTORS**

Our Board currently has nine directors, divided into three classes, designated as Class I, Class II and Class III. Members of each class serve for a three-year term. Stockholders elect one class of directors at each annual meeting. The term of office of the current Class II directors will expire at the 2012 annual meeting. The term of office of the current Class III directors will be subject to renewal in 2013, and the term of office of the current Class I directors will be subject to renewal in 2014. Each director holds office until his successor has been duly elected and qualified or the director's earlier resignation, death or removal. The nominees are all current directors of the Company, and each nominee has indicated that he will serve if elected. We do not anticipate that any nominee will be unable or unwilling to stand for election, but if that happens, your proxy will be voted for another person nominated by the Board.

In addition to the specific professional experience of each director, we chose our directors because they are highly accomplished in their respective fields, insightful and inquisitive. In addition, we believe each of our directors possesses sound business judgment and is highly ethical. While we do not have a formal diversity policy, we consider a wide range of factors in determining the composition of our Board, including professional experience, skills, education, training and background.

The nominees for re-election for a three-year term ending in 2015 are as follows:

INFORMATION REGARDING THE BOARD OF DIRECTORS AND BOARD AND OTHER COMMITTEES

Board

NYSE Listing Standards. As required by the NYSE's corporate governance rules, the Company's Board has a majority of independent directors. In addition, all of the members of the Company's Audit Committee, Compensation Committee and Nominating and Governance Committee are independent directors.

Until November 5, 2010, the Company qualified as a controlled company under the NYSE's corporate governance rules, and certain provisions of the rules were not applicable to the Company until that date. Controlled companies under the NYSE's corporate governance rules are companies of which more than 50 percent of the voting power is held by an individual, a group or another company. The Company previously qualified as a controlled company under this definition by virtue of the ownership by Mr. Adelson, his wife and trusts and other entities for the benefit of the Adelsons and their family members of more than 50 percent of the voting power of the Common Stock and their ability to elect the entire Board. During the time that it qualified as a controlled company, the Company chose to take advantage of certain of the exemptions provided in the NYSE's rules and was not required to have a majority of independent directors or a nominating and governance committee or a compensation committee composed entirely of independent directors.

For one year after the Company ceased to qualify as a controlled company, the Company operated under the NYSE's transition rules, which required that the Company have (1) at least one independent member on its Compensation Committee and Nominating and Governance Committee by the date the Company's status changed, (2) at least a majority of independent directors on its Compensation Committee and Nominating and Governance Committee within 90 days of the date its status changed and (3) a majority of the members of its Board of Directors and all of the members of its Compensation Committee and Nominating and Governance Committee be independent within one year of the date its status changed. The Company's Board was in full compliance with the NYSE transition rules during this one-year period, which ended on November 5, 2011.

As of March 2, 2012, the Company again qualifies as a controlled company because Mr. Adelson, his wife and trusts and other entities for the benefit of the Adelsons and their family members again control more than 50 percent of the voting power of the Company's Common Stock. The Board has determined that it will not take advantage of the exemptions provided under the NYSE governance rules for controlled companies. Accordingly, the Board continues to be composed of a majority of independent members, with fully independent Audit, Compensation and Nominating and Governance Committees.

Independent Directors. The Board has determined that five of the nine members of the Board satisfy the criteria for independence under applicable rules promulgated under the Securities Exchange Act of 1934, as amended (the *Exchange Act*), and the NYSE corporate governance rules, namely Messrs. Ader, Koo, Koppelman, Schwartz and Siegel. In making its determinations, the Board reviewed all the relevant facts and circumstances, the standards set forth in our Corporate Governance Guidelines, the NYSE rules and other applicable laws and regulations.

Two of our directors, Messrs. Chafetz and Forman, have business and personal relationships with our controlling stockholder, Mr. Adelson. Mr. Chafetz was a stockholder, vice president and director of the entity that owned and operated the COMDEX trade show and The Sands Expo and Convention Center, which were created and developed by Mr. Adelson. Mr. Forman was Vice President and General Counsel of this entity. Mr. Chafetz also is a trustee of several trusts for the benefit of Mr. Adelson's family members that beneficially own shares of our Common Stock. For additional information, see *Proxy and Voting Information - How You Can Vote* and *Principal Stockholders* above. These relationships with Mr. Adelson also include making joint investments and other significant financial dealings. As a result, Messrs. Adelson, Chafetz and Forman may have their financial interests aligned and, therefore, the Board does not consider Messrs. Chafetz and Forman to be independent directors.

Board Meetings. The Board held ten meetings and acted by written consent three times during 2011. The work of the Company's directors is performed not only at meetings of the Board and its committees, but also by

Under Section 162(m) of the Internal Revenue Code (*Section 162(m)*), compensation paid to members of senior management (other than our chief financial officer) in excess of \$1 million per year is not deductible by the Company unless the compensation is performance-based as described in the applicable regulations. As required by its charter, the Compensation Committee established a Performance Subcommittee to make the required determinations relating to performance-based compensation for purposes of Section 162(m). All of the current members of the Compensation Committee are members of the Performance

The Nominating and Governance Committee has the discretion to weight these factors as it deems appropriate. The importance of these factors may vary from candidate to candidate.

The Nominating and Governance Committee will consider candidates recommended by directors and members of management and may, in its discretion, engage one or more search firms to assist in the recruitment of director candidates. The Nominating and Governance Committee does not have a policy for considering director candidates recommended by security holders and believes that not having such a policy is appropriate in light of the significant ownership of the Company's Common Stock by Mr. Adelson and his family.

Board Leadership Structure. Mr. Adelson serves as the Chairman of the Board and Chief Executive Officer of our Company. Mr. Adelson is the founder of our Company and has served as its Chairman and Chief Executive Officer since the Company was founded. The Board believes that Mr. Adelson is best suited to serve as both its Chairman and Chief Executive Officer because he is the most familiar with the Company's businesses and industry and best able to establish strategic priorities for the Company. In addition, Mr. Adelson, his wife and trusts and other entities for the benefit of the Adelsons and their family members together beneficially owned approximately 52.4% of our outstanding Common Stock as of the record date. Accordingly, Mr. Adelson exercises significant influence over our business policies and affairs, including the composition of our Board of Directors. As a result, the Board believes that Mr. Adelson's continuing service as both Chairman and Chief Executive Officer is beneficial to the Company and provides an effective leadership structure. The Company does not have a lead director.

The Board's Role in Risk Oversight. The Board of Directors, directly and through its committees, is actively involved in the oversight of the Company's risk management policies. The Audit Committee is charged with overseeing enterprise risk management, generally, and with reviewing and discussing with management the Company's major financial risk exposures and the steps management has taken to monitor, control and manage these exposures, including the Company's risk assessment and risk management guidelines and policies. The Compensation Committee oversees the Company's compensation policies generally to determine whether they create risks that are reasonably likely to have a material adverse effect on the Company. The Audit Committee and the Compensation Committee receive reports from, and discuss these matters with, management and regularly report on these matters to the Board.

2011 Executive Compensation Risk Assessment. The Compensation Committee has evaluated the Company's compensation structure from the perspective of enterprise risk management and the terms of the Company's compensation policies generally and does not believe that the Company's compensation policies and practices provide incentives for employees to take inappropriate business risks. As described under "Compensation Discussion and Analysis" below regarding bonuses for named executive officers, Mr. Adelson is eligible to receive bonuses under his employment agreement, subject to the Company's achieving predetermined EBITDA-based performance goals. Under their employment agreements or other arrangements, the other named executive officers are eligible for discretionary bonuses, up to a target percentage of their respective base salaries. Similarly, any bonuses for employees other than the named executive officers are granted on a discretionary basis. The Compensation Committee believes that the discretionary nature of these bonuses does not incentivize the named executive officers or other employees to take inappropriate business risks.

