Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Adoption of 2013 Award Formula for the Company's 2009 Key Officers Incentive Plan. On March 27, 2013, the Compensation Committee of the Company's Board of Directors (the "Committee") adopted the 2013 Award Formula (the "2013 Award Formula") for the Company's 2009 Key Officers Incentive Plan (the "Plan"). The Plan was filed March 26, 2009 as Appendix B to the Company's Proxy Statement. The 2013 Award Formula is applicable to the Company's eleven executive officers, including the named executive officers listed below. Under the 2013 Award Formula, an executive officer will be eligible to receive a cash award calculated by multiplying his annual salary at the end of the year by a percentage set by the Committee ("Target Percentage"), then applying the award formula. Corporate Participants and Profit Center Participants have separate award calculations based on factors defined in the 2013 Award Formula as follows:

Participant Type	Performance Objectives	Relative Weight
Corporate Participants	Return on Capital Employed (ROCE)	60%
	Cash Flow	20%
	Individual Performance Goals*	20%
Profit Center Participants	Return on Capital Employed (ROCE)	60%
	Free Cash Flow (FCF)	20%
	Individual Performance Goals*	20%

* These awards are established outside the Plan.

Corporate Participants. Awards for Corporate Participants are determined by the Company's aggregate 2013 financial results. No awards are paid for ROCE achievement below 29% and Cash Flow below \$262 million. The maximum payout percentage for ROCE and Cash Flow achievement is each capped at 150%. David S. Haffner (Chief Executive Officer), Karl G. Glassman (President and Chief Operating Officer) and Matthew C. Flanigan (Executive Vice President and Chief Financial Officer) are Corporate Participants. Below is the 2013 corporate payout schedule. Payouts will be interpolated for achievement levels falling between those in the schedule. Financial results from acquisitions are excluded from the calculations in the year of acquisition.

Profit Center Participants. For Profit Center Participants, no awards are paid for achievement below 80% of the ROCE and FCF targets for the applicable profit centers under the executive's management. The ROCE and FCF payouts are each capped at 150%. Joseph D. Downes, Jr. (Senior Vice President, President Industrial Materials) and Dennis S. Park (Senior Vice President, President Commercial Fixturing & Components) are Profit Center Participants. Below are the 2013 profit center payout schedule and targets for Mr. Downes and Mr. Park. Payouts will be interpolated for achievement levels falling between those in the schedule. Financial results for each profit center may include a critical compliance adjustment, ranging from a potential 5% increase for exceptional safety performance to a 20% deduction for critical compliance failures. Financial results from acquisitions are excluded from the calculations in the year of acquisition.

Individual Performance Goals. An executive's cash award under the 2013 Award Formula is based, in part, on individual performance goals established outside the 2009 Key Officers Incentive Plan (20% relative weight). The goals for our named executive officers in 2013 are:

David S. Haffner: Margin enhancement, strategic planning for profitable growth, business unit portfolio management, and succession planning;

Karl G. Glassman: Margin enhancement, increase on-site reviews of operations, remediation of internal audit findings, and succession planning;

Matthew C. Flanigan: Margin enhancement, continuous improvement projects, information technology initiatives, working capital management, and enterprise risk management;

Joseph D. Downes, Jr.: Increase free cash flow of targeted business, utilization and efficiency initiatives, and working capital management; and

Dennis S. Park: Profitability of targeted businesses, customer and product profitability initiatives, and succession planning.

The achievement of the individual performance goals is measured by the following schedule.

Individual Performance Goals Payout Schedule

(1-5 scale)

Achievement	Payout
1 Did not achieve goal	0%
2 Partially achieved goal	50%
3 Substantially achieved goal	75%
4 Fully achieved goal	100%
5 Significantly exceeded goal	up to 150%

The foregoing is only a brief description of the 2013 Award Formula and is qualified in its entirety by such formula which is attached and incorporated by reference as Exhibit 10.1. The definitions of ROCE, Cash Flow and FCF and example calculations are included in the attached 2013 Award Formula.
