***Windsor Ohio Purchase and Sale Agreement***

On February 11, 2013, Gulfport Energy Corporation ( Gulfport ) entered into a purchase and sale agreement (the PSA ) with Windsor Ohio, LLC ( Windsor Ohio ), pursuant to which Windsor Ohio agreed to sell, assign, transfer and convey to Gulfport approximately 22,000 net acres in the Utica Shale in Eastern Ohio. The purchase price is approximately \$220 million, subject to certain adjustments. This acquisition excludes Windsor Ohio's interest in 14 existing wells and 16 proposed future wells together with certain acreage surrounding these wells. Gulfport acquired its initial acreage in the Utica Shale in February 2011 and has subsequently acquired additional acreage in the area. Windsor Ohio participated with Gulfport in the acquisition of these leases. Through a prior, previously reported transaction with Windsor Ohio, Gulfport acquired approximately 37,000 net acres in the Utica Shale, which increased Gulfport's working interest in the acreage to 77.7%. Through the current transaction, Gulfport is acquiring an additional approximately 16.2% interest in these leases, increasing its working interest in the acreage to 93.8%. All of the acreage included in this transaction is currently nonproducing and Gulfport is the operator of all of this acreage, subject to existing development and operating agreements between the parties.

Pending the completion of title review after the closing, approximately \$33.6 million of the purchase price will be placed in an escrow account. The escrow account will terminate on May 1, 2013 and the escrow amount will be distributed to either Gulfport or Windsor Ohio based on any title benefits or title defects resulting from the title review. Pursuant to the PSA, Gulfport and Windsor Ohio have agreed to indemnify each other, their respective affiliates and their respective officers, directors, employees and agents from and against all losses that such indemnified parties incur arising from any breach of representations, warranties or covenants in the PSA and certain other matters. Windsor Ohio is an affiliate of Wexford Capital LP ( Wexford ). Mike Liddell, Gulfport's Chairman of the Board, is the operating member of Windsor Ohio. All distributions made by Windsor Ohio are first paid to the Wexford members in accordance with their respective ownership interests in Windsor Ohio until they have received amounts equal to their respective capital contributions. Thereafter, distributions are made 90% to the Wexford members in accordance with their respective ownership interests and 10% to Mr. Liddell. Upon closing of the transaction, Gulfport has been advised by Windsor Ohio that Mr. Liddell will receive a distribution of approximately \$19.3 million from Windsor Ohio and up to an additional \$3.4 million upon termination of the escrow account, in each case in respect of his 10% interest described above. Mr. Liddell did not participate in the negotiation or approval of this transaction for either Gulfport or Windsor Ohio. The transaction was negotiated and approved by a special committee of Gulfport's board of directors, who engaged independent counsel and financial advisors to assist with their review.

On February 15, 2013, Gulfport completed the acquisition contemplated by the PSA. Gulfport funded the acquisition with a portion of the net proceeds from an underwritten public offering of its common stock that closed on February 15, 2013.

The preceding summary of the PSA is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached as Exhibit 2.1 hereto and incorporated herein by reference.

***Underwriting Agreement***

On February 11, 2013, Gulfport entered into an underwriting agreement with Credit Suisse Securities (USA) LLC, as representative of the several underwriters named therein (the Underwriting Agreement ). The Underwriting Agreement relates to the public offering of 7,750,000 shares of Gulfport's common stock at a public offering price of \$38.00 per share. Pursuant to the Underwriting Agreement, the underwriters were granted a 30-day option to purchase a maximum of 1,162,500 additional shares of the Company's common stock from Gulfport at the public offering price (less the underwriting discount) solely to cover over-allotments, which option was exercised in full by the underwriters on February 12, 2013. Gulfport intends to use the net proceeds from this equity offering to fund its previously announced acquisition of additional Utica Shale acreage, as described under the heading Windsor Ohio Purchase and Sale Agreement above, and for general corporate purposes, including the funding of a portion of its 2013 capital development plan. The offering closed on February 15, 2013.

The offering was made pursuant to Gulfport's effective automatic shelf registration statement on Form S-3 (File No. 333-175435), filed with the Securities and Exchange Commission (the "SEC") on July 11, 2011 (the "Shelf Registration Statement"), and a prospectus, which consists of a base prospectus, filed with the SEC on July 11, 2011, a preliminary prospectus supplement, filed with the SEC on February 11, 2013, and a prospectus supplement, filed with the SEC on February 12, 2013 (collectively, the "Prospectus").