Presiding Non-Management Director. In accordance with applicable rules of the NYSE and the Company's Corporate Governance Guidelines, the Board has adopted a policy to meet at least quarterly in executive session without management directors or any members of the Company's management being present. At each executive session, a presiding director chosen by a majority of the directors present will preside over the session.

Stockholder Communications with the Board and Audit Committee. The Board has established a process for stockholders and interested parties to communicate with members of the Board, the Audit Committee, the non-management directors and the presiding non-management director of executive sessions of the Board.

Advisory Vote on Executive Compensation

Edgar Filing: LAS VEGAS SANDS CORP - Form DEF 14A

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, at our 2011 Annual Meeting, our stockholders provided an advisory (non-binding) vote on the fiscal 2010 compensation of our named executive officers, which we referred to as the "say-on-pay" vote. The compensation of our named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC (including the Compensation Discussion and Analysis, the compensation tables, and any related material disclosed in the proxy statement) was approved, with 86.4% of the shares voting for approval of the "say-on-pay" proposal. The Compensation Committee noted the results of this vote, and although the "say-on-pay" vote is advisory and is not binding on the Board of Directors, the Compensation Committee took the approval into consideration in determining that the current compensation philosophy and objectives remain appropriate for use in determining the compensation of our named executive officers.

The Process of Setting Executive Compensation

We have entered into employment agreements and other arrangements with Messrs. Adelson, Leven, Goldstein, Kay and Caparella that provide the overall framework for each executive's compensation, including base salary and target bonus amounts. The Compensation Committee approved the compensation packages for each of these individuals at the time we entered into their respective employment agreements and approves all bonus and equity awards granted during the terms of these agreements. The Compensation Committee considered the views and recommendations of our Chief Executive Officer in establishing 2011 compensation for Mr. Leven and the

views and recommendations of our Chief Executive Officer and President and Chief Operating Officer in establishing 2011 compensation for Messrs. Goldstein, Kay and Caparella and certain other highly compensated employees.

The Committee's Compensation Consultant

The Compensation Committee has retained HVS Executive Search as its independent executive compensation consultant since 2006. HVS Executive Search has advised the Compensation Committee in its evaluation of compensation levels for our Chief Executive Officer and our other named executive officers. HVS Executive Search provides its advice on an as-needed basis upon the request of the Compensation Committee. During 2011, the Compensation Committee instructed HVS Executive Search to assess the competitiveness of the compensation arrangements for Mr. Adelson and Mr. Leven. The Company paid HVS Executive Search \$50,000 for its services to the Compensation Committee during 2011.

HVS Executive Search is a division of HVS, a consulting firm focused on the hospitality industry. During 2011, HVS provided the Company with advice on management compensation generally and with market research unrelated to compensation. In the past, HVS has provided appraisal services to lenders to the Company and Sands China Ltd. and may provide compensation advice, market research, appraisal and other services to the Company, Sands China Ltd. and/or their lenders again in the future. For its work in 2011, the Company paid HVS Executive Search \$40,000 for consulting services to management relating to the development of the Company's overall compensation program and approximately \$326,350 to an affiliate of HVS Executive Search for market research unrelated to compensation. The Company's subsidiary, Sands China Ltd., also paid an affiliate of HVS Executive Search \$40,000 for 2011 consulting services related to executive compensation. The Company's decisions to retain HVS Executive Search and its affiliate for the services described in this paragraph were made by management. The Sands China Ltd. decision to retain an affiliate of HVS Executive Search was made by the Sands China Ltd. Remuneration Committee.

Employment Agreements

Messrs. Adelson, Leven, Goldstein, Kay and Caparella are employed pursuant to multi-year employment agreements or other arrangements that reflect the individual negotiations with the relevant named executive officer. The Company uses multi-year employment agreements to foster retention, to be competitive and to protect the business with restrictive covenants, such as non-competition, non-solicitation and confidentiality provision. The employment agreements provide for severance pay in the event of the involuntary termination of the executive's employment without cause (or, where applicable, termination for good reason), which allows the executive to remain focused on the Company's interests and, where applicable, serves as consideration for the restrictive covenants in their employment agreements.

Mr. Adelson. In 2004, in connection with our initial public offering, we entered into a long-term employment agreement with Mr. Adelson with an initial term of five years, subject to automatic extensions for successive one-year periods unless one party gives notice of his or its intention not to renew the agreement no later than 120 days prior to the expiration of the initial or any renewal term of the agreement. Accordingly, Mr. Adelson's employment agreement was extended for successive one-year periods on the same financial terms in each of December 2009, December 2010 and December 2011. The Compensation Committee believed that extending Mr. Adelson's employment agreement in 2011 was in the best interests of the Company and its stockholders and that, based on information provided by the compensation consultant, the terms of Mr. Adelson's employment agreement were fair to the Company.

Mr. Leven. On November 13, 2010, we entered into a new employment agreement with Mr. Leven that became effective on January 1, 2011 and will expire on November 12, 2012.

Mr. Goldstein. On January 11, 2011, we entered into a new employment agreement with Mr. Goldstein in connection with his assuming his new position as the Company's Executive Vice President and President of Global Gaming Operations. Mr. Goldstein's new employment agreement was effective as of January 1, 2011 and was scheduled to terminate on December 31, 2012. On March 7, 2012, we entered into an agreement with Mr. Goldstein that modifies his employment agreement and extends the term of his employment agreement to December 31, 2015, subject to extension by written agreement of the parties. The Compensation Committee considered factors including Mr. Goldstein's performance as the Company's Executive Vice President and his tenure at the Company, his business experience and knowledge of the gaming industry and the Chief Executive Officer's recommendations when approving Mr. Goldstein's new employment agreements.

Mr. Kay. We entered into an employment agreement with Mr. Kay that was effective on December 1, 2008, and amended on January 10, 2010. The agreement had a three-year initial term, subject to automatic renewals of successive one-year terms unless either party gives notice of its or his desire not to renew the agreement no later than 90 days prior to the expiration of the initial or any renewal term of the agreement. Accordingly, Mr. Kay's employment agreement was extended for a one-year period on the same financial terms in December 2011.

Mr. Caparella. On April 15, 2011, we entered into an employment arrangement with Mr. Caparella in connection with his joining the Company on May 2, 2011. The term of this arrangement is three years. The Compensation Committee considered factors including Mr. Caparella's prior experience in the hospitality and gaming industries, compensation levels for others holding similar positions in other organizations, compensation levels for senior executives at the Company and the Chief Executive Officer's recommendations when approving the employment arrangement with Mr. Caparella.

The major elements of our executive officer compensation and details regarding how each component was determined are described below.

Base Salary

Base salary levels for the named executive officers are set forth in their respective employment agreements or other arrangements. The base salary amounts were determined at the time we entered into the various employment agreements or the other arrangements were determined, based on each individual's professional experience and scope of responsibilities within the Company, compensation levels for others holding similar positions in other organizations, and compensation levels for senior executives at the Company.

Table of Contents

The employment agreements or other arrangements for Messrs. Adelson, Leven, Goldstein, Kay and Caparella provide for the following annual base salaries:

Mr. Adelson, \$1,000,000;

Mr. Leven, \$3,000,000;

Mr. Goldstein, \$1,500,000;

Mr. Kay, \$1,144,000, which in February 2011 was increased by 4% to \$1,189,760, effective July 1, 2011, upon management's recommendation; and

Mr. Caparella, \$825,000.

