Under Skyline's By-Laws, a maximum of eight (8) Directors are permitted to serve on the Board of Directors. Directors are elected on an annual basis at Skyline's Annual Meeting of Shareholders, and each Director holds office for a one-year term. The nominees for Directors for fiscal year 2014 are: Arthur J. Decio, John C. Firth, Jerry Hammes, William H. Lawson, David T. Link, Andrew J. McKenna, Bruce G. Page, and Samuel S. Thompson.

It is intended that the votes authorized by the enclosed proxy will be cast for the election of the eight Director nominees. Information on the Director nominees can be found beginning on page 4 of this Proxy Statement.

The Board of Directors recommends that shareholders vote FOR all eight Director nominees.

PROPOSAL NO. 2.

ADVISORY VOTE TO RATIFY THE APPROVAL OF THE APPOINTMENT OF CROWE HORWATH LLP AS INDEPENDENT AUDITOR FOR FISCAL YEAR 2014

The Audit Committee is responsible for the appointment of the independent auditor engaged by Skyline. The Board and Audit Committee have appointed Crowe Horwath LLP as independent auditor for fiscal year 2014. The Board of Directors is asking shareholders to ratify this appointment. Crowe Horwath LLP audited Skyline's financial statements for fiscal year 2013. A representative of that firm will be present at the Annual Shareholders Meeting and will have an opportunity to make a statement and answer questions. Shareholders may vote for or against the ratification of Crowe Horwath LLP as Skyline's independent auditor for fiscal year 2014, or the shareholder may abstain from voting.

The Board of Directors recommends that shareholders vote FOR ratifying the appointment of Crowe Horwath LLP, an independent registered public accounting firm, to serve as Skyline's independent auditor for fiscal year 2014.

PROPOSAL NO. 3.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Board of Directors is asking the shareholders to provide an advisory, nonbinding vote to approve the compensation awarded to our Named Executive Officers, as described in the Executive Compensation section of this Proxy Statement beginning on page 14. Skyline is providing this advisory vote as required pursuant to Section 14A of the Securities Exchange Act of 1934. Non-binding votes on executive compensation have occurred at each of Skyline's Annual Meetings since 2011, and it is anticipated that such non-binding votes will continue to occur on an annual basis.

Skyline's Compensation Committee oversees the compensation program and compensation awarded. In addition, it adopts changes to the program and awards compensation as appropriate to reflect Skyline's circumstances and to promote the main objectives of the program. These objectives include: to compete for and retain managerial talent, to reward profitable growth and increase shareholder returns and to effectively tie pay to performance. The Board is asking the shareholders to indicate their support for the Named Executive Officers' compensation for fiscal year 2013. The Board believes the executive compensation program was designed appropriately and is working to ensure that management's interests are aligned with the shareholders' interests to support long-term value creation.

Shareholders may vote for or against the following resolution, or abstain from voting. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Named Executive Officers. The proposed resolution is:

Resolved, that the shareholders approve the compensation awarded to Skyline's Named Executive Officers for fiscal year 2013, as disclosed in the Executive Compensation discussion included in this Proxy Statement.

While this vote is advisory and not binding on Skyline, the Board and the Compensation Committee expect to consider the outcome of the vote, along with other relevant factors, when considering future executive compensation decisions.

The Board of Directors recommends that shareholders vote FOR the approval of the foregoing resolution on Named Executive Officer compensation.

CORPORATE GOVERNANCE

Skyline believes good governance starts with a Board whose independence ensures candid and constructive engagement with management about all aspects of Skyline's business. Skyline's Director nomination process seeks persons with the initiative, time, skills and experience to be effective contributors.

