Internet Availability of Proxy Materials

This year we are relying upon a U.S. Securities and Exchange Commission rule that allows us to furnish proxy materials to stockholders over the Internet. As a result, beginning on or about March 15, 2013, we sent by mail or e-mail a Notice Regarding the Availability of Proxy Materials containing instructions on how to access our proxy materials, including our Proxy Statement and Annual Report to Stockholders, over the Internet and how to vote. Internet availability of our proxy materials is designed to expedite receipt by stockholders and lower the cost and environmental impact of our Annual Meeting. If you received your proxy materials via e-mail, the e-mail contains voting instructions, including a control number required to vote your shares, and links to the Proxy Statement and the Annual Report to Stockholders on the Internet. If you received your proxy materials by mail, the Notice of Annual Meeting, Proxy Statement, Proxy Card and Annual Report to Stockholders are enclosed.

Who Can Vote

March 1, 2013 is the record date for determining the stockholders of record who are entitled to vote at the Annual Meeting. On March 1, 2013, 60,415,723 shares of Provident common stock, par value of \$0.01 per share, were outstanding and held by approximately 5,600 holders of record. The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Provident common stock is necessary to constitute a quorum at the Annual Meeting.

How Many Votes You Have

Each holder of shares of Provident common stock outstanding on March 1, 2013 will be entitled to one vote for each share held of record. However, Provident's certificate of incorporation provides that stockholders of record who beneficially own in excess of 10% of the then outstanding shares of Provident common stock are not entitled to vote any of the shares held in excess of that 10% limit. A person or entity is deemed to beneficially own shares that are owned by an affiliate of, as well as by any person acting in concert with, such person or entity.

Matters to Be Considered

The purpose of the Annual Meeting is to elect four directors, vote on an advisory basis on executive compensation, and ratify the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2013. Provident may adjourn or postpone the Annual Meeting for the purpose of allowing additional time to solicit proxies.

The board of directors is not aware of any other matters that may be presented for consideration at the Annual Meeting. If other matters properly come before the Annual Meeting, Provident intends that shares represented by properly submitted proxies will be voted, or not voted, by the persons named as proxies in their best judgment.

How to Vote

You may vote your shares:

In person at the Annual Meeting. All stockholders of record may vote in person at the Annual Meeting. Beneficial owners may vote in person if they have a legal proxy from their bank or broker.

By telephone or Internet (see the instructions at www.proxyvote.com). Beneficial owners may also vote by telephone or Internet if their bank or broker makes those methods available, in which case the bank or broker will include the instructions with the proxy materials.

By written proxy. All stockholders of record can vote by written proxy card. If you received a printed copy of this Proxy Statement, you may vote by signing, dating and mailing the enclosed Proxy Card, or if you are a beneficial owner, you may request a voting instruction form from your bank or broker.

Table of Contents

If you return an executed Proxy Card without marking your instructions, your executed Proxy Card will be voted FOR the election of the four nominees for director, FOR approval of the executive compensation paid to our named executive officers, and FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2013.

Under the terms of these plans, the trustee or administrator votes all shares held by the plan, but each participant may direct the trustee or administrator how to vote the shares of Provident common stock allocated to his or her plan account. If you own shares through any of these plans and you do not vote, the respective plan trustees or administrators will vote your shares in accordance with the terms of the respective plans.

Quorum and Vote Required

The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Provident common stock is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes (unvoted proxies submitted by a banker or broker) will be counted for the purpose of determining whether a quorum is present.

Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which authority to vote for the nominees proposed is Withheld. Solicitation of Proxies

Provident will bear the entire cost of soliciting proxies from you. In addition to solicitation of proxies by mail, Provident will request that banks, brokers and other holders of record send proxies and proxy materials to the beneficial owners of Provident common stock and secure their voting instructions, if necessary. Provident will reimburse such holders of record for their reasonable expenses in taking those actions. Provident has also made arrangements with AST Phoenix Advisors to assist Provident in soliciting proxies and has agreed to pay them a fee of \$7,000 plus reasonable expenses for their services. If necessary, Provident may also use several of its employees, who will not be specially compensated, to solicit proxies from stockholders, personally or by telephone, facsimile, e-mail or letter.

Householding

Unless Provident has received contrary instructions, Provident has sent a single copy of these proxy materials to any household at which one or more stockholders reside if Provident believes the stockholders are members of the same household. Each stockholder in the household will receive a separate Proxy Card. This process, known as householding, reduces the volume of duplicate information received at your household and helps reduce Provident's expenses. If you would like to receive your own set of proxy materials, please follow these instructions:

If your shares are registered in your own name, contact Provident's transfer agent and inform them of your request to revoke householding by calling them at 1-800-368-5948 or by writing them at Registrar and Transfer Company, 10 Commerce Drive, Cranford, New Jersey 07016, Attention: Investor Relations Department.

If a bank, broker or other nominee holds your shares, contact your bank, broker or other nominee directly.

Section 16(a) Beneficial Ownership Reporting Compliance

Provident common stock is registered with the Securities and Exchange Commission pursuant to Section 12(b) of the Securities Exchange Act of 1934, as amended. The directors and executive officers of Provident and The Provident Bank, and beneficial owners of greater than 10% of Provident common stock are required to file reports on Forms 3, 4 and 5 with the Securities and Exchange Commission disclosing beneficial ownership and changes in beneficial ownership of Provident common stock. The Securities and Exchange Commission rules require disclosure in the Proxy Statement or Annual Report on Form 10-K of the failure of a director, executive officer, or greater than 10% beneficial owner of Provident common stock to file a Form 3, 4, or 5 on a timely basis. Provident is not aware of any greater than 10% beneficial owner of Provident common stock. Based solely on a review of ownership reports and confirmations by executive officers and directors, Provident believes that during the year ended December 31, 2012, all directors and executive officers timely filed all required stock ownership reports, except for a late filing relating to a gift of shares of Provident common stock by Ms. Laud.

PROPOSAL 1 ELECTION OF PROVIDENT DIRECTORS**General**

Provident s board of directors currently consists of 12 members and is divided into three classes, with one class of directors elected each year. Each of the members of the board of directors also serves as a director of The Provident Bank. Directors are elected to serve for a three-year term and until their respective successors shall have been elected and qualified. A director is not eligible to be elected or appointed to the board of directors after reaching age 73.

Four directors will be elected at the Annual Meeting to serve for a three-year term and until their respective successors shall have been elected and qualified. On the recommendation of the Governance/Nominating Committee, the board of directors nominated Thomas W. Berry, Frank L. Fekete, Matthew K. Harding and Thomas B. Hogan Jr. for election as directors at the Annual Meeting.

All of the nominees for election at the Annual Meeting currently serve as directors of Provident and The Provident Bank. The stockholders previously elected Messrs. Berry, Fekete and Hogan. Mr. Harding was recommended for consideration by the non-management directors and was appointed to the boards of directors of Provident and The Provident Bank in January 2013. There are no arrangements or understandings between any

Table of Contents

nominee and any other person pursuant to which any such nominee was selected. **Unless authority to vote for the nominees is withheld, it is intended that the shares represented by each fully executed Proxy Card, will be voted FOR the election of all nominees.**

Each of the nominees has consented to be named a nominee. In the event that any nominee is unable to serve as a director, the persons named as proxies will vote with respect to a substitute nominee designated by Provident's current board of directors. At this time, the board of directors knows of no reason why any of the nominees would be unable or would decline to serve, if elected.

PROVIDENT'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEES FOR DIRECTOR NAMED IN THIS PROXY STATEMENT.