Short-term Incentives

Messrs. Adelson, Leven, Goldstein, Kay and Caparella are eligible for annual performance-based cash incentives under the Company's Executive Cash Incentive Plan, which was created to establish a program of annual incentive compensation awards for designated officers and other key executives that is directly related to our performance results. Some of these named executive officers also are entitled to discretionary bonuses awarded pursuant to their employment agreements or by a determination of the Compensation Committee. The Compensation Committee retains the right to exercise discretion in determining bonus levels for these named executive officers.

Mr. Adelson

Mr. Adelson is eligible for two types of annual performance-based incentive opportunities, a base bonus and an annual supplemental bonus. The target base bonus and annual bonus opportunities are described in Mr. Adelson's employment agreement, as set forth below.

Base bonus. Mr. Adelson is eligible for cash incentive bonuses earned and payable quarterly primarily subject to the Company's attainment of predetermined EBITDA-based performance targets. Base bonus payments may range from \$0 (if the Company does not achieve the predetermined EBITDA performance target) to a defined maximum opportunity specified in Mr. Adelson's employment agreement. Mr. Adelson's target base bonus for 2005 was \$500,000. Commencing with 2006 and for each year during the term of his employment, the amount of Mr. Adelson's target annual base bonus increases automatically by at least four percent (4%) of the sum of (x) his base salary for the immediately preceding year plus (y) the base bonus paid to him with respect to the immediately preceding year.

Annual supplemental bonus. Under his employment agreement, Mr. Adelson is eligible to receive an annual cash incentive bonus equal to a percentage of the sum of his base salary plus his base bonus. The annual bonus payable to Mr. Adelson is contingent on the Company's achievement of annual performance targets that are primarily EBITDA-based. The amount of Mr. Adelson's annual supplemental bonus is equal to a percentage of the sum of (x) his base salary for the year plus (y) the base bonus paid to him for the year. Mr. Adelson's annual supplemental bonus payments may range from \$0 (if the Company does not achieve 80% of the predetermined EBITDA performance target) to a defined maximum opportunity (if the Company achieves 110% of the predetermined EBITDA performance target). Mr. Adelson's annual supplemental bonus payments increase ratably if EBITDA reaches 80% to 100% of the predetermined EBITDA target. Mr. Adelson's target and maximum annual supplemental bonus opportunities as a percentage of base salary and base bonus for 2011 were 90% and 180%, respectively.

The performance targets specified under Mr. Adelson's employment agreement are primarily EBITDA-based. The EBITDA-based performance targets are established annually by the Performance Subcommittee following consultation with the other members of the Compensation Committee, our executive officers and such other members of our management as the Performance Subcommittee deems appropriate. The Performance Subcommittee established different EBITDA-based performance targets for Mr. Adelson's 2011 base bonus and the annual supplemental bonus. The 2011 targets represent the EBITDA level that must be achieved in order for Mr. Adelson to receive 100% of his target base bonus or his target annual supplemental bonus. For 2011, the Performance Subcommittee established a performance target of \$2.73 billion of consolidated adjusted property

Table of Contents

EBITDA, less corporate expense plus the Management Incentive Program bonus accrual, relating to Mr. Adelson's base bonus and a performance target of \$3.03 billion of consolidated adjusted property EBITDA, less corporate expense plus the Management Incentive Program bonus accrual, relating to Mr. Adelson's 2011 annual supplemental bonus. (The Management Incentive Program is the Company's bonus program whose participants include many of the Company's full-time exempt team members.)

In determining the 2011 annual EBITDA-based targets, the Performance Subcommittee's goal was to set an aggressive objective based on its review of the annual budget information provided by management and the Board's discussions with our executive officers and management about the assumptions underlying the 2011 budget, including the Company's operating and development plans for 2011. In making its determinations, the Performance Subcommittee recognized the inherent difficulty of providing appropriate financial targets for Mr. Adelson, given the competitive challenges facing the Company in the markets in which it operates and the Company's global operations and development plans. The Performance Subcommittee believed that the achievement of the 2011 performance targets required Mr. Adelson to perform at a high level to earn the target bonus payments.

In 2011, the Company achieved the predetermined EBITDA-based performance target required for the payment of Mr. Adelson's base bonus. In addition, the Company achieved 113.1% of the predetermined EBITDA-based performance target relating to Mr. Adelson's annual supplemental bonus. Accordingly, Mr. Adelson received a base bonus of \$1,608,736 and an annual supplemental bonus of \$4,695,725 for his 2011 performance.

Messrs. Leven, Goldstein, Kay and Caparella

Messrs. Leven, Goldstein, Kay and Caparella are eligible to receive discretionary bonuses under the Company's Management Incentive Program, subject to their achievement of individual or Company performance objectives established by the Performance Subcommittee following consultation with the other members of the Compensation Committee, the other named executive officers and such other members of our management as the Compensation Committee deems appropriate. In making its determinations regarding 2011 bonuses, the Compensation Committee established EBITDA-based performance targets for the Company and its properties and gave equal 50% weighting to (a) the Company's achievement of the EBITDA-based performance targets and (b) the individual performances of Messrs. Leven, Goldstein, Kay and Caparella, including, where applicable, their achievement of individual performance goals. In evaluating the qualitative aspects of the individual performances of Messrs. Leven, Goldstein, Kay and Caparella, the Compensation Committee also considered various factors, including the achievement of specific property-related performance objectives and Mr. Adelson's recommendations for the amount of 2011 bonus payments to these executive officers.

The Compensation Committee established the following EBITDA-based performance-based financial targets:

for Messrs. Leven, Goldstein and Kay, \$3.03 billion of consolidated adjusted property EBITDA, less corporate expense plus the Management Incentive Program bonus accrual; and

for Mr. Caparella, \$343.7 million of adjusted property EBITDA plus the Management Incentive Program bonus accrual for the Company's Las Vegas properties.

In 2011, the Company achieved 113.1% of its consolidated EBITDA-based performance target and the Company's Las Vegas properties achieved 92.5% of the EBITDA-based performance target.

Mr. Leven. Under his employment agreement, Mr. Leven is eligible to receive an annual bonus, with a target bonus of 100% of his base salary, or \$3,000,000. The actual amount of Mr. Leven's bonus is determined by the Performance Subcommittee in its sole discretion in accordance with the Company's Management Incentive Program, after consultation with the Company's Chief Executive Officer. The Performance Subcommittee established five 2011 performance goals for Mr. Leven in the following areas: (1) EBITDA margin increase, (2) global process enhancement, (3) guest satisfaction, (4) revenue growth and (5) team member satisfaction. The Performance Subcommittee determined that Mr. Leven achieved all of his individual performance objectives. In February 2012, based on Mr. Leven's individual performance and the Company's achievement of 113.1% of its predetermined EBITDA-based performance target, Mr. Leven was awarded a bonus of \$3,198,000 in respect of his 2011 performance, representing 106.6% of his target bonus opportunity.

Table of Contents

Mr. Goldstein. Under his 2011 employment agreement, Mr. Goldstein is eligible to receive an annual bonus, with a target bonus of 100% of his base salary, or \$1,500,000. The actual amount of Mr. Goldstein's bonus is determined by the Performance Subcommittee in its sole discretion in accordance with the Company's Management Incentive Program, after consultation with the Company's Chief Executive Officer. The Performance Subcommittee established the six 2011 performance goals for Mr. Goldstein in the following areas: (1) EBITDA margin increase, (2) global process enhancement, (3) guest satisfaction, (4) revenue growth, (5) team member satisfaction and (6) global collaboration and cooperation. The Performance Subcommittee determined that Mr. Goldstein achieved all of his individual performance objectives. In February 2012, based on Mr. Goldstein's individual performance and the Company's achievement of 113.1% of its predetermined EBITDA-based performance target, Mr. Goldstein was awarded a bonus of \$1,599,000 in respect of his 2011 performance, representing 106.6% of his target bonus opportunity.

