Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 16, 2013, at the annual meeting of stockholders of Apache Corporation (Apache), the Company's stockholders voted to approve an amendment (the Amendment) to Apache's 2011 Omnibus Equity Compensation Plan (the 2011 Plan). The 2011 Plan was initially approved by Apache's stockholders on May 5, 2011, pursuant to which approval Apache reserved 25,500,000 shares for issuance under the 2011 Plan. Pursuant to the Amendment, Apache has reserved an additional 17,000,000 shares for issuance under the 2011 Plan. The Stock Option Plan Committee of Apache's Board is charged with the administration of the 2011 Plan. The foregoing description of the 2011 Plan is qualified in its entirety by reference to the Amendment, which is filed herewith as Exhibit 10.1 and incorporated herein by reference.

Item 8.01 below is incorporated by reference herein.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On May 16, 2013, Apache's board of directors (the Board) amended Apache's Bylaws (the Amended Bylaws) effective immediately. The following is a summary of the principal changes:

15% Special Meeting Right. Article IV, Section 3 has been amended to give stockholders the right to call a special meeting of stockholders upon written request of holders of record who hold a net long position (as defined in the Amended Bylaws) of not less than fifteen percent (15%) of the voting power of Apache's outstanding shares of common stock. Article IV, Section 3, as amended, sets forth the procedures and required disclosure applicable to stockholders requesting a special meeting of stockholders. A stockholder or group of stockholders requesting a special meeting must have held the requisite voting power continuously for at least three years before the date of submitting the written request for the special meeting and are required to include information and representations with the written request concerning the identity of the stockholders requesting such meeting, the purpose or purposes of the special meeting and the matters to be considered at such meeting, the number of shares intended to be counted in determining whether the stockholders making such request hold the requisite voting power. The Amended Bylaws provide that a special meeting request may be disregarded or a stockholder meeting not be held if (i) the stated business is not a proper subject for stockholder action under applicable law or (ii) the same business will be considered at a special or regular meeting of stockholders called by the Board within ninety (90) days after the special meeting request is delivered to or received by Apache.

Eliminate Executive Committee: Article V, section 13 was revised and section 14 was deleted to eliminate all references to the Executive Committee that were previously contained in Article V of the Company's bylaws.

The foregoing description of the Amended Bylaws does not purport to be complete and is qualified in its entirety by reference to the full text of the amended bylaws, which are filed herewith as Exhibit 3.1 and are incorporated herein by reference in their entirety.