The Board of Directors

Provident's board of directors is comprised of individuals with considerable and varied business experiences, backgrounds, skills and qualifications who collectively have a strong knowledge of Provident's business and markets, and are committed to enhancing long-term stockholder value. The Governance/Nominating Committee is responsible for identifying and selecting director candidates who meet the evolving needs of the board of directors. Director candidates must have the highest personal and professional ethics and integrity. Additional criteria weighed by the Governance/Nominating Committee in the director identification and selection process include the relevance of a candidate's experience to the business of Provident, enhancement of the diversity of experience of the board, the candidate's independence from conflict or direct economic relationship with Provident, and the candidate's ability and willingness to devote the proper time to prepare for and attend meetings. The Governance/Nominating Committee also takes into account whether a candidate satisfies the criteria for independence under Provident's Independence Standards and the New York Stock Exchange listing rules, and if a nominee is sought for service on the Audit Committee, the financial and accounting expertise of a candidate, including whether the candidate qualifies as an Audit Committee financial expert. While the Governance/Nominating Committee does not have a formal policy respecting diversity on the board of directors, consideration is given to nominating persons with different perspectives and experience to enhance the deliberation and strategic decision-making processes of the board of directors.

The following table sets forth certain information, as of March 1, 2013, regarding the nominees for election as directors and the incumbent directors whose terms will continue following the Annual Meeting, including the terms of office of each director.

Corporate Governance Matters

Provident is committed to maintaining sound corporate governance principles and the highest standards of ethical conduct and is in compliance with applicable corporate governance laws and regulations.

Board of Directors Meetings and Committees

The board of directors of Provident meets quarterly, or more often as may be necessary. The board of directors met ten times in 2012. The board of directors currently maintains four standing committees: the Compensation, Audit, Risk and Governance/Nominating Committees. The board of directors of The Provident Bank meets monthly at least 11 times a year, as required by New Jersey banking law.

All directors attended no fewer than 75% of the total number of meetings held by the Provident board of directors and all committees of the board on which they served (during the period they served) in 2012. When the

Provident and The Provident Bank board of directors and committee meetings are aggregated, all directors attended no fewer than 75% of the aggregated total number of meetings in 2012. Provident has a policy requiring each director to attend the Annual Meeting of Stockholders. All persons serving on the board of directors at the time of the Annual Meeting of Stockholders held on April 26, 2012 attended the meeting, except for Mr. Shein who was unable to attend due to an unavoidable scheduling conflict.

Board Leadership Structure

The board of directors believes that combining the Chairman and Chief Executive Officer positions, together with the appointment of an independent Lead Director, is the appropriate board leadership structure for Provident. The board of directors believes that the Chief Executive Officer is most knowledgeable about Provident's business and corporate strategy and is in the best position to lead the board of directors, especially in relation to its oversight of corporate strategy formation and execution. Management accountability and the board's independence from management are best served by maintaining a super majority of independent directors, electing an independent Lead Director, and maintaining standing board committees that are comprised of independent leadership and members. The Lead Director plays an important role on the board of directors and has the following responsibilities:

Schedules executive sessions of the non-management directors without management present at least two times each year and advises the Chairman of the schedule for such executive sessions.

With input from the non-management directors, develops agendas for, and presides over the executive sessions. The Lead Director provides the Chairman with timely feedback from the executive sessions where appropriate.

Acts as the principal liaison between the non-management directors and the Chairman on issues relating to the working relationship between the board and management, including providing input as to the quality, quantity and timeliness of information provided by management in order to ensure that the conduct of board meetings allows adequate time for discussion of important issues and that appropriate information is made available to the board on a timely basis.

Provides input to the Chairman regarding board meeting agendas and meeting materials based on requests from the non-management directors.

Attends board committee meetings as a non-member at the invitation of the respective committee chair.

Risk Oversight/Risk Committee

The entire board of directors is engaged in risk management oversight. The board has established a separate standing Risk Committee to facilitate its risk oversight responsibilities. The current members of the Risk Committee are: Ms. Brooks (Chair) and Messrs. Berry, Connor and Shein. Each member of the Risk Committee is considered independent as defined in the New York Stock Exchange corporate governance listing standards. The Risk Committee's charter is posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at www.providentnj.com. The Committee met nine times during 2012.

The Risk Committee oversees the overall risk management activities employed by management in pursuit of:

maintaining a culture of discipline that enforces and provides proper incentives to employees for a sound, effective and coordinated enterprise risk management process designed to identify potential events that may affect Provident and to appropriately manage risks in order to provide reasonable assurance that Provident's stated objectives will be achieved; and

Edgar Filing: PROVIDENT FINANCIAL SERVICES INC - Form DEF 14A

identifying potential emerging risks in a routine and systematic manner, assessing the implications of those risks to Provident, and managing those risks in a manner consistent with the probability of their occurrence and potential consequence to Provident.

Table of Contents

The Risk Committee receives regular reports from management and other standing board committees regarding relevant risks and the actions taken by management to adequately address those risks.

Corporate Governance Principles

The board of directors has adopted Corporate Governance Principles, which are posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at www.providentnj.com. The Corporate Governance Principles cover the general operating policies and procedures followed by the board of directors including:

establishing the size and composition of the board of directors and the desired qualifications of directors;

setting a minimum stock ownership requirement for directors at 15,000 shares of Provident common stock to be achieved over six years;

providing for director orientation, continuing education and an annual performance assessment of the board of directors;

selecting board committee membership; and

reviewing annual compensation paid to the non-management directors.

The Corporate Governance Principles provide for the board of directors to meet in regularly scheduled executive sessions without management at least two times a year. Four executive sessions were conducted in 2012. Mr. Fekete, who served as Lead Director in 2012, presided over these executive sessions conducted by the non-management directors, all of whom are independent.

Director Independence

The New York Stock Exchange rules provide that a director does not qualify as independent unless the board of directors affirmatively determines that the director has no direct or indirect material relationship with Provident. The New York Stock Exchange rules require the board of directors to consider all relevant facts and circumstances in determining the materiality of a director's relationship with Provident and permit the board of directors to adopt and disclose standards to assist the board in making independence determinations. Accordingly, the board of directors has adopted Independence Standards to assist the board in determining whether a director has a material relationship with Provident. These Independence Standards, which should be read with the New York Stock Exchange rules, are available on the Governance Documents section of the Investor Relations page of The Provident Bank's website at www.providentnj.com.

The board of directors conducted an evaluation of director independence, based on the Independence Standards and the New York Stock Exchange rules. In connection with this review, the board of directors considered all relevant facts and circumstances relating to relationships that each director and his or her immediate family members and their related interests had with Provident.

After its evaluation, the board of directors affirmatively determined that each of Mr. Berry, Ms. Brooks, Mr. Connor, Mr. Fekete, Mr. Gallagher, Dr. Hernandez, Mr. Harding, Mr. Hogan, Ms. Laud, Mr. O'Donnell and Mr. Shein is an independent director. The board of directors determined that Mr. Martin is not independent because he has served as a Provident employee in the last three years. The board of directors specifically considered the following business relationship in reaching its independence determinations:

The Provident Bank formerly leased space for a branch banking office from Fords Circle Associates LLC. In September 2012, the lease term ended and was not renewed by the parties to the lease. Mr. Shein owns a 7.5 percent equity interest in Fords Circle Associates LLC. In 2012, The Provident Bank paid rent and related charges of approximately \$37,300 for this branch banking office.

Governance/Nominating Committee

The current members of the Governance/Nominating Committee are: Messrs. O'Donnell (Chair), Gallagher, Hernandez, and Shein. Each member of the Governance/Nominating Committee is considered independent as defined in the New York Stock Exchange corporate governance listing standards. The Governance/Nominating Committee's charter is posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at www.providentnj.com. The Committee met six times during 2012.