Mr. Kay. Under his employment agreement, Mr. Kay is eligible to receive an annual cash bonus based on the achievement of annual performance objectives and in an amount not to exceed 100% of his base salary, absent a determination of unusual circumstances or exceptional performance. The Performance Subcommittee established five 2011 performance goals for Mr. Kay in the following areas: (1) back office operations, (2) capital structure, (3) global collaboration and cooperation, (4) Macau credit facilities and (5) Singapore credit facility. The Performance Subcommittee determined that Mr. Kay achieved all of his individual performance objectives. In February 2012, based on Mr. Kay's individual performance and the Company's achievement of 113.1% of its predetermined EBITDA-based performance target, Mr. Kay was awarded a bonus of \$1,244,095 in respect of his 2011 performance, representing 106.6% of his target bonus opportunity.

Mr. Caparella. Under his employment arrangement, Mr. Caparella is eligible to participate in the Company's discretionary Management Incentive Program, based on the Company's achievement of financial objectives, as well as Mr. Caparella's achievement of his personal objectives, with a target bonus of 50% of his base salary, or \$275,753 (pro-rated to reflect Mr. Caparella's May 2, 2011 starting date). The Performance Subcommittee did not establish individual 2011 performance goals for Mr. Caparella because he joined the Company mid-year. However, during its deliberations about Mr. Caparella's 2011 bonus, the Compensation Committee evaluated Mr. Caparella's performance on general qualitative performance measures, including his leadership role at the Company's Las Vegas properties, and assessed a 50% performance weighting for these qualitative factors. In February 2012, based on Mr. Caparella's individual performance and the achievement by the Company's Las Vegas properties of 92.5% of the predetermined EBITDA-based performance target, Mr. Caparella was awarded a bonus of \$265,551 in respect of his 2011 performance, representing 96.3% of his target bonus opportunity.

Long-term Incentives (Equity Awards)

Messrs. Adelson, Leven, Goldstein, Kay and Caparella are eligible for long-term, equity incentives under the Company's 2004 Equity Award Plan, which is administered by the Compensation Committee and was created to give us a competitive edge in attracting, retaining and motivating employees and to enable us to provide incentives directly related to increases in our stockholder value. Mr. Adelson is entitled to annual equity incentive awards under his employment agreement, subject to the Company's achievement of EBITDA-based performance targets as described below. The employment agreements for Messrs. Leven, Goldstein, Kay and Caparella provide for sign-on equity incentive awards, but do not provide for annual grants of equity incentive awards. The Compensation Committee, however, is authorized to award such grants in its sole discretion, but did not award annual equity grants to Messrs. Leven, Goldstein, Kay or Caparella in 2011.

Mr. Adelson. Mr. Adelson's annual equity incentive awards under his employment agreement are split into two equal components:

Nonqualified stock options. One half of the equity incentive award value is granted in the form of stock options early in the year to which the grant relates. The number of stock options is determined based on an estimate of the grant date Black-Scholes value of the award. The stock option grant vests in four equal annual installments.

Performance-based restricted stock. One half of the equity incentive award value is granted as restricted stock early in the year following the year to which the grant relates, contingent upon attaining the targeted

Table of Contents

EBITDA-based goals identified for the annual supplemental bonus in the prior year. For 2010, 75% of Mr. Adelson's EBITDA-based performance target was \$1.22 billion, based on consolidated adjusted property EBITDA for all Company properties, except for Marina Bay Sands, less corporate expense, and 25% of his final EBITDA-based performance target was \$620 million of adjusted property EBITDA for Marina Bay Sands. The value of Mr. Adelson's restricted stock award may range from \$0 (if the Company does not achieve 80% of the predetermined EBITDA-based performance target) to 100% of the value of the restricted stock award opportunity (if the Company achieves 100% of the predetermined EBITDA-based performance target). The number of shares of restricted stock, if earned, is determined based on the fair market value of our Common Stock on the NYSE on the grant date. The restricted stock grant vests in three equal annual installments.

Under his employment agreement, Mr. Adelson is entitled to a specified aggregate target grant value of his equity incentive awards as the Company achieves higher annualized six-month EBITDA levels. Mr. Adelson is entitled to receive equity incentive awards with a total value of \$3,650,000 because the Company, prior to 2010, had achieved more than \$1 billion of annualized six-month EBITDAR.

The value of Mr. Adelson's 2011 stock option award opportunity was \$1,825,000 (one half of the total equity incentive award of \$3,650,000). Accordingly, on February 4, 2011, Mr. Adelson received a grant of options to purchase 50,554 shares of our Common Stock, based on the Black-Scholes value of the stock option award on the grant date.

Mr. Adelson's target grant value for his restricted stock award for 2011 was \$1,825,000 (one half of the total equity incentive award of \$3,650,000). In 2010, the Company achieved the predetermined EBITDAR-based performance target described above relating to the award of restricted stock. Accordingly, on February 4, 2011, Mr. Adelson was awarded a grant of 39,648 shares of restricted stock in respect of his 2010 performance.

Mr. Leven. Mr. Leven received a grant of 350,000 shares of restricted stock on January 1, 2011 pursuant to the provisions of his employment agreement.

Mr. Goldstein. Mr. Goldstein received a grant of 125,000 shares of restricted stock on January 11, 2011, on the effective date and pursuant to the provisions of his 2011 employment agreement. Mr. Goldstein's employment agreement also provides that if Mr. Goldstein remains continuously employed with the Company through December 31, 2011, then upon termination of his employment with the Company at or following that date, Mr. Goldstein will be entitled to receive accelerated vesting of all of his awards of stock options and restricted stock that were outstanding as of July 10, 2009. In addition, pursuant to the provisions of his 2012 employment agreement, Mr. Goldstein received a grant of 375,000 shares of restricted stock on March 8, 2012.

Mr. Caparella. Pursuant to his employment agreement, Mr. Caparella received a grant of options to purchase 30,000 shares of our Common Stock and an award of 25,000 shares of restricted stock on May 2, 2011, the date he joined the Company.

For more information about equity incentive awards, see Executive Compensation Related Policies and Practices – Stock Option and Restricted Stock Grant Practices and Executive Compensation and Other Information – Employment Agreements. Grants made during 2011 are included in the Grants of Plan-Based Awards Table.

Personal Benefits

Mr. Adelson is entitled to be reimbursed up to \$100,000 annually for personal legal and financial planning fees and expenses under his employment agreement. Mr. Adelson also is entitled during the term of his employment to the full-time and exclusive use of an automobile and a driver of his choice and to the use of a Boeing Business Jet for his travel in connection with Company business. Pursuant to his employment agreement and the advice of an independent security consultant, Mr. Adelson also is entitled to security services for himself, his spouse and minor children. The Company has received reports from its independent security consultant on the need to provide security coverage to Mr. Adelson and his family, most recently in March 2010 and April 2012.

Mr. Leven is entitled to be reimbursed for the initiation fee for membership in a country club of his choice pursuant to his employment agreement, which he has not requested to date. In addition, the Company will make

available to Mr. Leven a jet aircraft in connection with both business and personal use, including personal use by Mr. Leven's spouse. The value of aircraft usage for personal purposes by Mr. Leven and/or his spouse is imputed to Mr. Leven as compensation using the Internal Revenue Service Standard Industry Fare Level tables.

Mr. Goldstein's employment agreement provides that he is entitled to travel first class on commercial airlines on Company business trips and to the use of Company aircraft to connect to certain overseas commercial flights. In addition, Mr. Goldstein's spouse is entitled to accompany him on at least two trips to Asia each year at the Company's sole cost and expense.