Skyline's governance processes address matters relating to Board operations that are fundamental to shareholder interests. The independent Directors meet regularly without management present to evaluate Skyline's results, plans and challenges, as well as management's performance and the strength and development of Skyline's Named Executive Officers. Between June 1, 2012 and May 31, 2013, the Board met five times. All the Directors of the Board were present at these meetings. Skyline's independent Directors also met in

executive session two times. Directors are expected, although not required, to attend Skyline's Annual Shareholders' Meeting, and all Board meetings and meetings of the Committees of the Board on which they serve. In 2012, all of the Directors attended the Annual Meeting of the Shareholders.

The Board is actively engaged in overseeing and reviewing Skyline's strategic direction and objectives, taking into account (among other considerations) Skyline's risk profile and exposures. The Board conducts an annual in-depth review of the business, which includes consideration of strategic, operational, competitive, financial, compliance and other risk exposures. Skyline currently separates the Chairman and CEO functions, with each position held by a different individual. Skyline has at times operated with a combined Chairman and CEO functions and at other times Skyline has separated those positions. The Board considers the current constituency of management in evaluating whether a combined role is efficient and effective. At the present time, it is the assessment of the Board that separating these positions allows the CEO to focus on the Company's business, while the Chairman can focus on corporate governance matters, as well as leadership development and succession planning. Mr. McKenna serves as the lead, independent director on the Board, and his considerable experience with other publicly-traded companies provides him with an excellent background to define the function and structure of the independent directors. The primary focus of the independent directors continues to be an independent assessment of the performance of the Corporation, along with a continuous discussion regarding succession planning. The Board interacts extensively with management in a continuous monitoring of risk factors, both internal and external, that are involved with this particular business and corporation. The independence of the Board, the extensive experience of the Board of Directors, and the sophistication of the individuals participating on the Board provide a high level of ability to address risk at all levels.

Although the Board as a whole has responsibility for risk oversight, three standing committees also oversee Skyline's risk profile and exposures relating to matters within the scope of each committee's authority and reports to the Board about their deliberations. The committees are the Audit Committee, Compensation Committee, and the Nominating and Governance Committee. The Audit Committee considers audit, accounting and compliance risk, and it receives reports from its outside auditors, internal audit staff, and the Chief Financial Officer, among others. The Audit Committee is also responsible for the review of Skyline's major risk exposures (whether financial, operational or otherwise), and the steps management has taken to monitor and control such exposures, and for evaluating management's process to assess and manage Skyline's enterprise risk issues. The Compensation Committee considers the level of risk implied by Skyline's compensation programs, including incentive compensation programs in which the CEO and other employees participate. The Nominating and Governance Committee monitors potential risks to the effectiveness of the Board, notably Director succession and the composition of the

Board, and the principal policies that guide Skyline's governance. Each of the committees operates under a written charter to promote clarity in their responsibilities and accountability among their members. These committees work in a coordinated way to address recurring matters and respond to unanticipated events, and they are discussed in greater detail below.

In addition, in compliance with the wishes of a majority of the shareholders, shareholders will again have the opportunity to participate in a nonbinding advisory vote on the compensation of the Named Executive Officers.

Committees

Information about Committee meetings is as follows:

The Audit Committee consisted of Messrs. Hammes, Firth, Lawson, Link, and Thompson. It met five times as a committee during the fiscal year ended May 31, 2013. Every member of the Audit Committee was present at all the meetings, except one committee member missed one Committee meeting and Mr. Thompson attended the only Committee meeting held after his appointment in April 2013. The Committee meets with the accounting firm which conducts the annual audit of Skyline's financial statements, reviews auditors' recommendations, reviews the independence of Skyline's auditors and considers the range of audit and non-audit fees. It also meets with the internal audit staff and Chief Financial Officer, reviews the scope and adequacy of Skyline's internal auditing program and reports its findings to the Board with any recommendations it considers appropriate. Skyline's Board has adopted a written charter for the Audit Committee which is posted to Skyline's website at www.skylinecorp.com and available in paper form upon request to Skyline's Secretary. The members of the Audit Committee are all independent as defined in the applicable listing standards. Messrs. Hammes, Firth, Lawson and Link are all Audit Committee Financial Experts.