The functions of the Governance/Nominating Committee include, among other things:

evaluating and making recommendations to the board concerning the number of directors, committee assignments and committee membership rotation practices;

establishing the qualifications, relevant background, and selection criteria for board members;

making recommendations to the board concerning board nominees;

conducting evaluations of the effectiveness of the operation of the board;

developing corporate governance principles applicable to Provident;

recommending revisions to the code of business conduct and ethics;

making recommendations to the board regarding director orientation and continuing education; and

evaluating the Governance/Nominating Committee's performance on an annual basis.

The Governance/Nominating Committee identifies nominees for director by first assessing the performance of the current members of the board of directors willing to continue service. Current members of the board with skills and experience that are relevant to Provident's business and who are willing to continue service are first considered for re-nomination, balancing the value of continuity of service by existing members of the board with that of obtaining a new perspective. If any member of the board does not wish to continue service, or if the Governance/Nominating Committee and the board decides not to re-nominate a member for re-election, or if the size of the board is increased, the Governance/Nominating Committee will solicit suggestions for director candidates from all board members. In addition, the Governance/Nominating Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. Candidates must have the highest personal and professional ethics and integrity.

Procedures for the Nomination of Directors by Stockholders

If a determination is made that an additional candidate is needed for the board, the Governance/Nominating Committee will consider candidates properly submitted by Provident's stockholders. Stockholders can submit the names of qualified candidates for director by writing to the Corporate Secretary at Provident Financial Services, Inc., 239 Washington Street, Jersey City, New Jersey 07302. The Corporate Secretary must receive a submission not less than 120 days prior to the date of Provident's proxy materials for the preceding year's Annual Meeting. If the date of the Annual Meeting is advanced by more than 30 days prior to, or delayed by more than 30 days after, the anniversary of the preceding year's Annual Meeting, a stockholder's submission must be so delivered not later than the close of business on the tenth day following the day on which public announcement of the date of such Annual Meeting is first made. A stockholder's submission must be in writing and include the following information:

Edgar Filing: PROVIDENT FINANCIAL SERVICES INC - Form DEF 14A

the name and address of the stockholder as they appear on Provident's books, and the number of shares of Provident common stock that are beneficially owned by such stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership should be provided);

the name, address and contact information for the candidate, and the number of shares of Provident common stock that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the candidate's ownership should be provided);

a statement of the candidate's business and educational experience;

Table of Contents

such other information regarding the candidate as would be required to be included in Provident's proxy statement pursuant to Securities and Exchange Commission Regulation 14A;

a statement detailing any relationship between the candidate and Provident, The Provident Bank and any subsidiaries of The Provident Bank;

a statement detailing any relationship between the candidate and any customer, supplier or competitor of Provident and The Provident Bank;

detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

Stockholder submissions that are timely and that meet the criteria outlined above will be forwarded to the Chair of the Governance/Nominating Committee for further review and consideration. A nomination submitted by a stockholder for presentation at an Annual Meeting of Provident's stockholders must comply with the procedural and informational requirements described later in this Proxy Statement under the heading Advance Notice Of Business To Be Conducted at an Annual Meeting.

Stockholder and Interested Party Communications with the Board

A stockholder of Provident and any other interested party may communicate with the board of directors, the non-management directors, the Lead Director or with any individual director by writing to the Chair of the Governance/Nominating Committee, c/o Provident Financial Services, Inc., 239 Washington Street, Jersey City, New Jersey 07302. A communication from a stockholder should indicate that the author is a stockholder and, if shares of Provident common stock are not held of record, the letter should include appropriate evidence of stock ownership.

Code of Business Conduct and Ethics

Provident has adopted a Code of Business Conduct and Ethics that is applicable to directors, officers and employees of Provident and The Provident Bank, including the principal executive officer, principal financial officer, principal accounting officer, and all persons performing similar functions. The Code of Business Conduct and Ethics is posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at www.providentnj.com. Amendments to and waivers from the Code of Business Conduct and Ethics will also be disclosed on The Provident Bank's website.

Transactions With Certain Related Persons

Federal laws and regulations generally require that all loans or extensions of credit to directors and executive officers must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features. However, regulations also permit directors and executive officers to receive the same terms through benefit or compensation plans that are widely available to other employees, as long as the director or executive officer is not given preferential treatment compared to participating employees. Pursuant to such a program, loans may be extended to executive officers on substantially the same terms as those prevailing at the time for comparable transactions with the general public, except as to the interest rate charged, so long as such rate is generally available to participating employees. These loans may not involve more than the normal risk of repayment or present other unfavorable features. As of December 31, 2012, The Provident Bank had aggregate loans and loan commitments totaling \$277,000 to its executive officers. The Provident Bank does not make loans to members of the board of directors or to their immediate family members and their related interests, as such terms are defined in The Provident Bank's Lending Policy.

Table of Contents

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (1) extending or maintaining credit; (2) arranging for the extension of credit; or (3) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, one of which is applicable to Provident. The provisions of the Sarbanes-Oxley Act of 2002 that prohibit loans do not apply to loans made by a depository institution, such as The Provident Bank, that is insured by the Federal Deposit Insurance Corporation and is subject to the insider lending restrictions of the Federal Reserve Act. Any loans to Provident's and The Provident Bank's officers are made in conformity with the Federal Reserve Act and Regulation O.

Provident's Code of Business Conduct and Ethics requires directors and executive officers to promptly disclose any interest they may have in any proposed transaction involving Provident or The Provident Bank, and any such director or executive officer shall abstain from any deliberation or voting on the transaction. Any such transaction would require approval of a majority of the directors who have no interest in the proposed transaction. In addition, directors and executive officers annually disclose any transactions, relationships or arrangements they or their related interests may have with Provident or The Provident Bank. Such disclosures, together with information obtained from each director's annual statement of interest form, are used to monitor related party transactions and make independence determinations.

Anti-Hedging Policy

Provident's stock trading guidelines include an anti-hedging policy which prohibits directors and executive officers from engaging in or effectuating any transaction designed to hedge or offset the economic risk of owning shares of Provident common stock. Accordingly, any hedging, derivative or other similar transaction that is specifically designed to reduce or limit the extent to which declines in the trading price of Provident common stock would affect the value of the shares of common stock owned by a director or executive officer is prohibited. Cashless exercises of stock options are not deemed short sales and are not prohibited.

Audit Committee Matters

Audit Committee

The current members of the Audit Committee are: Messrs. Hogan (Chair) and Fekete, Ms. Brooks and Ms. Laud. Each member of the Audit Committee is considered independent as defined in the New York Stock Exchange corporate governance listing standards and under Securities and Exchange Commission Rule 10A-3.

The duties and responsibilities of the Audit Committee include, among other things:

sole authority for retaining, overseeing and evaluating a firm of independent registered public accountants to audit Provident's annual financial statements;

approving all engagements for audit and non-audit services by the independent registered public accounting firm.

The Audit Committee met ten times during 2012. The Audit Committee reports to the board of directors on its activities and findings. The board of directors believes that Frank L. Fekete and Thomas B. Hogan Jr. each qualify as an Audit Committee financial expert as that term is used in the rules and regulations of the Securities and Exchange Commission.

Audit Committee Report

Pursuant to rules and regulations of the Securities and Exchange Commission, this Audit Committee Report shall not be deemed incorporated by reference to any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that Provident specifically incorporates this information by reference, and otherwise shall not be deemed soliciting material or to be filed with the Securities and Exchange Commission subject to Regulation 14A or 14C of the Securities and Exchange Commission or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended.

The Audit Committee operates under a written charter approved by the board of directors. The Audit Committee's charter is posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at www.providentnj.com.