Mr. Caparella is provided with a membership to a country club pursuant to his employment arrangement.

The Company provides certain of its named executive officers with access to corporate memberships at country clubs for business purposes. The Company requires these executives to reimburse it in full for personal use of these facilities. The Company also permits its named executive officers to use Company personnel for home repairs during business hours on a limited basis. The Company requires that these executives reimburse it in full for these services. The Company does not permit personal use of corporate aircraft by its executive officers, except for Mr. Leven as described above. On certain occasions, an executive officer's spouse or other immediate family member has accompanied the executive officer on business-related flights on aircraft that we own or lease or provide pursuant to time sharing agreements.

Our executive officers also participate in a group supplemental medical insurance program available only to certain of our senior officers. Our executive officers, as well as certain other employees, are also entitled to use workout facilities at the Canyon Ranch Spa at The Venetian Resort Hotel Casino and The Palazzo Resort Hotel Casino in Las Vegas and to receive dry cleaning services. We also provide certain of our executive officers with meals, lodging and other goods and services from our properties. Our executive officers are entitled to receive other employee benefits generally made available to our employees.

The Compensation Committee believes that providing these benefits to our executives is appropriate, given the status in our Company of these individuals, and helps facilitate our executives' performance of their duties.

For more information, see footnote (5) to the Summary Compensation Table under Executive Compensation and Other Information.

Change in Control and Termination Payments

The long-term employment agreements or arrangements with Messrs. Adelson, Leven, Goldstein, Kay and Caparella provide for payments and the continuation of benefits upon certain terminations of employment or if there is a change in control of the Company. These provisions are based on negotiations with these named executive officers. In addition, the employment agreements with Messrs. Adelson, Goldstein and Kay include restrictive covenants relating to future employment. The Compensation Committee believed the post-termination payments were necessary in order to enable us to provide a competitive compensation package so that we could retain these named executive officers.

If any payment to Mr. Adelson pursuant to his employment agreement is subject to the excise tax imposed by Section 4999 of the Code, the payment that is considered a parachute payment will be limited to the greatest amount which can be paid under Section 280G without causing any loss of deduction to the Company but only if, by reason of such reduction, the net after tax benefit to him (as defined in his employment agreement) exceeds the net after-tax benefit if the reduction were not made.

If any payment to Mr. Leven pursuant to his employment agreement would be subject to the excise tax imposed by Section 4999 of the Code, or any interest or penalties are incurred by Mr. Leven with respect to such excise tax, then Mr. Leven will be entitled to receive an additional gross-up payment in an amount such that after payment by him of all federal, state and local taxes (including any interest or penalties imposed with respect to such taxes) and excise tax imposed upon the gross-up payment, he retains an amount of the gross-up payment equal to the excise tax imposed.

The Company's 2004 Equity Award Plan was established in 2004. The purpose of the plan is to provide a means through which the Company may attract able persons to enter and remain in the employ of the Company. The change in control provisions of the plan were designed in furtherance of this goal.

Further information about benefits under certain change in control and terminations of employment are described below under Potential Payments Upon Termination or Change in Control.

Tax and Accounting Considerations Relating to Executive Compensation

Section 162(m) of the Internal Revenue Code

The Compensation Committee's general policy is that compensation should qualify as tax deductible to the Company for federal income tax purposes whenever possible. Under Section 162(m) of the Internal Revenue Code (the *Code*), compensation paid to certain members of senior management (other than our chief financial officer) in excess of \$1 million per year is not deductible unless the compensation is performance-based as described in the regulations under Section 162(m). Compensation is generally performance-based if it is determined using pre-established objective formulas and criteria approved by stockholders within the past five years. Compensation awards under our Executive Cash Incentive Plan generally are designed to maximize tax deductibility by satisfying the performance-based compensation exception to Section 162(m). The maximum amount payable to a participant under the Executive Cash Incentive Plan in respect of an annual bonus award that is intended to qualify for the performance-based compensation exception to Section 162(m) is \$10.0 million. In addition, awards under the 2004 Equity Award Plan also may satisfy the performance-based compensation exception to Section 162(m). The performance-based provisions of our Executive Cash Incentive Plan and 2004 Equity Award Plan were approved by our stockholders at the 2008 annual meeting of stockholders. Changes in applicable tax laws and regulations as well as factors beyond the control of the Compensation Committee can adversely impact the deductibility of compensation paid to our executive officers who are covered by Section 162(m).

Named executive officers and other officers or key executives designated by the Compensation Committee are eligible to receive cash bonuses in the amounts determined in accordance with their employment agreements. The document governing the Executive Cash Incentive Plan specifies that the Compensation Committee, in its sole discretion, has full power and authority to administer the plan, including, among other things, the authority to designate an award as one that does not qualify as performance-based compensation under Section 162(m) of the Code. Accordingly, the bonuses paid to certain of the named executive officers and included in the Summary Compensation Table under the heading Bonus were not made pursuant to the Executive Cash Incentive Plan. The Performance Subcommittee makes all determinations relating to performance-based compensation for purposes of Section 162(m). The Compensation Committee believes that mathematical formulas cannot always anticipate and fairly address every situation that might arise. The Compensation Committee therefore retains the authority to adjust compensation in the case of unexpected, unusual or non-recurring events or to attract and retain key executive talent, even if this results in the payment of non-deductible compensation or to otherwise award or pay non-deductible compensation if the Committee deems it in the best interests of the Company and its stockholders to do so.

In addition, bonus awards granted under the Executive Cash Incentive Plan must specify performance criteria to be achieved, a minimum acceptable level of achievement below which no payment or award will be made and a formula for determining the amount of any payment or award to be made if performance is at or above the minimum acceptable level but falls short of full achievement of the specified performance criteria. The Compensation Committee may modify performance criteria or the related minimum acceptable level of achievement, in whole or in part, as the Committee deems appropriate and equitable, provided that no such modification may be made that would cause an award to no longer qualify as performance-based compensation under Section 162(m).

The Board of Directors has appointed the Compensation Committee to administer the 2004 Equity Award Plan. The Performance Subcommittee makes all determinations relating to performance-based compensation for purposes of Section 162(m). Under the plan, the Performance Subcommittee may not grant or provide payment in respect of an award intended to qualify as performance-based compensation unless the applicable performance goals have been achieved and, under the applicable performance formula, all or some of the performance award has been earned for the performance period.

Executive Compensation Related Policies and Practices

Policies Regarding Stock Ownership and Hedging the Economic Risk of Stock Ownership

The Company believes that the number of shares of the Company's Common Stock owned by each named executive officer is a personal decision and encourages stock ownership, including through the compensation policies applicable to its named executive officers. Accordingly the Company has not adopted a policy requiring its named executive officers to hold a portion of their stock during their employment at the Company.

Under our securities trading policy, our officers, directors and employees are not permitted to purchase our Common Stock on margin, sell our Common Stock short or buy or sell puts, calls or other derivative instruments relating to our Common Stock. Although we discourage speculative hedging transactions, we do permit long-term hedging transactions that are designed to protect an individual's investment in our Common Stock provided that the hedge is for at least six months in duration and relates to stock or options held by the individual.

Stock Option and Restricted Stock Grant Practices

Mr. Adelson's employment agreement provides that grants of stock options are to be made by March 15 of the year to which the grant relates. On February 4, 2011, the Company granted Mr. Adelson stock options for the 2011 calendar year. Grants of restricted stock to Mr. Adelson are to be made by March 15 following the year to which the award relates, provided that the performance goals for such prior year have been achieved. In 2010, the Company achieved the predetermined EBITDA-based performance target relating to the award of restricted stock. Accordingly, on February 4, 2011, the Company granted Mr. Adelson shares of restricted stock in respect of his 2010 performance.