The Nominating and Governance Committee consisted of Messrs. McKenna, Firth, Hammes, Lawson, Link and Thompson, all of whom are independent. It met twice during the last fiscal year. Every member of the Nominating and Governance Committee was present at both meetings, except Mr. Thompson, who did not attend either of the meetings because they occurred prior to his appointment to the Committee. The Nominating and Governance Committee identifies individuals qualified to become members of the Board, and recommends that the Board nominates such individuals for election to the Board at the next Annual Meeting of Shareholders. This Committee also develops and reviews Skyline's corporate governance guidelines and makes recommendations to the Board regarding the guidelines. The Committee believes that candidates for directors should meet certain minimum qualifications including being of the highest ethical character and sharing the values of Skyline as reflected in Skyline's Code of Business Conduct and Ethics, having

reputations both personal and professional consistent with the image and reputation of Skyline, and being highly accomplished in their respective fields with superior credentials and recognition and having relevant experience and expertise. In selecting candidates, the Nominating and Governance Committee and Board take diversity into account, seeking to ensure a representation of varied perspectives and experience, although Skyline's nomination policy does not prescribe specific standards for diversity. The Committee retains the right to modify these qualifications. Shareholders may provide the Committee information on director candidates for consideration by the Committee by writing a letter to Martin R. Fransted, Secretary, at Skyline's principal executive office at 2520 By-Pass Road, P.O. Box 743, Elkhart, Indiana 46515 containing the respective candidate's name, qualifications, relevant experience, all information required pursuant to Regulation 14A under the Securities Exchange Act of 1934, and such candidate's consent to serve as director. These letters must also identify the author as a shareholder of Skyline, and clearly state that the intended recipients are all members of the Nominating and Governance Committee. All such communications received by the Secretary will be delivered to members of the Nominating and Governance Committee. In general, persons recommended by shareholders will be considered on the same basis as candidates from other forums. The Committee retains absolute discretion and independence in determining whether to recommend a candidate. Skyline has a written charter for the Nominating and Governance Committee which is posted to Skyline's website at www.skylinecorp.com and available in paper form upon request to Skyline's Secretary.

The Compensation Committee consisted of Messrs. Lawson, Firth, Hammes, Link, McKenna and Thompson. It met twice during the last fiscal year. Every member of the Compensation Committee was present at both meetings, except Mr. Thompson, who did not attend either of the meetings because they occurred prior to his appointment to the Committee. The functions of the Compensation Committee are to discharge the Board's responsibilities relating to compensation of Skyline's executives, review and approve corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluate Chief Executive Officer performance in light of these goals and objectives and set the Chief Executive Officer's compensation level based on this evaluation and to make recommendations to the Board regarding incentive compensation plans, equity based plans and to undertake any similar functions. Neither the Compensation Committee nor the management of Skyline engaged the services of a compensation consultant to provide advice or recommendations on the amount or form of executive and director compensation during the fiscal year ended May 31, 2013. Skyline has a written charter for the Compensation Committee which is posted to Skyline's website at www.skylinecorp.com and available in paper form upon request to Skyline's Secretary. The members of the Compensation Committee are all independent as defined in the applicable listing standards.

Report of the Audit Committee

The Audit Committee of Skyline's Board of Directors has reviewed and discussed Skyline's audited financial statements with management; has discussed with Skyline's independent registered public accounting firm Crowe Horwath LLP the matters required to be discussed by Codification of Statements on Auditing Standards, AU §380, Statement on Auditing Standards No. 61; has received from the auditors disclosures regarding the auditors' independence as required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence and has discussed with the auditors the auditors' independence; and has, based on the review and discussions noted above, recommended to Skyline's Board of Directors that the audited financial statements be included in Skyline's Annual Report on Form 10-K for the fiscal year ended May 31, 2013 for filing with the Securities and Exchange Commission. **** Mr. Page was Vice President and Chief Operating Officer until Mr. Deranek's retirement on September 24, 2012, at which time Mr. Page was designated by the Board as President and Chief Executive Officer.