Management has primary responsibility for Provident's internal control and financial reporting process, and for making an assessment of the effectiveness of Provident's internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of Provident's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue an opinion on those financial statements, and for providing an attestation report on management's assessment of internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

As part of its ongoing activities, the Audit Committee has:

reviewed and discussed with management, and the independent registered public accounting firm, the audited consolidated financial statements of Provident for the year ended December 31, 2012;

discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, *Communications with Audit Committees*, as amended, and as adopted by the Public Company Accounting Oversight Board; and

received the written disclosures and the letter from the independent registered public accounting firm mandated by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm its independence from Provident.

Based on the review and discussions referred to above, the Audit Committee recommended to Provident's board of directors that the audited consolidated financial statements for the fiscal year ended December 31, 2012 be included in Provident's Annual Report on Form 10-K for filing with the Securities and Exchange Commission. In addition, the Audit Committee approved the re-appointment of KPMG LLP as the independent registered public accounting firm for the year ending December 31, 2013, subject to the ratification of this appointment by the stockholders of Provident.

Compensation Committee Matters

Compensation Committee

The current members of the Compensation Committee are: Messrs. Berry (Chair), Fekete, Gallagher, and O'Donnell. Each member of the Compensation Committee has been determined to be independent as defined in

Table of Contents

the current New York Stock Exchange corporate governance listing standards. The Compensation Committee is responsible for executive management development and succession planning, and for reviewing and evaluating compensation programs and policies and risks associated with such programs and policies, including setting performance measures and goals consistent with principles of safety and soundness, approving awards under existing compensation plans and administering long-term equity awards. On at least an annual basis, the Compensation Committee meets to review the performance of, and the compensation payable to the named executive officers, including the Chief Executive Officer. The basic elements of Provident's executive compensation program include base salary, an annual cash incentive and long-term equity award primarily tied to corporate financial targets, and certain other benefit arrangements, such as retirement benefits. The Compensation Committee's charter is posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at www.providentnj.com. The Compensation Committee met 15 times during 2012, including four conference call meetings for which no meeting fees were paid.

The Compensation Committee determines the compensation payable to the Chief Executive Officer based on corporate financial performance against established goals and the Chief Executive Officer's individual performance. Each year the Compensation Committee establishes corporate financial performance goals and individual goals for the Chief Executive Officer, and members of the Compensation Committee periodically meet with the Chief Executive Officer during the year to review progress against those goals. The Compensation Committee also sets performance goals for, and determines the compensation payable to, the named executive officers, based in part on the Chief Executive Officer's assessment and recommendations. Input provided by the Compensation Committee's independent compensation consultant and other executive compensation data sources are available to the Compensation Committee to assist it in these determinations.

In addition to evaluating Provident's overall financial performance in its review of the named executive officers, the Compensation Committee considers the performance of each named executive officer's business line or area of responsibility. Several key management competencies and behaviors are assessed, including the named executive officer's effectiveness as a leader and his or her role in building a cohesive executive team, as well as other strategic core competencies such as accountability, analytical ability and decision making, communication, cooperation and teamwork, creativity and problem-solving, and integrity. The named executive officer's performance relating to these competencies forms the basis of a performance review discussion with the named executive officer that reinforces his or her role in achieving Provident's business plan and short- and long-term strategies.

The Compensation Committee assesses risks posed by the compensation plans maintained for the benefit of, and incentive compensation paid to, officers and employees. This comprehensive risk assessment is performed by Provident's Chief Risk Officer and is presented to, and reviewed by, the Compensation Committee. The risk assessment conducted in 2012 concluded that Provident's incentive compensation plans do not pose significant risk or promote excessive risk taking that are reasonably likely to have a material adverse effect on Provident.

Director compensation is established by the board of directors upon the recommendation of the Compensation Committee and is discussed in this Proxy Statement under the heading Director Compensation.

Compensation Committee Interlocks and Insider Participation

Messrs. Berry, Fekete, Gallagher, and O'Donnell served as members of the Compensation Committee in 2012. None of these directors has ever been an officer or employee of Provident. In addition, none of these directors is an executive officer of another entity where one of Provident's executive officers serves on the compensation committee or the board of directors, or which had any transactions or relationships with Provident in 2012 requiring specific disclosures under Securities and Exchange Commission rules.

Compensation Consultants

The Compensation Committee retained the services of McLagan, an Aon Hewitt Company (McLagan) and Frederick W. Cook & Co., Inc. (Cook & Co.) during 2012. McLagan assisted the Compensation Committee in evaluating executive compensation matters, and Cook & Co. provided an evaluation and recommendations regarding director compensation. The Compensation Committee regularly meets with its compensation consultants in executive session without management. Each of these consultants was engaged by and reported directly to the Compensation Committee and did not perform any other services for Provident, The Provident Bank or their affiliates or their management. After consideration of fees paid to each of the consultants, each consultant's policies and procedures designed to prevent conflicts of interests, the absence of any business or personal relationships between either of the consultants and the Compensation Committee members and Provident's executive officers, and other relevant factors, the Compensation Committee determined that no conflicts of interest existed with either McLagan

or Cook & Co.

Executive Compensation Philosophy

The Compensation Committee believes that Provident's executive compensation program is consistent with promoting sound risk management and long-term value creation for Provident's stockholders. Provident's executive compensation program is intended to align the interests of its executive officers and employees with stockholders by rewarding performance against established corporate financial goals, and by rewarding strong executive leadership and superior individual performance. By offering annual cash incentives, long-term equity compensation and competitive benefits, Provident's goal is to attract, motivate and retain a highly qualified and talented team of executives who will help maximize Provident's long-term financial performance and earnings growth.

The compensation paid to each named executive officer is based on the executive's level of job responsibility, corporate financial performance measured against annual goals, an assessment of the executive's

individual performance and the competitive market. For the named executive officers and other members of executive management, annual incentive compensation is linked more directly to corporate financial performance, because these executives are in leadership roles that influence corporate financial results.

The Compensation Committee regularly reviews the components of the executive compensation program with advice from its independent compensation consultant and after giving due consideration to the most recent non-binding stockholder advisory vote on executive compensation which resulted in a favorable vote of 96% of the votes cast. In light of strong stockholder support, the Compensation Committee concluded that no material revisions were necessary to Provident's executive compensation program. Consistent with past practice, McLagan was engaged to review Provident's executive compensation program in 2012, which included a review and recommendation of an appropriate peer group to assess competitive compensation practices, as well as for comparing performance against certain financial targets. The Compensation Committee determined it would use two peer groups in connection with executive compensation determinations commencing in 2012:

A regional peer group of 20 publicly traded thrift and banking institutions with assets of \$4 to \$20 billion doing business in the Northeast to be used for comparative base salary and total compensation data as follows:

While Provident's executive compensation program targets base salary and annual cash incentive compensation at market levels, actual compensation paid to a named executive officer may vary based on other factors, such as the individual's performance, experience and tenure, and competitive market conditions.

The Omnibus Incentive Compensation Plan Document of Provident Financial Services, Inc. serves as a core governance document for Provident's incentive compensation plans establishing lines of authority, a foundation for relevant internal controls and procedures, risk mitigation and accountability features, including clawbacks and deferrals.

Table of Contents***Elements of 2012 Executive Compensation***

Provident pays its named executive officers in accordance with a pay for performance philosophy by providing competitive compensation for demonstrated performance. The Compensation Committee employs a total compensation approach in establishing executive compensation opportunities, consisting of base salary, annual cash incentive compensation, long-term equity awards (which may include performance-vesting stock options, performance-vesting stock awards, time-vesting stock awards and discretionary stock grants to recognize exceptional individual or corporate performance or to maintain a competitive total compensation package where warranted), a competitive benefits package and limited perquisites.