Grants of stock options and restricted stock under our 2004 Equity Award Plan are approved by the Compensation Committee or, if the grant is performance-based, the Performance Subcommittee. Each of the members of the Compensation Committee is an independent director. All of the current members of the Compensation Committee also are members of the Performance Subcommittee. The stock option grants made to Messrs. Adelson, Leven, Goldstein, Kay and Caparella are effective as of their respective grant dates, which are either the date of approval or, if later, the first date of employment or a future date specified in the employment agreement. The exercise price of all stock options to purchase Las Vegas Sands Corp. Common Stock is equal to the fair market value of Las Vegas Sands Corp. Common Stock on the grant date.

Potential Payments Upon Termination or Change in Control

Employment Agreements

The employment agreements and other arrangements for the named executive officers provide for payments and the continuation of benefits upon certain terminations of employment or if there is a change in control of the Company. All payments under the executive employment agreements or other arrangements in connection with a termination of employment are subject to the applicable named executive officer's agreement to release the Company from all claims relating to his employment and the termination of his employment. The applicable named executive officer also may be subject to covenants restricting his ability to compete with the Company or to hire Company employees for a specified period following termination of employment.

Mr. Adelson

In the event of a termination of Mr. Adelson's employment for cause (as defined below) or his voluntary termination (other than for good reason (as defined below)), all of his salary and benefits will immediately cease (subject to any requirements of law).

In the event of a termination of Mr. Adelson's employment by us without cause or a voluntary termination by Mr. Adelson for good reason (as defined below) other than during the two year period following a change in control (as defined below), we will be obligated to pay or provide Mr. Adelson with:

all accrued and unpaid base salary and bonus(es) through the date of termination;

his salary and base bonus, if applicable, for the remainder of the term of his employment agreement or, if he becomes employed elsewhere, the difference, if any, between 50% of the salary and bonus compensation earned in such other employment and the salary and base bonus, if applicable, payable under his employment agreement with us;

a pro rata annual bonus for the year of termination of employment at the time the bonus would normally be paid;

full vesting of all unvested options and restricted stock outstanding on the date of termination of employment; and

continued health and welfare benefits for the remainder of the term of the employment agreement (or, if earlier, until he receives health and welfare coverage from a subsequent employer).

In the event of a termination of Mr. Adelson's employment by us without cause or a termination by Mr. Adelson for good reason within the two-year period following a change in control or Mr. Adelson's voluntary termination at any time during the one-year period following a change in control, we will be obligated to pay or provide Mr. Adelson with:

all accrued and unpaid base salary and bonus(es) through the date of termination;

a lump sum payment of two times his salary plus, if applicable, his target base bonus and target annual supplemental bonus for the year of termination;

full vesting of all unvested options and restricted stock awards outstanding on the date of termination of employment;

Edgar Filing: LAS VEGAS SANDS CORP - Form DEF 14A

a pro rata target base bonus and target annual supplemental bonus for the year of termination of employment; and

continued health and welfare benefits for two years following termination (or, if earlier, until Mr. Adelson receives health and welfare coverage from a subsequent employer).

However, if the change in control does not satisfy the definition of a change in the ownership or effective control of a corporation or a change in the ownership of a substantial portion of the assets of a corporation, pursuant to Section 409A of the Code, then the payment of two times salary plus base bonus will be paid ratably for the remainder of the term of the employment agreement and the pro rata annual bonus for the year of termination will be paid at the same time annual bonuses would normally be paid to other executive officers of the Company.

Table of Contents

In the case of a termination of Mr. Adelson's employment due to his death or disability (as defined in his employment agreement), Mr. Adelson (or his estate) will be entitled to receive:

all accrued and unpaid base salary and bonus(es) through the date of termination;

continued payments of salary and, if applicable, base bonus, less any applicable disability short term insurance payments, for a period of twelve months following the date of termination of employment;

accelerated vesting of options and restricted stock awards such that all such options and awards that would have vested during the twelve month period following the date of termination will become vested as of the date of termination of employment; and

a pro rata annual bonus payable at the time the bonus would normally be paid.

In the event of a termination of Mr. Adelson's employment due to his retirement or a non-renewal termination, we will be obligated to pay or provide Mr. Adelson with:

all accrued and unpaid base salary and bonus(es) through the date of termination;

in the case of his retirement, a pro rata annual bonus for the year of termination of employment at the time the bonus would normally be paid; and

continued vesting of all equity awards (including incentive awards granted under his employment agreement) in accordance with their terms so that all such awards continue to vest at the same rate as if Mr. Adelson had remained employed by the Company.

If Mr. Adelson terminates his employment on or after the last day of a fiscal year but before the actual grant date of the restricted stock award for that fiscal year, he will be granted a fully vested award for that fiscal year on the date the award would have otherwise been made (and subject to the applicable performance target being achieved) equal to the number of shares he would have been awarded multiplied by the following applicable percentage:

0% if the termination was for cause or a voluntary termination (other than for good reason or retirement);

33¹/₃% if the termination was due to death or disability; and

100% if the termination is by us without cause or by the executive for good reason or due to retirement.

In addition, Mr. Adelson is subject to covenants restricting his ability to compete with the Company or to hire Company employees for a specified period following termination of his employment.

Definitions. The terms "cause," "good reason" and "change in control" are defined in Mr. Adelson's employment agreement as follows:

his gaming license is revoked or suspended by Nevada gaming authorities and he fails to correct the situation following written notice; provided, that in the event that the revocation or suspension occurs without there having been any fault on his part, the termination will be treated in the same manner as a termination due to disability instead of for cause.

Mr. Adelson may terminate his employment with the Company for good reason if:

the Company fails to maintain him as Chairman of the Board of Directors and Chief Executive Officer, unless the Board determines that these positions must be held by someone other than Mr. Adelson due to applicable statutory, regulatory or stock exchange requirements, or if this practice is common among companies of similar size in similar industries to us, and the Board determines that this practice constitutes best practices of corporate governance;

the Company reduces his base salary;

subject to specified exceptions, the Company reduces his target base bonus, target annual bonus or target incentive award opportunity;

the Company fails to obtain stockholder approval for the bonus and incentive awards by the earlier of the Company's 2008 annual meeting of stockholders or the date these awards cease to be exempt from the deduction limitations of Section 162(m) of the Internal Revenue Code of 1986, as amended; unless the awards have been approved by the Performance Subcommittee of the Compensation Committee;

there is a material change in his duties and responsibilities that would cause his position to have less dignity, importance or scope than intended at the time of the agreement, except for changes resulting from a transaction in which the Company becomes a subsidiary of another company, so long as his duties and responsibilities are not materially changed as they relate solely to the Company; or

the Company materially breaches the employment agreement.

A change in control occurs upon:

the acquisition by any individual, entity or group of beneficial ownership of 50% or more (on a fully diluted basis) of either the then outstanding shares of the Company's Common Stock or the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors; provided, however, that the following acquisitions shall not constitute a change in control: (I) any acquisition by the Company or any affiliate (as defined), (II) any acquisition by any employee benefit plan sponsored or maintained by the Company or any affiliate, (III) any acquisition by Mr. Adelson or any related party (as defined) or any group of which Mr. Adelson or a related party is a member, (IV) certain reorganizations, recapitalizations, mergers, consolidations, statutory share exchanges or similar forms of corporate transaction that do not result in a change of ultimate control of more than 50% of the total voting power of the resulting entity or the change in a majority of the board of directors, or (V) in respect of an executive officer, any acquisition by the executive officer or any group of persons including the executive officer (or any entity controlled by the executive officer or any group of persons including the executive officer);

the incumbent members of the board of directors on the date that the agreement was approved by the incumbent directors or directors elected by stockholder vote (other than directors elected as the result of an actual or threatened election contest) cease for any reason to constitute at least a majority of the board;

the Company's dissolution or liquidation;

he materially breaches his employment agreement and fails to correct the breach following written notice;

he commits any act or acts of serious and willful misconduct (including disclosure of confidential information) that is likely to cause a material adverse effect on the business of the Company or any of its affiliates; or

Mr. Kay may terminate his employment with the Company for "good reason" if:

the Company materially breaches his employment agreement;

the Company reduces his base salary;

there is a material change in his duties and responsibilities that would cause his position to have less dignity, importance or scope than intended at the time of the agreement, except for changes resulting from a transaction in which the Company becomes a subsidiary of another company, so long as Mr. Kay's duties and responsibilities are not materially changed as they relate solely to the Company; or

Mr. Kay discovers or the Company announces a change of control.

