Item 8.01 Other Events.

On April 2, 2014, Realogy Holdings Corp. (the Company), Realogy Group LLC (Realogy Group), a Delaware limited liability company and the Company's indirect, wholly-owned subsidiary, Realogy Co-Issuer Corp. (the Co-Issuer and, together with Realogy Group, the Issuers), a Florida corporation and the Company's indirect, wholly-owned subsidiary, and the subsidiary guarantors named therein entered into a Purchase Agreement (the Purchase Agreement) with the several initial purchasers named in Schedule A thereto, relating to the sale by the Issuers of \$450 million aggregate principal amount of the Issuers' 4.500% senior notes due 2019 at an issue price of 100% (the Notes).

The Notes will be issued in a private offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act) to qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act.

The Notes will be guaranteed on an unsecured senior basis by each of Realogy Group's domestic subsidiaries (other than the Co-Issuer) that is a guarantor under its senior secured credit facility. The Notes will also be guaranteed by the Company on an unsecured senior subordinated basis. The Notes will be effectively subordinated to all of Realogy Group's existing and future senior secured debt, including its senior secured credit facility and its outstanding senior secured notes, to the extent of the value of the assets securing such debt. Subject to customary closing conditions, the sale of the Notes is expected to close on or about April 7, 2014.

The Purchase Agreement contains customary representations, warranties and agreements by the Issuers and the guarantors. In addition, the Issuers and the guarantors have agreed to indemnify the initial purchasers against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the initial purchasers may be required to make in respect of those liabilities. Furthermore, the Issuers and the guarantors have agreed with the initial purchasers not to offer or sell any similar debt securities for a period of 60 days after the closing date without the prior written consent of the representative of the initial purchasers.

The Company intends to use a portion of the \$444 million of net proceeds from the offering of the Notes to repurchase approximately \$354 million of the Issuers' 7.875% Senior Secured Notes due 2019, and to pay related premiums of \$33 million as well as related fees and expenses, concurrent with the closing of the offering. The Company intends to use the remaining net proceeds from the offering of the Notes for working capital and general corporate purposes. The Company may also use such proceeds to repay existing secured notes from time to time, through either tender offers, redemptions, purchases in privately negotiated transactions, open market purchases, or a combination thereof, and to pay the fees and expenses related thereto.