Base Salary

A competitive base salary is necessary to attract and retain talented executives. Annually, the Compensation Committee evaluates each named executive officer's base salary level. In general, competitive base salary information, or market data, is furnished to the Compensation Committee by the independent compensation consultant, and each named executive officer's base salary level is compared to the competitive market data. The Compensation Committee considers assessments of the individual named executive officer's performance, leadership, operational effectiveness, and experience in the industry, as well as market conditions.

In establishing base salaries for 2012, the Compensation Committee considered Provident's financial performance, as well as peer group and market-based industry salary data. In consideration of the performance achieved and to maintain a competitive base salary for each of the named executive officers, the Compensation Committee determined that base salary increases reflected in the Summary Compensation Table were appropriate for each of the named executives to remain competitive with the market, and in the case of Mr. Lyons, to recognize his performance and experience as Chief Financial Officer.

Annual Cash Incentive Payment/The 2012 Annual Cash Incentive Plan

Annual cash incentive opportunities are provided to Provident's named executive officers in order to align the attainment of annual corporate financial performance objectives with executive compensation. At the beginning of each year, the Compensation Committee assigns corporate financial targets and a range of annual cash incentive award opportunities to each named executive officer. The award opportunities are linked to a specific target and range of performance results for multiple corporate financial performance measures. Although the annual incentive cash award is generally calculated based upon pre-determined metrics and measurable achievement, the Compensation Committee has discretion to adjust the metrics and cash incentive awards where appropriate.

The Compensation Committee recommended, and the board of directors approved, the 2012 Annual Incentive Plan. The 2012 Annual Incentive Plan provided the opportunity for a cash incentive payment based upon the achievement of corporate and individual goals. To even further align executive pay with financial performance, the Compensation Committee increased the cash incentive opportunity at the Threshold and Target performance levels for the Chief Executive Officer and the named executive officers for 2012 compared with the 2011 cash incentive opportunities. For the Chief Executive Officer, the opportunity was increased from 30% to 35% of base salary at Threshold and from 60% to 75% of base salary at Target. For the other named executive officers, the opportunity was increased from 20% to 25% of base salary at Threshold and from 40% to 45% of base salary at Target. The Compensation Committee reduced the cash incentive opportunity at the Maximum performance level from 120% to 115% of base salary for the Chief Executive Officer and from 80% to 70% of base salary for the other executive officers.

Participant	Annual Cash Incentive as a % of Base Salary		
	Threshold	Target	Maximum
Chief Executive Officer	35%	75%	115%
Other Named Executive Officers	25%	45%	70%

Table of Contents

For the named executive officers, the Compensation Committee established the following 2012 targets (collectively, the Corporate Targets) and relative weightings for the 2012 Annual Incentive Cash Plan:

Metric	Weight	Threshold 95%	Target 100%	Maximum 115%
Net Income (in millions)	25%	\$ 57.8	\$ 60.8	\$ 69.9
Efficiency Ratio ⁽¹⁾	25%	58.19%	57.25%	54.60%
Return on Average Assets	25%	0.80%	0.84%	0.96%
Earnings Per Share	25%	\$ 1.00	\$ 1.06	\$ 1.22

(1) Represents the ratio of non-interest expense divided by the sum of net interest income and non-interest income.

Under the 2012 Annual Cash Incentive Plan, cash incentive payments based on Provident's actual 2012 financial performance would be made if financial performance met or exceeded 95% of any one of the Corporate Targets (Threshold). Cash incentive payments would be a minimum of 8.75% of base salary for the Chief Executive Officer and 6.25% of base salary for the other named executive officers upon the achievement of at least one metric (weighted at 25%) at the Threshold level, increasing to 115% of base salary for the Chief Executive Officer and 70% of base salary for the other named executive officers upon achievement of all metrics at the Maximum level.

In aggregate, the overall actual achievement of Corporate Targets for 2012 was above Target, as the net income, efficiency ratio, return on average assets, and earnings per share goals were all achieved above Target, but below the Maximum. Based upon the foregoing, the Committee authorized above Target payouts under the 2012 Annual Incentive Plan to the named executive officers as follows:

Name	Cash Incentive
Christopher Martin	\$ 553,308
Thomas M. Lyons	\$ 191,607
Donald W. Blum	\$ 177,236
John F. Kuntz	\$ 179,631
Michael A. Raimonde	\$ 155,680

Long-Term Equity Incentives

The 2008 Long-Term Equity Plan provides the opportunity to grant various forms of equity incentives on a time-vesting and performance-vesting basis. The Compensation Committee believes that stock ownership provides a significant incentive in building long-term stockholder value by further aligning the interests of officers and employees with stockholders. The importance of this component of compensation increases as Provident's common stock appreciates in value and serves as a retention tool for executives. The inclusion of performance-vesting awards also encourages a long-term strategic focus. It is the policy of the Compensation Committee to make equity grants when the window for trading by directors and officers in Provident common stock is open under Provident's stock trading policy. Throughout the year, equity awards may be granted to new hires and promoted employees, or to existing employees to recognize superior performance with a grant date effective as of the date of the next regularly scheduled Compensation Committee meeting that falls when the window for trading is open under Provident's stock trading policy.

The Compensation Committee established the equity component of total compensation as a percentage of base salary, for the Chief Executive Officer and other named executive officers, based upon competitive total compensation data previously provided by the independent compensation consultant. The Compensation Committee also exercises discretion in making equity grants and may grant equity to the Chief Executive Officer and other named executive officers based on exceptional individual or corporate performance and to maintain a

Table of Contents

competitive total compensation level where warranted. After a review of comparative total compensation data provided by McLagan, the Compensation Committee increased the opportunity for the Chief Executive Officer and other named executive officers for stock awards to be made in 2012 to maintain competitive total compensation and to even further align executive pay with long-term financial performance, and generally follows the guidelines below with respect to annual equity grants:

Participant	2012 Opportunity Long-Term Equity Award as a % of Base Salary			
	Threshold	Target	Target Plus	Maximum
Chief Executive Officer	15.0%	75.0%	95.0%	115.0%
Other Named Executive Officers	12.5%	45.0%	55.0%	70.0%

The 2012 long-term equity awards were made based on the following matrix:

Participant	Three-Year Performance-Vesting		Three-Year Time-Vesting
	Non-Qualified Stock Options	Restricted Stock	Restricted Stock
Chief Executive Officer	25%	75%	0%
Other Named Executive Officers	0%	75%	25%

The Compensation Committee determined that for equity grants made in 2012 under the Long-Term Equity Plan to all named executive officers other than the Chief Executive Officer, 75% of equity grants would be subject to performance-vesting, and 25% would be time-vesting over three years; and for the Chief Executive Officer, 100% of equity grants would be subject to performance-vesting. Such performance-vesting would be measured at the end of a three-year period based upon metrics approved by the Compensation Committee at the time of the equity grant. Currently the performance metrics include projections of compounded annual growth in earnings per share over a three-year period and a comparison of total stockholder return to the peer group over a three-year period. For the performance-vesting grants made in 2012 which vest in 2014, the two performance metrics at target (weighted 50% each) are compounded annual growth of five percent in earnings per share from the base year of 2011 (or \$1.01 per share) and achievement of total shareholder return versus peers equal to or greater than fifty percent of the peers. The performance-based grants vest at the end of three years if the pre-established performance level is met. These performance metrics are designed to encourage conduct that drives long-term strategic decisions suited to maximizing stockholder value.

