The Securities Report has been prepared and filed in Japan in accordance with applicable Japanese disclosure requirements as well as Japanese accounting standards. For a more complete discussion of the background to information provided in the Securities Report disclosure, please see our annual report on Form 20-F for the fiscal year ended March 31, 2013 and the other reports filed with or submitted to the U.S. Securities and Exchange Commission by MUFG.

### Business Segment Information

#### 1. Summary of Reporting Segment

MUFG's reporting segments are business units of MUFG for which separate financial information is available and which its Board of Directors regularly reviews to make decisions regarding allocation of management resources and to evaluate business performance.

MUFG engages in a wide range of sophisticated financial businesses through its group companies that include commercial banks, trust banks, securities companies, credit card companies and consumer finance companies. MUFG operates under an integrated business group system comprising five core business areas—Retail, Corporate, Global Business, Trust Assets and Global Markets—designed to enhance its operations as an integrated group. Managing its group companies under this system, MUFG provides value-added financial products and services to customers in a timely manner.

MUFG's group companies are managed using a matrix framework consisting of several business segments identified based on the integrated business group system as well as through individual group companies. To assist appropriate assessment of MUFG's future cash flow forecasts, MUFG has identified as its reporting segments the following core entities (on a consolidated basis), each operating in a different industry and regulatory environment:

The Bank of Tokyo-Mitsubishi UFJ, Ltd. (BTMU) Banking

Mitsubishi UFJ Trust and Banking Corporation (MUTB) Banking and trust banking

Mitsubishi UFJ Securities Holdings Co., Ltd. (MUSHD) Securities

Consumer Finance Subsidiaries (CFS) Credit card and consumer finance (\*)

(\*) Consumer finance subsidiaries include Mitsubishi UFJ NICOS Co., Ltd. and ACOM CO., LTD.
