With respect to the preceding matters, holders of Class A common stock are entitled to one vote per share, and holders of Class B common stock are entitled to 50 votes per share, so long as such Class B common stockholder continues to own 49 operating partnership units in Empire State Realty OP, L.P. for each such share of Class B common stock. Holders of Class A common stock and Class B common stock vote together as a single class on the matters covered at the meeting, and their votes are counted and totaled together.

As disclosed above, a majority of the votes cast voted, in a non-binding vote, in favor of having a stockholder vote to approve the compensation of the named executive officers every year. In light of such vote, and consistent with the Company's recommendation, the Company's board of directors determined that it currently intends to include an advisory vote to approve the compensation of the named executive officers every year until the next vote on the frequency of stockholder votes on the compensation of the named executive officers.