2012-2014 Performance Matrix**Earnings Per Share Growth**

2011 Actual	\$1.01 Threshold	\$1.01 Target	\$1.01 Target Plus	\$1.01 Maximum
Compounded Annual Growth Rate	4.00%	5.00%	7.5%	10.00%
Cumulative three-year EPS Required	\$ 3.28	\$ 3.34	\$ 3.51	\$ 3.68

Total Shareholder Return versus Peer Group

Threshold	Target	Target Plus	Maximum
≥40% of peers	≥50% of peers	≥67.5 of peers	≥85% of peers

The Compensation Committee has determined that the performance metrics for awards granted under the Long-Term Equity Plan are appropriately set such that participants in the plan will attain: (i) the Threshold level of performance if minimum expected improvements in the performance targets are achieved, which the Committee believed was reasonably likely to be attained; (ii) the Target level of performance if projected business plan expectations are achieved, which the Committee believed had approximately an even likelihood of

Table of Contents

either being attained or not being attained; (iii) the Target Plus level of performance if projected business plan expectations are exceeded, which the Committee believed would be difficult to achieve; and (iv) the Maximum level of performance, which sets a cap on how much incentive compensation will be paid in the event that the Target Plus level is exceeded, which the Committee believed was unlikely to be achieved.

In recognition of the performance of the executive team, to maintain a competitive compensation program, and as a retention incentive, discretionary equity awards were granted in 2012 to the named executive officers. The Chief Executive Officer was granted 10,000 restricted stock awards; 5,000 subject to three-year time vesting and 5,000 subject to one-year time vesting and 25,000 incentive stock options subject to five-year time vesting. The other named executive officers were granted restricted stock awards subject to one-year time vesting as follows: Mr. Lyons 750 shares; Mr. Blum 300 shares, Mr. Kuntz 900 shares and Mr. Raimonde 300 shares.

For the year 2013, the Compensation Committee determined that the formulaic grants made under the Long Term Equity Plan will be two-year performance and time-vesting grants.

Benefits

Provident offers the named executive officers benefits generally available to all employees, including medical and dental, disability insurance, group life insurance coverage, an Employee Stock Ownership Plan (ESOP) and a 401(k) Plan with discretionary employer matching contributions. Certain of the named executive officers have accrued benefits under a noncontributory defined benefit pension plan that was frozen as of April 1, 2003 following the adoption of the ESOP. In addition to pension benefits, medical and life insurance benefits are made available to certain employees when they retire. These post-retirement benefits have been eliminated. However, certain employees with ten or more years of service at the time the benefits were eliminated, including Mr. Martin, still qualify for these post-retirement benefits upon retirement. The named executive officers are also eligible for non-qualified benefits under the Non-Qualified Supplemental Defined Contribution Plan designed to make up for the IRS limits on contributions to the qualified 401(k) Plan and ESOP.

Perquisites

The Compensation Committee believes that perquisites should be provided on a limited basis, and only to the most senior level of executive officers. The following perquisites are currently provided: a club membership for Mr. Martin and the use of a company-owned automobile for Messrs. Martin, Blum and Raimonde. Messrs. Lyons and Kuntz are paid a monthly car allowance. All of the named executive officers are eligible for an annual medical examination at Provident s expense.

Elements of Post-Termination Benefits

Employment Agreement

Mr. Martin has an employment agreement with a twelve month term that renews on August 31 of each year for an additional twelve months. The employment agreement provides that if Mr. Martin s employment was terminated for reasons other than for cause, or as a result of his death, retirement or disability, Mr. Martin would be entitled to:

earned but unpaid base salary through the termination date;

an annual bonus to which he may be entitled under any cash-based annual bonus or performance compensation plan then in effect;

benefits due to him as a former employee other than pursuant to the agreement;

severance pay or liquidated damages equal to his base salary and bonuses due for twelve months following termination, with bonuses due to be the greater of (i) one-twelfth of the average annual cash bonus paid to him with respect to the three completed fiscal years prior to the termination, or

Table of Contents

(ii) the cash bonus paid to him for the last fiscal year prior to the date of termination multiplied by twelve months following termination; and

the continuation of life, medical, dental and disability insurance coverage for twelve months following termination.

Mr. Martin may resign from employment for good reason and receive these termination benefits in the event of certain adverse changes in his employment conditions. Under the employment agreement, the termination benefits are subject to Mr. Martin's compliance with non-solicitation and non-compete provisions for a period of six months following his termination. The employment agreement does not provide for benefits for a termination following a change in control. Those benefits are provided for in a separate change in control agreement between Provident and Mr. Martin described in the following section "Change in Control Agreements".

Change in Control Agreements

Change in control agreements are reserved for a limited number of executives. Benefits are payable under the change in control agreements after a termination of the executive following a change in control of Provident. Provident has entered into a three-year change in control agreements with Messrs. Martin, Blum, Kuntz, Lyons and Raimonde. Prior to February 21, 2013, the change in control agreements with Messrs. Blum, Kuntz, Lyons and Raimonde were two-year change in control agreements. Under the agreements:

Following a change in control, the executive is entitled to a severance payment if:

the executive's employment is terminated during the term of such agreement, other than for cause, disability, or retirement; or

the executive terminates employment during the term of the agreement for good reason.

Good reason is generally defined to include:

the assignment of duties materially inconsistent with the executive's positions, duties or responsibilities as in effect prior to the change in control;

a reduction in his or her base salary or fringe benefits;

a relocation of his or her principal place of employment by more than 25 miles from its location immediately prior to the change in control; or

a failure by Provident to obtain an assumption of the agreement by its successor.

The change in control severance payment is equal to three times the highest level of aggregate annualized base salary and other cash compensation paid to the executive during the calendar year termination occurs, or during either of the immediately preceding two calendar years, whichever is greater. In addition, the executive is generally entitled to receive life, health, dental and disability coverage for the remaining term of the agreement. Payments under the change in control agreements for executive officers, other than Mr. Martin, are reduced to the extent necessary to prevent an excess parachute payment under Section 280G of the Internal Revenue Code.

Other Matters

Executive Stock Ownership Requirements

Edgar Filing: PROVIDENT FINANCIAL SERVICES INC - Form DEF 14A

The Compensation Committee recommended, and the board of directors adopted, the following minimum equity ownership requirements for senior executives to further align their interests with stockholders:

Tier I	Chief Executive Officer	100,000 shares
Tier II	Other Named Executive Officers	10,000 shares

Table of Contents

Each of the named executive officers currently meets or exceeds these requirements. New executives have five years from their date of hire or promotion to achieve the minimum equity ownership levels, and vested and unvested restricted stock awards and shares of Provident common stock held in the ESOP and 401(k) Plan count toward the requirements.

Tax Deductibility of Executive Compensation

Under Section 162(m) of the Internal Revenue Code, companies are subject to limits on the deductibility of executive compensation. Deductible compensation is limited to \$1 million per year for each executive officer listed in the summary compensation table. Compensation that is performance-based under the Internal Revenue Code's definition is exempt from this limit. Stock option grants and other equity grants subject to performance vesting are intended to qualify as performance-based compensation.

The Compensation Committee does not have a formal policy with respect to the payment of compensation in excess of the deduction limit. The Compensation Committee's practice is to structure compensation programs offered to the named executive officers with a view towards maximizing the tax deductibility of amounts paid. However, in structuring compensation programs and making compensation decisions, the Committee considers a variety of factors, including Provident's tax position, the materiality of the payments and tax deductions involved and the need for flexibility to address unforeseen circumstances. After considering these factors, the Committee may decide to authorize payments, all or part of which would be nondeductible for federal tax purposes.

In 2012 the aggregate non-performance based compensation (consisting primarily of salary, cash incentives, and equity awards with time-based vesting) paid to Mr. Martin exceeded the deduction limit by approximately \$71,000.

The Compensation Discussion and Analysis contains information about cash- and equity-based incentive awards made to the named executive officers.

Pension Benefits

The Provident Bank maintains a noncontributory defined benefit pension plan, which covers full-time employees hired prior to April 1, 2003, the date on which the pension plan was frozen. All participants in the pension plan are 100% vested.

