Item 1.01 Entry into a Material Definitive Agreement.
Second Amended and Restated Credit Agreement

On July 14, 2014, Calumet Specialty Products Partners, L.P. (the Partnership) and certain of its operating subsidiaries entered into a second amended and restated credit agreement (the Credit Agreement), by and among Bank of America, N.A., as Agent for the lenders (the Agent), and certain other lenders party thereto (with Bank of America, N.A., the Lenders). The Credit Agreement provides a \$1 billion senior secured revolving credit facility with a \$500 million incremental uncommitted expansion feature, is limited by a borrowing base calculation (approximately \$896.6 million at closing) and has a letter of credit sublimit of \$600 million, which may be increased with Agent consent to 90% of commitments.

Loans under the Credit Agreement bear interest at prime plus a margin or LIBOR plus a margin, at the Partnership's option. The margin ranges from 50 to 100 basis points for prime and 150 to 200 basis points for LIBOR. This margin is currently at 75 basis points for prime and 175 basis points for LIBOR; however, it fluctuates based on measurement of the Partnership's average availability for its preceding calendar quarter. Letters of credit issued under the Credit Agreement accrue fees at the basis points margin applicable to LIBOR loans. Lenders under the Credit Agreement have a first priority lien on, among other things, the Partnership's accounts receivable and inventory and substantially all of its cash. The Credit Agreement matures in July 2019. The Partnership may be required to make mandatory prepayments under certain conditions.

The Credit Agreement generally permits the Partnership to make cash distributions to its unitholders as long as after giving effect to such a cash distribution the Partnership has availability under the Credit Agreement at least equal to the greater of (i) 15% of the Borrowing Base (as defined in the Credit Agreement) and (ii) \$70 million (which amount is subject to increase in proportion to revolving commitment increases).

In addition, the Credit Agreement contains various covenants that limit, among other things, the Partnership's ability to: incur indebtedness; grant liens; dispose of certain assets; make certain acquisitions and investments; redeem or prepay other debt or make other restricted payments such as distributions to unitholders; enter into transactions with affiliates; and enter into a merger, consolidation or sale of assets. Further, the Credit Agreement contains one springing financial covenant which provides that if the Partnership's availability under the Credit Agreement falls below the greater of (i) 12.5% of the Borrowing Base (as defined in the Credit Agreement) and (ii) \$45 million (which amount is subject to increase in proportion to revolving commitment increases), the Partnership will be required to maintain as of the end of each fiscal quarter a Fixed Charge Coverage Ratio (as defined in the Credit Agreement) of at least 1.0 to 1.0.

If an event of default exists under the Credit Agreement, the Lenders will be able to accelerate the maturity of the credit facilities and exercise other rights and remedies. An event of default includes, among other things, the nonpayment of principal, interest, fees or other amounts; failure of any representation or warranty to be true and correct when made or confirmed; failure to perform or observe covenants in the Credit Agreement or other loan documents, subject, in limited circumstances, to certain grace periods; cross-defaults to certain other indebtedness if the effect of such default is to cause, or permit the holders of such indebtedness to cause, the acceleration of such indebtedness under any material agreement; bankruptcy or insolvency events; certain monetary and non-monetary judgments; asserted invalidity of the loan documentation; and a change of control over the Partnership.

The foregoing description is qualified in its entirety by reference to the Credit Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated into this Current Report on Form 8-K by reference.

Item 2.03 Creation of a Direct Financial Obligation.
