1 Announcement dated November 17, 2014 in respect of expansion of TD-LTE/LTE FDD Hybrid Network Trial.

FORWARD-LOOKING STATEMENTS

This announcement contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such forward-looking statements may include, without limitation, statements relating to the Company's competitive position; the Company's business strategies and plans, including those relating to the Company's networks, products and services, as well as sales and marketing, in particular, such networks, products and services, sales and marketing in respect of the Company's 3G and 4G business; the Company's future business condition, future financial results, cash flows, financing plans and dividends; the future growth of market demand of, and opportunities for, the Company's new and existing products and services, in particular, 3G and 4G services; and future regulatory and other developments in the PRC telecommunications industry.

The words "anticipate", "believe", "could", "estimate", "intend", "may", "seek", "will" and similar expressions, as they relate to the Company, are intended to identify certain of these forward-looking statements. The Company does not intend to update any of these forward-looking statements and are under no obligation to do so.

The forward-looking statements contained in this announcement are, by their nature, subject to significant risks and uncertainties. In addition, these forward-looking statements reflect the Company's current views with respect to future events and are not a guarantee of the Company's future performance. Actual results may differ materially from those expressed or implied in the forward-looking statements as a result of a number of factors, including, without limitation:

changes in the regulatory regime and policies for the PRC telecommunications industry, including, without limitation, changes in the regulatory policies of the Ministry of Industry and Information Technology (which has assumed the regulatory functions of the former Ministry of Information Industry), the State-owned Assets Supervision and Administration Commission, and other relevant government authorities of the PRC;

changes in the PRC telecommunications industry resulting from the issuance of 3G and 4G licenses by the central government of the PRC;

effects of tariff reduction and other policy initiatives from the relevant PRC government authorities;

changes in telecommunications and related technologies and applications based on such technologies;

Table of Contents

the level of demand for telecommunications services, in particular, 3G and 4G services;

competitive forces from more liberalized markets and the Company's ability to retain market share in the face of competition from existing telecommunications companies and potential new market entrants;

effects of competition on the demand and price of the Company's telecommunications services;

the availability, terms and deployment of capital and the impact of regulatory and competitive developments on capital outlays;

the results of the anti-monopoly investigation by the National Development and Reform Commission of the PRC relating to the price charged for Internet dedicated leased line access service provided by the Company to Internet service providers;

changes in the assumptions upon which the Company has prepared its projected financial information and capital expenditure plans; and

changes in the political, economic, legal, tax and social conditions in the PRC, including the PRC government's policies and initiatives with respect to economic development in light of the recent global economic downturn, foreign exchange policies, foreign investment activities and policies, entry by foreign companies into the PRC telecommunications market and structural changes in the PRC telecommunications industry.

Announcement

Expansion of TD-LTE/LTE FDD Hybrid Network Trial

This announcement is made pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Part XIVA of the Securities and Futures Ordinance (Cap. 571).

On 17 November 2014, China Unicom (Hong Kong) Limited (the Company) was notified by its ultimate parent company, China United Network Communications Group Company Limited (Unicom Group), that, on the basis that Unicom Group has obtained the approval to conduct TD-LTE/LTE FDD hybrid network trial in a total of 40 cities on 27 June 2014 and 28 August 2014, the Ministry of Industry and Information Technology of the People's Republic of China has approved Unicom Group to expand the TD-LTE/LTE FDD hybrid network trial to 41 cities. The additional city is Jiaxing. China United Network Communications Corporation Limited, a wholly-owned subsidiary of the Company, will continue to be responsible for the hybrid network trial.

By Order of the Board
CHINA UNICOM (HONG KONG)