Pension plan participants generally become entitled to retirement benefits upon the later of attainment of age 65 or the fifth anniversary of participation in the plan, which is referred to as the normal retirement date. The normal retirement benefit is equal to 1.35% of the participant's average final compensation up to the average social security level plus 2% of the participant's average final compensation in excess of the average social security level multiplied by the participant's years of credited service to a maximum of 30 years.

Vested retirement benefits generally will be paid beginning on the participant's normal retirement date. Participants with accrued benefits in the pension plan prior to April 1, 2003 continued to vest in their pre-April 1, 2003 accrued benefit.

A participant may elect to retire prior to age 65 and receive early retirement benefits if retirement occurs after completion of at least five consecutive years of vested service and attainment of age 55. If an early retirement election is made by a participant, retirement benefits will begin on the first day of any month during the ten-year period preceding the participant's normal retirement date, as directed by the retiring participant. If a participant elects to retire prior to attaining age 65 and after completing five years of credited service, his or her accrued pension benefit will be reduced 3% per year for the first five years prior to age 65 and 5% per year thereafter to age 55. However, if a participant elects to retire early after both attaining age 60 and completing 25 years of credited service, his or her accrued pension benefit will be unreduced. Any participant who terminated employment prior to January 1, 2002, will receive an early pension benefit equal to the actuarial equivalent of the annual amount of the normal pension that would otherwise have been payable to the participant had he or she not

elected to receive an early pension. If the termination of service occurs after the normal retirement date, the participant's benefits will begin on the participant's postponed retirement date.

The table below shows the present value of accumulated benefits payable to each of the named executive officers, including the number of years of service credited to each named executive officer, under each of the pension plans determined using interest rate and mortality rate assumptions consistent with those used in Provident's financial statements.

- (1) The amounts shown represent the estimated 2012 Non-Qualified Supplemental Defined Contribution Plan contribution for 2012. The portion of the contribution attributable to the ESOP is based on the fair market value of Provident common stock on December 31, 2012 of \$14.92. These contributions are included in the Summary Compensation Table in the column All Other Compensation.
- (2) The amounts shown represent interest and dividends credited under the Non-Qualified Supplemental Defined Contribution Plan, and for Mr. Martin the amount includes interest and dividends on his balance in the First Savings Bank Directors' Deferred Fee Plan. The amounts shown include appreciation in the value of the phantom shares attributable to the ESOP portion of the supplemental benefit as the fair market value of Provident common stock at December 31, 2011 was \$13.39 compared to \$14.92 at December 31, 2012. The interest and dividends are not included in the Summary Compensation Table because they were not above market.

Table of Contents

The Provident Bank maintains a Non-Qualified Supplemental Defined Contribution Plan (the Supplemental Plan), which is a non-qualified plan that provides additional benefits to certain executives whose benefits under the 401(k) Plan and ESOP are limited by tax law limitations applicable to tax-qualified plans. The Supplemental Plan requires a contribution for each participant who also participates in the 401(k) Plan and ESOP equal to the amount that would have been contributed under the terms of the 401(k) Plan and ESOP but for the tax law limitations, less the amount actually contributed under the 401(k) Plan and ESOP. The Supplemental Plan provides for a phantom stock allocation for qualified contributions that may not be accrued in the qualified ESOP and for matching contributions that may not be accrued in the qualified 401(k) Plan due to tax law limitations. Vesting of these supplemental benefits is subject to the same terms and conditions as the benefits provided under the 401(k) Plan and ESOP. The 401(k) portion of the benefit under the Supplemental Plan is credited with interest at an annual rate equal to the bond-equivalent yield on United States Treasury Securities adjusted to a constant maturity of ten years. The ESOP portion of the benefit under the Supplemental Plan is credited with dividends payable on Provident common stock.

Benefits payable under the Supplemental Plan are payable to the participant in a lump sum during the calendar year immediately following the calendar year of the earliest to occur of: (i) separation from service; (ii) disability; or (iii) death of the participant. The 401(k) portion of the benefit under the Supplemental Plan is paid in cash and the ESOP portion of the benefit is paid in Provident common stock unless the committee administering the Supplemental Plan determines in its sole discretion to pay it in cash.

Potential Payments Upon Termination or Change in Control

Provident has entered into an employment agreement and a three-year change in control agreement with Mr. Martin and three-year change in control agreements with Messrs. Blum, Kuntz, Lyons and Raimonde. The following tables reflect the amount of compensation and benefits payable to each of the named executive officers of Provident at December 31, 2012 pursuant to such individual's employment agreement or change in control agreement, as applicable, in the event of termination of such executive's employment. No payments are required due to a voluntary termination under the employment agreement and the change in control agreements. The amount of compensation and benefits payable to each named executive officer upon an involuntary or good reason not-for-cause termination, termination following a change of control and in the event of disability (with respect to Mr. Martin's employment agreement) is shown in the following tables. The amounts shown assume that such termination was effective as of December 31, 2012, and thus include amounts earned through such time and are estimates of the amounts which would be paid out to the executive upon his termination. The amounts shown relating to unvested options and stock awards are based on the fair market value per share of Provident common stock on December 31, 2012 of \$14.92 per share. Using that fair market value, only certain unvested stock options had value at December 31, 2012. The actual amounts that may be paid out to each executive can only be determined at the time of such executive's separation from Provident. The amounts shown on the following tables do not take into account any reductions that may be required in order to comply with Internal Revenue Code Section 280G cutback provisions in each of the named executive officers' agreements. There is no such cutback provision in Mr. Martin's agreement.

Director Compensation*Elements of Director Compensation**Director Fees*

Director compensation discussed under this caption Director Compensation is paid to non-management directors only. Mr. Martin receives no director compensation for his service on the board of directors.

The board of directors establishes director compensation based on the recommendation of the Compensation Committee. Periodically, the Compensation Committee will engage the services of a third party and will consult external surveys to assist it in a review of director compensation.

During 2012, compensation paid to directors included retainer payments and individual meeting fees as follows:

Board Annual Retainer	\$30,000
Lead Director Annual Retainer	\$10,000
Board Meeting Fee	\$1,250 per meeting
Audit Committee Annual Retainer	\$27,500 for Chair
	\$15,000 for each member
Committee Meeting Fee for:	
Compensation Committee	
Governance/Nominating Committee	\$2,000 for Chair per meeting
Risk Committee	\$1,000 for each member per meeting

Edgar Filing: PROVIDENT FINANCIAL SERVICES INC - Form DEF 14A

Annual Equity Grant

6,000 shares of one-year time-vesting restricted stock

The Compensation Committee engaged Cook & Co. in 2012 to assist it in the review director compensation. The Compensation Committee recommended certain structural changes including the elimination of meeting fees and the transition of the payment of director compensation from a calendar year to a fiscal year ending April 30

Table of Contents

to coincide with director elections and the appointment of board committee leadership and members. The board of directors approved the recommended changes to director fees to be effective May 1, 2013 as follows:

Board Annual Retainer	\$50,000
Lead Director Annual Retainer	\$20,000
Committee Annual Retainers	\$27,500 for Audit and Compensation Committee Chairs
	\$15,000 for each member of the Audit and Compensation Committees
	\$20,000 for Governance/Nominating and Risk Committee Chairs
	\$10,000 for each member of the Governance/Nominating and Risk Committees
Annual Equity Grant	Shares equivalent to \$90,000 based on the grant date price with immediate vesting

To transition the payment of annual director fees from a calendar year to a fiscal year ending April 30, prorated retainer payments and equity grants were made to directors in May 2012 for the January 1 to April 30, 2013 period, and these amounts are included in 2012 director compensation in the Director Compensation Table.

