(b) On August 8, 2013, Mr. William B. Noon, Vice President of Finance of Mattersight Corporation (the Company), and the Company agreed that Mr. Noon's employment with the Company will end on August 31, 2013. As previously reported in the Current Report on Form 8-K dated July 23, 2012, in connection with the appointment of Mark Iserloth to the role of Chief Financial Officer, Mr. Noon assumed the role of Vice President of Finance and agreed to remain in that role (and waive any good reason termination right related thereto) for at least 12 months under the terms of his existing employment agreement. Upon termination of Mr. Noon's employment, he will receive severance from the Company equal to six months' salary, 50% of the average of his current year's estimated bonus and prior year's actual bonus, six months' continuation of health benefits, and six months' additional vesting of his stock awards.

(e) On August 7, 2013, the Compensation Committee of the Board of Directors of the Company (the Compensation Committee), approved the termination of the Salary Replacement Program. Effective October 1, 2013, the Company's executive officers and other affected employees will receive their full salaries in cash and the Company will no longer reduce cash salaries for periodic grants of unrestricted Mattersight common stock.

(e) Effective August 8, 2013, Mattersight Corporation entered into a second amendment (the Second Amendment) to its executive employment agreement with David R. Gustafson, its Executive Vice President of Products and Marketing (the Agreement). The Second Amendment revises the material components of Mr. Gustafson's compensation package under the Agreement as follows: (a) for the bonus payable in 2014 with respect to 2013 performance, Mr. Gustafson shall be paid his full target bonus of \$275,000, less standard payroll deductions and withholdings, irrespective of Mr. Gustafson's and/or the Company's achievement of the established bonus objectives for 2013 (the 2013 Bonus); and (b) the severance benefits payable on termination by the Company without cause and by Mr. Gustafson for good reason have been increased to twelve months' salary, 100% of the average of his current year's estimated bonus and prior year's actual bonus, twelve months' continuation of health benefits, and twelve months' additional vesting of his stock awards.