Defined Contribution Profit Sharing Plans and 401(k) Plan

Through May 31, 2012, Skyline had two defined contribution profit sharing plans, one for hourly and one for salaried workers, including the Named Executive Officers, which provided benefits on death, disability or retirement for substantially all eligible employees.

Employees became eligible as of the June 1 or December 1 immediately following completion of six months of employment. The amount (if any) Skyline contributed under the plans each year was discretionary, subject to the maximum amount allowed by the Internal Revenue Code.

Upon retirement, death or permanent total disability, a participant, including a Named Executive Officer, became entitled to receive all amounts (including contributions and investment earnings which were allocated annually in proportion to participant account balances) credited to his or her account under the plan. In case of termination of employment by resignation or discharge, the participant became entitled to a percentage of the amount credited to his or her account, ranging from 0% after one year of employment to 100% after six or more years.

Effective June 1, 2012, the assets of the hourly and salaried profit sharing plans merged into Skyline's existing 401(k) Plan. Effective on such date, the two profit sharing plans no longer continued as separate plans, but instead have been integrated into the 401(k) Plan.

The eligibility provisions of the 401(k) plan are the same as the prior profit sharing plans - hourly and salaried employees become eligible in the 401(k) Plan as of the June 1 or December 1 immediately following completion of six months of employment. Participants in the 401(k) plan have the ability to self direct investments pursuant to various investment choices permitted under the plan. Employee deferrals under the 401(k) plan are 100% vested. However, assets transferred from the profit sharing plans remain subject to the six year vesting schedule that was provided in such plans. Skyline in any year has the discretion to contribute employer contributions on a matching basis (based on participant 401(k) deferrals), or as a profit sharing contribution on the basis of compensation earned by participants. No employer contributions are required in any year. Any employer contributions are subject to the maximum amount permitted under the Internal Revenue Code.

Skyline reserves the right to modify, amend or terminate the 401(k) plan. In the event of termination of the 401(k) plan, the 401(k) plan trustee must pay all benefits under the plan to participants or their beneficiaries in accordance with Plan provisions and IRS and ERISA requirements.

Retirement Benefits for fiscal year ended May 31, 2013

Skyline has entered into arrangements with certain employees, including Named Executive Officers, which provide for Skyline to pay benefits to the employees' estates in the event of death during active employment or to pay retirement benefits over 10 years beginning at the date of retirement. Skyline also purchased life insurance contracts on the covered employees. The cash surrender value of the insurance contracts are recorded as a long-term other asset and the net present value of the maximum potential benefit is recorded as a liability on Skyline's financial statements.

The following table provides information on each plan that provides for payments or other benefits in connection with a Named Executive Officer's retirement, excluding tax-qualified and non-qualified defined contribution plans.

Executive Retirement Benefit Table

The Chairman of the Audit Committee receives \$4,000 annually and the remaining members of the Audit Committee receive \$3,000 annually, payable in quarterly installments. Chairmen of the other Committees who are not employees of Skyline receive an additional \$3,000 annually, and Committee members of the other Committees who are not employees of Skyline receive an additional \$2,000 annually, payable in quarterly installments.

* In addition to the payments noted above, in the event of the death of Arthur J. Skyline is the owner and beneficiary of policies insuring Arthur J. Decio's life in the amount of \$1,600,000.

Transactions with Management

Skyline did not participate in any transaction with a related person as defined by 17 CFR §229.404 during the fiscal years ended May 31, 2012 or May 31, 2013 in which the amount involved exceeded the lesser of \$120,000 or one percent (1%) of the average of Skyline's total assets as of the end of Skyline's fiscal years ending May 31, 2012 and May 31, 2013.

Risk and Executive Compensation

It is the judgment of the Board that Skyline's compensation policies and practices are unlikely to have a material adverse effect to Skyline. This conclusion was based in part upon the fact Skyline does not currently use non-cash compensation or any formulaic program at levels that commits Skyline to compensation levels that may be inconsistent with the long-term performance of Skyline.