Director Benefits

The Provident Bank makes available to each director an annual medical examination under an arrangement with a designated service provider. A director may also enroll in the health, dental and vision plans generally made available to The Provident Bank's employees, so long as the director bears the entire cost of the coverage.

Retirement Plan for the Board of Directors of The Provident Bank

The Retirement Plan for the Board of Directors of The Provident Bank was terminated in 2005 to eliminate the accrual of benefits for directors with less than ten years of service as of December 31, 2006. For directors having ten or more years of service as of December 31, 2006 (includes three current directors), the plan provides cash payments for up to ten years based on age and length of service requirements. The maximum payment under this plan to a board member who terminates service on or after the normal retirement age as defined in the plan with at least ten years of service on the board is 40 quarterly payments of \$1,250. The Provident Bank may suspend payments under this plan if it does not meet Federal Deposit Insurance Corporation or New Jersey Department of Banking and Insurance minimum capital requirements. The Provident Bank may terminate this plan at any time although such termination may not reduce or eliminate any benefit previously accrued to a board member without his or her consent. The plan further provides that, in the event of a change in control (as defined in the plan), the undistributed balance of a director's accrued benefit will be distributed to him or her within 60 days of a change in control.

Voluntary Fee Deferral Plans

Directors may elect to defer the receipt of all or a portion of the cash compensation paid to them for service on the board of directors. Elections to defer fees and the scheduled distribution of amounts deferred and earnings on those amounts shall comply with the requirements of Section 409A of the Internal Revenue Code. Deferred fees are credited to a memorandum account established for the benefit of each participant, and credited amounts currently earn interest at the prevailing prime rate.

In connection with the acquisition of First Sentinel Bancorp, Inc., Provident assumed the First Savings Bank Directors' Deferred Fee Plan, which was frozen prior to the completion of the acquisition. This plan will be paid out in accordance with the provisions of its governing documents.

Table of Contents

The following table sets forth for the year ended December 31, 2012 certain information as to total remuneration paid to directors who served on the board of directors in 2012 other than Mr. Martin, who is not paid director fees. Compensation paid to Mr. Martin is included in Executive Compensation Summary Compensation Table. Mr. Harding did not serve as a director in 2012 and he is not included in the table.

PROPOSAL 2 ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Compensation Discussion and Analysis appearing earlier in this Proxy Statement describes Provident's executive compensation program and the compensation decisions made by the Compensation Committee with respect to the Chief Executive Officer and other officers named in the Summary Compensation Table (who are referred to as the named executive officers). At the 2011 Annual Meeting of Stockholders, the Board of Directors recommended, and the stockholders approved, a non-binding vote in favor of holding an annual advisory vote on executive compensation. As a result, the Board of Directors determined that Provident will hold an annual advisory vote on executive compensation until the next required stockholder vote relating to the frequency of stockholder voting on executive compensation. Pursuant to Section 14A of the Securities Exchange Act of 1934, the board of directors is requesting stockholders to cast a non-binding advisory vote on the following resolution:

RESOLVED, that the stockholders of Provident Financial Services, Inc. (Provident) approve the compensation paid to Provident's named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including

the Compensation Discussion and Analysis, the compensation tables and narrative accompanying the tables.

Provident's executive compensation program is based on a pay for performance philosophy that is designed to support Provident's business strategy and align the interests of its executives with its stockholders. The board of directors believes that the link between compensation and the achievement of its long- and short-term business goals has helped Provident's financial performance over time, while not encouraging excessive risk-taking by management.

For these reasons, the board of directors is recommending that stockholders vote **FOR** this proposal. While this advisory vote is non-binding, the Compensation Committee and the board of directors value the views of the stockholders and will consider the outcome of this vote in future executive compensation decisions.

PROVIDENT'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE COMPENSATION PAID TO PROVIDENT'S NAMED EXECUTIVE OFFICERS.

PROPOSAL 3 RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Provident's independent registered public accounting firm for the year ended December 31, 2012 was KPMG LLP. The Audit Committee has re-appointed KPMG LLP to continue as the independent registered public accounting firm for Provident for the year ending December 31, 2013, subject to the ratification by Provident's stockholders at the Annual Meeting. Representatives of KPMG LLP are expected to attend the Annual Meeting. They will be given an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Stockholder ratification of the appointment of KPMG LLP is not required by Provident's Bylaws or otherwise. However, the board of directors is submitting the appointment of the independent registered public accounting firm to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment of KPMG LLP, the Audit Committee will reconsider whether it should select another independent registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change is in the best interests of Provident and its stockholders.

Audit Fees. The aggregate fees billed to Provident for professional services rendered by KPMG LLP for the audit of Provident's annual financial statements, review of the financial statements included in Provident's Quarterly Reports on Form 10-Q and services that are normally provided by KPMG LLP in connection with statutory and regulatory filings and engagements were \$788,500 and \$850,500 during the fiscal years ended December 31, 2012 and 2011, respectively.

Audit-Related Fees. The aggregate fees billed to Provident for assurance and related services rendered by KPMG LLP that are reasonably related to the performance of the audit and review of the financial statements and that are not already reported in **Audit Fees** above, were \$108,000 and \$105,000 during the fiscal years ended December 31, 2012 and 2011, respectively. These services included audits of Provident's employee benefit plans.

Tax Fees. No fees were billed to Provident for professional services rendered by KPMG LLP for tax compliance, tax advice and tax planning during the fiscal years ended December 31, 2012 and 2011. The Audit Committee has a policy that the independent registered public accounting firm shall not perform the preparation and filing of Provident's corporate tax returns, tax compliance and other tax-related services.

Table of Contents

All Other Fees. The aggregate fees billed to Provident for other permissible services rendered by KPMG LLP were \$0 during the each of the fiscal years ended December 31, 2012 and 2011.

Pre-Approval Policy. The Audit Committee has delegated to the Chair of the Audit Committee the authority to pre-approve audit and audit-related services up to a maximum amount of \$25,000 between meetings of the Audit Committee, provided the Chair reports any such approvals to the full Audit Committee at its next meeting. The full Audit Committee pre-approves all other services to be performed by the independent registered public accounting firm and the related fees.

PROVIDENT S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF KPMG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

ADVANCE NOTICE OF BUSINESS TO BE CONDUCTED AT AN ANNUAL MEETING

The Bylaws of Provident provide an advance notice procedure for certain business, or nominations to the board of directors to be brought before an Annual Meeting of stockholders. For a stockholder to properly bring business before an Annual Meeting, the stockholder must give written notice to the Corporate Secretary of Provident not less than 120 days prior to the date of Provident s proxy materials for the preceding year s Annual Meeting, or by no later than November 15, 2013 for next year s Annual Meeting of stockholders; provided, however, that if the date of the Annual Meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year s Annual Meeting, notice by the stockholder to be timely must be so delivered not later than the close of business on the tenth day following the day on which public announcement of the date of such Annual Meeting is first made. The notice must include the stockholder s name, record address, and number of shares owned; describe briefly the proposed business, the reasons for bringing the business before the Annual Meeting, and any material interest of the stockholder in the proposed business. Nothing in this paragraph shall be deemed to require Provident to include in its proxy statement and proxy relating to an Annual Meeting any stockholder proposal that does not meet all of the requirements for inclusion established by the Securities and Exchange Commission in effect at the time such proposal is received.

OTHER MATTERS

As of the date of this Proxy Statement, the board of directors knows of no matters that will be presented for consideration at the Annual Meeting other than as described in this document. However, if any other matters shall properly come before the Annual Meeting or any adjournment or postponement thereof and shall be voted upon, the proposed proxy will be deemed to confer authority to the individuals named as authorized therein to vote the shares represented by the proxy in accordance with their best judgment as to any matters that fall within the purposes set forth in the notice of Annual Meeting.