Table of Contents

Under Mr. Kay's employment agreement, a "change of control" occurs if Sheldon G. Adelson and the estate planning trusts of Sheldon G. Adelson identified at the effective date of Mr. Kay's employment agreement in the most recent filing with the Securities and Exchange Commission (the "SEC") (including any amendments, revisions, conversions, substitutions or otherwise of such trusts) control less than 50% of the voting equity of the Company; provided that a "change of control" ceases to constitute "good reason" unless Mr. Kay gives notice to the Company that he is terminating his employment with the Company due to the "change of control" within 30 days after the first filing is made with the SEC by which the fact of such "change of control" could be determined. For purpose of the preceding sentence, Mr. Kay shall be considered to have determined the existence of a "change of control" on the date of the SEC filing if the filing announces a transaction that has occurred or on the date that a prospective transaction closes.

Mr. Caparella

In the event of a termination of Mr. Caparella's employment by the Company without cause, Mr. Caparella will be entitled to receive:

continuation of his monthly base salary for a period of six months if the termination occurs during the first year of employment and continuation of his monthly base salary for a period of three months if the termination occurs during the second year of employment;

accelerated vesting of the grants of restricted stock and stock options he received at the time he joined the Company.

In the event a change of control of the Company or a change of present management (Mr. Adelson or Mr. Leven) occurs, Mr. Caparella will be entitled to receive a severance payment equal to six months of his base salary.

In addition, performance compensation awards shall vest based on the level of attainment of the performance goals as determined by the Compensation Committee.

Table of Contents**Potential Payments/Benefits Upon Termination of Employment for 2011**

The table below sets forth information about the potential payments and benefits our executive officers who were employed by the Company on December 31, 2011 may receive under their employment agreements upon the termination of their employment with the Company. The amounts shown in the table below are estimates of the payments that each executive officer would receive in certain instances assuming a hypothetical employment termination date of December 31, 2011. The amounts actually payable will be determined only upon the termination of employment of each executive officer, taking into account the facts and circumstances surrounding the executive officer's termination of employment.

The information in the table assumes that:

amounts included as bonus payments for 2012 performance are target amounts based on the achievement of performance goals;

the executive officer did not become employed by a subsequent employer; and

equity awards vest fully upon a change in control, if provided in the applicable employment agreement.

DIRECTOR COMPENSATION

Each of our non-employee directors receives an annual cash retainer of \$75,000 and an annual grant of, at each non-employee director's election, either restricted stock or restricted stock units equal in value to \$75,000. The restricted stock and restricted stock units are subject to a one year forfeiture period and the shares may not be sold until the director retires from the Board (except to the extent necessary to cover taxes incurred as a result of the vesting of the restricted stock or restricted stock units). In 2011, Messrs. Ader, Chafetz, Forman, Koo, Schwartz and Siegel each received 1,932 shares of restricted stock. In addition, each non-employee director receives a one-time grant of options upon becoming a non-employee director with an aggregate value of \$100,000 on the date of grant (based on the Black-Scholes option valuation model). The stock options vest in five equal installments on each of the first five anniversaries of the date of grant. In 2011, Mr. Koppelman received a grant of 2,930 options at the time of his election to the Board. Both the restricted stock grants and the options are granted to the directors pursuant to our 2004 Equity Award Plan.

We pay non-employee directors \$1,500 for each meeting of the Board that they attended (\$750 for telephonic meetings). We pay non-employee directors who are members of the Audit Committee, the Compensation Committee and the Nominating and Governance Committee \$1,000 for each committee meeting that they attend (\$500 for telephonic meetings). During 2011, we paid an annual retainer of \$50,000 to the chairperson of the Audit Committee and an annual retainer of \$15,000 to each member of the Audit Committee. We also paid an annual retainer of \$15,000 to the chairperson of the Compensation Committee and an annual retainer of \$5,000 to each member of the Compensation Committee. Beginning in 2012, we pay the chairperson of the Nominating and Governance Committee an annual retainer of \$15,000 and each member of the Nominating and Governance Committee an annual retainer of \$5,000.

Non-employee directors may defer cash compensation payments into a deferred compensation plan. None of these payments have been deferred to date. Non-employee directors are also reimbursed for expenses incurred in connection with their service as directors, including travel expenses for meeting attendance.

Beginning in 2006, the Compensation Committee retained HVS Executive Search for advice on compensation-related matters, including a review of director compensation. HVS Executive Search provided advice on director compensation during 2011. The Compensation Committee may, in its discretion, seek the advice of our chief executive officer or any of our other executive officers, in determining or recommending the amount or form of compensation for our outside directors.

The Audit Committee selects the Company's independent registered public accounting firm, and periodically reviews their performance and independence from management.

The Audit Committee reviewed and discussed the audited financial statements with management and PricewaterhouseCoopers LLP, and management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. Administrative Services Agreement

Pursuant to an administrative services agreement among Las Vegas Sands, Inc. (now known as Las Vegas Sands, LLC), certain of its subsidiaries and Interface Operations, LLC, an entity that is controlled by Mr. Adelson, our Chairman and Chief Executive Officer, and his wife, Dr. Miriam Adelson and that is otherwise unaffiliated with us (*Interface Operations*), the parties have agreed to share ratably in the costs of, and under certain circumstances provide to one another, shared services, including legal services, accounting services, insurance administration, benefits administration, travel services and such other services as each party may request of the other. Registration Rights Agreement

Messrs. Adelson, Forman and Goldstein and certain other stockholders and employees, former employees and certain trusts that they established have entered into a registration rights agreement with us relating to the shares of Common Stock they hold. Subject to several exceptions, including our right to defer a demand registration under certain circumstances, Mr. Adelson and the trusts he established may require that we register for public resale under the Securities Act all shares of Common Stock they request be registered at any time, subject to certain conditions. Mr. Adelson and the trusts may demand registrations so long as the securities being registered in each registration statement are reasonably expected to produce aggregate proceeds of \$20 million or more. Since we became eligible to register the sale of our securities on Form S-3 under the Securities Act, Mr. Adelson and the trusts have the right to require us to register the sale of the Common Stock held by them on Form S-3, subject to offering size and other restrictions.

The other stockholders that are party to this agreement were granted piggyback registration rights on any registration for the account of Mr. Adelson or the trusts that he established, subject to cutbacks if the registration requested by the Adelson entities is in the form of a firm commitment underwritten offering and if the underwriters of the offering determine that the number of securities to be offered would jeopardize the success of the offering.

In addition, the stockholders and employees that are party to this agreement and the trusts have been granted piggyback rights on any registration for our account or the account of another stockholder, subject to cutbacks if the underwriters in an underwritten offering determine that the number of securities offered in a piggyback registration would jeopardize the success of the offering.