DIRECTOR INDEPENDENCE AND EXECUTIVE SESSIONS

The Board of Directors has affirmatively determined that each of the six non-management Directors, Andrew J. McKenna, Jerry Hammes, William H. Lawson, David T. Link, John C. Firth, and Samuel S. Thompson is an independent Director and therefore, that a majority of Skyline's Board of Directors is currently independent as so defined. Each of the aforementioned persons would also qualify as an independent Nominee for Director. For this purpose, Skyline's Board adopted the following categorical standards based in part on the New York Stock Exchange Corporate Governance Listing Standards approved by the SEC on November 4, 2003, as amended, and additional categories considered appropriate by the Board:

1. No Director qualifies as independent unless the Board affirmatively determines that the Director has no material relationship with Skyline or any of its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with Skyline or its subsidiaries);
2. A Director who is an employee, or whose immediate family member is an executive officer of Skyline or any of its subsidiaries, is not independent until three (3) years after the end of such employment relationship;
3. A Director who receives, or whose immediate family member receives, more than \$120,000 per year in direct compensation from Skyline or any of its subsidiaries, other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three (3) years after he or she ceases to receive more than \$120,000 per year in such compensation;

4. A Director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by a present or former internal or external auditor of Skyline or any of its subsidiaries, is not independent until three (3) years after the end of the affiliation or the employment or auditing relationship;
5. A Director who is employed, or whose immediate family member is employed, as an executive officer of another company when any of Skyline or any of its subsidiaries present executives serve on that other company's compensation committee is not independent until three (3) years after the end of such service or the employment relationship;
6. A Director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payment from, Skyline or any of its subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues, is not independent until three (3) years after falling below such threshold;
7. The Board has determined that there are no relationships between Skyline and the Directors classified as independent other than service on Skyline's Board of Directors and compensation paid to such Directors.

The foregoing independence determination of the Board of Directors also included the conclusions that:

1. Each of the members of the Audit Committee, Nominating and Governance Committee, and Compensation Committee listed above is respectively independent under the standards listed above for purposes of membership on each of these committees; and
2. Each of the members of the Audit Committee also meets the additional independence requirements under SEC. Rule 10A-3(b). Mr. McKenna is currently serving as the lead independent Director for purposes of scheduling and setting the agenda for executive sessions of the independent Directors. It is presently contemplated that there will be regular executive sessions during the fiscal year ending May 31, 2014 in conjunction with regularly scheduled Board meetings, in addition to the separate meetings of the key standing committees of the Board of Directors. There were two executive sessions of the independent directors in the fiscal year ended May 31, 2013. All shareholders and interested parties may communicate directly with the independent Directors by sending an e-mail to board@skylinecorp.com.

The Board of Directors has adopted a statement of governance principles that is available on Skyline's website at www.skylinecorp.com.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Crowe Horwath LLP as Skyline's independent auditor for the fiscal year ending May 31, 2014. Crowe Horwath LLP has been the Company's independent auditor since 2005, and is considered by management to be well qualified. The Board and the Audit Committee recommend that shareholders ratify the appointment of Crowe Horwath LLP as Skyline's independent auditor for Skyline's fiscal year 2014. Although not required to do so, Skyline believes that it is appropriate to request that shareholders ratify this appointment. If shareholders do not ratify the appointment, the Audit Committee will investigate the reasons for the shareholders' rejection and reconsider the appointment. Representatives of Crowe Horwath LLP will be at the Annual Meeting, will be given the opportunity to make a statement, and will be available to respond to questions.

COMMUNICATIONS WITH DIRECTORS

Skyline provides for a procedure for shareholders and other interested parties to communicate with the Board. Communications may be sent to the attention of all Board Members or Committees in care of board@skylinecorp.com or to the independent directors only at board@skylinecorp.com.
