Item 1.01 Entry into a Material Definitive Agreement.

Logan's Gap Wind Purchase and Sale Agreement

On December 19, 2014, Pattern Energy Group Inc. (**Pattern Energy**) entered into a Purchase and Sale Agreement (the **Logan's Gap PSA**) with Pattern Renewables LP, a Delaware limited partnership and controlled affiliate of Pattern Energy Group LP (**Logan's Gap Seller**), and Pattern Energy Group LP (**Pattern Development**), as guarantor of Logan's Gap Seller's obligations under the Logan's Gap PSA. Upon the terms and subject to the conditions set forth in the Logan's Gap PSA, a subsidiary of Pattern Energy purchased from Logan's Gap Seller 100% of the membership interests in Logan's Gap B Member LLC, a Delaware limited liability company, which owns 100% of the membership interests in Logan's Gap Holdings LLC, a limited liability company (**Logan's Gap Holdco**), which, in turn, owns 100% of the membership interests in Logan's Gap Wind LLC, a Delaware limited liability company and the project company for the approximately 200.1 MW Logan's Gap wind project (the **Project**) located in Comanche County, Texas (the **Logan's Gap Project Company**), for a consideration of approximately US\$15.1 million.

The Project is currently under construction. As part of the acquisition, Pattern Energy has assumed an obligation to make an equity capital contribution upon the completion of construction. Construction financing, which closed concurrent with the acquisition, will be repaid from Pattern Energy's equity capital contribution and those of the Tax Equity Investors (as defined below). Pattern Energy's total cash funding commitment (including the consideration paid under the Logan's Gap PSA and the equity capital contribution upon the completion of construction) will be approximately US\$113 million. Once the Project achieves commercial operations, the membership interests in Logan's Gap Holdco will, pursuant to agreements separate from the Logan's Gap PSA, be restructured into Class A and Class B membership interests. Following the restructuring and capital contributions to be made by certain tax equity investors (the **Tax Equity Investors**), (1) Logan's Gap B Member LLC will hold 100% of the Class B membership interests in Logan's Gap Holdco and (2) the Tax Equity Investors will hold 100% of the Class A membership interests in Logan's Gap Holdco.

The Logan's Gap PSA includes customary representations by Logan's Gap Seller and Pattern Energy, including as to due authorization, non-contravention, governmental consents and approvals, enforceability, ownership and title and no litigation or adverse claims, tax matters and with respect to the underlying wind project. The Logan's Gap PSA provides for customary indemnification by Logan's Gap Seller and by Pattern Energy, as applicable, for breaches of representations or covenants, which indemnification is subject to customary limitations including, among other things, a cap and time limits.

The Conflicts Committee of Pattern Energy's Board of Directors, which is comprised solely of independent directors, had recommended to the Board that the Company enter into the Logan's Gap PSA and related transactions.

The foregoing description of the Logan's Gap PSA does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Logan's Gap PSA, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

See "Certain Relationships and Related Party Transactions—Our Relationship with Pattern Development" in Pattern Energy's Definitive Proxy Statement on Schedule 14A filed with the Securities and Exchange Commission on April 23, 2014 for a discussion of the relationship between Pattern Energy and Pattern Development.