Transactions Relating to Aircraft

Aviation and Related Personnel

Sands Aviation, LLC (*Sands Aviation* and formerly known as Interface Employee Leasing, LLC), a wholly owned subsidiary of the Company, is engaged primarily in the business of providing aviation personnel, including pilots, aircraft mechanics and flight attendants, and administrative personnel, to the Company and to Interface Operations. Sands Aviation charges a fee to each of the Company and Interface Operations for their respective use of these personnel. The fees charged by Sands Aviation are based upon its actual costs of employing or retaining these personnel, which are then allocated between the Company and Interface Operations. The method of allocating these costs varies depending upon the nature of the service provided. For example, pilot services are allocated based upon the actual time spent operating aircraft for the Company and for Interface Operations, respectively. The services of Sands Aviation's aircraft mechanics are allocated based on the number and manufacturer of aircraft serviced and administrative personnel are allocated based upon the number of aircraft maintained by the Company and Interface Operations, respectively. In addition, hangar lease costs are allocated based upon the number and type of aircraft maintained by the Company and Interface Operations, respectively. During 2011, Sands Aviation charged Interface Operations approximately \$14.5 million for its use of Sands Aviation's aviation and related personnel and other overhead costs.

Time Sharing Agreements

The Company and its subsidiaries use aircraft owned by companies controlled by Mr. Adelson for business purposes, including flying customers to our properties. The Company believes that its use of these aircraft provides the Company with a significant competitive advantage in attracting customers to the Company's properties and that similar aircraft with comparable amenities are not generally available for charter. The Company believes that the amounts paid to companies controlled by Mr. Adelson for the use of the aircraft are less than the Company would be required to pay to a third party provider, if comparable aircraft were available, and also believes that the amounts paid pursuant to the agreements relating to the use of the aircraft described below do not provide for profits or a return on investment to the companies controlled by Mr. Adelson.

The Company has entered into several aircraft time sharing agreements and aircraft cost sharing agreements with Interface Operations. Under the agreements, the party using an aircraft pays fees of up to (i) twice the cost of the fuel, oil and other additives used, (ii) all fees, including fees for landing, parking, hangar, tie-down, handling, customs, use of airways and permission for overflight, (iii) all expenses for catering and in-flight entertainment materials, (iv) all expenses for flight planning and weather contract services, (v) all travel expenses for pilots, flight attendants and other flight support personnel, including food, lodging and ground transportation, and (vi) all communications charges, including in-flight telephone. The agreements and the amounts paid under each agreement are as follows:

an aircraft cost sharing agreement providing for Interface Operations' use on a time sharing basis of two Boeing 737 aircraft owned by the Company, pursuant to which the Company charged Interface Operations approximately \$0.1 million in respect of Interface Operations' 2011 use of Company aircraft;

an aircraft time sharing agreement providing for Interface Operations' use on a time sharing basis of three Gulfstream G-IV aircraft, one Gulfstream G-V aircraft and one Hawker 800XP aircraft owned by the Company, pursuant to which the Company charged Interface Operations approximately \$0.9 million in respect of Interface Operations' 2011 use of Company aircraft;

an aircraft time sharing agreement providing for the Company's use on a time sharing basis of a Boeing Business Jet, a Gulfstream G-III aircraft and a Gulfstream G-IV aircraft owned by Interface Operations pursuant to which Interface Operations charged the Company approximately \$4.5 million in respect of the Company's 2011 use of Interface Operations aircraft; and

Table of Contents

an aircraft cost sharing agreement providing for the Company's use on a time sharing basis of a Boeing 767 aircraft owned by Interface Operations pursuant to which Interface Operations charged the Company approximately \$3.4 million in respect of the Company's 2011 use of Interface Operations' aircraft.

In addition, the Company has entered into an aircraft cost allocation agreement with Interface Operations Bermuda, LTD (*Interface Bermuda*), a company controlled by Mr. Adelson. Under the terms of this agreement, the Company is entitled to the use, on a time sharing basis, of two Boeing 747 Aircraft provided by Interface Bermuda. Under the agreement, the Company has agreed to pay Interface Bermuda fees of up to (i) a pro rata share of all fixed costs, such as hangar, insurance, pilot salaries and training, maintenance, subscription services, support personnel and other similar items (exclusive of tax depreciation), (ii) actual costs of fuel, oil and other additives used, (iii) all fees, including fees for landing, parking, hangar, tie-down, handling, customs, use of airways and permission for overflight, (iv) all expenses for catering and in-flight entertainment materials, (v) all expenses for flight planning and weather contract services, (vi) all travel expenses for pilots, flight attendants and other flight support personnel, including food, lodging and ground transportation, and (vii) all communications charges, including in-flight telephone. Interface Bermuda charged the Company approximately \$8.8 million in respect of the Company's 2011 use of Interface Bermuda's aircraft.

Purchase of Restaurant

During 2003, Las Vegas Sands, Inc. purchased the lease interest and assets of Carnevale Coffee Bar LLC, which operated a coffee bar in The Venetian, for \$3.1 million, of which \$625,000 was payable during 2003 and \$250,000 is payable annually over ten years, beginning in September 2003. Half of the purchase price is payable to a family trust of Mr. Adelson's that owned a 50% interest in Carnevale Coffee Bar LLC.

10% Series A Cumulative Perpetual Preferred Stock and Warrants to Purchase Common Stock

On November 14, 2008, the Company sold to Dr. Miriam Adelson, the wife of Mr. Adelson, our principal stockholder, Chairman and Chief Executive Officer, units consisting of 5,250,000 shares of the Company's 10% Series A Cumulative Perpetual Preferred Stock and warrants to purchase an aggregate of up to 87,500,175 shares of Common Stock at an exercise price of \$6.00 per share, on substantially the same terms as those offered to the public in a simultaneous public offering. The aggregate purchase price paid by Dr. Adelson was \$525.0 million. On November 15, 2011, the Company redeemed the preferred stock held by Dr. Adelson for \$577.5 million. Additionally, during 2011, the Company paid Dr. Adelson quarterly dividend payments on the preferred stock in the aggregate amount of \$52.5 million. PROPOSAL NO. 3

AN ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act and pursuant to Section 14A of the Securities Act, our stockholders are being provided with an advisory (non-binding) vote on executive compensation. Although the vote is advisory and is not binding on the Board of Directors, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation decisions. We refer to this non-binding advisory vote as the "say-on-pay" vote.

The say-on-pay vote is required to be offered to our stockholders at least once every three years. Last year, our stockholders recommended that we provide them with the opportunity to provide their "say-on-pay" vote each year, and our Board of Directors has accepted that recommendation.

The Board of Directors is committed to corporate governance best practices and recognizes the significant interest of stockholders in executive compensation matters. As discussed in the Compensation Discussion and Analysis, the Compensation Committee believes that our current executive compensation program directly links executive compensation to our performance and aligns the interests of our executive officers with those of our stockholders. In addition, our compensation philosophy places more emphasis on variable elements of compensation (such as annual cash bonuses and equity-based compensation) than fixed remuneration. For example, a significant portion of our executive compensation is based on the Company's achievement of predetermined performance-based financial targets. Our executives also receive equity incentive awards to better link their compensation to the Company's performance.

We encourage you to read our Compensation Discussion and Analysis contained in this proxy statement for a more detailed discussion of our compensation policies and procedures.

Our stockholders have the opportunity to vote for, against or abstain from voting on the following resolution:

Resolved, that the stockholders approve the compensation of the named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure shall include the Compensation Discussion and Analysis, the compensation tables, and any related material disclosed in this proxy statement).

The above-referenced disclosures appear at pages 21-45 of this proxy statement.

The Board of Directors recommends a vote FOR approval of the compensation of the named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure shall include the Compensation Discussion and Analysis, the compensation tables, and any related material disclosed in this proxy statement).
